The opinions of different individuals as to the grade of a given lot can and will vary. The opinion of the same individual grading an item at different times can and will vary. Grades are stated as a convenience to bidders only to assist in directing them to lots they may wish to examine. *Currency Auctions of America, Inc.* strongly urges all bidders, including mail bidders, to examine lots prior to bidding, either in person or through their own agent. *Currency Auctions of America, Inc.* does not represent that a note has or has not been cleaned or that any other entity or third party grading service will or will not agree with our grade opinion for any item. Please note that no lots graded by a third party grading service may be returned for any reason. Bidders should examine all lots and form their own opinions of the items in the sale prior to bidding. Except as otherwise stated expressly in the TERMS OF SALE, *Currency Auctions of America, Inc.*, its agents and employees make no warranties, guarantees or representations and expressly disclaim any warranties, representations or guarantees, including a warranty of merchantability.

15. In the event of any claim or controversy arising out of the sale, the sole remedy of the bidder or buyer shall be a refund of the original purchase price and buyer's fee. vide their own insurance on lots shipped to them. *Currency Auctions of America, Inc.* shall not be responsible for non-delivery of lots shipped to addresses outside the United States.

A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

On lot 777 you bid \$325. If the next highest mail bid is \$260 the lot will be opened to floor bidders at \$275. If no one bids higher (\$300) from the floor you will be awarded the lot at \$275. If we receive a bid of \$300 from the floor, the book (your bid) will bid \$325 for you. If the floor action stops here you will be awarded the lot at your full bid of \$325. Should the bidding proceed past \$325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

A WORD ABOUT ESTIMATES

The estimates in this catalog are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we wish to acknowledge the achievement of Don C. Kelly, the author of *National Bank Notes* (Third Edition). This recently published book, with its veritable reams of information regarding every aspect of National Bank Notes, has quickly become the standard in its field. The Kelly census, in conjunction with data on the true availability of notes, will transform the pricing of nationals from guess work to fact.

We would also like to thank Penny Mincho, Dan Glazer and Karen Glazer for their hard work and long hours and Marylane Pfisterer for her tireless typing abilities.

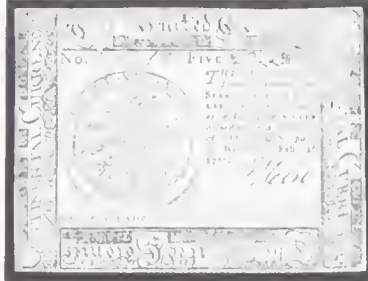

Thank you, friends and colleagues,
The CAA Staff

DELAWARE

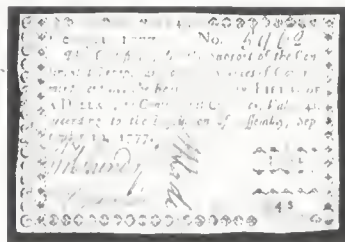

- 7 Delaware June 1, 1759 20s Fine. Repaired along its horizontal center split and with the corners quite rounded. Minus these faults, the note grades essentially Very Fine, and the lion vignette as well as the B. Franklin imprint are both sharp and clear. (100-up)

GEORGIA

- 8 Georgia June 8, 1777 \$2/3 Extra Fine. This is an exceptionally nice example, free of flaws or restorations. One of the signers is Edward Langworthy, a signer of the Articles of Confederation. (350-up)

- 9 Georgia September 10, 1777 \$4/5 Extra Fine. Unlike the great majority of notes from this thin-paper issue, this piece is absolutely without flaws or restorations. (350-up)

MARYLAND

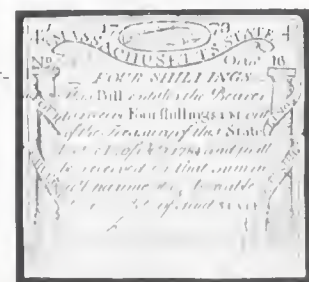

- 10 Maryland April 10, 1774 \$6 Extra Fine. Clean and bright. (75-up)
- 11 Maryland April 10, 1774 \$8 About New. Clean and bright. (75-up)
- 12 Maryland April 10, 1774. Five notes. \$1/6 Poor, \$2/9 Poor, \$1/3 Very Good, \$1/2 Very Good and \$2/3 Fine. (5 pieces) (80-up)
- 13 Three Maryland Notes. All three are from the April 10, 1774 issue \$1, \$2 and \$4. All three grade Very Fine. (3 pieces) (100-up)

MASSACHUSETTS

- 14 Massachusetts October 16, 1778 2d Fine+. The upper corners are slightly rounded, but the design is not affected. This is a nice representative example of the popular Codfish type, the faces of which were printed by Paul Revere. (200-up)

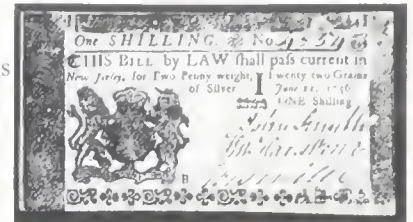

- 15 Massachusetts October 16, 1778 4s Very Fine. A well-margined, evenly circulated example of the extremely popular Codfish note. The face of this design was engraved by Paul Revere. (250-up)

NEW JERSEY

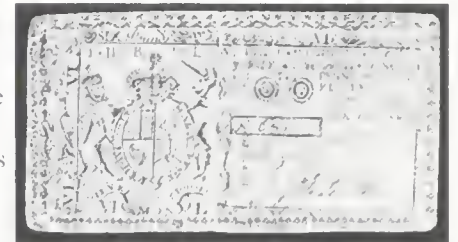

- 16 New Jersey June 22, 1756 1s Choice New. The margins, as always on this issue, are very small, but the note is otherwise an absolute Gem. (300-up)

- 17 New Jersey April 10, 1759 £6 Fine-Very Fine.

Exceptionally nice for a note of this issue. The corners are rounded and there is a heavy center fold. It's

serial number 651 of only 1834 pieces issued. If Colonial Currency had the collector base that most other areas of paper money have, this would be a \$5000 note; but it doesn't, and it isn't. (300-up)

NEW YORK

- 18 New York February 16, 1771 £1 Very Fine. There are a few small pinholes and a repaired center split, but the overall appearance is that of an Extra Fine note. (100-up)
- 19 New York August 13, 1776 \$3 Extra Fine. Boldly printed and attractive, with a sharp Ten Commandments vignette on the back. (125-up)

PENNSYLVANIA

- 20 Pennsylvania June 18, 1764 20s Fine. This is a nice, problem-free example of a Benjamin Franklin printed note. All the text, including Franklin's name, is quite clear. (150-up)
- 21 Pennsylvania March 16, 1785 15s Fine. A problem-free example from this scarcer late issue. (100-up)
- 22 Pennsylvania March 16, 1785 20s Very Fine. A problem-free example of this scarce late issue. Because of the extremely bold watermark, the paper on this issue often split along the spines of the letters. In this case, despite the pronounced watermark, the paper remains wholly intact. (175-up)

RHODE ISLAND

23

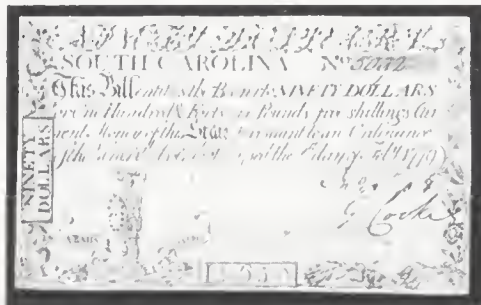

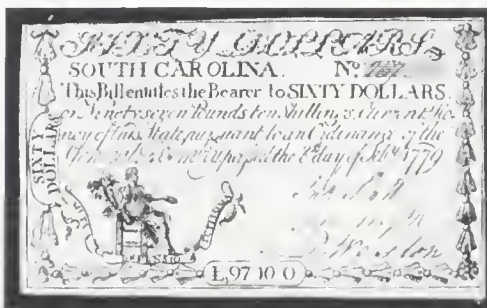

Rhode Island July 2, 1780 Cut Half Sheet of 8. A lovely 8 subject half sheet grading fully Gem New. As nice an example as we've seen with excellent color and full margins. All 8 notes and the half sheet itself are absolutely perfect. (750-up)

SOUTH CAROLINA

24

South Carolina February 8, 1779 \$60 Extra Fine. Well margin-ed and extremely well printed, this note is flawless for the grade. The \$60 denomination from this issue is almost never seen. (500-up)

25 South Carolina February 8, 1779 \$90 Choice Extra Fine. An exceptionally nice example of this extremely popular note. Its face margins are small all around but complete, and the back design, which was engraved by Thomas Coram, is barely touched by the edge. This elaborate back design, depicting Hercules slaying a lion, is too large for the note, causing a situation where it is virtually always cut

by either the top or bottom margin. In this instance, Hercules's head fully makes it onto the note, and only the very bottom of the design is touched by the margin. (600-up)

FRACTIONAL CURRENCY

FIRST ISSUE

26

Fr. 1230 5c First Issue Complete Sheet of Twenty Gem New. A lovely sheet with its full selvage, bright colors and excellent paper surfaces. There are a scattering of light handling marks, but none severe enough to affect the overall grade of the item. (1500-up)

27

Fr. 1230 5c First Issue Superb Gem New. A perfect little piece, with bright colors and flawless centering on both sides among large, even margins. (150-up)

28

Fr. 1230 5c First Issue Vertical Pair Extra Fine. (60-up)

29

Fr. 1231 5c First Issue Gem New. One of the nicest examples we've seen of this number, with broad, even margins and excellent back centering. (200-up)

30

Fr. 1231 5c First Issue Choice New. The margins, although generous in most places, are quite irregular. (100-up)

31

Fr. 1240 10c First Issue Choice New. This note is not perfectly centered, but it's very well perforated. (125-up)

REMEMBER!

PLEASE SIGN YOUR BID SHEET!

- 32 Fr. 1241 10c First Issue Choice New. A nice example of the scarcer no-monogram variety. (150-up)

- 33 Fr. 1242 10c First Issue Complete Sheet of Twenty Choice New. The selvage is not quite full but is still rather broad, and the sheet has no folds, just a few traces of handling. The face-to-back centering is better than usual, and the overall appearance is stunning. (1250-up)
- 34 Fr. 1242 10c First Issue Gem New. This nice little note has excellent colors and very good centering. (100-up)
- 35 Fr. 1242 10c First Issue Vertical Strip of Four Extra Fine. (100-up)

- 36 Fr. 1279 25c First Issue Gem New. Full, deep perforations all the way around along with bright colors and excellent centering of both sides make this a highly desirable piece of Fractional. (400-up)

- 37 Fr. 1280 25c First Issue About New. A nice high-end example of a very scarce number. (100-up)

- 38 Fr. 1282 25c First Issue Choice New. The margins are somewhat irregular but clear of the design all the way around on this very scarce, straight-edge no-monogram note. (225-up)

- 39 Fr. 1310 50c First Issue Gem New. Fully perforated all the way around and very well centered on both sides. Perforated First Issue notes are seldom seen in flawless condition. That applies even more so to this Fifty cent denomination. This is a lovely piece that should please even the fussiest collector. (550-up)

This is a lovely piece that should please even the fussiest collector. (550-up)

- 40 Fr. 1310 50c First Issue About New. Well perforated all the way around and with lots of eye appeal. (100-up)

- 41 Fr. 1311 50c First Issue Very Choice New. This rare note is beautifully perforated all the way around and would be a full Gem if the centering were a touch better. As it is, it's one of the nicest examples we've seen for this number. (400-up)

- 42 Fr. 1313SP 50c First Issue Wide Margin Pair Gem New. A fully wide, well-matched, beautiful pair, totally free of problems. (400-up)
- 43 First Issue Narrow Margin Specimens. A complete set of eight pieces, three of which have some problems; the other five are Choice. Fr. 1231SP pair, 1243SP pair, 1282SP pair and 1313SP pair. (8 pieces) (200-up)

- 44 **Fr. 1232SP 5c Second Issue Wide Margin Pair.** This attractive, well-matched Specimen pair has a perfect **Gem New** back, but the face grades **About New** due to a broad corner fold. (2 pieces) (250-up)

- 45 **Fr. 1232SP 5c Second Issue Wide Margin Pair Gem New.** Not quite fully wide but very nice in all other respects. (225-up)
- 46 **Fr. 1232 5c Second Issue Horizontal Strip of Three About New.** There are a few light folds, but this is a bright and attractive strip. (125-up)

MAIL BIDDERS

PLEASE CHECK

**YOUR BID SHEET CAREFULLY
TO ENSURE AGAINST ERRORS.
WE CANNOT BE RESPONSIBLE
FOR YOUR ERRORS IN BIDDING.**

- 47 **Fr. 1233 5c Second Issue Complete Sheet of 20 Extra Fine.** There are a number of folds running primarily between the notes and a little bit of handling soil. This sheet is off-center to the top, which allows part of the back design to show in what would have been the fifth subject in each column. Plates were prepared with larger numbers of notes on them but were never put into production. The additional piece of design at the bottom shows that this sheet was from one of those cut-down plates. It's only the second example we've ever seen. (750-up)

- 48 **Fr. 1233 5c Second Issue Very Choice New.** If the bottom margin were a bit broader, this pretty note would be a full **Gem**. (50-up)
- 49 **Two 1233 Pairs.** One vertical and one horizontal pair. The horizontal pair is **About New**, the vertical pair **Choice New** but lightly aged. (2 pairs; 4 notes) (150-up)

- 50 **Fr. 1235 5c Second Issue Choice New.** But for the tight top margin, this Fiber Paper note is a perfect **Gem**. (200-up)

- 51 **Experimental 5c Second Issue, V-206A Milton 2E5R.1b Superb Gem New.** This is an absolutely flawless example of the scarce 5c back design. (250-up)

- 52 **Fr. 1244 10c Second Issue Vertical Pair.** Both notes grade **Choice New**, but there is a light fold between them. (2 pieces) (100-up)
- 53 **Fr. 1244 10c Second Issue Vertical Strip of Four.** The paper is lightly aged and there is a fold between the two center notes. All four notes grade **New**. (150-up)

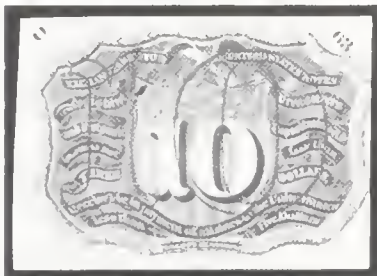

- 54 **Three Vertical Multiples.** Fr. 1230 pair Extra Fine, 1242 strip of three **About New** and Fr. 1246 strip of three **About New**. The 1230 pair has a small tear, and the two triples are perfect for their grades. (3 pieces, 8 notes) (250-up)

- 55 **Fr. 1244SP 10c Second Issue Wide Margin Pair About New.** Both the face and back have light corner folds. (2 pieces) (150-up)

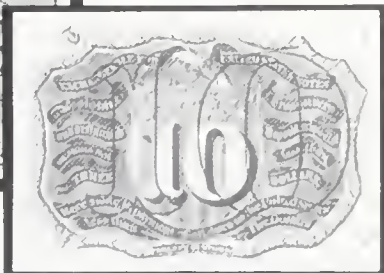

- 56 **Fr. 1244SP 10c Second Issue Wide Margin Pair.** Although Gem in most respects, this pair had been pinned together at one time, leaving four wrinkly pinholes at the top of each piece. (2 pieces) (100-up)

High Grade Fr. 1248

- 57 **Fr. 1248 10c Second Issue New.** This is one of the brighter, better-printed examples we've seen of this rare O-63 variety. Unfortunately, the note has several problems. The face centering is quite poor, with two large margins and two margins cut into the design. Plus, the note was split along the upright of the bronze "1" in "10" on the back and has been repaired. The overall appearance of the note is rather nice, and we suggest potential buyers make an effort to view it. (1000-up)

- 58 **Fr. 1249 10c Second Issue Gem New.** This Friedberg 1249 is well margined on both sides and has excellent color as well as sharp bronze surcharges. It's one of the nicest examples of this number that we've ever seen. (550-up)

- 59 **Fr. 1249 10c Second Issue Extra Fine.** A nice example of a very scarce number. (50-up)

- 60 **Experimental 10c Second Issue, V-214 Milton 2F10R.4 Superb Gem New** This is an absolutely flawless example of a much more difficult denomination. (250-up)

- 61 **Experimental 10c Second Issue, V-234 Milton 2E10R.4 Choice New** Quite a nice example of this scarcer 10c Experimental. It would grade Gem were it not for a very minor stain at the upper right. (175-up)

- 62 **Experimental 25c Second Issue Gem New, V-219 Milton 2E25F.3c.** The most common Fractional Experimental. (125-up)

- 63 **Experimental 25c Second Issue Gem New, V-219 Milton 2E25F.3c.** A second example. (125-up)

- 64 **Experimental 25c Second Issue Gem New, V-219 Milton 2E25F.3c.** A third example. (125-up)

- 65 **Experimental 25c Second Issue Gem New, V-219 Milton 2E25F.3c.** A fourth example, this one with one of the punches touching the edge. (75-up)

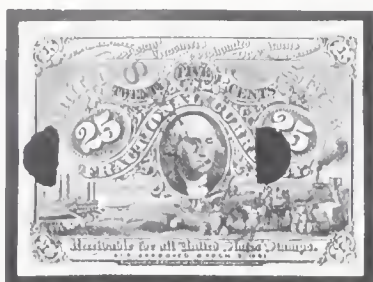

- 66 **Experimental 25c Second Issue, V-219 Milton 2E25F.3c.** A perfect Gem New. (125-up)

- 67 **Experimental 25c Second Issue, V-219 Milton 2F25F.3c Gem New.** (125-up)

- 68 **Experimental 25c Second Issue Gem New, V-219 Milton 2F25F.3c.** A final example. (125-up)

- 69 **Experimental 25c Second Issue.** This piece is V-220, Milton 2E25F.3d It grades **Very Choice New**, and it's bright and problem-free. (200-up)

- 70 **Fr. 1283 25c Second Issue Very Choice New.** Quite nearly a Gem, and an exceptionally nice example of a common piece that's rarely seen in such condition. (75-up)
- 71 **Fr. 1283 25c Second Issue Very Choice New.** Very close to the Gem grade. (75-up)
- 72 **Fr. 1283 25c Second Issue Very Choice New.** (75-up)
- 73 **Fr. 1286 25c Second Issue Very Choice New.** An unusually nice example of this scarcer number. The back color and centering are both extraordinary, and the "S" in the surcharge is remarkably clear. (125-up)

- 74 **Fr. 1290 25c Second Issue Choice New.** Quite a lovely example of an extremely scarce number. If the right face margin were broader, this would be a full Gem. (200-up)

- 75 **Fr. 1290 25c Second Issue Choice New.** The margins are rather close, but this is otherwise a very nice example of this scarce Second Issue Fiber Paper note. (175-up)

- 76 **Fr. 1317 50c Second Issue Vertical Strip of Four.** 50c Second Issue Multiples are very rarely seen, and this is a particularly nice one. There is a fold between the two center notes, but other than that, the strip and all four of its notes grade **Choice New**. (500-up)

- 77 **Fr. 1317 50c Second Issue Gem New.** This is one of the most difficult Fractional types to locate in Gem condition, but this gorgeous piece fully makes the grade. The margins, the centering on both sides, the colors and the paper surfaces are all near technical perfection. An extraordinarily nice note. (250-up)

- 78 **Fr. 1318 50c Second Issue Very Choice New.** A near-Gem example of a number that is quite challenging to find this nice. It's bright, fresh and strictly original. (175-up)

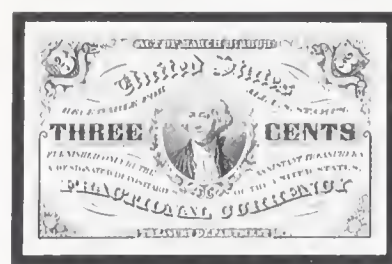

- 79 **Fr. 1318 50c Second Issue Very Choice New.** But for the back centering's being a trifle high, this beautifully bright note, with its excellent embossing and terrific face margins, would grade fully Gem. (175-up)

- 80 **Fr. 1320 50c Second Issue New.** A rather nice example of this difficult Fiber Paper number. (125-up)

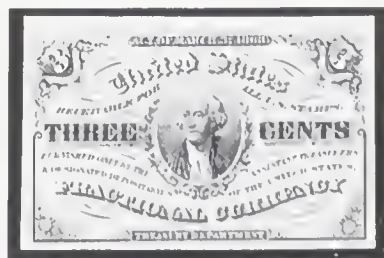

- 81 **Second Issue Narrow Margin Specimens.** A complete set plus an extra 5c face. Fr. 1232SP pair and an extra face, Fr. 1244SP pair, Fr. 1283SP pair and Fr. 1314SP pair. All nine notes are removed from shields, and all grade **New** or **Choice** with none of the annoying problems typically seen on these notes. (9 pieces) (250-up)

THIRD ISSUE

- 83 **Fr. 1226 3c Third Issue Very Choice New.** (75-up)

- 82 **Fr. 1226 3c Third Issue Superb Gem New.** A gorgeous little piece with board-walk margins all the way around and not a hint of a defect. (200-up)

- 84 **Fr. 1227SP 3c Third Issue Wide Margin Pair Choice About New.** There are two light folds in the face and one in the back, but this good-looking pair should still fetch . . . (200-up)

- 85 **Fr. 1227SP 3c Third Issue Narrow Margin Pair Superb Gem New.** This impeccable pair was clearly cut down from Wide Margin notes, as the margins are perfectly even all the way around and they are the size of a boardwalk-margined regular Issue note. Narrow Margins Specimens are virtually never seen Superb, but this pair is. (2 pieces) (200-up)

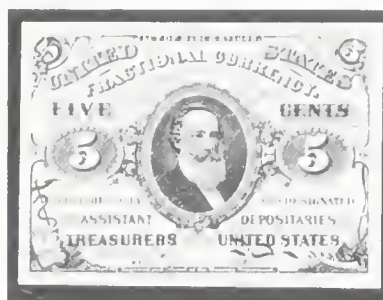

- 86 **Fr. 1227 3c Third Issue Vertical Pair New.** The pair is trimmed rather poorly, but Dark Curtain 3c multiples are quite scarce. (100-up)

- 87 **Fr. 1236/8SP 5c Third Issue Wide Margin Set of Three.** Although these are not as wide as some we've seen, this is a gorgeous, bright and flawless set. About as nice as these can come. (3 pieces) (500-up)

- 88 **Fr. 1237 5c Third Issue Choice New.** Bright, fresh and original, but unfortunately the margins are rather irregular, just touching the design at the upper right (100-up)

- 89 **Fr. 1238SP 5c Third Issue Narrow Margin Pair Superb Gem New.** Clearly cut down from a Wide Margin Pair, as the margins are far broader than the normal Narrow Margin Note. An impeccable pair. (200-up)

- 90 **Fr. 1238 5c Third Issue Superb Gem New.** Broadly margined, bright and original, this 5c Clark is a premium example that would fit into the finest of type sets. (150-up)

- 91 **Fr. 1238 5c Third Issue Gem New.** A lovely little Clark note that is broadly margined and problem-free. (125-up)

- 92 **Fr. 1238 5c Third Issue Very Choice New.** Three of the margins are absolutely huge, but the bottom margin is a drop to close for the full Gem grade. (75-up)

- 93 **Fr. 1251 10c Third Issue Superb Gem New.** About as nice a piece of Fractional as one could ever hope for. The margins are huge all the way around, the colors are exceptional and the surfaces strictly original. (250-up)

- 94 **Fr. 1251 10c Third Issue Choice New.** A nice Red Back. (100-up)

- 95 **Fr. 1251SP 10c Third Issue Wide Margin Pair About New.** The face is not fully wide plus it's spotted and a bit aged. The back is fully wide and grades Choice. (2 pieces) (125-up)

- 96 **Fr. 1252 10c Third Issue Gem New.** A gorgeous piece with bright paper, inks and bronze and good centering on both sides. (250-up)

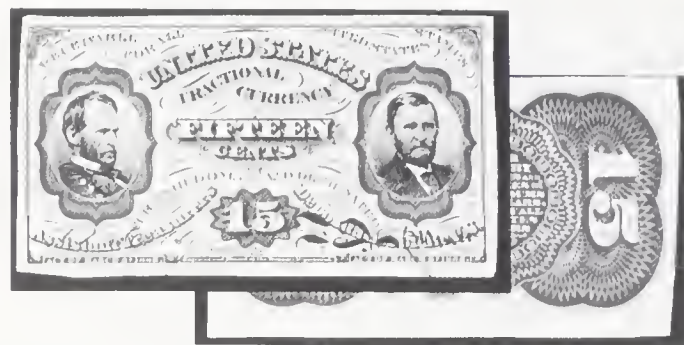

- 97 **Fr. 1253 10c Third Issue Gem New.** Bright, well centered and strictly original. (225-up)

Fr. 1253 10c Third Issue Very Choice New. The top margin becomes a hair too tight at the upper left for the full Gem grade on this otherwise flawless note. (125-up)

99

Fr. 1253 10c Third Issue Choice New. This hand-singed Red Back would be a Gem were it not for the lack of a top face margin. (100-up)

100

Fr. 1254 10c Third Issue Gem New. In addition to being a strikingly lovely example of a very scarce number, this is also an error note: The paper along the top edge was folded prior to printing and has now reopened, leaving a small but noticeable blank gutter fold at the top edge of the note. It's difficult to estimate an item such as this; we suspect it will realize in the area of... (500-up)

101 Fr. 1254 10c Third Issue Choice New. This scarcer Jeffries-Spinner signed note is cut slightly in at the bottom. (150-up)

102 Fr. 1255 10c Third Issue Superb Gem New. An essentially flawless note, with huge margins, perfect colors and strictly original surfaces. (100-up)

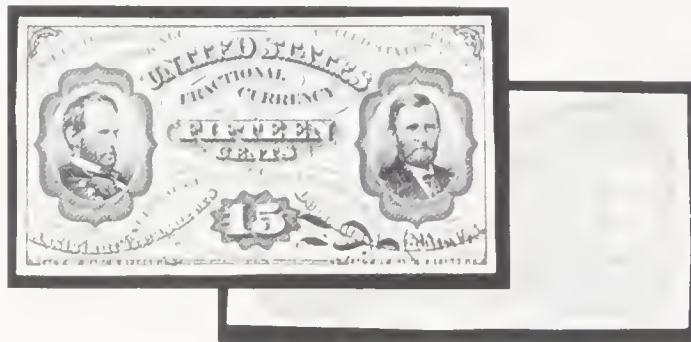

103 Fr. 1255 10c Third Issue Superb Gem New. Huge margins, perfect colors and excellent paper originality. (100-up)

104 Fr. 1255 10c Third Issue Gem New. (85-up)

105 Fr. 1272SP Pair. This Narrow Margin pair has been cut from a Wide Margin, as the margins are quite large. The face and the back are well embossed. Gem New. (225-up)

106 Fr. 1272SP 15c Third Issue Narrow Margin Pair. The face is a perfect Gem, with even margins all around that are considerably larger than those normally seen. It's paired with a Red Back that grades New with a pinhole and two glue marks. The face alone should make this pair realize. (200-up)

107 Two Grant-Sherman Faces. Fr. 1272SP and 1274SP both Narrow Margin, both New with the typical Shield removal traces but no tears or splits. (2 pieces) (200-up)

flashy bronze,
perfect print
quality, great
color and deep
original

embossing all combine on this little jewel. (150-up)

114 Fr. 1295 25c Third Issue Very Choice New. This bright Fessenden has deep original embossing and excellent centering of both sides. With a bit more margin it would grade fully Gem. (70-up)

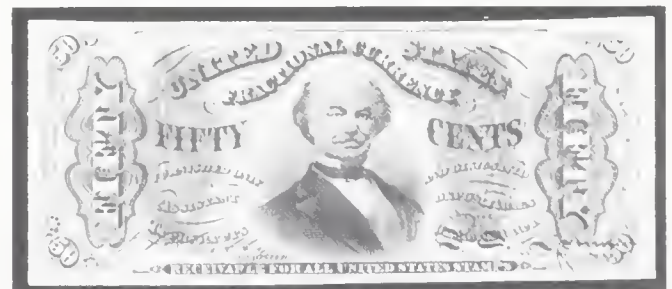

115 Fr. 1297 25c Third Issue Choice New. The paper is a bit aged and the bottom margin is close, but this is a far-nicer-than-average example of this scarce Fiber Paper Fessenden. (175-up)

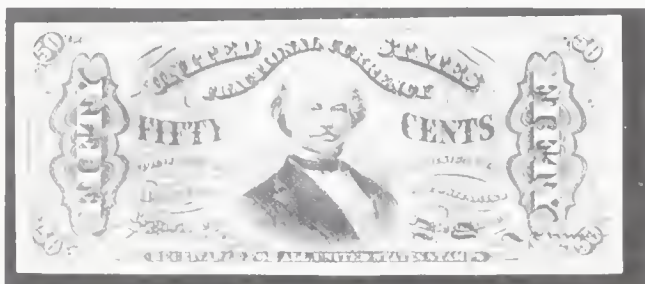

116 Fr. 1299 25c Third Issue Extra Fine. This rare Solid Surcharge Fessenden has three large margins but the bottom margin is tight. (400-up)

- 132 Fr. 1331 50c Third Issue Spinner Very Choice New. Razor-sharp ink quality and bright bronze make this Spinner a highly desirable note. The back design comes near the left edge, which is all that prevents the full Gem grade. (200-up)

- 230 **One Hundred and Twenty+ Wretched Fractional Notes.** This is the remains and rejects from the winning 1992 Memphis competitive exhibit of the world's worst 24-piece Fractional Type Set. The honor is held by this cataloger. This group contains many of the most wretched Fractional notes to have ever been seen, including a number of notes taped together and composed of pieces of several different notes as well as a sprinkling of notes we suspect to be counterfeit. There is very little value here, but it certainly is an interesting group of pathetic and deplorable pieces. There are no returns on this lot for any reason. Anyone attempting to return it will be shot. (120+ pieces) (75-up)

ENCASED POSTAGE

United States Encased Postage Stamps came into being as a "Money of Necessity" at the same time and for the same reasons as Fractional Currency. In the early days of the Civil War there had been a shortage of small change. This condition was at its worst in the spring and summer of 1862. It had become nearly impossible for merchants (and the public) to get along without being able to make change. Private scrip, bank and merchant scrip, small private copper coins and even postage stamps (both loose and in pre-printed envelopes) were all being pressed into service. Unfortunately, these stamps were too small and brittle to survive for long in circulation.

John Gault of Boston (later with Kirkpatrick of New York City) cleverly solved this problem by encasing them in a metal case with a mica "window" so the stamp was visible. His profit was made by selling advertising on the back of the case to various merchants.

Mr. Gault obtained a patent on Encased Postage Stamps on August 12, 1862. Most, if not all, of the Encased Postage was produced from this patent date until early 1863. By then, Postage Currency (First Issue Fractional Currency) was beginning to fill the small-change gap. (Postage Currency was first printed in August of 1862 and most likely was placed into circulation at once or by early September. Either way, it was several months before it began to circulate freely.) Stamps had also become increasingly difficult to obtain, as the Post Office (after being rushed for stamps to replace hoarded coins) had cut off supplies for all but postal uses.

Most major collections of Fractional Currency have had several pieces of Encased Postage in them as association items; needless to say, a collection of Encased Postage stands well in its own right.

The average collectable condition for encased postage is **Very Fine** with an exceptional piece being **Extra Fine** to **About New**. A fully new piece of Encased Postage is a major rarity even for the most common issues, and most varieties are unknown in even **About New** condition.

- 235 **HB-6 EP32a 3c Ayers Cathartic Pills Choice About New.**

This is the variety with the long arrows. It's about as close to an unrecirculated piece of Encased Postage as one is likely to encounter. The case is glossy, with a thin coat of silvering remaining in many areas, the stamp is fully bright and the mica close to perfect. A very high quality piece of encased (400-up)

Sarsaparilla
Medium

Choice Extra
Fine.**

This piece is one of the more common encasements, and as such, it's a perfect example for a collector who wants to own one piece. The mica has one unobtrusive craze, the stamp is quite bright and the case is a glossy medium-brown with a touch of silvering between the letters. (400-up)

This piece is just a hair away from the full uncirculated grade. The mica approaches absolute perfection, the stamp is beautifully bright and the case is a glossy light brown with no signs of wear. (550-up)

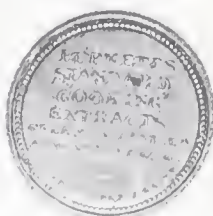

239 **HB-32 EP34b 3c Ayers Sarsaparilla Large Letters About**

New. The stamp is nice and bright, the mica is nearly perfect and the case has almost no indication of wear. (550-up)

240 **HB-82 EP40 3c Burnett's Standard Cooking Extracts**

Extra Fine. This is an excellent representation for the merchant, with a beautifully bright stamp, essentially perfect mica and a glossy light-brown case. (400-up)

241 **HB-100 EP13 1c**

**Drake's
Plantation
Bitters Extra
Fine.**

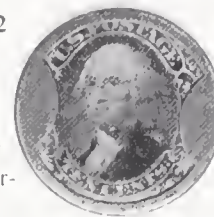

This is a nice piece in its own right, but what makes it special is the fact that the stamp in this encasement has been postally used. A light red cancel is clearly visible across the face of the stamp, and although its place location can't be certain, the word "City" can be discerned. This is the only encasement we know of that was made with a canceled stamp, and it is legitimate beyond question, as there are absolutely no indications of tampering with the case. Unusual to say the least, this is something that every serious encased collector should desire to own. (1000-up)

242 **HB-113 EP112**

**10c Ellis
McAlpin &
Co. Very
Fine.**

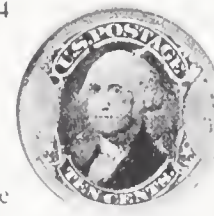

The case shows some circulation but remains attractive. The stamp is somewhat toned, and the mica is clear and problem-free. McAlpin is a considerably rarer merchant, usually seen only when important collections reach the market. (1000-up)

**10c Gage,

Tremont
House Choice
Very Fine.**

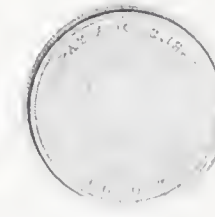

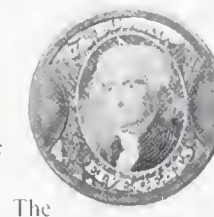

The case shows only light wear, the stamp is a little bit toned and the mica has a few minor crazes but is essentially clear. A popular merchant and a rather nice piece. (500-up)

**Gault Ribbed
Frame About
New.**

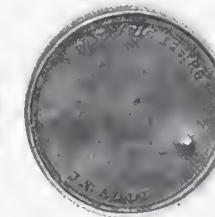

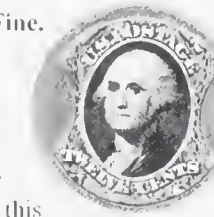

A lovely high-end example of the scarce Ribbed Frame variety. The stamp is bright, the mica very nearly perfect and the case without a flaw and barely touched. This would be a very difficult example upon which to improve. (750-up)

245 **HB-135 EP148 12c J.**

Gault Extra Fine.

The mica and stamp are just about perfect. They give an extremely nice appearance on this seldom seen high-denomination encasement. The case itself is high grade, but there is a small dent at the right side of the back that does not interfere with any of the lettering. (1000-up)

A small, separate compartment at the front contains ten ration tokens: five red and five blue. - 270 **A Group of Early Almanacs.** Nine almanacs dating 1823, 1841, 1844, 1846, 1851, 1871, 1878 (two) and 1889.

Various conditions, some with a few items snipped out. Most of the famous almanac makers are represented, including the Maine Farmer's almanac, Prindle's, Ayer's and Hostetter's. An interesting - and we suspect somewhat valuable - group. (9 pieces) (150-up)

282 **Enigmatic Twelve-Subject Fessenden Reverse Sheet.**

This sheet of twelve Reverses appears to us to be some form of replica, as the printing does not quite match the government-produced product. It's printed on one side only on paper that resembles, but does not duplicate, the actual Bank Note paper. There are a number of Fractional specialists that will undoubtedly find this rare and unusual item to be of great interest. (750-up)

306 **Underwood's Counterfeit Reporter.** Dated January-March 1888, this 32-page detector lists exchange rates, stolen bills, counterfeit bills and raised bills. (75-up)

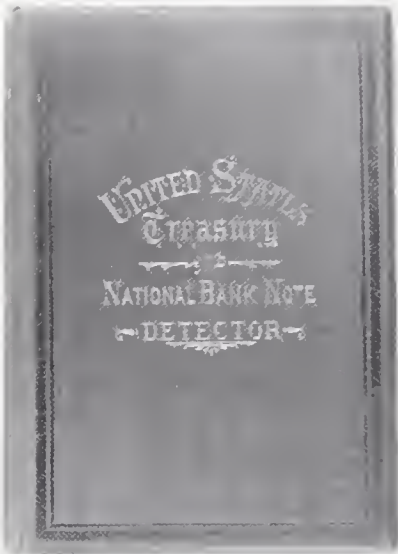

303 **Four Political Satire Notes.** These four different "Bills" picture Humphrey, McGovern, Muskie and Nixon. All marked campaign 1972 on their backs, each is totally different. We've not seen these before. (4 pieces) (50-up)

304 **Philadelphia- A.J. Hoyt** March 24, 1866. This appears to be a lottery ticket of some kind, although the wording is somewhat indeterminate. (20-40)

305 **1928 Kentucky Derby Sweepstakes Ticket.** We have no idea how this worked, or even whether it was a legal enterprise, but apparently 17,400 people would win at least *something*, and one lucky individual would win a \$25,000 prize. (25-up)

307 **Heath's Infallible Counterfeit Detector.** This 1879 large format edition is extremely scarce and highly sought-after for its excellent high-quality plates. This one is in the best condition of the few we've seen. The binding is perfectly tight and the book is essentially flawless but for some minuscule rubbing at the top and bottom of the spine. (500-up)

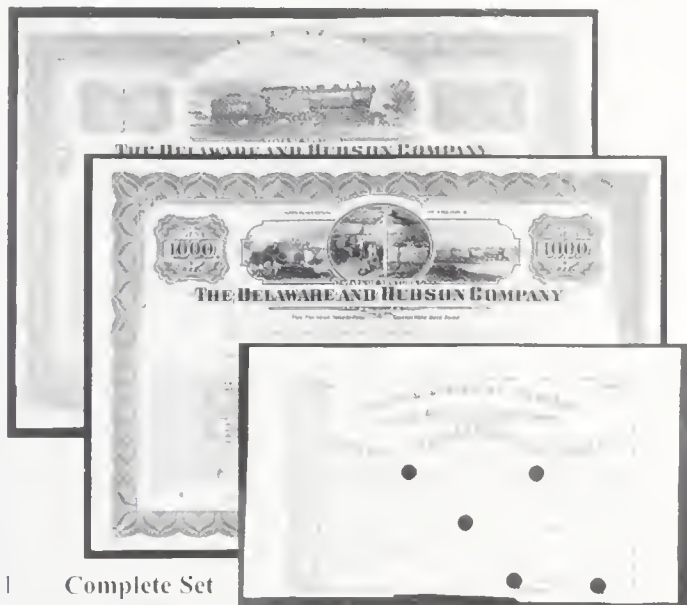

308 **A Marblehead, Massachusetts Shipping Manifest.** Dated July 3, 1880 and for the Schooner Savannah leaving Bangor, Maine for Marblehead, Massachusetts. (25-up)

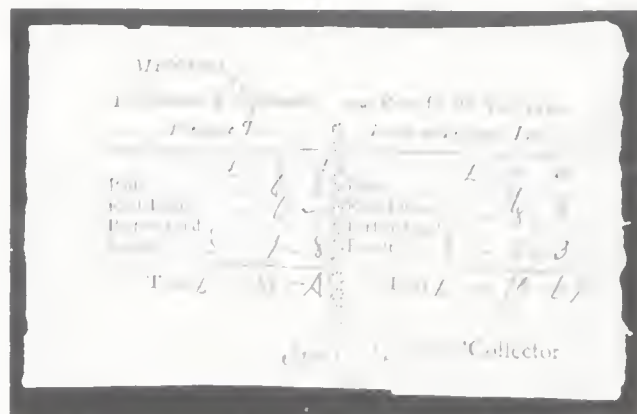

309 **United States Inspector's Certificate.** Printed by the Bureau of Engraving and Printing, this form, dated August 27, 1886, certified that Judson McCallum was authorized to pilot the steam yacht "Mollie" on the Georges River in Maine. (75-up)

- 310 **Danforth, Bald & Company.** A beautifully engraved letter from this famous bank note company, dated in Philadelphia December 27, 1850, discussing an order for Obsolete bank notes. (50-up)

D & H Railroad Stock and Bond Set

- 311 **Complete Set of Delaware and Hudson Railroad Stocks and Bonds.** This magnificent set of stocks and bonds covers the 100-year history of the Delaware and Hudson Railroad including all predecessor railroads dating back to 1850. Some of the earlier items are issued and canceled, but the later-date pieces are Specimen printings bearing straight-zero serial numbers and in many cases the mark, "Specimen." We are far from expert in this field, but the experts to whom we have shown this massive collection (78 pieces, all different) have been considerably impressed by it, and they lead us to believe that a fair estimate would be . . . (2500-up)
- 312 **A Set of Bonds and Transfers of the First Two Maine Central Railroad Company Predecessor Railroads.** This souvenir folder is set #1 of fifty sets prepared by the company in 1984. This specially prepared, printed folder contains thirteen different pieces, several of which are multi-item sheets. (13 pieces) (250-up)
- 313 **Marblehead National Bank Canceled Check.** This check, dated June 9, 1879, bears a 2¢ Internal Revenue stamp, and is canceled with two star-shape punches. (15-up)
- 314 **Three New England Checks.** Two are from the National Grand Bank of Marblehead, Massachusetts and the third from Oakland, Maine. (3 pieces) (25-up)
- 315 **An Incredible Eighteenth Century New England Document.** This 12" x 16" document is an agreement between the owner of the Schooner Sally and the crew for the division of the proceeds for the projected sale of cod that will be caught on an upcoming voyage. It's dated April 2, 1795 in Marblehead, Massachusetts, and is in excellent shape for its age, with only a few light folds and one corner that has been reattached on the blank back with restoration tape. Suitable for framing, and a great piece of history. (250-up)

- 316 **Marblehead, Massachusetts 1764 Tax Form.** This small form informed Samuel Chapman what his taxes were going to be for the year 1764. (100-up)
- 317 **1804 Marblehead Bank Form.** A receipt stating that \$585 had been received in purchase of shares of stock from the Marblehead Bank. The bank's president has signed the form, and if our eyes are not deceiving us, his name was Joseph Banker. (100-up)
- 318 **Marblehead, Massachusetts Import Form.** This form, dated April 17, 1802, bears a lovely embossed stamp of the Massachusetts Supervisor's Office. It's for the import of one hogshead of rum. (100-up)
- 319 **Early Marblehead Document.** A wholly handwritten receipt dated in Marblehead, Massachusetts on July 21, 1759. It's very attractive, and it is one of the earliest we've seen. (75-up)
- 320 **Bank Note Company Letters.** Six letters discussing Obsolete notes, dating from 1830 to 1852. Five of them are from Toppan, Carpenter, Casiliaer & Company. A great group for the serious student. (6 pieces) (300-up)
- 321 **Two Sketched Forms.** Two lightly pencil-sketched forms, apparently mock-ups for currency. (2 pieces) (50-up)

***Currency Auctions of America, Inc.

- 323 **1964 Democratic National Convention Tickets.** Eleven mostly different tickets, three of which are unused, for this Atlantic City event. Interesting and undoubtedly scarce. (11 pieces) (50-up)

- 324 **Twenty-Six 1940's Motor Vehicle Federal Use Tax Stamps.** These stamps are dated from 1942 through 1946, with the great majority from the earlier dates. Several different makes of cars displayed these stamps, including Buicks, Fords, Chevys, Packards, De Soto's and a 1931 Hupmobile. Conditions vary, with most showing signs of mounting and removal from their respective vehicles. An interesting and colorful group. (26 pieces) (100-up)

- 325 **Office of Price Administration World War II Ration Tokens.** 55 O.P.A. tokens are about evenly divided between red and blue. (55 pieces) (65-up)

- 326 **Louisiana Purchase Exposition Prosperity Purse.** This trifold coin purse is printed to give the appearance of a souvenir bank note celebrating the centennial of the Louisiana Purchase. Clearly a keepsake item from the exposition, these were manufactured by W. Millard Palmer Co. of Grand Rapids, Michigan. We've seen only one other. (100-up)

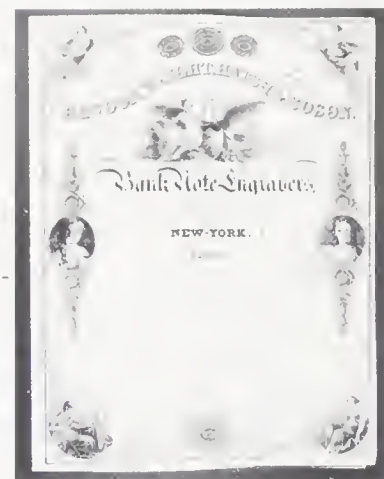

- 327 **Nine World War II Ration Books.** Most with a considerable number of coupons remaining for various goods. All nine are contained in a patriotic red, white and blue war ration book holder. (10 pieces) (100-up)

- 328 **Twenty Aquebucks.** Identical to the group in our last sale, which we estimated at \$25 and up but surprisingly realized \$60, this group of twenty includes a twenty-first item: a return card entitling the bearer to more aquebucks and more promotional items from New York racetracks. All these colorful pieces are from the Spring 1979 meeting. (21 pieces) (40-up)

- 329 **Rawdon, Wright, Hatch & Edson Advertising Broadside.** A lovely two-page advertising broadside by this renowned bank-note engraving firm, with a list of prices and services. It is dated July, 1853, and makes a wonderful addition to any collection of obsolete banknotes. **Very Fine.** (125-250)

331 **Series 641 5c MPC Pack of 100.** An original pack of all Gem pieces, packaged in its original band. Twenty years ago, bundles of MPC were seen occasionally, but they all seem to have found permanent homes, as the appearance of a bundle now is quite an unusual event. (200-up)

332 **Series 641 \$10 Group of 25.** Grades range from VF to About New, some with a few light stains and about half with staple holes. (22 pieces) (250-up)

333 **Series 641 \$10 Replacement Note Very Fine.** Lightly circulated but problem-free, this scarce replacement should realize right around . . . (300-up)

An excessively rare note which is the first of its issue we've had to offer for many years. Well circulated **Very Good**, with a few splits and margin chips missing, but still likely to see bidding reach or exceed... (600-1200)

GEORGIA

371 Augusta - The Mechanics Bank of Augusta \$1000.00 Jan. 1, 1856 G46

That this note survives today is quite a feat, as the amount of money it represented in 1856 equates to a small fortune in our current economy. **Very Fine**, and quite rare. (400-700)

ILLINOIS

- 372 Aurora - Aurora Commercial College (Clark Seminary) \$100.00 1868 Schingoethe UNL

- 379 Section Forty-One, Madison & Indianapolis Rail Road - Willis & Prindle 50¢ Nov. 1, 1842 Wolka UNL

An exciting new discovery, as this piece of Indiana scrip is unlisted in the Wolka reference. Apparently issued by a railroad contractor or supplier working on the line (see page 40 of the Wolka reference for more information on the railroad), and payable in railroad scrip, this example is certain to see considerable interest amongst the many Indiana collectors. There are a few holes and splits, and the left end is trimmed off, but the overall is **Fine** and the appearance is most acceptable. (300-600)

The magnetic ink is missing in a neat checkerboard pattern on the face. This piece is one serial number removed from the example we sold in our spring sale which realized \$1980.00. Expect this example of this excessively rare error (see Page 288 in Steve Sullivan's "U.S. Error Note Encyclopedia") to do just about as well. (1500-2000)

- 638 Fr. 1935-D \$2.00 1976
Federal Reserve Note.
Gem Crisp
Uncirculated.

A truly superb example of the double printed third printing, a classic rarity in this denomination. This piece is as nice or nicer than a similar example that brought \$6600 in our January sale. Expect to see this do just as well. (4500-7500)

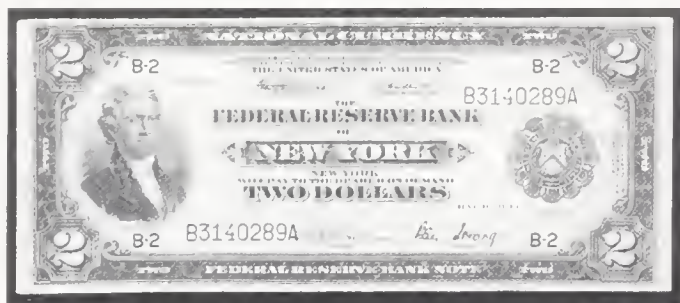

- 639 Fr. 2072-A \$20.00 1977
Federal Reserve
Note. Gem Crisp
Uncirculated.

This is one of the most impressive double first printing examples we have ever had to offer, with two sharp plate impressions covering the entire note. Plate numbers L405 and E407 are both clearly visible as well. This is the type of error that every collector wants and few can own. (1500-2500)

A Trio of Double Denominations

- 640 Fr. 751 \$2.00/\$1.00 1918 Federal Reserve Bank Note Double Denomination. Very Fine.

This newly discovered double denomination example is one of three examples known for this Friedberg number, with the other two coming from the same sheet. The Levitan collection example, two serials removed from this piece, was virtually identical in grade and realized \$9900. Expect this example, in an even stronger market for high end rarities, to reach or exceed... (10000-15000)

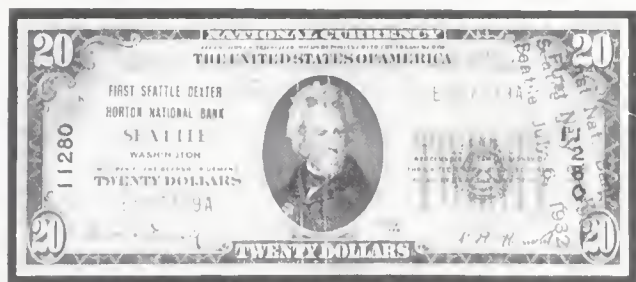

Excessively Rare "\$11.00 Bill"

- 641 Fr. 2011-B \$10.00 1950-A Federal Reserve Note/\$1.00 Silver
Certificate Double Denomination. Choice Crisp Uncirculated.

With the exception of the newly discovered National Bank Note double denomination offered below, this is the rarest of the small size double denominations, and unquestionably the most romantic. Printed in early 1955, these were released in the New York metropolitan area, with this piece being found in northern New Jersey. Error specialist Harry Jones estimates that only six of these have survived, and, of that number, this is unquestionably the finest. The Levitan example, grading Extremely Fine, realized \$30,800. This example, crackling fresh, perfectly centered, and showing only the most minute traces of handling, is light years nicer. It is being offered to the collecting fraternity for the first time, having been in the possession of the same family since 1955. In the Morristown (New Jersey) Daily Record article that accompanies this note, dated May 10, 1955, and headlined "One of Famed \$11 Bills" in Possession of Local Man," the owner reports being told his \$10-\$1 bill "may be worth as much as \$50,000 to a collector." Now, some 44 years later, he is very likely to be proved correct. (30000-50000)

Unique Double Denomination Small Size National Bank Note

- 642 Seattle - \$20.00/\$10.00 Ty. 1 First Seattle Dexter Horton NB Ch. # 11280

This newly discovered piece is the sole known double denomination example of any small size National Bank Note. Based on the grade of the note, it apparently circulated for some time before being returned to the bank, as the right side bears the bank's stamp with the date of July 6, 1932. It appears that the note was tested for authenticity, as there is a small repaired split on the left side, along with a small translucent area where the cut was fixed. As with any newly discovered error of this magnitude, we were somewhat skeptical, but after much detailed examination of the note, we are absolutely convinced of its complete authenticity. To allay any concern, we have showed the note to America's leading error expert, with over 40 years experience in collecting and dealing in errors, and he has pronounced it unquestionably genuine as well. **Very Fine**, a wonderful item certain to become a prized possession of the collector fortunate enough to bring it home. - 808 Fr. 2104-L \$50.00 1934B Federal Reserve Note. Gem Crisp Uncirculated.

As nice as a note from this tougher series could possibly be. (250-350)

(150-200)

- 810 Fr. 2109-C★ \$50.00 1950B Federal Reserve Note. Choice Crisp Uncirculated.

A very scarce star. This example is the high serial number listed in the Oakes reference. (350-550)

- 811 Fr. 2110-B★ \$50.00 1950C Federal Reserve Note. Gem Crisp Uncirculated.

A perfectly centered star from this rare series, where five of the eleven issuing districts are unrecorded in the Oakes reference and only one serial number is reported from the New York district. (300-600)

- 812 Fr. 2110-D★ \$50.00 1950C Federal Reserve Note. Gem Crisp Uncirculated.

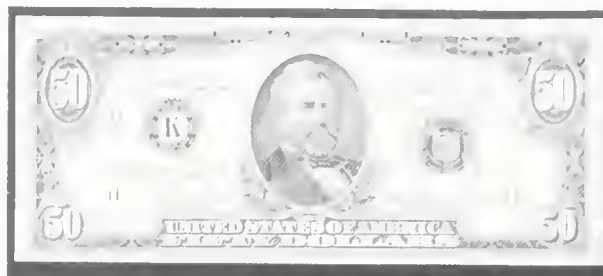

A very scarce series for stars, with only one serial number being listed in the Oakes reference from the Cleveland district — and this is it. This piece is absolutely superb as well, with perfect centering and total originality. (500-900)

A trio of star examples, two consecutive, from this short-lived series. (200-300)

- 827 **Fr. 2151-G \$100.00 1928A Federal Reserve Note. Choice Crisp Uncirculated.**

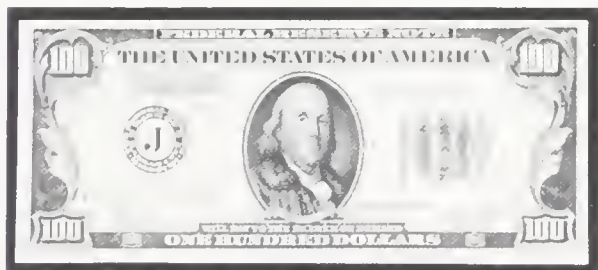

Gem but for a bit of handling. This is an excessively scarce series from which to find any notes in this grade. (400-600)

A scarcer series, particularly in this grade. (400-600)

- 830 **Fr. 2151-J \$100.00 1928A Federal Reserve Note. Choice Crisp Uncirculated.**

Wonderfully fresh and original, both scarce attributes in this rare series. With a touch better centering, this would be a blazing gem. (500-700)

- 831 **Fr. 2152-D★ \$100.00 1934 Federal Reserve Note. Light Green Seal. About Uncirculated.**

A lovely and barely circulated low serial number example of the very scarce light green seal variety which is certain to wind up in the hands of an advanced collector. Expect to see bids for this rarity reach well into the area of . (500-900)

- 832 **Fr. 2152-F \$100.00 1934 Federal Reserve Note. Choice Crisp Uncirculated.**

(200-250)

- 833 **Fr. 2152-G★ \$100.00 1934 Federal Reserve Note. Choice Crisp Uncirculated.**

- 834 **Fr. 2152-K \$100.00 1934 Light Green Seal Federal Reserve Note. Extremely Fine-About Uncirculated.**

- 835 **Fr. 2152-K \$100.00 1934 Light Green Seal Federal Note. Very Fine-Extremely Fine.**

- 836 **Fr. 2152-D/Fr. 2153-D \$100.00 1934/1934A Federal Reserve Notes. Changeover Pair. Choice Crisp Uncirculated.**

Fewer than a dozen changeover pairs are listed in the Oakes reference in this denomination for all series and districts combined, and, of that number, not one pair from Cleveland is reported. This attractive and rare pair is likely to be a bargain at whatever figure it realizes. (900-1400)

- 839 Fr. 2153-K \$100.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.

This is the mule variety and is well centered and close to gem. (225-425)

- 840 \$100.00 1934★ FRN, Chicago, EF.
\$100.00 1934A FRN, New York, VF.
Two pieces. (250-300)

- 841 Fr. 2155-D★ \$100.00 1934C Federal Reserve Note. Very Fine.

An extremely rare note, as this mule star example comes from a series in which only two districts are reported in the Oakes reference, not including Cleveland. There is a bit of light foxing at the bottom left corner, but otherwise the note is sound and unmolested. Expect this star rarity to bring ... (500-1000)

- 842 Fr. 2155-E \$100.00 1934C Federal Reserve Note. Gem Crisp Uncirculated.

A tougher district in a tougher series. Fresh and well centered, likely to exceed the Oakes catalogue valuation of \$275. (275-425)

- 843 Fr. 2155-E \$100.00 1934C Federal Reserve Note. Gem Crisp Uncirculated.

Great color, body and freshness on this scarce Minneapolis note. (350-550)

- 844 Fr. 2157-C \$100.00 1950 Federal Reserve Note. Gem Crisp Uncirculated.

A perfect example of this scarce mule, just as nice as the day it was printed (200-250)

- 845 Fr. 2157-L★ \$100.00 1950 Federal Reserve Note. Very Fine+.

A very scarce mule star from a district with only one serial number listed in the Oakes book. (250-350)

- 846 Fr. 2159-G★ \$100.00 1950B Federal Reserve Note. Choice Crisp Uncirculated.

A very difficult series from which to find any star examples. Look for the Oakes catalogue valuation of \$375 to prove quite modest. (350-550)

- 847 Fr. 2159-II★ \$100.00 1950B Federal Reserve Note. Gem Crisp Uncirculated.

A beautifully centered example of this very rare star (400-800)

- 848 Fr. 2159-L \$100.00 1950B Federal Reserve Note. Choice Crisp Uncirculated.

A scarcer district in this tougher series. This piece is a perfect gem but for a tiny as-made printing ripple. (225-325)

- 849 Fr. 2159-L \$100.00 1950B Federal Reserve Note. Choice Crisp Uncirculated.

A second example, just a handful of serials removed from the note above, and identical in every respect (225-325)

- 850 Fr. 2159-L \$100.00 1950B Federal Reserve Note. Choice Crisp Uncirculated.

Just a touch better centering would make this a real gem. (200-300)

- 851 Fr. 2159-L★ \$100.00 1950B Federal Reserve Note. Choice Crisp Uncirculated.

A rare star in a series for stars, with the Oakes reference listing no serial numbers whatever for the San Francisco district. (500-900)

- 852 Fr. 2160-F★ \$100.00 1950C Federal Reserve Note. Choice Crisp Uncirculated.

A very rare star note in a very rare series for stars. While all 12 districts issued 1950C star notes, examples from only four districts are reported in the Oakes reference, with the Atlanta district being unreported. Expect the Oakes catalogue value of \$425 to be easily surpassed here. (500-800)

- 853 Fr. 2160-F★ \$100.00 1950C Federal Reserve Note. Fine.

Only four districts have any star numbers recorded in Oakes, and Atlanta is not one of them. This will have to do until any others come along. (200-300)

- 854 Fr. 2160-L \$100.00 1950C Federal Reserve Note. Gem Crisp Uncirculated.

A lovely example from this very tough to find issue. (250-350)

- 855 Fr. 2161-B \$100.00 1950D Federal Reserve Note. Gem Crisp Uncirculated.

A nice example of this note, which catalogues for \$250 in the Oakes reference. (200-250)

- 856 Fr. 2161-E★ \$100.00 1950D Federal Reserve Note. Gem Crisp Uncirculated.

A beautiful example of this rare star. Expect the super-conservative Oakes catalogue valuation of \$400 to easily be exceeded. (500-800)

- 857 Fr. 2161-G \$100.00 1950D Federal Reserve Note. Gem Crisp Uncirculated.

Fresh and fully original. (200-300)

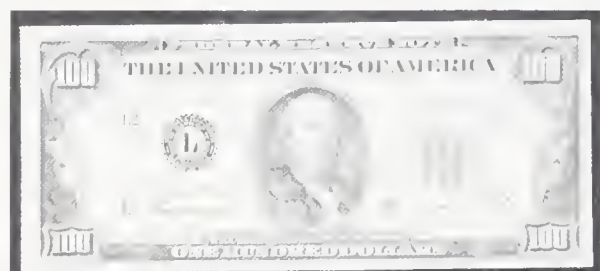

- 858 Fr. 2161-G★ \$100.00 1950D Federal Reserve Note. Choice Crisp Uncirculated.

A very scarce star in any grade, and particularly so this nice. Expect the Oakes catalogue valuation of \$400 to be easily surpassed. (400-700)

- 859 Fr. 2161-L \$100.00 1950D Federal Reserve Note. Choice Crisp Uncirculated.

Centered just a bit low on the face for the gem designation. (200-250)

- 860 Fr. 2161-L★ \$100.00 1950D Federal Reserve Note. Gem Crisp Uncirculated.

A very rare star which has no examples listed in the Oakes reference. Expect the Oakes catalogue valuation of \$400 to be easily surpassed, and perhaps doubled. (600-900)

- 861 **Fr. 2162-G \$100.00 1950E Federal Reserve Note, Choice Crisp Uncirculated.**

A very limited issue, with only three districts represented. The Chicago district issued by far the fewest notes, with specimens appearing quite infrequently. The last we sold, which was a Gem, realized \$1210 on a \$500-750 estimate. Expect this to bring... (800-1100)

- 862 **Fr. 2162-L★ \$100.00 1950E Federal Reserve Note, Very Fine.**

This has proved to be a very rare star in all grades, with only three districts issuing in this short lived series. (500-800)

- 863 **Fr. 2163-E \$100.00 1963A Federal Reserve Note, Gem Crisp Uncirculated.**

Perfectly centered and lovely. (175-225)

- 864 **Fr. 2163-I★ \$100.00 1963A Federal Reserve Note, Gem Crisp Uncirculated.**

We sold this and the note that follows as part of the Fantastic Collection offering in our October, 1998 sale. As we noted at that time, not only did this district have the smallest printing of stars in this series, but the Oakes reference lists known serial numbers for only two of the 12 issuing districts – not including Minneapolis. This is a well centered, crackling fresh example certain to please, and we expect it will fetch even a bit more than the \$825 it realized last year (750-950)

- 865 **Fr. 2163-I★ \$100.00 1963A Federal Reserve Note, Gem Crisp Uncirculated.**

Only two serials removed from the example above and just as lovely. (750-950)

- 866 **Fr. 2164-C★ \$100.00 1969 Federal Reserve Note, Gem Crisp Uncirculated.**

A very short production run of 128,000 stars for this district. (250-350)

- 867 **Fr. 2166-A★ \$100.00 1969C Federal Reserve Note, Gem Crisp Uncirculated.**

A very scarce star note with the potential to become a real rarity, as the total printing of stars for this district was a mere 64,000 pieces. (400-600)

- 868 **Fr. 2167-G★ \$100.00 1974 Federal Reserve Note, Gem Crisp Uncirculated.**

A nicely centered and crackling fresh star example. (200-300)

- 869 **Fr. 2167-K★ \$100.00 1974 Federal Reserve Note, Choice Crisp Uncirculated.**

A very scarce note which certainly has the potential to be a late-day rarity. (250-350)

- 870 **Fr. 2174-H★ \$100.00 1993 Federal Reserve Note, Gem Crisp Uncirculated.**

This district issued fewer star examples in this series than any of the four issuing districts. (150-200)

- 874 Fr. 2200-G \$500.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.

Well centered on both face and back, and nicely embossed in addition. This makes a very nice example of a very popular type. (1700-2000)

- 875 Fr. 2200-G \$500.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.

A nice example of this popular type and denomination. (1400-1700)

- 876 Fr. 2200-G \$500.00 1928 Federal Reserve Note. Extremely Fine+.

Nice color and body but just a bit too much handling for a higher grade. (800-1000)

- 877 Fr. 2200-H \$500.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.

Nice and original, but there are a few minuscule rust spots on the portrait and above. (1000-1200)

- 878 Fr. 2200-H \$500.00 1928 Federal Reserve Note. About Uncirculated.

These 1928 notes have basically disappeared from the market. (900-1100)

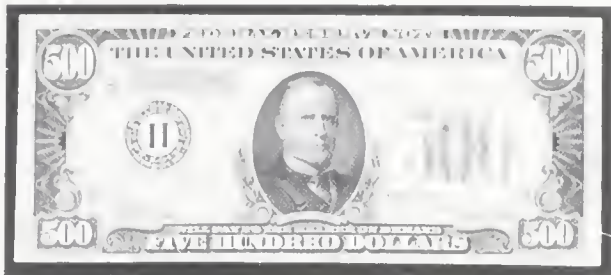

- 879 Fr. 2200-K \$500.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.

A nicely centered example from an exceedingly rare district—so scarce, in fact, that it was the sole district missing in this series from the wonderful collection of high denomination examples we sold over two sales in October of last year and January of this year. Expect to see some serious competition to determine who gets to take this prize home. (2500-4500)

- 880 Fr. 2200-K \$500.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.

An extremely rare note, especially in this grade. This was the only district not represented in this series in the high denomination collection we sold several sales ago (2250-3750)

- 881 Fr. 2201-H \$500.00 1934 Federal Reserve Note. Choice Crisp Uncirculated.

The scarce light green seal variety, and a very nice example at that. (1200-1400)

- 882 Fr. 2201-H \$500.00 1934 Light Green Seal Federal Reserve Note. Extremely Fine.

A very scarce district with a total print run of only 24,000 pieces for both the light green and dark green seals. (800-1000)

- 883 Fr. 2201-K \$500.00 1934 Light Green Seal Federal Reserve Note. Choice Crisp Uncirculated.

A really rare note which was not represented in the collection of high denominations we sold last year. In fact, this is the first light green seal Dallas \$500.00 note we have ever handled in anywhere near this grade. This one may well surprise. (2000-3000)

- 884 Fr. 2202-B \$500.00 1934A Federal Reserve Note. Gem Crisp Uncirculated.

Well centered, crackling fresh, and well embossed. A rare event on these high denomination examples. (1200-1400)

- 885 Fr. 2202-B \$500.00 1934A Federal Reserve Note. Gem Crisp Uncirculated.

Consecutive to the note above and just as nice. (1200-1400)

- 886 Fr. 2202-G \$500.00 1934A Federal Reserve Note. Very Fine.

A decent circulated example with no problems whatever. (650-750)

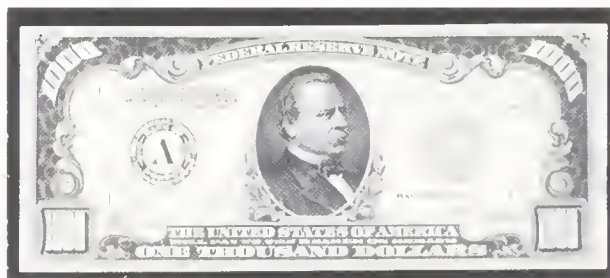

- 887 Fr. 2202-H \$500.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.

A nice example of this popular denomination. (1050-1250)

- 888 Fr. 2210-H \$1000.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.

The 1928 thousands have just about disappeared from the marketplace, as collectors have absorbed nearly all of the few that were available in dealer's inventories. This is a nice representative example for the type. (2500-3500)

- 889 Fr. 2211-A \$1000.00 1934 Light Green Seal Federal Reserve Note. Choice Crisp Uncirculated.

A scarce district for thousands in general, and particularly so for the light green seal example. This piece is bright and vivid, with the back centering just a hair off. (2000-3000)

- 890 Fr. 2211-G \$1000.00 1934 Federal Reserve Note. Extremely Fine-About Uncirculated.

Decently centered and with very little actual circulation. (1400-1600)

VIGNETTE BOOK

937 **Bureau of Engraving and Printing Vignette Book.** This

magnificent Treasury Department book bears the printed signatures of George McCartee, as Chief of the BEP, and George Casilear as

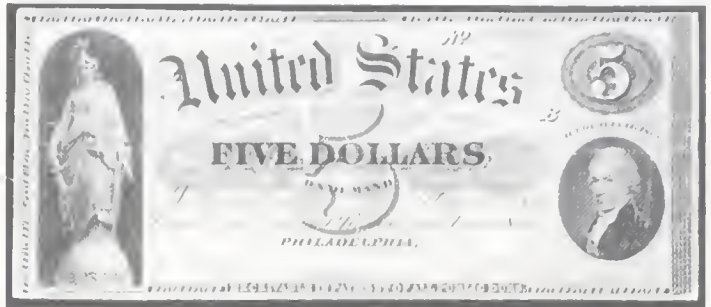

Superintendent of Engraving, which dates the book to between 1869 and 1875, when their terms overlapped. It was a presentation book given to a Mr. John G. Moore and his name is gold leafed on the cover. The covers have come loose and they

have been professionally and cleverly restored with an additional leather flap that allows the book to be more easily opened and viewed than its original binding, while retaining all of the original front and back covers as well as the original spine. The book contains 142 plates breaking down into 74 portraits, 7 buildings and 61 vignettes. A detailed list of all 142 plates is included with the book. (3500-up)

DEMAND NOTE

938 **Fr. 2 \$5 1861 Demand Note Very Good-Fine.** Totally problem-free with both hand signatures dark and clear. This is a respectable Demand Note that should provoke considerable bidder interest. (1000-up)

LEGAL TENDER NOTES

939 **Fr. 16 \$1 1862 Choice New.** The original United States \$1 bill is offered here without any defects. The original colors of the inks and the quality of the paper have been preserved, and the embossing can be easily seen from the back. Only the back centering precludes the full Gem grade. (1000-up)

940 **Fr. 16 \$1 1862 Choice New.** Although the centering is less than ideal, with the top margin cutting the design at the right, this completely original, brightly colored early Ace still holds terrific eye appeal. (900-up)

941 **Fr. 16 \$1 1862 Fine.** Strictly original and problem-free, this early Ace has plenty of bright ink color remaining. (225-up)

942 **Fr. 16 \$1 1862 Fine.** There are a few minor edge tears. (175-up)

943 **Fr. 17a \$1 1862 Choice About New.** (800-up)

944 **Fr. 18 \$1 1869 Superb Gem New.** One of the very nicest examples we've seen of this Technicolor Ace. The note often comes Choice, but seldom fully Gem. This beauty has perfect colors, huge margins and all its deep, original embossing. (2500-up)

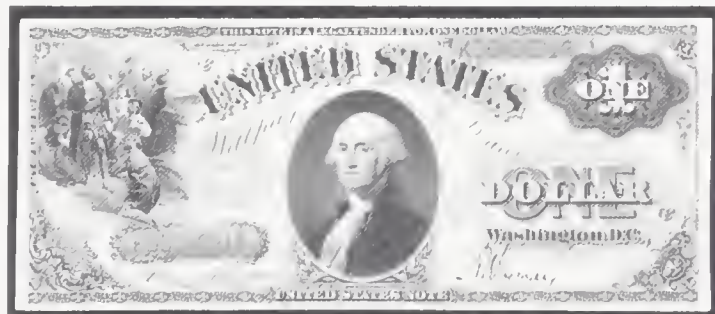

- 945 **Fr. 18 \$1 1869 Courtesy Autograph Gem New.** James Gillfillan has courtesy autographed this Rainbow Ace vertically to the right of the portrait. The note has beautifully broad margins all the way around, with super color and excellent paper originality. This would be a terrific Type Note even without the additionally desirable courtesy autograph of the man who was to fill the Treasurer's Office from July of 1877 through April of 1885. (1750-up)

- 946 **Fr. 18 \$1 1869 About Very Fine.** Some broad folds on this one-number, one dollar type. The blue anti-counterfeiting tint still has its beautiful luster. (400-up)

- 947 **Fr. 19 \$1 1874 Fine+.** There are too many folds to call the note Very Fine, but the face is too bright and clean for the unqualified lower grade. (110-up)

- 948 **Fr. 19 \$1 1874 Fine.** This is the latest Spinner-signed One Dollar Legal. (100-up)

- 949 **Fr. 20 \$1 1875 Choice New.** The original embossing effect still shows this note's original condition. (750-up)

- 950 **Fr. 26 \$1 1875 Superb Gem New.** Broadly margined, bright and loaded with eye appeal. (1100-up)

- 951 **Fr. 26 \$1 1875 Choice New.** This nice, bright, original note gives the appearance of a perfect Gem from the face, but the back is centered a bit low. (850-up)

- 952 **Fr. 26 \$1 1875 Choice New.** The top margin strays a bit at the left; otherwise, this good-looking note would make the Gem grade. (800-up)

- 953 **Fr. 26 \$1 1875 Choice About New.** A very nice example of this popular type. (350-up)

- 954 **Fr. 26 \$1 1875 Very Fine.** An absolutely perfect example of the grade - bright, well margined, strictly original and defect-free. (150-up)

- 955 **Fr. 29 \$1 1880 Gem New.** The printing quality is truly superb, and in fact this spectacular item, with its benchmark embossing, would grade Superb Gem New were it not for the proximity of the top margin to the design at the right. (900-up)

- 956 **Fr. 29 \$1 1880 Choice New.** The magnificent original embossing of the large brown seal is visible in the blank field on the back. The note is Gem from the standpoints of paper, inks, etc., but the final factor, the centering, does not suffice. (550-up)

- 957 **Fr. 29 \$1 1880 Choice Extra Fine.** This nice original note has no soil or signs of circulation. It's a perfect Gem but for two light vertical storage folds. (250-up)

- 958 **Fr. 30 \$1 1880.** This is a well-inked Gem New example of the variety with the very large seal at the right and the red serial numbers. (900-up)

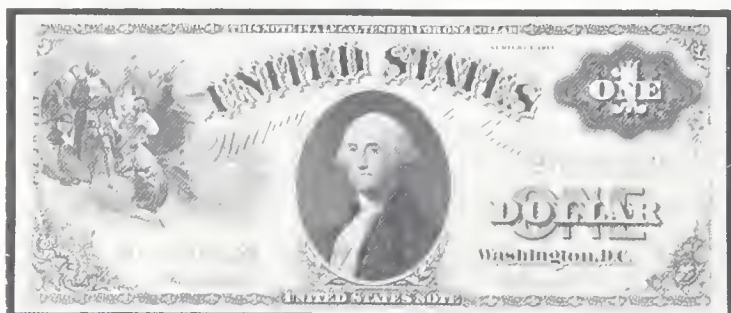

- 959 **Fr. 30 \$1 1880 Very Choice New.** This is a strictly original, near-Gem example of the Large Brown Seal Red Serial Number 1880 Ace. (650-up)
- 960 **Fr. 30 \$1 1880 Very Choice New.** Deep original embossing and sharp printing highlight this pretty note. The margins are not quite large enough for the Gem grade. (650-up)
- 961 **Fr. 30 \$1 1880 About New.** Two-thirds of face plate number #109 is visible in the top margin. (350-up)
- 962 **Fr. 30 \$1 1880 Fine.** The paper and inks are very bright for the grade, but this note has had too illustrious a career for the tastes of many collectors. (100-up)
- 963 **Fr. 31 \$1 1880 Very Fine.** A scarce number that always provokes considerable interest. This note is broadly margined and has substantial eye appeal in spite of its somewhat soft surfaces. (650-up)

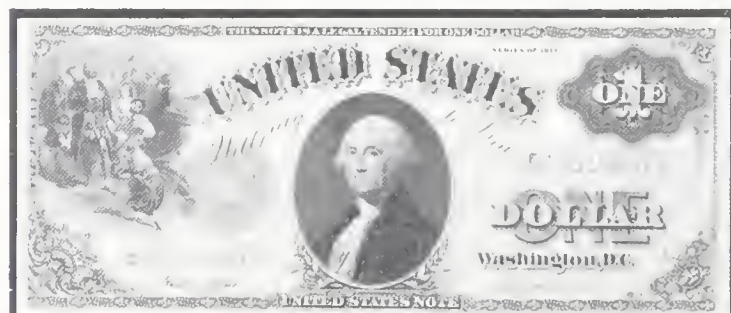

- 964 **Fr. 34 \$1 1880 Gem New.** Beautifully bright and fresh, with Superb color and terrific original embossing. (800-up)
- 965 **Fr. 34 \$1 1880 Extra Fine.** This hugely margined 1880 Ace is problem-free but for a small, well-repaired tear in the overly large top margin. (150-up)

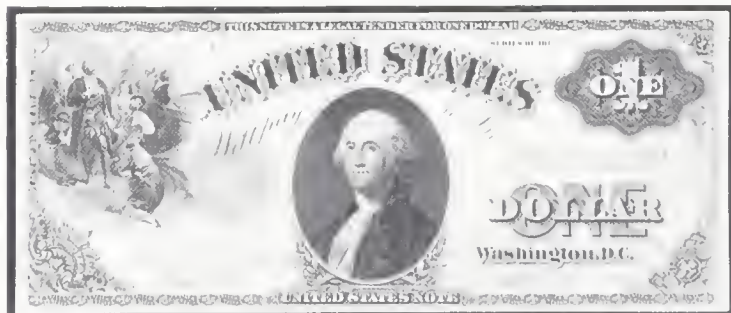

The following twenty notes were hand-selected from the 200-plus piece Snake River Valley Bank Hoard of 1917 Ones. Each note is a Superb Gem, with exceptionally bright paper and inks, deep original embossing, perfect surfaces and outstanding margins all around. 1917 Ones, although certainly one of the most common types in top grade, are rarely found with both top and bottom margins, as the space between notes on the sheets was extremely narrow. All twenty of these notes have amazing margins for the issue, and they represent as nice a group as we have ever had to offer.

Over eighty pieces are known for this number, but few if any could equal the perfection of this note, with its deep original embossing, huge margins all the way around and splendid, fully bright colors. It's as nice a Star Note as any we've ever handled. (800-up)

988 Fr. 36 \$1 1917 Star Note Superb Gem New. A second example from the same collection, removed by only one serial number and every bit as nice. (800-up)

989 **Fr. 36 \$1 1917 Gem New.** The paper quality tempts this cataloger to call the note Superb, but the centering should be even better if that designation is to be bestowed. (300-up)

- 1007 Fr. 39 \$1 1917 Cut Sheet of Four Gem New. Three of the four notes are Gems; the "c" position note grades Choice due solely to centering. Again, originality and freshness prevail. (1100-up)
- 1008 Fr. 39 \$1 1917. Thirteen notes from the same original pack. There are three consecutive pairs in the group. There is one Superb Gem, seven Gems and six Very Choice. All the notes, as with this entire hoard, are bright, fresh and beautifully original. (13 pieces) (3500-up)
- 1009 Fr. 39 \$1 1917. Twelve notes from the same original pack. There are two consecutive pairs within the group. Four of the notes grade Gem New and the remaining seven Very Choice New. As with this entire hoard, all are bright, fresh, beautifully embossed original pieces. (11 pieces) (2500-up)

*The final three 1917 \$1 lots from the
Snake River Valley Bank Hoard*

- 1016 **Fr. 37 \$1 1917 Thirty-Five Pieces.** All the notes grade **Very Choice New** or better, with a few **Superb Gems** and over a dozen full **Gems**. (35 pieces) (8000-up)
- 1017 **Fr. 38 \$1 1917 Seven Pieces.** All seven notes grade **Gem New** with unusually broad margins. (7 pieces) (2250-up)
- 1018 **Fr. 39 \$1 1917 Fifty-Three Pieces.** **Very Choice New** and better. There are three or four **Superb Gems** and approximately 20 **Gems** in this large and highly desirable group of 1917 Ones to end this spectacular hoard. (53 pieces) (13,500-up)

- 1019 **Fr. 40 \$1 1923 Superb Gem New.** For the collector who is looking for the best: Seek no more, we offer it presently. (600-up)

- 1011 **Fr. 39 \$1 1917 Nine Consecutive Very Choice New.** Two cut sheets are included in this group of nine from the Snake River Valley Bank Hoard. All nine notes are crackling fresh and perfectly original, and all nine have at least some margin both top and bottom. (1750-up)

- 1012 **Fr. 39 \$1 1917 Very Choice New.** Absolutely **Superb** ink sharpness and originality are tethered by a top margin that is tight at the left. (225-up)

- 1013 **Fr. 39 \$1 1917 Choice New.** This nice original note would grade **Gem** if the top margin were not close at the right. (175-up)

- 1014 **Fr. 39 \$1 1917 About New.** This design traces its lineage all the way back to the 1869 \$1 Legal. This particular example is in great uncirculated shape in terms of its paper and ink qualities, but it has received two light bends in handling which keep it from the \$400 class. (150-up)

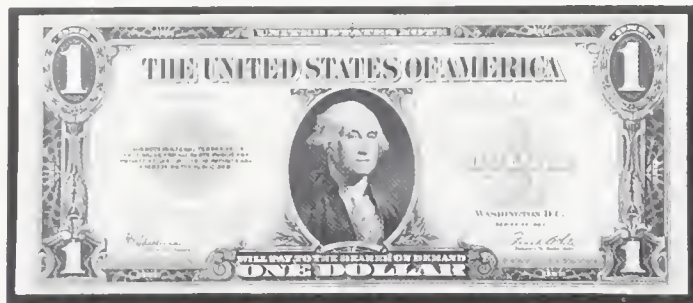

- 1015 **Fr. 39 \$1 1917 Star Note Choice Very Fine.** A bright, strictly original example of this common Star, with over 140 pieces known. (125-up)

These notes are remarkable for their freshness and paper originality. As in any group there are some stand outs. that our next public auction
will take place
in January of 2000!

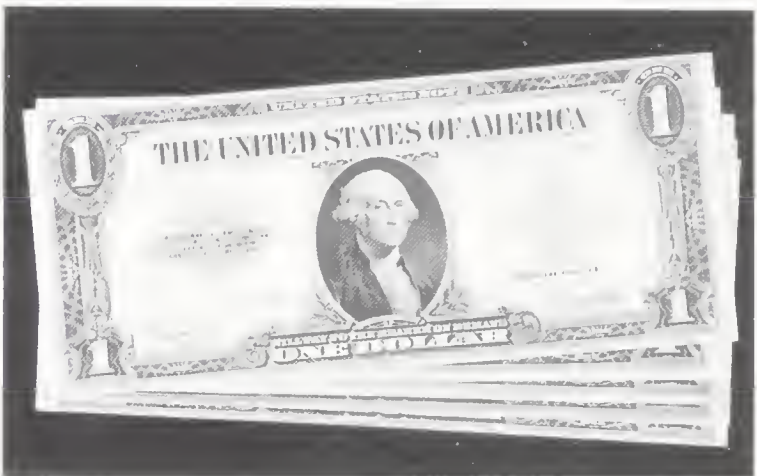

1021-M Fr. 40 \$1 1923. Three consecutive pieces. Each one is the ultimate in quality. They are all **Superb Gem New** with outstanding color, margins and paper originality. (3 pieces) (1750-up)

1021-Q Fr. 40 \$1 1923. Five bright and attractive notes. Two are **Gem New** and the other three **Choice New**. (5 pieces) (2000-up)

1021-N Fr. 40 \$1 1923 **Cut Sheet of Four Very Choice New**. This was the only Fr. 40 cut sheet in the Snake River Valley Bank Hoard and it's a beauty. All four notes have super bright paper and inks, perfect surface originality with good embossing and excellent centering. Two are perfect **Gem New** notes, and the other two are **Very Choice New** due to slightly closer margins. (4 pieces) (2000-up)

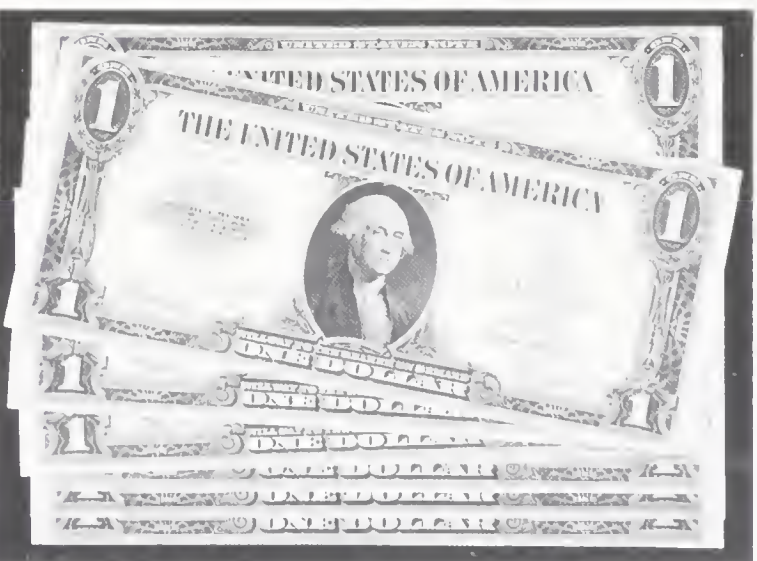

1021-R Fr. 40 \$1 1923. Five more pieces from this unusually nice group. All five are **Very Choice New**. (5 pieces) (1750-up)

1021-S Fr. 40 \$1 1923. Another five notes, all grading **Very Choice New**. (5 pieces) (1750-up)

1021-O Fr. 40 \$1 1923 **Very Choice New**. A fully bright, perfectly original four digit beauty (500-up)

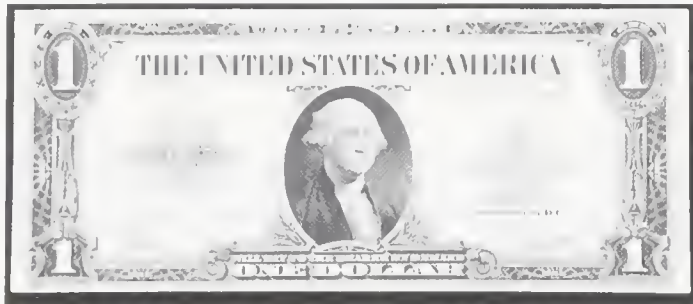

1021-P Fr. 40 \$1 1923 **Very Choice New**. A second four digit example. It's fresh, bright and original, but just a bit too tight at the top right for the gem grade. (500-up)

1021-T Fr. 40 \$1 1923. These are the final 12 notes from this lovely group. A few grade **Very Choice New** but the majority are full **Gems**. (12 pieces) (5250-up)

- 1022 **Fr. 40 \$1 1923 Gem New.** This pretty note, with its neat serial number A6500B, has all its original color and terrific eye appeal. (650-up)

- 1023 **Fr. 40 \$1 1923 Gem New.** This note has beautifully bright colors and large margins all the way around. (500-up)

- 1024 **Fr. 40 \$1 1923 Gem New.** Nice margins, bright colors and a great lifelike portrait grace this Cogwheel Back. (500-up)
- 1025 **Fr. 40 \$1 1923 Very Choice New.** Superb but for the bottom margin, which, sadly, is a bit too close for the Gem grade. (350-up)

- 1026 **Fr. 40 \$1 1923 Choice New.** The reds are bright on this Cogwheel Acc, and the embossing of the oval around the portrait can actually be seen from the back if the note is held at the proper angle to the light. (300-up)
- 1027 **Fr. 40 \$1 1923 Choice About New.** Bright and beautiful, but with the barest hint of a center fold. This is a premium About New that should bring . . . (200-up)

- 1028 **Fr. 40 \$1 1923 Choice About New.** Beautifully bright but with a hint of an extremely light center fold. (200-up)

- 1029 **Fr. 40 \$1 1923 About New.** It's a pity that this note isn't entirely uncirculated, for it has margins that would make Gem. (150-up)

- 1030 **Fr. 40 \$1 1923 Star Note Extra Fine-About New.** One hundred and thirty examples are known for this Star type. (400-up)

- 1031 **Fr. 40 \$1 1923 Extra Fine.** A three-fold Extra Fine. The note is original and the embossing is spectacular. (100-up)

- 1032 **Fr. 40 \$1 1923 About Extra Fine.** (75-up)

- 1033 **Fr. 40 \$1 1923 Star Note Very Fine.** (200-up)

- 1034 **Fr. 41 \$2 1862 Gem New.** The margins all around are quite broad for this issue, showing the entire frame line with room to spare. The colors of the inks and paper are 100% fully bright, and the original embossing is clearly evident not only on the serial numbers but throughout the design. This Friedberg number is rarely encountered in Gem condition, but, this handsome note fully makes the grade. (3000-up)

- 1035 **Fr. 41 \$2 1862 About New.** A few corner folds separate this brightly colored early Two from the higher grade. (1400-up)

- 1036 **Fr. 41 \$2 1862 Extra Fine.** This historic issue has escaped upgrading. Unmolested and totally original. (1000-up)

- 1037 **Fr. 41 \$2 1862 Very Fine+.** There are not many folds, but those that are present are quite strong, and the corners show that this note has been involved in a moderate number of transactions. Because of a very sharp quality to the inking, the portrait seems extremely lifelike. (800-up)

- 1038 **Fr. 41 \$2 1862.** This is a note that should perhaps be examined in person or through an agent before a bid is placed, as it is difficult to communicate its state. From the amount of circulation, it is **Very Fine**, but the paper has aged in such a way that the note has worn through internally in a few places. The damage, however, is fairly minor. (500-up)

- 1039 **Fr. 41 \$2 1862 Fine-Very Fine.** The margins, although irregular, are quite superior to what is normally seen for the issue, and the colors are excellent. The note's only flaw is a half-dozen minor repaired edge splits, none of which measure over 1/8". (550-up)

- 1040 **Fr. 41 \$2 1862 Fine.** Thoroughly circulated to be sure, but this century-and-a-half-old instrument is delightfully bright and intact. (400-up)

- 1041 **Fr. 41 \$2 1862.** **Fine**, except a 0.2 square cm piece is absent and there are some other minor chinks. (100-up)

- 1042 **Fr. 41 \$2 1862 Very Good-Fine.** Another circulated example, again with a few tiny edge splits but no serious problems. (250-up)

- 1043 **Fr. 41 \$2 1862 Very Good.** The bottom edge is crumbly at the right, but there are no long splits or pieces missing. (175-up)

- 1044 **Fr. 41 \$2 1862 Very Good.** There are some small paper peels and the note is dirty, but it has somehow escaped the aging that is commonly seen on these even in higher grade. (175-up)

- 1045 **Fr. 41 \$2 1862 Very Good.** The center fold is beginning to tear. (175-up)

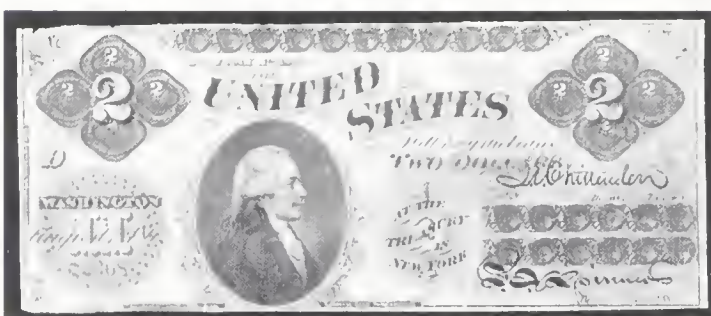

- 1046 **Fr. 41 \$2 1862 Very Good.** Well-worn but with more color than this type usually retains in this grade. (175-up)

- 1047 **Fr. 41a \$2 1862 About Fine.** Although there are some edge splits and a moderate degree of soil, the note is not worn enough to accurately grade it **Very Good**. Acquire our first Deuce for ... (325-up)

- 1048 **Fr. 41a \$2 1862 About Fine.** There are lots of folds, but the note is intact and completely free of tears. Still, it is too bright for the **Very Good** grade. (325-up)

- 1049 **Fr. 41a \$2 1862 About Fine.** Not as much circulation as the previous note but there is some minor erosion to the paper that keeps this cataloger from granting the full **Fine** status. (325-up)

- 1050 **Fr. 41a \$2 1862 Very Good-Fine.** There are a couple of small edge splits but no other problems. (225-up)

Superb Gem Rainbow Deuce

1051 **Fr. 42 \$2 1869 Superb Gem New.** This is a Superb example of this issue. The face margins are very wide, and the back centering is almost perfect. The various colors are deep and vibrant, and the paper, replete with deep embossing, has that nice original snap. This is as premium as this type comes. (4500-up)

1052 **Fr. 42 \$2 1869 Fine.** Other than the small nick in the bottom margin, the note is rock-solid. (350-up)

1053 **Fr. 42 \$2 1869 Very Good.** Well centered. (200-up)

1054 **Fr. 42 \$2 1869 Very Good.** Evenly circulated. (200-up)

1055 **Fr. 42 \$2 1869.** The upper right corner may have gone the way of the dodo, but this **Very Good** note still boasts dark, clear inks. (150-up)

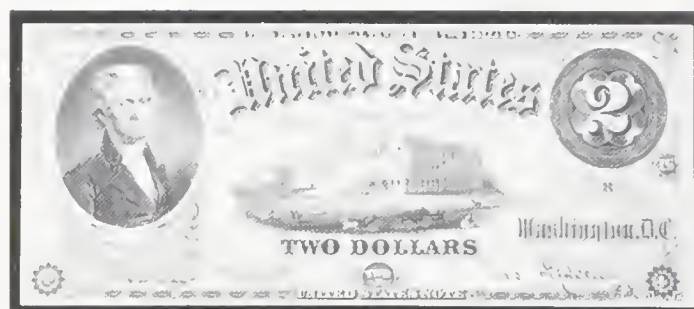

1056 **Fr. 43 \$2 1874 Superb Gem New.** The paper is rich in texture. Every aspiring dealer or new "player" who makes it a point to hold this note at a glancing angle to the light during the viewing will see an example of what Superb Gem paper quality means. The margins, colors and inks complete the Superb package. This is the "Bracelet Back" Treasury Deuce, and this note in particular is of the one-number 1874 issue. (2250-up)

1057 **Fr. 43 \$2 1874 Courtesy Autograph Gem New.** Fr. 43 is a difficult number to find in all grades. This John Burke Courtesy Autograph piece is one of the nicest examples we've seen. It's fresh and original, with excellent color and margins that, while not perfectly even, are large all the way around. (2750-up)

1058 **Fr. 43 \$2 1874 Very Good.** There are several little edge nicks but certainly nothing out-of-character for the grade. (150-up)

1059 **Fr. 48 \$2 1878 Gem New.** The original embossing effect is still visible 120 years after this note was issued, and the printing is sharp and the bracelet design on the back well-centered. (1750-up)

1060 **Fr. 48 \$2 1878 Choice New.** A strong red overprint, decent margins and original surfaces highlight this scarcer early Deuce. (1100-up)

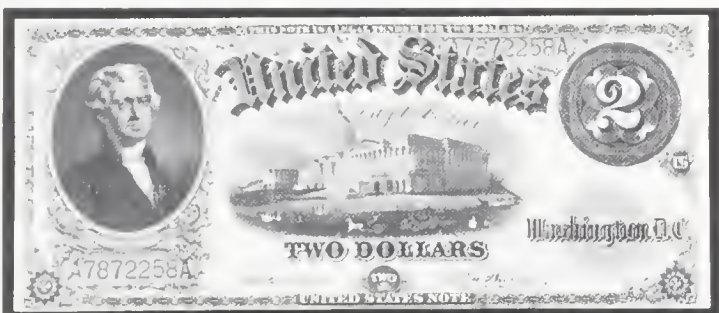

1061 **Fr. 48 \$2 1878 Choice New.** Unfortunately, the bottom margin just touches the design at the lower left on this otherwise lovely example. (1000-up)

- 1063 Fr. 52 \$2 1880 Superb Gem New. Broad, even margins and perfect color along with excellent original embossing make this Brown Seal 1880 Deuce a highly desirable and very handsome note. (1000-up)

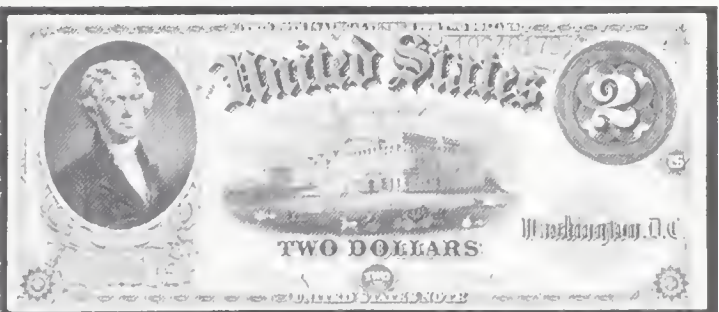

- 1064 Fr. 52 \$2 1880 Fine. The centering is poor; the design from the note above on the sheet is visible in the top margin at the left. (90-up)

- 1065 Fr. 57 \$2 1917 Choice New. The note misses Gem "by a small margin," in this case on the bottom. (250-up)

- 1066 Fr. 57 \$2 1917 Star Note Fine. Just over 30 examples are known of this number. (175-up)

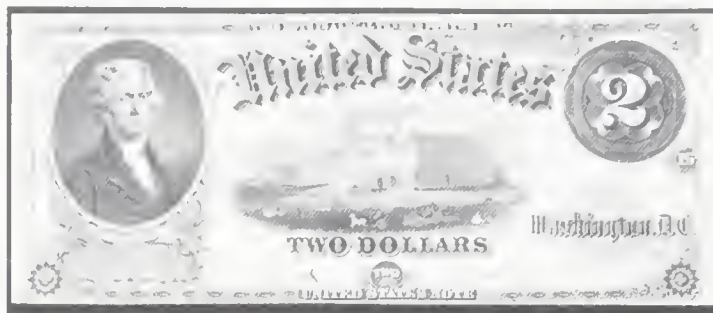

- 1067 Fr. 58 \$2 1917 Choice New. The bottom margin is tight. (250-up)

- 1068 Fr. 58 \$2 1917 Star Note Choice Extra Fine. This is one of the 26 pieces listed in the Murray reference for this number. (400-up)

- 1069 Fr. 59 \$2 1917 Choice New. The bottom margin is very small but it is present all the way across. (250-up)

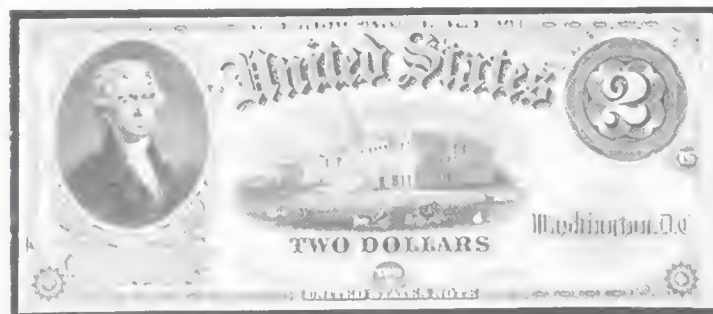

- 1070 Fr. 59 \$2 1917 Choice New. Very nicely centered. (250-up)

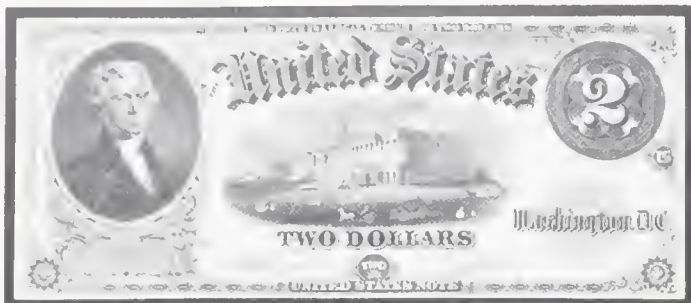

- 1071 Fr. 60 \$2 1917 Superb Gem New. The margins and the centering provide the worthy frame for this original, deeply and clearly inked Bracelet Back that may never have even heard of circulation. (400-up)

- 1072 Fr. 60 \$2 1917 Superb Gem New. A flawless example of the type, with broad, even margins, bright colors and perfect original paper quality. (400-up)

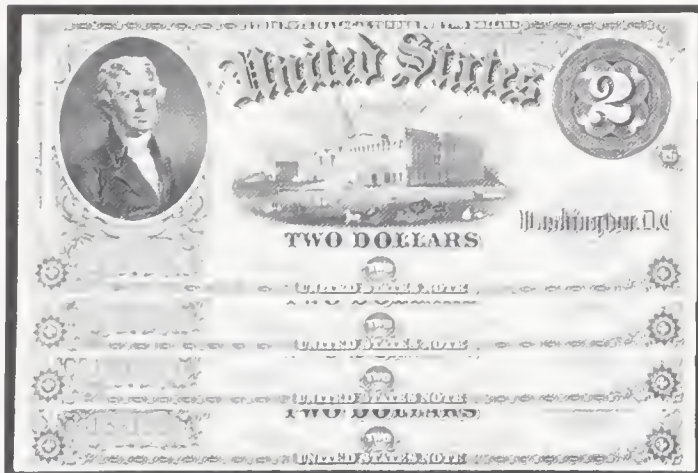

- 1073 Fr. 60 \$2 1917 Gem New. A spectacular note, with the black inking of the face engraving, the green of the bracelet back and the red of the seal and inks each at the absolute fullest of its potential for sharpness and clarity. Also, the embossing swears to the note's originality. (400-up)

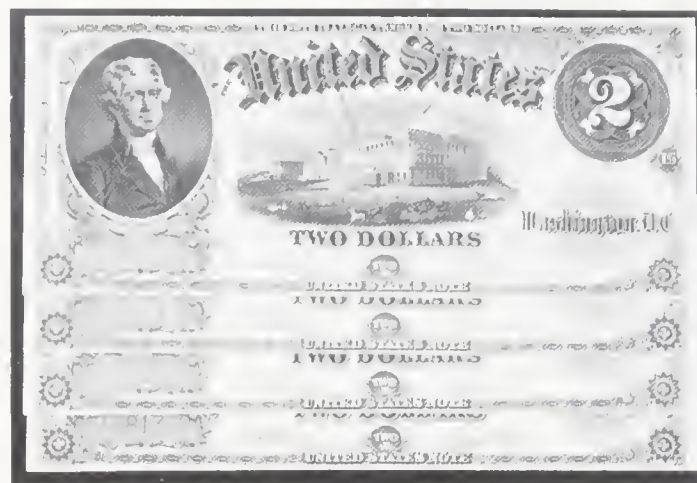

- 1074 Fr. 60 \$2 1917 Gem New. Magnificent original embossing and delightful color. (350-up)

- 1075 Fr. 60 \$2 1917 Gem New. The original embossing effect is still discernable when the note is held at the correct angle to the light. (350-up)

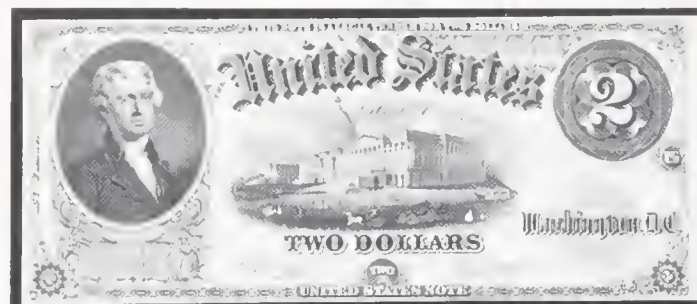

- 1076 Fr. 60 \$2 1917 Cut Sheet of Four Very Choice New. Four original, well-inked notes, two of which are fully Gem and the other two Choice New because of margins. The design does not touch the edge anywhere on these notes. (4 pieces) (1250-up)

- 1077 Fr. 60 \$2 1917 Cut Sheet of Four Very Choice New. Another offering similar to the above and only a few serial numbers removed. (4 pieces) (1250-up)

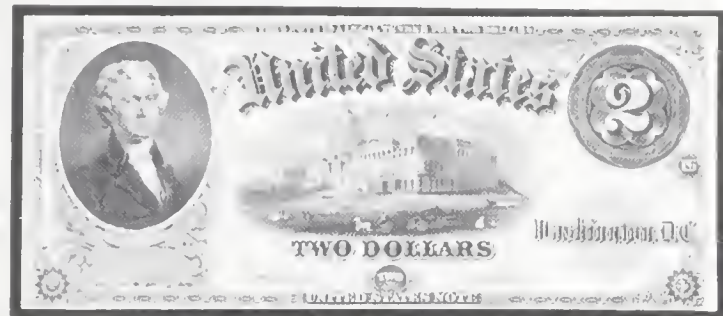

- 1078 Fr. 60 \$2 1917 Choice New. There is a very sharp quality to the inking, and we would like to call the note Gem but the margins prohibit. (250-up)

- 1079 Fr. 60 \$2 1917 Choice New. Again, Gem but for the margin issue. (250-up)
1080 Fr. 60 \$2 1917 Choice About New. (125-up)

IS PLEASED TO ANNOUNCE
THAT OUR NEXT PUBLIC AUCTION
WILL TAKE PLACE
IN JANUARY OF 2000!

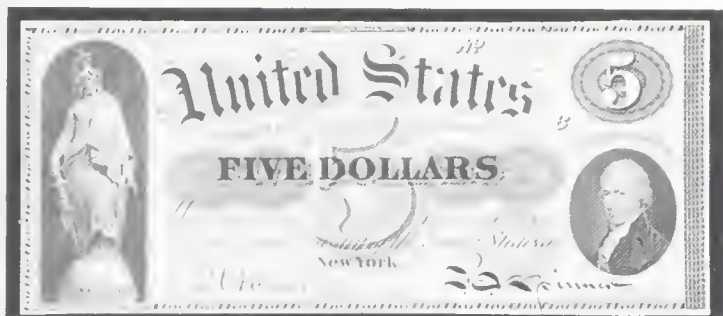

- 1081 **Fr. 60 \$2 1917 About New.** The pinches in this example are not the result of circulation. They probably occurred while this note was being handled within a bank. The margins are clear of the design all the way around. (100-up)

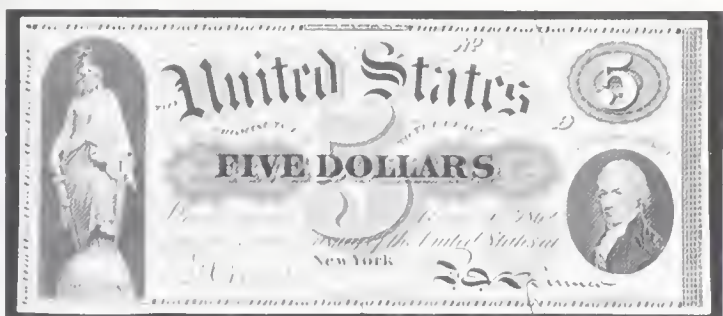

- 1082 **Fr. 60 \$2 1917 Star Note Choice Extra Fine.** A lovely example of this more common Star, separated from Choice New by two light vertical folds. (250-up)

- 1083 **Fr. 60 \$2 1917 Extra Fine.** (85-up)

- 1084 **Fr. 60 \$2 1917 Very Fine+.** An inexpensive yet barely circulated alternative. (70-up)

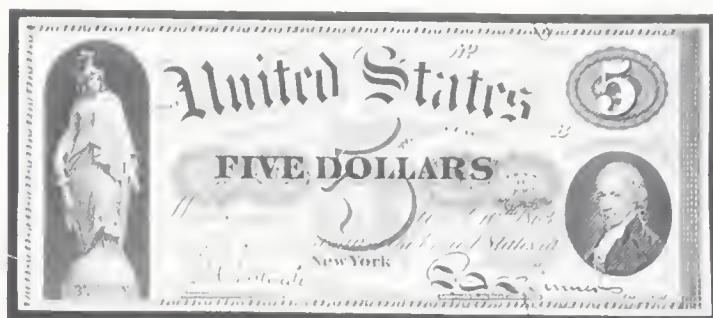

- 1085 **Fr. 61a \$5 1862 Gem New.** This beautiful note has outstanding technical merits. It's margined all the way around, its colors of both inks and paper are extraordinarily bright and the surfaces of the note remain fresh despite its years. (1750-up)

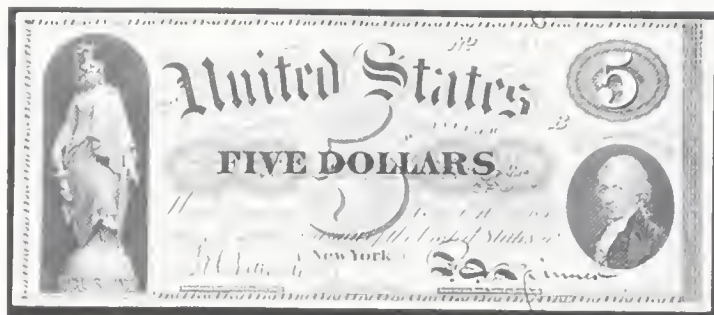

- 1086 **Fr. 61a \$5 1862 Gem New.** Perfect colors, good original embossing and exceptionally generous margins should make this early Five a target for the Type Note Collectors. The print quality has a clarity that is seldom seen on early notes. (1750-up)

- 1087 **Fr. 63a \$5 1863 Gem New.** This original Five has all the Gem criteria, and the visible embossing and pristine quality of the paper attest to its original state. (1750-up)

- 1088 **Fr. 63a \$5 1863 Very Choice New.** This note has good color and far-better-than-average margins along with excellent paper originality including embossing of most of the design elements. (1500-up)

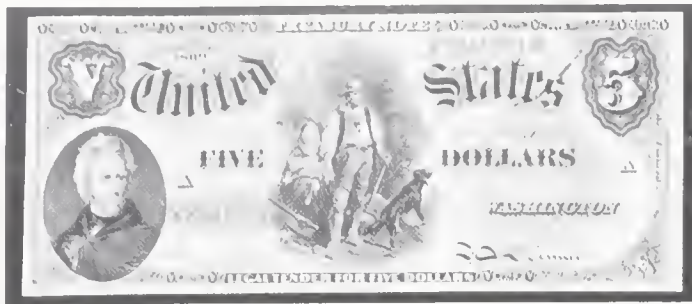

- 1089 **Fr. 63b \$5 1863 Choice New.** Beautifully bright colors and excellent paper quality make this a highly desirable note. It's from the "a" position on the plate, and it has an unusually large top margin which shows plate number 58 for the green overprint plate. (1250-up)

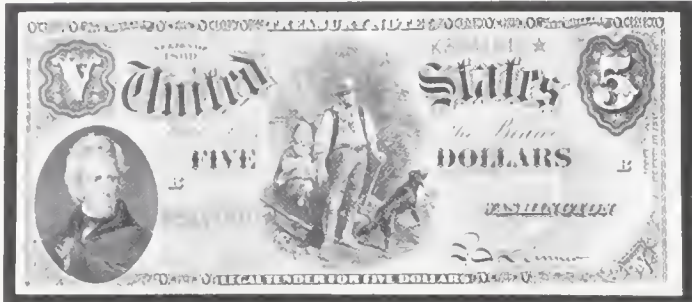

- 1090 **Fr. 63b \$5 1863 Choice New.** Fresh, original and beautifully colored, with three jumbo margins. If the bottom margin were the size of the other three, the note would be simply Superb. (1250-up)

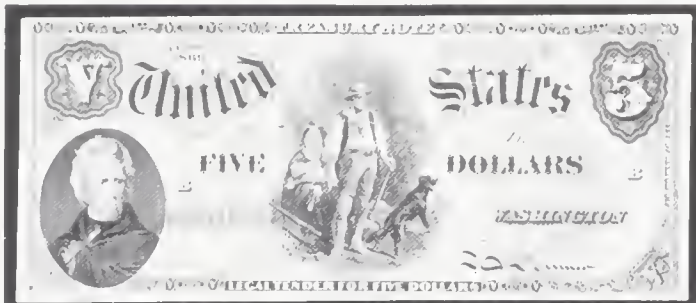

- 1091 **Fr. 63b \$5 1863 Fine.** Outrageously large margins help give this circulated early Five a very nice appearance. (300-up)

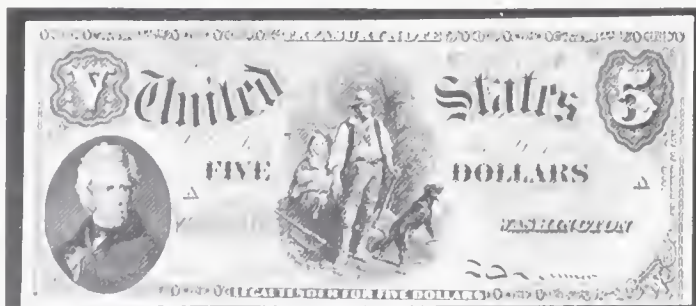

- 1092 Fr. 64 \$5 1869 Gem New. This Pioneer is a veritable explosion of red, green and blue. The paper of this original Type Note is alive with texture, and the centering and margin breadth is adequate for the Gem grade. (1500-up)

- 1093 Fr. 64 \$5 1869 Very Choice New. If the margin at the top right were just a touch broader, this strictly original, beautifully bright Rainbow Five would be a full Gem. (1200-up)

- 1094 Fr. 64 \$5 1869 Very Choice New. The centering of both the face and back is a hair off of what we like to see for Gem notes, but this Rainbow Five is an absolute Gem in all other respects. (1200-up)

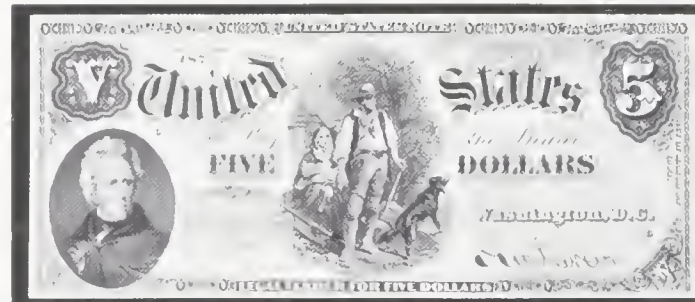

- 1095 Fr. 64 \$5 1869 Choice New. The bottom margin strays close to the design toward the right end of the note. But for that trifling defect, this strictly original, brightly colored Rainbow Five would be a full Gem. (1000-up)

- 1096 Fr. 64 \$5 1869 New. Choice in all respects but for the centering, which is rather poor both face and back. Still, this strictly uncirculated Rainbow Five should easily realize... (800-up)

- 1097 Fr. 64 \$5 1869 Very Fine. The lower right corner tip has been restored and the paper is toned, but the inks remain reasonably bright and the overall appearance is acceptable. (300-up)

- 1098 Fr. 65 \$5 1875 Very Choice New. This pretty note has bold colors, all its original embossing and excellent centering. With just a slightly broader top margin it would be full Gem. (800-up)

- 1099 Fr. 67 \$5 1875 Gem New. Thomas Jefferson looks perfectly legendary on this colorful, dark-inked, original early Pioneer. (1200-up)

- 1100 Fr. 69 \$5 1878 Very Choice New. The margin at the bottom right is a hair too close for the Gem grade, but this pretty example of a rather scarce number is Gem in all other respects. (800-up)

- 1101 **Fr. 69 \$5 1878.** Missing Gem only due to its centering, this Choice New Pioneer has kept its original embossing for 120 years. There is a partial plate number visible in the top margin. (750-up)
- 1102 **Two Early Pioneer Numbers.** Fr. 67 Very Good and Fr. 69 Fine. (2 pieces) (250-up)

- 1103 **Fr. 71 \$5 1880 Choice New.** Lots of original embossing is easily seen on this well-margined Large Brown Seal Pioneer Five. (750-up)

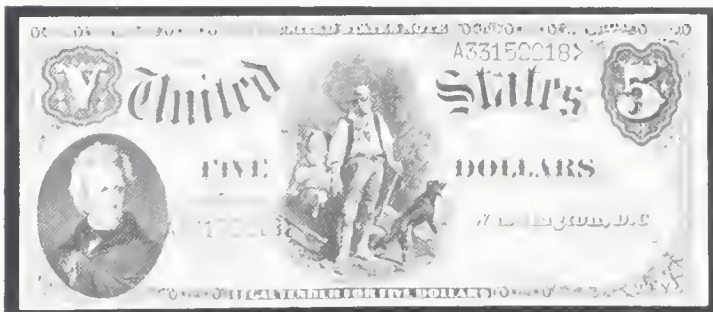

- 1104 **Fr. 74 \$5 1880 Cut Sheet of Four Choice New.** But for the centering, these Pioneer notes with their large plain red seals are perfect Gems. Two are a little close at the top and the other two a little close at the bottom. All four notes are perfectly fresh, deeply embossed and beautifully bright. (4000-up)
- 1105 **Fr. 74 \$5 1880 Extra Fine.** This is a very well-margined, bright, problem-free example of a scarce number in a perfect collector grade. (450-up)
- 1106 **Fr. 76 \$5 1880 Very Good.** A well-circulated but respectable example of this scarce number. (150-up)

- 1107 **Fr. 77 \$5 1880 Fine+.** An unmolested, problem-free example of a very scarce number. (350-up)
- 1108 **Fr. 78 \$5 1880 Fine.** In our experience, Fr. 78 is considerably scarcer than its type-mate, Fr. 77. This nice example is problem-free for the grade and rather well margined. (300-up)

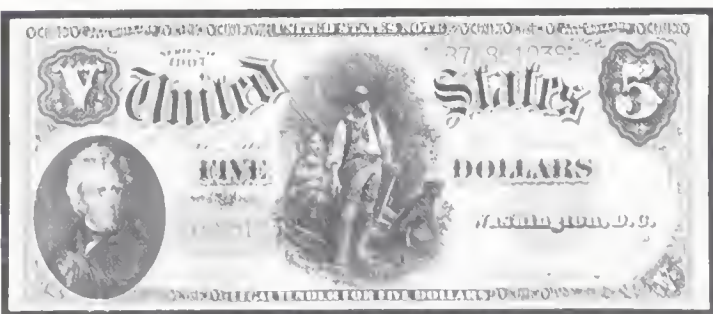

- 1109 **Fr. 79 \$5 1880 Very Choice New.** Beautifully original and with deep embossing and excellent color, this pretty note would be fully Gem if it had just a bit more margin at the upper right. (550-up)

- 1110 **Fr. 80 \$5 1880 Superb Gem New.** This is an outstanding example, with broad, even margins, perfect colors and ideal original paper quality. A very nice note. (900-up)

- 1111 **Fr. 83 \$5 1907 Superb Gem New.** A letter-perfect example, with deep original embossing, broad, even margins and perfect colors of the paper and inks. (600-up)

- 1112 **Fr. 84 \$5 1907 Gem New.** Excellent centering and nice color. (500-up)

- 1113 **Fr. 85 \$5 1907 Gem New.** Wonderful embossing of the face text shows through on the back of this well-centered Napier-McClung number. (500-up)

- 1114 **Fr. 85 \$5 1907 Gem New.** Fresh and original. A lovely note. (500-up)

**Superb Serial #2 Fr. 86
Double Courtesy Autograph**

- 1115 **Fr. 86 \$5 1907 Superb Gem New.** This Serial #2 example of the rarest signature combination is double courtesy autographed. Carmi Thompson has signed the note immediately above his engraved signature and John Burke (who followed Thompson into the Treasurer's office), has signed just above Thompson's signature. In our May, 1996 sale we sold Serial #3 which was also autographed by Thompson for \$4,125. We suspect this utterly original, superb double courtesy autograph Serial #2, on this much stronger market, will easily realize... (7,500-up)

- 1116 **Fr. 86 \$5 1880 Fine.** The scarce Napier-Thompson signature combination. (150-up)

- 1117 **Fr. 87 \$5 1907 Choice Extra Fine.** Fresh and original. (125-up)

- 1118 **Fr. 87 \$5 1907 Choice Very Fine.** This note gives the initial impression of an Extra Fine. Dark, clear inks abound. (90-up)

- 1119 **Fr. 88 \$5 1907 Gem New.** This crackling fresh Pioneer Five has excellent original embossing as well as bright colors. It's serial number H17, and low-serial-number 1907 Fives are seldom encountered. (1000-up)

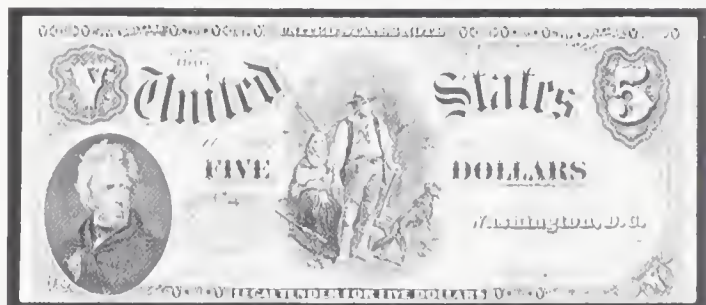

- 1120 **Fr. 88 \$5 1907 Gem New.** Identical to the previous lot and from the same cut sheet. (1000-up)

- 1121 **Fr. 88 \$5 1907 Gem New.** The back centering is the monkey wrench in this case, where a note with Superb inks, paper and embossing is limited in grade and value by the back's being so high. Calling the note anything less than Gem would be a disservice to its overall package. (500-up)

- 1122 **Fr. 88 \$5 1907 About New.** (160-up)

- 1123 **Fr. 88 \$5 1907 Star Note Extra Fine.** This example is one of the 22 known pieces that are listed in the Murray reference. The bottom margin is tight, but this is a lovely note in all other respects. In spite of its light circulation, it retains all of its original embossing. (500-up)

1124 **Fr. 91 \$5 1907 Choice About New.** This Pioneer possesses an unusual brightness, which is why this cataloger chose the Choice designation. (175-up)

1125 **Fr. 91 \$5 1907 Choice About New.** An extremely clearly inked Very Choice New note with a corner fold. (175-up)

1126 **Fr. 91 \$5 1907 Extra Fine.** Bright, problem-free and totally natural. (125-up)

1127 **Fr. 91 \$5 1907 Star Note Very Fine.** Seventy-three pieces are known. (200-up)

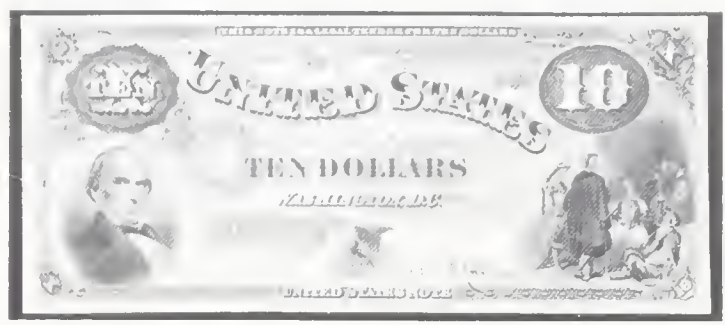

1128 **Two Very Fine Pioneers.** From the same series as above. Fr. 87 and Fr. 90. (2 pieces) (150-up)

1129 **Fr. 95b \$10 1863 Choice New.** This handsome, early United States Note falls short of Gem because the top margin comes too close at the right. The original embossing effect can be seen when the note is held at the proper angle to the light. This is the "b" variety, distinguished by a pair of serial numbers, the harder of which to see is embedded in the dark "Payable at..." box below the portrait. The printing, colors and paper quality are all a collector could hope for. (3500-up)

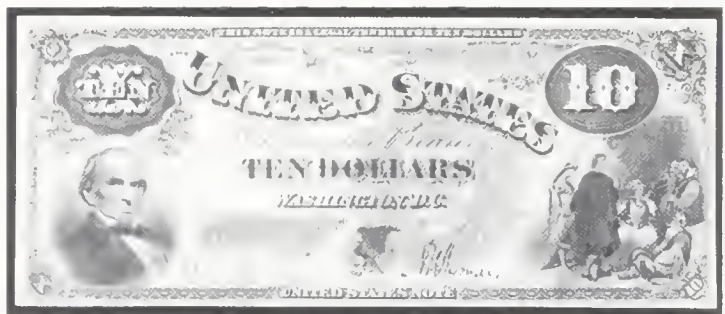

1130 **Fr. 95b \$10 1863 Fine-Very Fine.** This lightly circulated early Ten has exceptional margins all the way around and a particularly large margin at the top which shows the plate numbers, both face and back, as well as registration marks for the black and green inks. There is a tiny repair to one corner tip far outside the design area, and but for that the note is flawless. (850-up)

Superb Gem New Fr. 99

1131 **Fr. 99 \$10 1878 Superb Gem New.** This number is not often seen in high grade and is very infrequently offered as a Superb Gem. This particular piece, however, is the ultimate example of perfection for this number. The margins are unbelievably broad all the way around and the colors of the inks and paper are flawless. Even the red overprint, which often appears light pink on this issue, is bold and bright. We cannot recall seeing another Fr. 99 that even came close to the perfection of this strictly original beauty. Even if this number is not on your current want list, be sure to view it at the sale. We're sure you'll be as impressed as we are. (5500-up)

1132 **Fr. 100 \$10 1880 Very Good.** We've always found this to be a rather scarce number. (200-up)

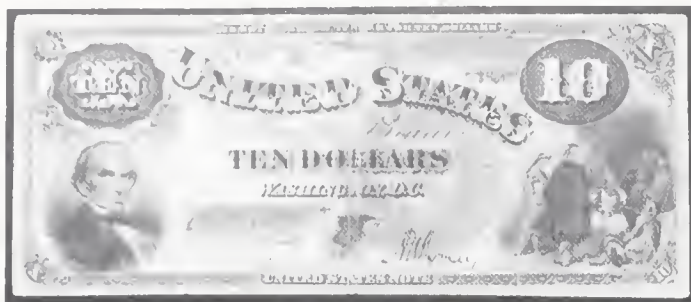

1133 **Fr. 102 \$10 1880 Superb Gem New.** Turning this Superb note over, the precise embossing from the "TES" in "United States" is readily apparent in the blank window on the back. This is just the beginning. The margins are excellent, the microprint is distinct, the colors are deep, the paper crisp enough to be worthy of the Superb grade and the vignettes sharp, clear and classic. Here is a case where we offer the collector truly Superb material. (2250-up)

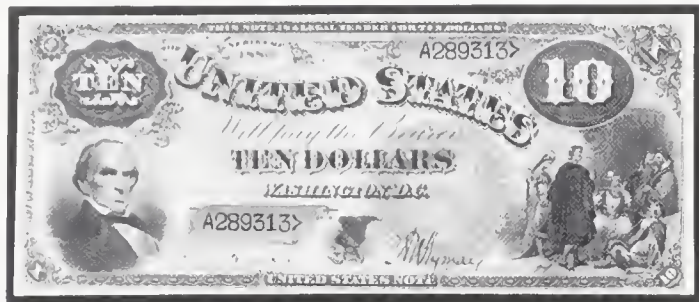

1134 **Fr. 102 \$10 1880 Fine-Very Fine.** Strictly original and problem-free. (400-up)

- 1135 **Fr. 102 \$10 1880 Very Good+.** There are lots of folds and some small edge splits, but the note has practically no soil. This would be a good note to inspect personally, as there is more to the process of grading a note than simply counting the number of folds. (300-up)

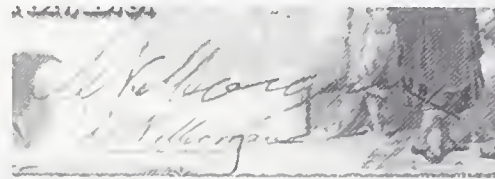

- 1136 **Fr. 103 \$10 1880 Gem New.** This Jackass Ten has beautifully bright colors along with its perfect paper surfaces and deep original embossing. The excellent centering adds to the total package, and this scarce number is just about technically perfect. (2250-up)

- 1137 **Fr. 108 \$10 1880 Superb Gem New.** When one considers the perfection of inking, the state of the paper, the excellence of centering and must-see degree of embossing, there is no option but to label this note Superb Gem. (2500-up)

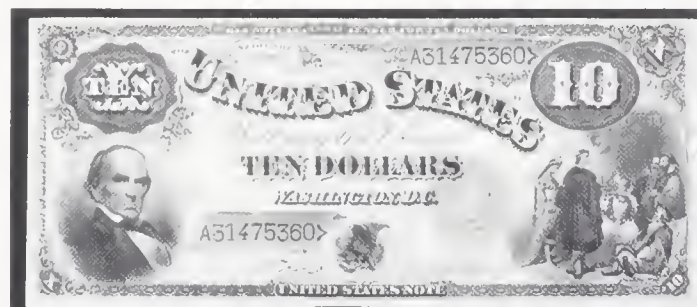

- 1138 **Fr. 111 \$10 1880**
Courtesy
Autograph
Superb
Gem New.
This Jackass

Ten, which bears the autographed signature of D.N. Morgan directly above his engraved signature, is an utterly perfect example of the type. The margins are broad and even, and this flawless note has readily evident deep, original embossing along with perfect colors and ideal centering of both sides. It would be a highly desirable acquisition even without the added plus of a bold courtesy autograph. (2000-up)

- 1139 **Fr. 111 \$10 1880 Choice Extra Fine.** This well-centered note has seen some very light circulation, but it still shows all of its original embossing as well as perfect colors on both sides. (650-up)
- 1140 **Fr. 111 \$10 1880 Very Good-Fine.** There are no problems whatsoever on this Jackass; this is an honest, circulated note. (225-up)

- 1141 **Fr. 113 \$10 1880 Choice New.** Lots of good, original embossing enhance this fresh and bright Jackass Ten. The note would grade fully Gem if the top margin were as broad as the bottom. (1250-up)

1142 **Fr. 113 \$10 1880 Fine-Very Fine.** Strict paper originality, good margins and excellent color make this Jackass Ten a desirable piece of currency to collectors of lightly circulated Type Notes. (350-up)

1143 **Fr. 113 \$10 1880 Fine-Very Fine.** A nice no-problems example to represent this popular Jackass Type. (350-up)

1144 **Fr. 114 \$10 1901 Superb Gem New.** This outlandishly nice Bison has deep, original embossing, huge margins and perfect centering on both sides. It's as fresh and bright as the day it was made and would grace any type set of perfect notes. (3500-up)

1145 **Fr. 114 \$10 1901 Very Fine.** This problem-free Bison is very well margined and has considerable eye appeal. (600-up)

1146 **Fr. 115 \$10 1901 Fine.** Three unimportant, short edge splits are this good-looking Bison's only problems. (400-up)

1147 **Fr. 115 \$10 1901 Very Good.** Totally problem-free, with large margins and surprisingly good color for the grade. A well-circulated but nonetheless handsome Bison. (350-up)

1148 **Fr. 119 \$10 1901 Gem New.** Incredible margins grace this eminently popular type. Fortunately this Gem is original so that the full, deep, as-issued color endures. The embossing is so good it could probably be spotted by a novice. (2750 up)

1149 **Fr. 119 \$10 1901 Choice Extra Fine.** Three light folds hold this beautiful Bison away from the Gem grade. It's a very pretty note that some collector will be thrilled to obtain. (1000-up)

1150 **Fr. 119 \$10 1901 Extra Fine.** Well margined and free of soil, this Bison's only drawback is the somewhat muted color of the red overprint. (750-up)

1151 **Fr. 120 \$10 1901 Fine.** The edges of the note and the paper integrity are intact. (500-up)

1152 **Fr. 122 \$10 1901 Gem New.** This lovely Bison has broader-than-average margins, terrific color and good paper surfaces. While not quite on the level of the Superb grade, this certainly is a pretty note that should fit anyone's high-end Type set. (2750-up)

1153 **Fr. 122 \$10 1901 Extra Fine.** Beautifully original, lightly circulated Bison that still retains its original embossing and has great margins and flashy color. (900-up)

1154 **Fr. 122 \$10 1901 About Extra Fine.** Strong colors, good margins and no soil are features of this attractive problem-free Bison. (750-up)

1155 **Fr. 122 \$10 1901 Star Note Very Fine.** Twenty-eight examples are known, including this piece, but more importantly, only 64 Bison Stars are known in total for all the Friedberg numbers. This Very Fine is an utterly problem-free, unmo-
lest example with strong color and lots of eye appeal. (1750-up)

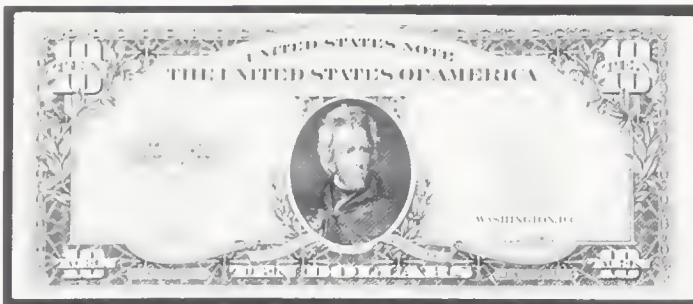

1156 **Fr. 122 \$10 1901 Very Fine.** Strictly original and problem-free (600-up)

1157 **Fr. 122 \$10 1901 Fine.** There are three closed splits in the left margin, but this good-looking Bison has no other defects. (400-up)

- 1158 **Fr. 122 \$10 1901 About Fine.** There are about a dozen miniature edge tears throughout the top margin. (300-up)

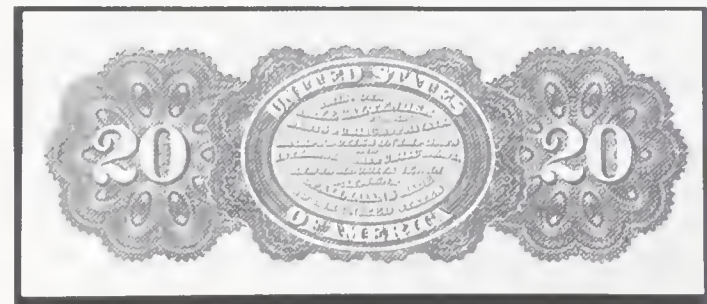

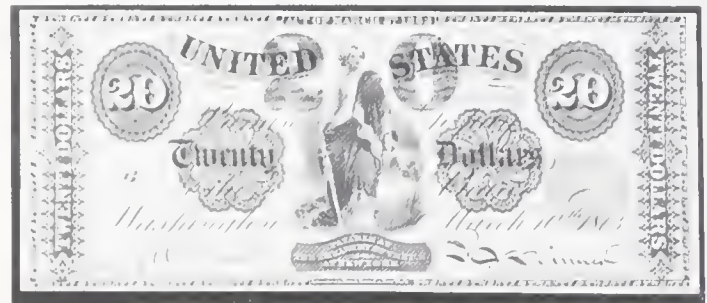

- 1159 **Fr. 123 \$10 1923 Gem New.** This historic ten dollar bill is so well inked that it should really be seen in person. The embossing is terrific and it looks as if it has been etched by a razor. The margins are large and the paper has a great "wave" to it. This is a collectible from what most consider a grander time that will make its new owner proud into the new century. (5000-up)
- 1160 **Fr. 123 \$10 1923 About New.** The margins on this good-looking note are unusually broad, but the surfaces, unfortunately, are flat. Nonetheless, there is lots of eye appeal here. (1750-up)

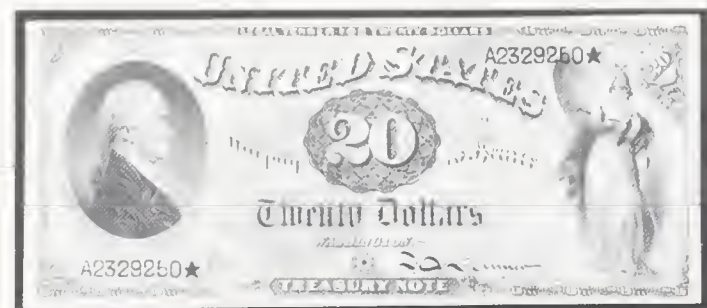

- 1161 **Fr. 123 \$10 1923 Choice Very Fine.** Beautifully margined, bright and attractive. This four-digit example of a scarce Twentieth Century type comes very close to the full Extra Fine grade. (1000-up)
- 1162 **Fr. 123 \$10 1923 Very Fine.** An attractive example of a scarcer type that is not often available in the mid-range collectable grades. (950-up)
- 1163 **Fr. 124 \$20 1862 Fine.** Absolutely solid for the grade with strong edges, excellent color and not a hint of a defect. This is, in our opinion, an underrated number, and this nice piece should easily bring... (900-up)
- 1164 **Fr. 124 \$20 1862 Very Good.** There are a number of pinholes and the edges have some fraying, but the internal portions of the note grade fully *Fine*. This is a challenging type to locate in any grade. (650-up)

- 1165 **Fr. 126b \$20 1863 Very Choice New.** This stunning-looking 1863 twenty has ink and paper colors equal to the moment it was pulled from the plate over 130 years ago. It also has margins all the way around, although they're somewhat close in places. The overall eye appeal of this piece is incredible, and viewers should go out of their way to see just how pretty this piece is. (5000-up)

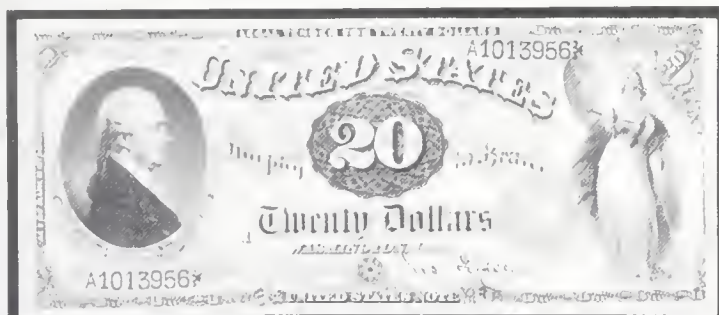

- 1166 **Fr. 127 \$20 1869 Very Choice New.** Well margined and with excellent color, this is one of the nicer Rainbow Twenties that we've had to offer. It would make the full Gem grade were it not for a perfectly natural paper inclusion that is quite well buried in the design on both sides. This type is always extremely popular, and this particular piece, with its outstanding eye appeal, should create considerable interest. (5000-up)

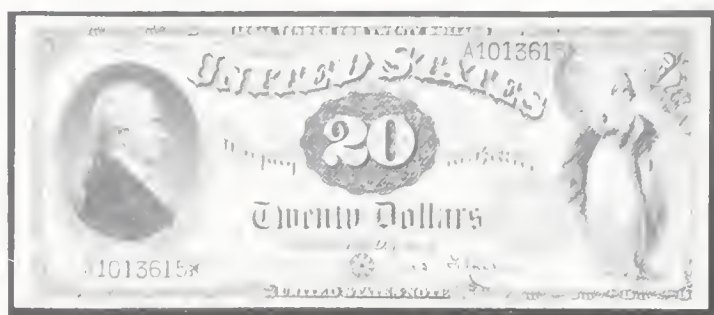

- 1167 **Fr. 128 \$20 1875 Gem New.** Huge margins and perfect colors highlight this lovely Type Note. Fr. 128 should not be confused with the Series 1878 Fr. 129 which looks very much the same. Fr. 128's are at least a dozen times rarer in top grade than Fr. 129's, yet the price differential is usually only around 15%. This situation is likely to straighten itself out as the true relative rarity of Fr. 128 becomes known. In the meanwhile, 128's as nice as this one may prove to be wise buying opportunities. (5000-up)

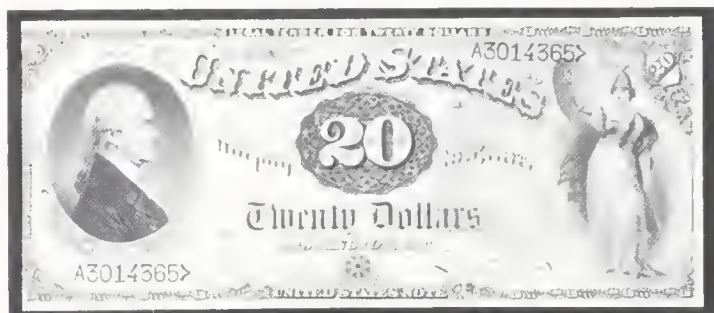

- 1168 **Fr. 128 \$20 1875 Gem New.** Broadly margined, bright and beautiful and again, rarely seen in this grade. (5000-up)

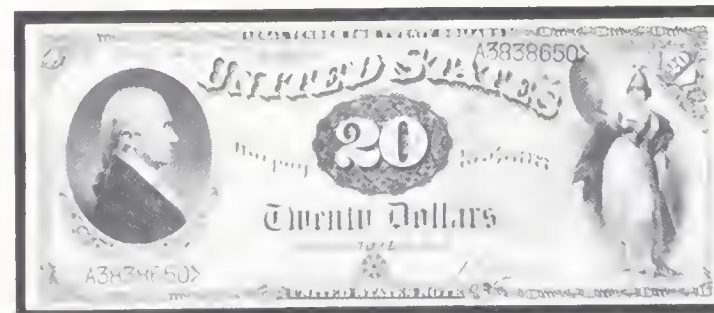

- 1169 **Fr. 129 \$20 1878 Superb Gem New.** Huge margins and letter-perfect colors highlight this gorgeous early Legal. It's only eight digits away from the magnificent piece in our May sale which realized over \$5000, and it's the virtual twin of that piece. The back centering is fully equal to that of the face, and the red overprint is extraordinarily sharp, allowing all the intricate detail in the red "XX" to be seen clearly. (4500-up)

- 1170 **Fr. 129 \$20 1878 Superb Gem New.** This utterly Superb example is separated from the previous note by only two packs, and it's every bit as nice, with perfect colors, broad, even margins and razor-sharp print quality. Another exceptional piece for the fastidious Type Note collector. (4500-up)
- 1171 **Fr. 132 \$20 1880 Very Good.** There are a few minor edge problems, but this scarce note is solid for the grade. (225-up)
- 1172 **Fr. 134 \$20 1880 Very Good.** About three dozen examples are known of this scarce number. This piece, although well circulated, is problem-free. (300-up)

- 1173 **Fr. 136 \$20 1880 New.** This bright, original and otherwise perfect note most unfortunately has absolutely no left face margin. Whether the note met with some production problem or the margin was trimmed off subsequent to production in order to hide some defect is not for us to say. Nonetheless, this rather odd-appearing note still has considerable value. What that value might be will be decided by the bidders.

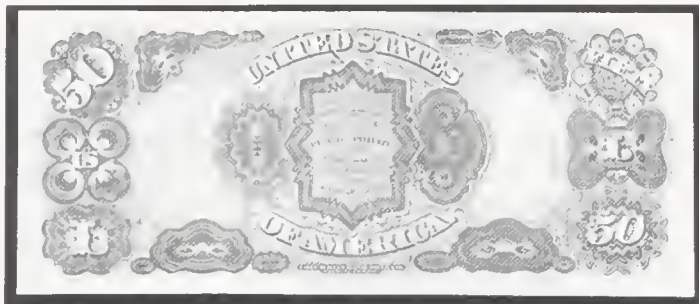

- 1174 **Fr. 137 \$20 1880 Very Choice New.** A near Gem example of this pretty type with its blue serial numbers and large, salmon-colored seal. (2250-up)
- 1175 **Fr. 138 \$20 1880 Fine.** Problem-free and rock solid, this is one of only about 40 pieces known. (400-up)
- 1176 **Fr. 138 \$20 1880 Fine.** A nice, evenly circulated example of this scarce Large Brown Seal type (400-up)

- 1177 **Fr. 142 \$20 1880 Very Fine +.** This is a bright, problem-free example of a scarce and popular type. Its strict originality adds to its desirability. (500-up)
- 1178 **Fr. 147 \$20 1880 Very Fine.** A nice no-problems circulated representation of the design. (400-up)
- 1179 **Fr. 147 \$20 1880 Very Fine.** Excellent colors and essentially perfect centering make this lightly circulated \$20 Legal a good find for the collector of this grade Type Note. (400-up)

Fr. 154 \$50 1878

- 1180 **Fr. 154 \$50 1878 Choice Extra Fine.** This wholly original, problem-free example is new to the market, bringing the total known pieces up to nineteen, several of which are permanently impounded. This note has great eye appeal, with considerable color remaining to the red overprint. Three of the margins are huge, with the top margin narrower, but well clear of the frame line. The note is totally problem free, and it has the eye appeal that one associates with a note several grades higher. (10,000-up)

**Fr. 159 \$50 1880
Tied For Finest Known**

- 1181 **Fr. 159 \$50 1880 About New.** Prior to the appearance of this piece, an even dozen examples were known to exist, at least two of which are permanently impounded in government hands. Only one note in the census grades better than Fine, that being an AU that is only fourteen serial numbers away from this note. This is the finest example by several grades to have ever reached the market. We've sold only one piece, a damaged Very Good in January of 1997 which realized \$3300. That example was the only opportunity to purchase a Fr. 159 at auction since 1978. This note is broadly margined all the way around and has excellent color. It is totally free of problems or restorations, and it is likely to afford the only opportunity to purchase a high-grade Fr. 159 for decades to come. (25,000-up)

- 1182 **Fr. 164 \$50 1880 Extra Fine.** Extremely well margined and with tons of eye appeal. When good-looking notes of scarcer types like this one appear at auction, lots of interest is always created. We think this beauty could easily surpass the typical value for its grade. (5000-up)

- 1183 **Fr. 164 \$50 1880 Fine.** Extremely well margined and with bright colors and sharp detail remaining, this is a very pleasing example of a popular fifty-dollar type that is seldom seen undamaged in this grade. A totally problem-free piece. (2000-up)

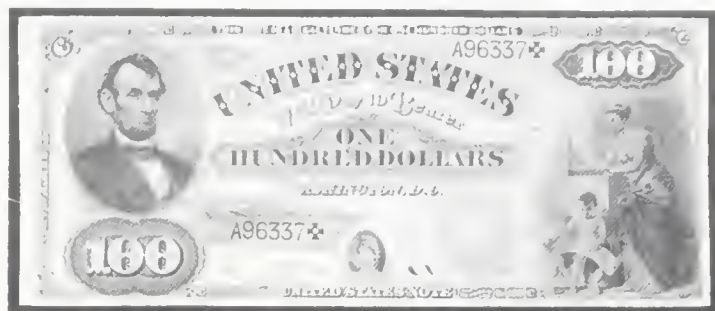

1869 Rainbow Hundred

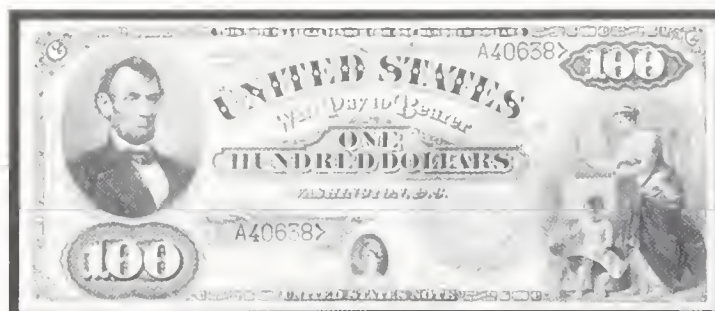

- 1184 **Fr. 168 \$100 1869 Fine-Very Fine.** With the addition of this new piece to the census, the total known for Rainbow Hundreds still remains under two dozen, a quarter of which are permanently impounded. This is a nice natural piece, totally free of restorations and with rather good color remaining. It's well margined and free of any distracting problems. The Rainbow series is one of the most popular in all of currency collecting, and this rare Hundred should provoke considerable bidding interest. An identically graded piece brought \$11,000 in May of 1997, and this is the first opportunity since then to purchase a mid-grade example. We would expect this handsome piece to realize right around . . . (15,000-up)

MAIL BIDDERS

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.

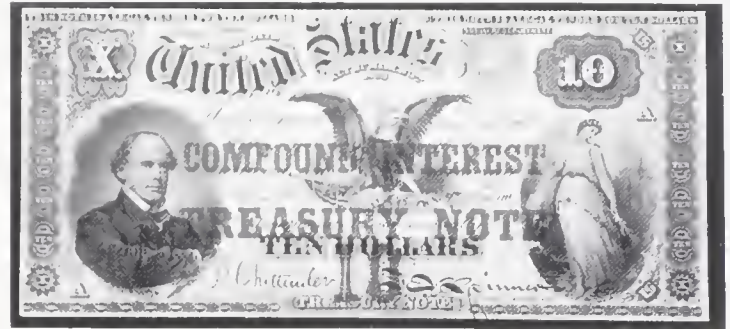

- 1185 **Fr. 169 \$100 1875 Very Fine.** This newly discovered piece brings the total known to about a dozen, several of which are permanently impounded. We sold a Fine in January of 1997 for just over \$7,000, and a Very Fine in the 1995 Shiva sale brought \$7700. This note is very well margined and free of restorations save for two expertly repaired corner tips that do not approach the design. (10,000-up)

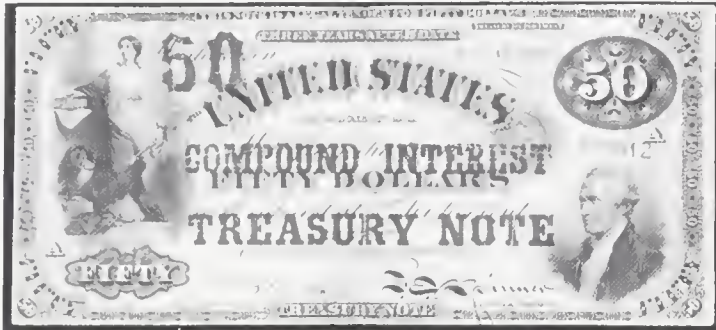

- 1186 **Fr. 174 \$100 1880 Extra Fine.** This newly discovered piece brings the total of known examples up to sixteen, six of which are permanently impounded in museums or government hands. This note is tied with three others for second finest known. It's very well margined, with strong color and no problems or restorations of any kind. We sold a comparably graded piece in October of 1998 for \$13,200, and would expect this beautiful piece to do just about the same (12,500-up)

COMPOUND INTEREST TREASURY NOTES

- 1187 Fr. 190 \$10 1863 Compound Interest Treasury Note Extra Fine, Aged. Actually one of the higher-grade examples known, but the paper is quite heavily aged, particularly at the ends. The bronze has not begun to turn, and there are no signs of damage, problems or restorations of any kind. (3000-up)

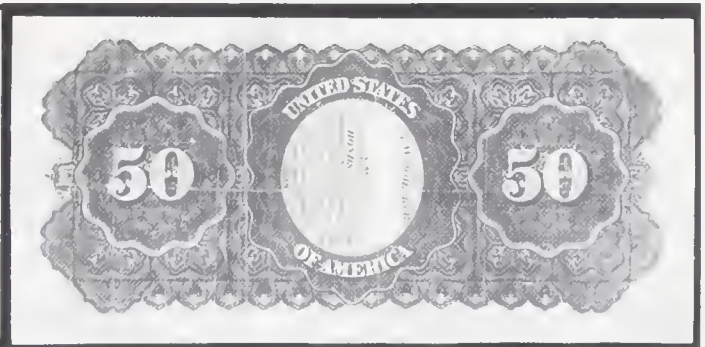

\$50 1864 Compound Interest Treasury Note

- 1188 Fr. 192b \$50 1864 Compound Interest Treasury Note Choice Very Fine. Only fourteen \$50 Compound Interest Notes are known when all varieties are combined, and of these, four are permanently impounded. This new piece to the census is the fourth finest known and the third finest in private hands. It's rather well margined, and it has retained excellent color of the inks and paper. There are two minor, consummately expert restorations of edge splits, but no rebuilding of any design elements or margin areas. The bronze has toned toward green but has not eaten into the paper. Fifty Dollar Compound Interest notes are seldom offered, and when they are, the occasion usually generates considerable interest. We anticipate that this piece will easily realize . . . (25,000-up)

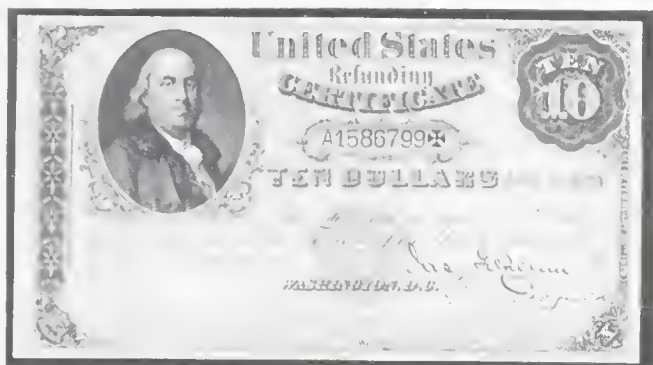

INTEREST BEARING NOTE

\$50 Interest Bearing Note - One of Six Known

- 1189 Fr. 212 \$50 1864 Interest Bearing Note Choice Fine. This is one of of just six examples known. The history of this note reads like a who's who in paper money. It was owned by F.C.C. Boyd, Robert Friedberg, Robert F. Schermerhorn, and most recently resided in the Harry Bass Collection, which was auctioned this spring. The buyer has had the note re-restored and the results are spectacular. The previous, rather amateurish repairs of some splits and other damage have been redone so well that they all but defy detection. Having a note restored is always a gamble as the results are hard to predict, even in the hands of the most diligent craftsman. This gamble payed off big time as the note is beautiful for the grade. It is an extreme rarity that now packs considerable eye appeal. Any collector would take pride in adding this to his holdings.(25000-up)

REFUNDING CERTIFICATE

- 1190 **Fr. 214 \$10 1879 Refunding Certificate Choice Extra Fine.** This broadly margined piece has excellent color and plenty of eye appeal. It's separated from the Gem New grade by two light, vertical folds. (2500-up)

SILVER CERTIFICATES

- 1191 **Fr. 215 \$1 1886 Very Fine.** An unmolested Martha that is totally problem-free. (300-up)
- 1192 **Fr. 216 \$1 1886 Choice Extra Fine.** Fr. 216 is seen with far less frequency than its type-mate, Fr. 215. It's one of the scarcer Martha numbers, and an opportunity to obtain a nice original piece like this one should not be passed up. (650-up)

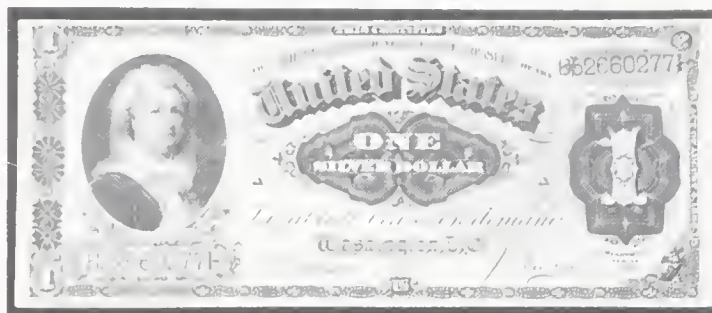

- 1193 **Fr. 217 \$1 1886 Very Choice New.** This beautifully bright and fresh Martha has terrific original embossing and absolutely perfect colors of the paper and inks. The top margin comes a bit close at the upper right, but all the other margins are unusually broad and the note would be Superb were it not for this centering anomaly. (1100-up)

- 1194 **Fr. 217 \$1 1886 Choice New.** Fresh and strictly original, this pretty Martha has all the attributes of a perfect gem but for the centering, which although adequate for choice, does not make the top grade. (1000-up)

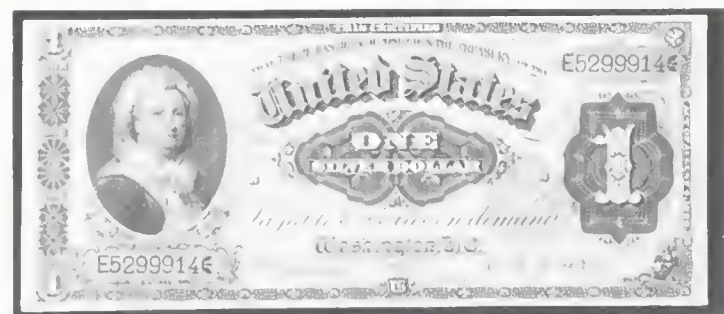

- 1195 **Fr. 217 \$1 1886 About Very Fine.** An exceptionally well margined Large Red Seal Martha. (250-up)

- 1196 **Fr. 218 \$1 1886 Choice New.** This very nice Martha has tons of eye appeal and would rate a higher grade if the top margin were larger. (1000-up)

- 1197 **Fr. 219 \$1 1886 Very Choice New.** The margins are not quite even enough for Gem on this pretty Brown Seal Martha, but the note is impeccable in all other respects. It's bright, fully original and loaded with eye appeal. (1100-up)
- 1198 **Fr. 219 \$1 1886 Choice About New.** The original embossing on this deep, well-margined Martha might escape the eye, but it is discernable under proper scrutiny. The note has not circulated, but alas it has been handled. (700-up)
- 1199 **Fr. 219 \$1 1886 Very Fine.** A nice, natural, no-problems VF Martha with the large brown seal. (275-up)
- 1200 **Fr. 221 \$1 1886 Extra Fine.** The seal and serial numbers are not fully bright, but this is a handsome note in all other respects. (450-up)

- 1201 **Fr. 222 \$1 1891 Very Choice New.** Fr. 222 is rather a "sleeper." It's easily four times as scarce as Fr. 223 in all grades and it appears to be even scarcer than that at the high end. This is one of the nicest examples we've seen, with good centering, deep original embossing and tons of eye appeal. (1250-up)
- 1202 **Fr. 223 \$1 1886 Choice New.** The paper color is a hair-toned down, but this Martha still retains considerable eye appeal. (900-up)

- 1203 **Fr. 224 \$1 1896 Superb Gem New.** Perfect embossing attests to the pristine originality of the paper on which this popular neoclassical allegorical design is printed. The margins, even back centering, ink sharpness and depth of the colors all point one way: Superb. (2000-up)

- 1204 **Fr. 224 \$1 1896 Gem New.** Broadly margined, bright and strictly original, this good-looking \$1 Ed. is sure to please. (1750-up)

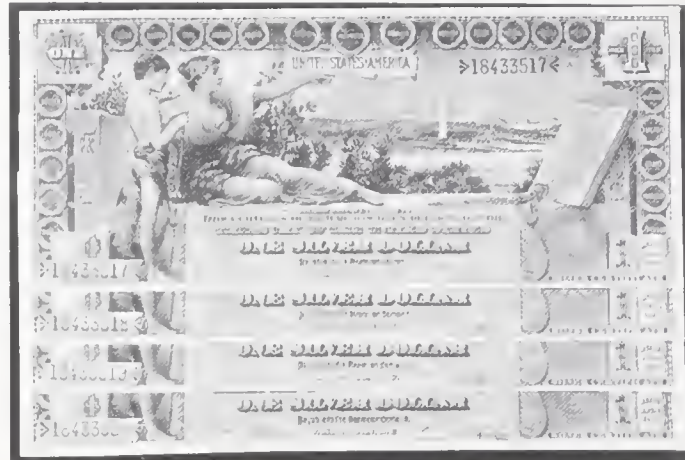

- 1205 **Fr. 224 \$1 1896 Gem New.** A well-margined, strictly original, good-looking \$1 Ed. (1750-up)

- 1206 **Fr. 224 \$1 1896 Very Choice New.** A really nice \$1 Ed with excellent margins and color. (1250-up)

REMEMBER!
PLEASE SIGN YOUR BID SHEET!

- 1207 **Fr. 224 \$1 1896 Cut Sheet of Four Choice New.** Cut sheets of One Dollar Eds are not often seen, and this is a rather nice one. If the margins were a little broader, all four of these good-looking Eds would grade fully Gem. They're fresh and attractive, and they will undoubtedly find a nice home in an advanced collection. (4 pieces) (4000-up)

- 1208 **Fr. 224 \$1 1896 Choice About New.** A single center fold holds this otherwise impeccable \$1 Ed from the Superb Gem grade. It's hugely margined, deeply embossed and strictly original. (700-up)

- 1209 **Fr. 224 \$1 1896 About New.** A single center fold is all that holds this hugely margined \$1 Ed away from the top grade. (650-up)

- 1210 **Fr. 224 \$1 1896 Choice Extra Fine.** Broad even margins, perfect color, and excellent paper originality are all features of this very nice \$1 Educational. (550-up)

- 1211 **Fr. 224 \$1 1896 Extra Fine.** A problem-free, exceptionally well-margined example. (500-up)

- 1212 **Fr. 224 \$1 1896 Very Fine+.** This nice \$1 Ed appears to be higher grade under all but the closest of scrutiny. (400-up)

- 1213 **Fr. 224 \$1 1896 Very Fine.** The paper surfaces are a bit soft but the colors remain strong, and the margins on this \$1 Ed are exceptional. (300-up)

- 1214 **Fr. 224 \$1 1896 Fine+.** This problem-free \$1 Ed appears fully Very Fine from the face. (250-up)

- 1215 **Fr. 224 \$1 1896 Fine.** Problem-free. (225-up)

- 1216 **Fr. 225 \$1 1896 Choice New.** This strictly uncirculated \$1 Ed is by far the scarcer of the two signature combinations. The margins are not quite up to Gem, but it's a superior example in all other respects, including bold original embossing. (1100-up)

- 1217 **Fr. 225 \$1 1896 About New.** This \$1 Ed is the scarcer of the two signature combinations. (700-up)

- 1218 **Fr. 226 \$1 1899 Gem New.** Cavernous razor-edge embossing. (375-up)

- 1219 **Fr. 227 \$1 1899 Gem New.** This glowing Gem is dripping with lots of evident originality. (350-up)

- 1220 **Fr. 227 \$1 1899 About New.** The embossing of the seal and serial numbers is present and visible when the note is viewed from the back. (125-up)

- 1221 **Fr. 228 \$1 1899 Gem New.** The cavernous embossing on this Bird screams that the note has not been "touched." (350-up)

- 1222 **Fr. 230 \$1 1899 Gem New.** Nice original embossing. (300-up)

- 1223 **Fr. 230 \$1 1899 Gem New.** We offer this two-digit H2411 Black Eagle without a flaw (450-up)

- 1224 **Fr. 230 \$1 1899 Star Note Very Good.** A new note to the census, bringing the count up to 26. Unfortunately, this example is oil-soaked and translucent (75-up)

- 1225 **Fr. 231 \$1 1899 Gem New.** This is a flawless example of the rarest Black Eagle number. These don't come up very often, and when they do, they usually bring right around the thousand-dollar mark. (850-up)

- 1226 **Fr. 231 \$1 1899 Gem New.** Napier-Thompson signed Black Eagles are tough to find in any grade. This one is a real beauty, with deep original embossing as well as excellent centering. (850-up)

- 1227 **Fr. 232 \$1 1899.** A Gem New representation of the Parker-Burke number, this one with excellent centering. (300-up)

- 1228 **Fr. 232 \$1 1899 Star Note Choice Extra Fine.** This is a crackling fresh, original example of a Black Eagle Star with 30 pieces known (300 up)

- 1229 **Fr. 233 \$1 1899 Superb Gem New.** Another extremely nice example. (350-up)

- 1230 **Fr. 233 \$1 1899 Gem New.** Two digits and outstanding original embossing. (450-up)

- 1231 **Fr. 233 \$1 1899 Gem New.** Another, same as the above, with the same embossing. A great gift for the Blackjack aficionado. (450-up)

- 1232 **Fr. 233 \$1 1899 Consecutive Pair Gem New.** Two-digit serial numbers adorn these clean, original Black Eagle notes. Offered here together as one lot, the pair is original, with excellent embossing and sharpness of inks. (2 pieces) (850-up)

- 1233 **Fr. 233 \$1 1899 Choice New.** For want of more margin at the upper right, the battle for Gem is lost. (225-up)
- 1234 **Fr. 233 \$1 1899 Choice About New.** The ghost of a center fold will seldom be seen by anyone. (125-up)
- 1235 **Fr. 233 \$1 1899 Star Note Very Fine.** One of the more common Black Eagle Stars, with over 80 pieces known. (150-up)

- 1236 **Fr. 234 \$1 1899 Gem New.** Prices of these have been soaring in the manner of the noble creature with which they are emblazoned. (300-up)
- 1237 **Fr. 234 \$1 1899 Choice New.** Well embossed and strictly original, but the bottom margin is too close for the Gem grade. (225-up)

- 1238 **Fr. 234 \$1 1899 Star Note Choice Very Fine.** Twenty-nine examples are known for this number. (300-up)

- 1239 **Fr. 235 \$1 1899 Superb Gem New.** Excellent margins, deep original embossing and absolutely perfect colors make this a highly desirable Black Eagle. (350-up)

sheet of Black Eagles. The first of the four notes is consecutive to the lot above. (4 pieces) (1200-up)

1240 Fr. 235 \$1 1899 Star Note Extra Fine-About New. Over 70 examples are known of this Star. This is a particularly nice one, with minimal signs of circulation and good paper originality. (300-up)

1241 Fr. 235 \$1 1899 Star Note Choice Very Fine. A nice example of this relatively common Star. (200-up)

1242 Fr. 236 \$1 1899 Gem New. (300-up)

1243 Fr. 236 \$1 1899 Very Choice New. The addendum to the Gem cut sheet offered below, this note along with it makes five consecutive. (250-up)

1244 Fr. 236 \$1 1899 Cut Sheet of Four. A truly Gem New cut

1245 Fr. 236 \$1 1899 Very Choice New. A strictly original, near-Gem example. (250-up)

1246 Fr. 236 \$1 1899 Very Choice New. The original embossing effect of the blue "1" and the seal can be seen in the blank areas of the back. (250-up)

1247 Fr. 237 \$1 1923 Superb Gem New. This is the most common of all Large Size Type Notes in top grade, but even this number is seldom seen this nice. The margins are broad and even all the way around and the surfaces and colors are impeccable. (125-up)

1248 Fr. 237 \$1 1923 Superb Gem New. A second example, exactly like the above. (125-up)

1249 Fr. 237 \$1 1923 Superb Gem New. A third, fully equal to the previous two. (125-up)

1250 Fr. 237 \$1 1923 Star Note Superb Gem New. Broad, even margins, perfect paper quality, deep original embossing and beautiful colors make this an extremely desirable example of the most common Star Note. (400-up)

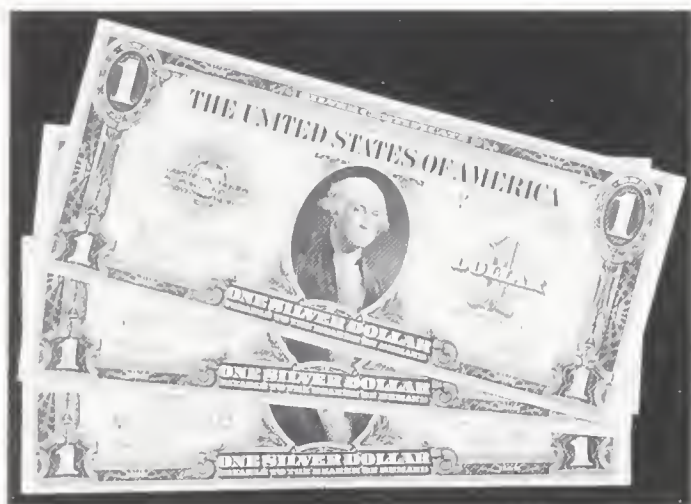

1251 Fr. 237 \$1 1923 Gem New. Here, wonderful original embossing befits a wonderful original note. (100-up)

1252 Fr. 237 \$1 1923 Gem New. Another, identical (100-up)

- 1253 **Fr. 237 \$1 1923 Gem New.** An ordinary Friedberg number is augmented by a two-digit serial number, A71D. (250-up)

- 1254 **Fr. 237 \$1 1923 Cut Sheet of Four Gem New.** Nice black, green and blue inks. (4 pieces) (400-up)

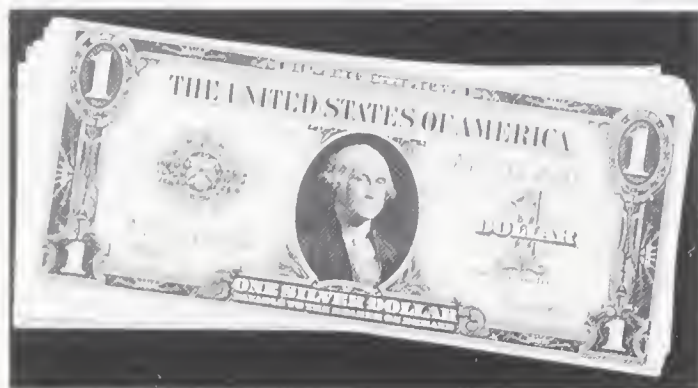

- 1255 **Fr. 237 \$1 1923 Twelve Consecutive Notes Gem New.** This lovely, fresh run is comprised entirely of well-centered notes. All are totally clean and fully original. The run contains two cut sheets. (12 pieces) (1250-up)
- 1256 **Fr. 237 \$1 1923 Gem New.** Speelman-White, the least tough number, is perfect for type. (100-up)

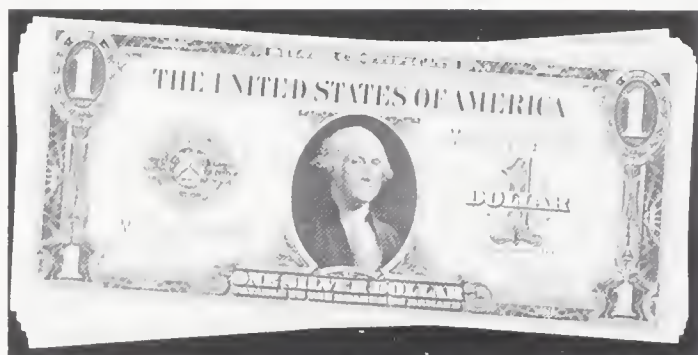

- 1257 **Fr. 237 \$1 1923 Gem New.** This note, Serial Number 52, is particularly desirable. In spite of the fact that this is a very common issue, low numbers are not frequently encountered (250 up)

- 1258 **Fr. 237 \$1 1923 Group of Five Gem New.** Five letter perfect, bright and crispy notes. (5 pieces) (500-up)

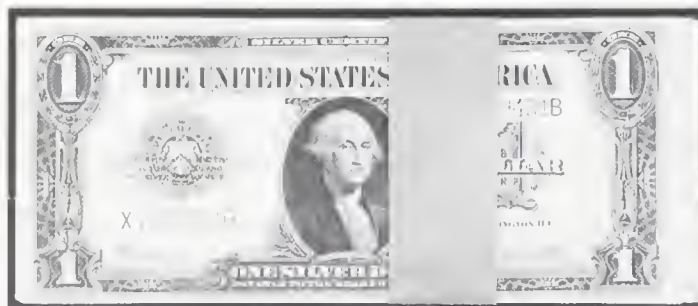

- 1259 **Fr. 237 \$1 1923 Fifteen Pieces.** A few grade Very Choice New due only to centering that is slightly less than perfect, but the vast majority are full-bore **Gems**. (15 pieces) (1700-up)

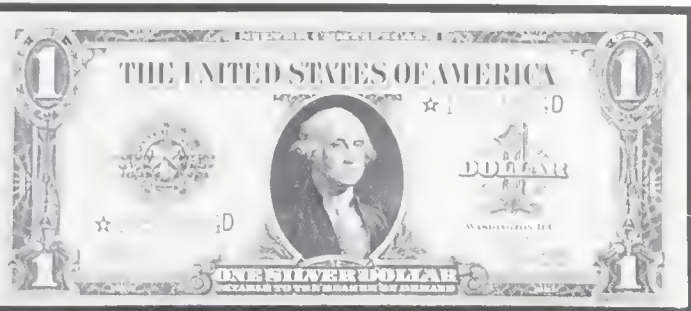

- 1260 **Fr. 237 \$1 1923.** This group of 28 pieces grades very substantially **Gem New**. Two pieces grade **Choice** due to light aging, and a few others have margins that are not quite up to **Gem**, but the majority are well-margined, perfect pieces. (28 pieces) (2500-up)

50 Consecutive 1923 Ones

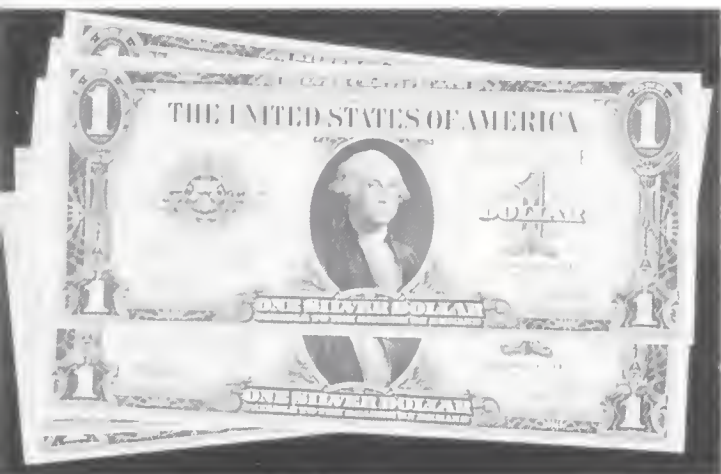

- 1261 **Fr. 237 \$1 1923 Fifty Consecutive Notes.** All 50 notes are ultimately bright and fresh, with absolutely no sign of handling or counting or other problems. Due to the vagaries of centering, about half the notes grade **Choice** and the other half fully **Gem**. The half-pack is held together by a brown paper band. (4500-up)

- 262 **Fr. 237 \$1 1923 Star Note Very Choice New.** This is a near-Gem example of this more common Star. It's bright, fresh and fully original, with deep embossing and perfect colors. If the bottom margin were a bit broader, it would be a perfect Gem. (250-up)
- 263 **Fr. 237 \$1 1923 Choice New.** Strong, deep inking and precise "show-through" embossing. (60-up)
- 264 **Fr. 237 \$1 1923 Cut Sheet of Four About New.** A colorful, strictly original cut sheet. (4 pieces) (225-up)
- 265 **Fr. 237 \$1 1923 Four Consecutive Extra Fine.** Each of the four notes has two folds, apparently from storage, as they have clearly never circulated. (4 pieces) (125-up)
- 266 **Fr. 237 \$1 1923 Star Note Extra Fine.** (100-up)

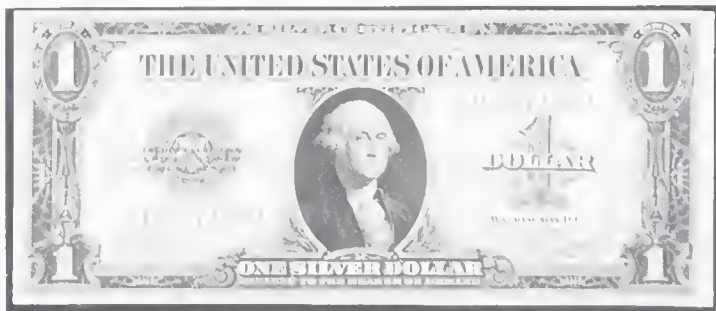

- 267 **\$1 1923 Ten Consecutive Notes Including Two Changeover Pairs Gem New.** All ten notes are well margined, bright and fresh. The first two notes are Fr. 238's, followed by a cut sheet of Fr. 237's and ending with a second cut sheet of Fr. 238's. (10 pieces) (1500-up)

- 1268 **\$1 1923 Ten Consecutive Notes Including Two Changeover Pairs Gem New.** All ten notes are well margined, bright and fresh. This lot is identical to the previous lot, except that this time we start with two Fr. 237's, then there is a cut sheet of 238's followed by a cut sheet of 237's. (10 pieces) (1500-up)

- 1269 **Fr. 238 \$1 1923 Superb Gem New.** A flawless, broadly margined, absolutely perfect piece. (125-up)
- 1270 **Fr. 238 \$1 1923 Superb Gem New.** A second, every bit as nice. (125-up)
- 1271 **Fr. 238 \$1 1923 Superb Gem New.** A third, identical to the previous two. (125-up)
- 1272 **Fr. 238 \$1 1923 Superb Gem New.** This note would be a seven-digit solid if it were not for the intrusion of an eighth digit, a "5." (200-up)

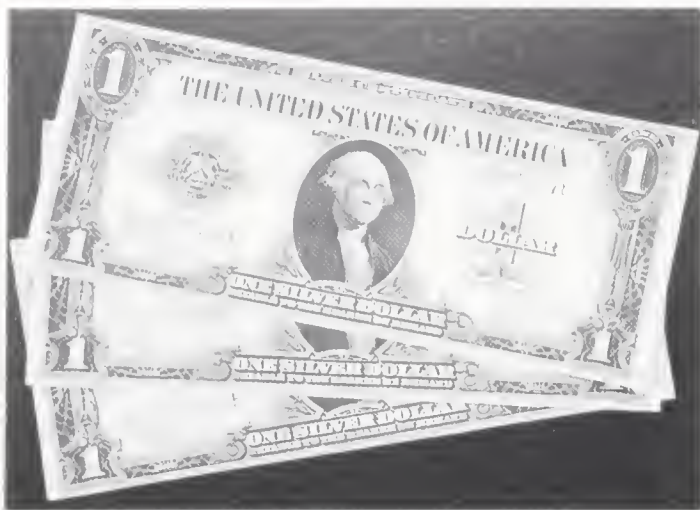

- 1273 **Fr. 238 \$1 1923 Gem New.** (110-up)

- 1278 **Fr. 242 \$2 1886 Superb Gem New.** Pristine paper quality is immediately vouched for by the crater-like embossing of the words "United States," proudly emblazoned on this Deuce. The fine lines in the printing, the large red seal and the signatures of Rosecrans and Hyatt are needle-sharp. Finally, luck has it that on this example the face and the back are centered extremely well. (2000-up)

- 1279 **Fr. 242 \$2 1886 Superb Gem New.** Broadly margined, bright and utterly flawless, this Hancock Deuce is simply as nice a note as can be for its type. The original embossing is unusually deep, and every technical quality is at its zenith. A gorgeous piece of paper. (2000-up)

- 1280 **Fr. 243 \$2 1886 Gem New.** This is a gorgeous example of a considerably scarcer Friedberg number. Several long serial-number runs exist of Fr. 242, this note's type-mate, but Fr. 243's are at least ten times scarcer in Gem condition - yet they tend to realize a premium of only about 10%. This number could prove to be a good "put away" item for the astute purchaser. Broadly margined, beautifully bright and loaded with eye appeal. (2000-up)

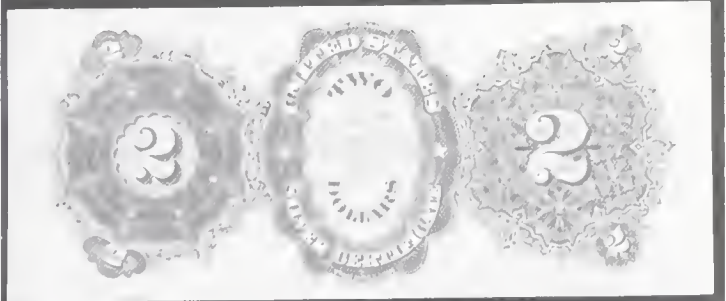

1281 **Fr. 244 \$2 1886 Gem New.** This Hancock Deuce is beautifully well margined, and it exhibits all its deep, original embossing. It's the variety with the large brown seal, which to our eye is the most handsome of the five 1886 Twos. Fr. 244 is seldom seen this nice. The huge majority of Gem Hancock Deuces are the Red Seal Fr. 242's. (1900-up)

1282 **Fr. 244 \$2 1886 About New.** This Brown Seal Hancock Deuce was purchased by our consignor in 1956 from William Philpott. It's very broadly margined, with terrific color and no problems. (1000-up)

1283 **Fr. 245 \$2 1891 Gem New.** This lovely Windom has excellent paper surfaces, broad, even margins and beautifully bright colors. Windoms are not encountered with any frequency in top grade, and when they're relative rarity is compared to other types, they seem to us to be rather undervalued. (3500-up)

1284 **Fr. 245 \$2 1891 Gem New.** The inking could not possibly be sharper on this stately Windom Deuce, which, after a full century, has remained in a perfect state of preservation. Centering, paper quality, margins and originality all "make the grade" so to speak. (3500-up)

1285 **Fr. 245 \$2 1891 Very Fine.** A well-margined, lightly circulated Windom. (550-up)

1286 **Fr. 247 \$2 1896 Gem New.** This lovely, bright and strictly original \$2 Ed shares its low two digit serial number 31 with the \$5 Ed that appears as lot 1306. Two digit Ed deuces are seldom seen, and this beautiful piece should create considerable bidder interest. (4000-up)

1287 **Fr. 247 \$2 1896 About New.** This well-margined \$2 Ed has all its original paper surfaces and embossing. It's perfectly clean, with no signs of circulation whatever, but it has a single center fold apparently from storage. (1500-up)

1288 **Fr. 247 \$2 1896 Choice Extra Fine.** This \$2 Ed is a perfect three-fold EF, with huge margins, deep, original embossing and perfect color. (1250-up)

1289 **Fr. 247 \$2 1896 Extra Fine.** This \$2 Educational is bright and hugely margined. It has an amazing overall attractiveness. It's a premium piece for the grade. (1150-up)

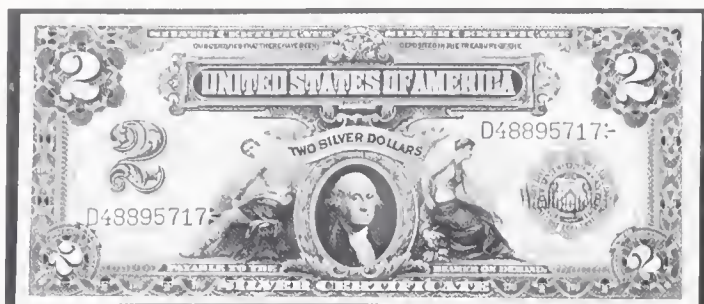

1290 **Fr. 248 \$2 1896 Gem New.** A lovely, broadly margined, strictly original Educational Deuce. The embossing is readily evident to even the untrained eye, and this fresh example should provoke considerable bidder interest. (3250-up)

1291 **Fr. 248 \$2 1896 Choice Fine.** This collectible Two Dollar Ed is broadly margined and totally original. (400-up)

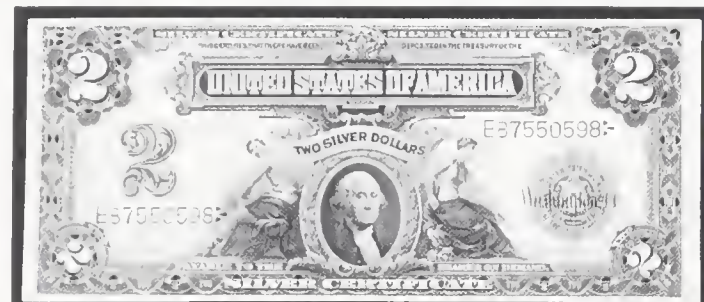

1292 **Fr. 248 \$2 1896 Very Good-Fine.** Solid for the grade. (275-up)

1293 **Fr. 249 \$2 1899 Choice Extra Fine.** This is a well-margined, gorgeous, totally clean 1899 Deuce with three light storage folds. (250-up)

- 1294 **Fr. 251 \$2 1899 Superb Gem New.** Bright, fresh and strictly original, this 1899 Deuce has exceptionally large margins, deep embossing and super eye appeal. (900-up)

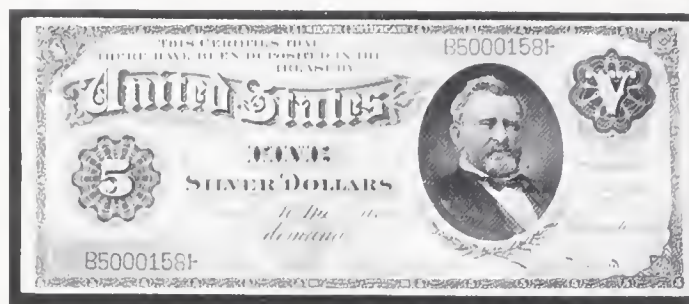

- 1295 **Fr. 253 \$2 1899 Gem New.** Bright, well margined and strictly original, with lots of paper wave. (700-up)
- 1296 **Fr. 253 \$2 1899 Very Fine.** This attractive 1899 Deuce has a most unusual large clump of blue security fibers that appears at a glance to be a repaired area. An interesting and - to this cataloger - desirable anomaly. (150-up)

- 1297 **Fr. 256 \$2 1899 Superb Gem New.** This Tehee-Burke note would be a great choice for a Gem type set. The margins, colors and paper are all excellent, and present as well is that certain "wave" to the paper that sets some Gem notes apart in a higher category. (900-up)

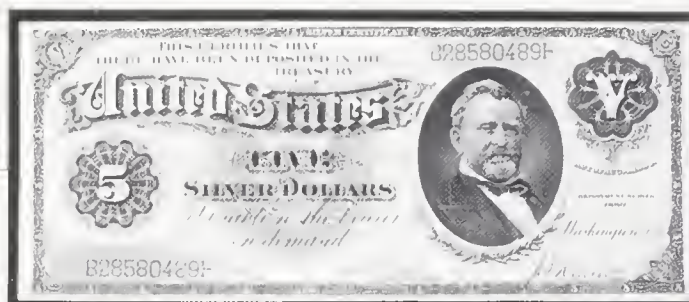

- 1298 **Fr. 258 \$2 1899 Very Choice New.** This is a near-Gem example of the final number of the 1899 Deuces. It's well-centered and loaded with eye appeal. (600-up)
- 1299 **Fr. 258 \$2 1899 Star Note Very Good-Fine.** This is one of the 24 examples known to Murray (300-up)

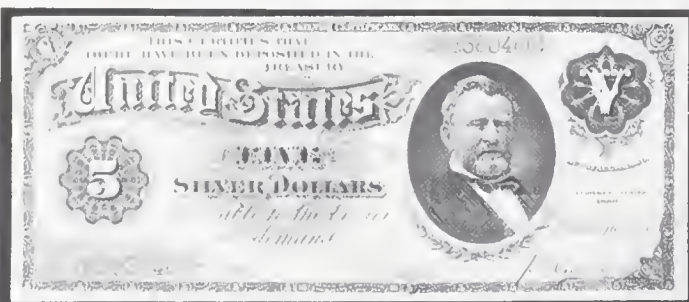

- 1300 **Fr. 260 \$5 1886 Very Fine-Extra Fine.** This lovely, evenly circulated, utterly original Silver Dollar Back has the much scarcer small red seal. It's an unusually handsome note for its grade, with virtually no circulation soil and all of its bright ink and paper colors. (1500-up)

- 1301 **Fr. 261 \$5 1886 Very Fine.** A well-margined, good-looking example of a somewhat scarcer number from the Silver Dollar Back series. (1200-up)

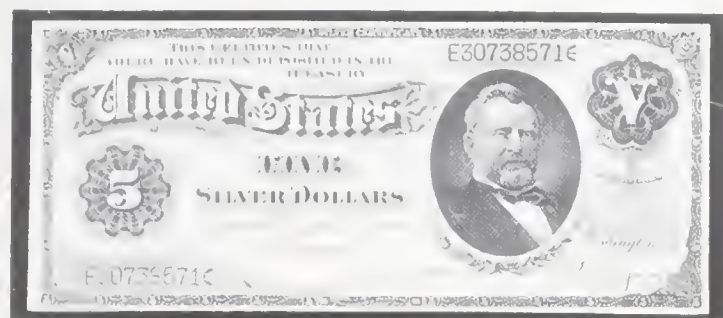

- 1302 **Fr. 263 \$5 1886 Superb Gem New.** Out-of-this-world embossing testifies to the originality of this Superb 1886 Brown Seal. The face and back centering is nigh on perfect, and the note simply has no technical flaws. (5000-up)

- 1303 **Fr. 263 \$5 1886 Gem New.** The margins on this Large Brown Seal Silver Dollar Back are considerably broader than average. The colors, surfaces and overall eye appeal are excellent. (4500-up)

**A 10% Buyer's Fee Will Be
Added To All Successful Bids.**

- 1304 **Fr. 263 \$5 1886 Very Fine-Extra Fine.** Perfect for the grade, with good color and absolutely no problems. (1300-up)

- 1305 **Fr. 267 \$5 1891 Very Choice New.** Good original embossing is immediately evident when this nice "second back" Grant \$5 silver is viewed. The note is fully gem quality but for the margins which, while adequate, are not quite equal to the gem grade. (2500-up)

- 1306 **Fr. 268 \$5 1896 Gem New.** This gorgeous, strictly original \$5 Ed is the perfect mate to the \$2 Ed appearing as lot 1286 with which it shares the 2 digit serial number 31. Low number \$5 Educationals are extremely scarce, and this is the very first we've handled. This note has beautiful margins, deep embossing and supremely sharp printing quality on both sides. The colors are as fresh as the day the note was made, and the overall eye appeal is second to none. (8500-up)

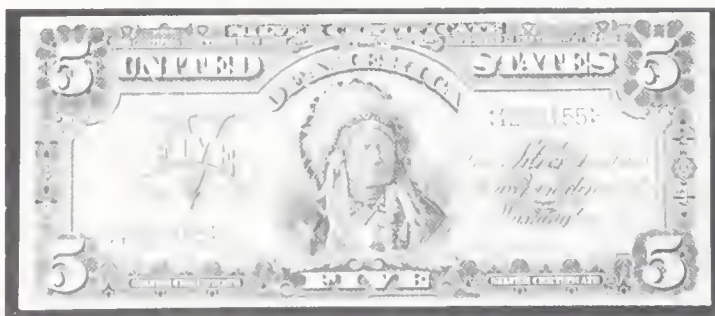

- 1307 **Fr. 268 \$5 1896 Extra Fine.** This nice-looking \$5 Ed is well margined and strongly printed. (2000-up)

- 1308 **Fr. 268 \$5 1896 Choice Very Fine.** Utterly original and strikingly attractive. A Very Fine that should bring considerably more than the typical example in this grade. (1600-up)
- 1309 **Fr. 268 \$5 1896 Fine.** Very well margined and essentially problem-free, this \$5 Educational design has always proven to be among the most popular of Type Notes. (700-up)
- 1310 **Fr. 268 \$5 1896 Very Good.** The margins are unusually close for this issue, but they are present all the way around and do not touch the design anywhere on this evenly circulated note. (400-up)
- 1311 **Fr. 270 \$5 1896.** This is the toughest of the three signature combinations. Very Good, the edges have begun to fray. (400-up)

- 1312 **Fr. 271 \$5 1899 Superb Gem New.** A broadly margined, strictly original, deeply embossed Chief. This note, with its five-digit serial number and bright ink colors, is about as nice an example of this type as you will ever encounter. (2250-up)

- 1313 **Fr. 271 \$5 1899 Gem New.** There are no flaws whatever on this Gem New Chief, which boldly bears its neat, sharp seal and design element embossing to anyone who would question the originality of its splendor. The black and blue face printing is especially precise. (2000-up)
- 1314 **Fr. 272 \$5 1899 Very Fine.** The blue overprint has lightened in some areas, giving this Chief a rather odd appearance. (400-up)

1315 **Fr. 273 \$5 1899 Fine.** There is a small repair at the center of the note. (300-up)

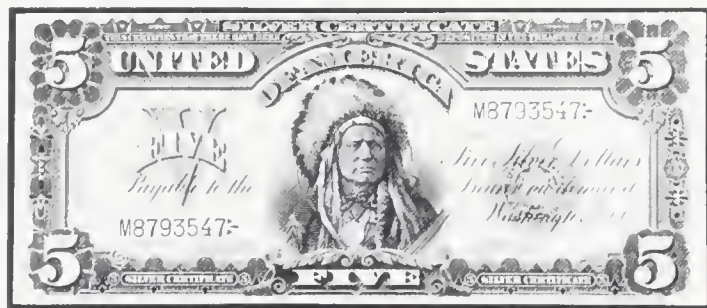

1316 **Fr. 274 \$5 1899 About Very Fine.** Very well margined and problem-free but for a small repair to the top margin. (400-up)

1317 **Fr. 275 \$5 1899 Superb Gem New.** This Chief has beautiful centering on both sides, overly large margins, deep original embossing and perfect colors of the paper and inks. A truly superb note. (2250-up)

1318 **Fr. 275 \$5 1899 About New.** This bright, well-centered Chief has all its paper originality, but there is a center fold and a short repaired split. (750-up)

1319 **Fr. 275 \$5 1899 Extra Fine.** Very well margined, bright and attractive with no flaws or distractions. A very nice lightly circulated Chief. (700-up)

1320 **Fr. 277 \$5 1899 Gem New.** A broadly margined, well-embossed, strictly original Chief with good paper surfaces and perfect colors. (2000-up)

1321 **Fr. 277 \$5 1899 Choice Extra Fine.** Well margined, bright and beautiful. (750-up)

1322 **Fr. 278 \$5 1899 Fine.** There are some brown stains visible mostly from the back. (250-up)

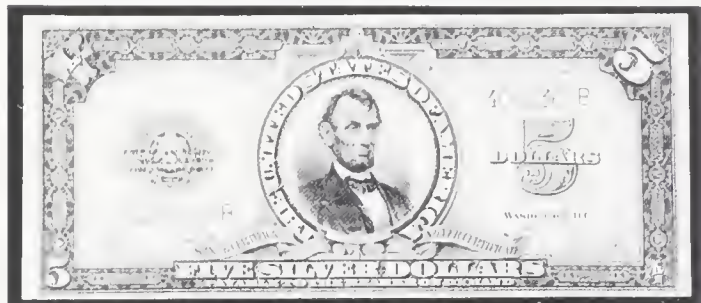

1323 **Fr. 280 \$5 1899 Choice Very Fine.** A beautiful, well-margined and strictly original Chief with the eye appeal of a higher-grade note. (550-up)

1324 **Fr. 281 \$5 1899 Choice Extra Fine.** This nice Chief is a few light folds away from Choice New. (750-up)

1325 **Fr. 281 \$5 1899 Star Note Good.** The good news is this is a really rare star note. There are only five others known to exist, the best of which is slightly better than fine. The bad news is this piece is profoundly ugly. While technically good, it is severely stained and truly filthy. Nonetheless its extreme rarity could well carry it to... (500-up)

1326 **Fr. 282 \$5 1923 Gem New.** Nice color and ink quality, with ample margins all the way around. (2000-up)

1327 **Fr. 282 \$5 1923 Choice New.** This good looking Porthole \$5 has a small as made pinch at the right margin and is rather close at the bottom. (1400-up)

1328 **Fr. 282 \$5 1923 About New.** A good-looking example of the popular Porthole type. (1100-up)

1329 **Fr. 282 \$5 1923 Very Fine-Extra Fine.** Well margined, bright and utterly original, this pretty Porthole should bring split-grade money or a little more. (650-up)

1330 **Fr. 282 \$5 1923 Very Fine.** There is a slight bleed-through of the back design to the face of the note. (400-up)

1331 **Fr. 282 \$5 1923 Fine.** (325-up)

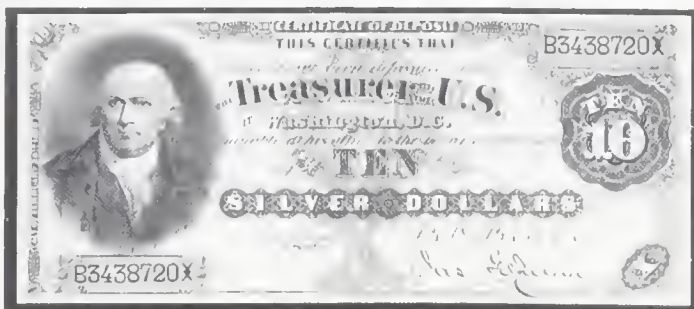

1332 **Fr. 282 \$5 1923 Fine.** Well margined, problem-free and reasonably attractive. (325-up)

1333 **Fr. 287 \$10 1880 Fine.** Solid for the grade and rather eye-appealing considering the amount of circulation the note has seen. Fr. 287 is considerably scarcer than the much-more-frequently-seen Fr. 289 of the same type. (1000-up)

SUPERB GEM \$10 1880 SILVER

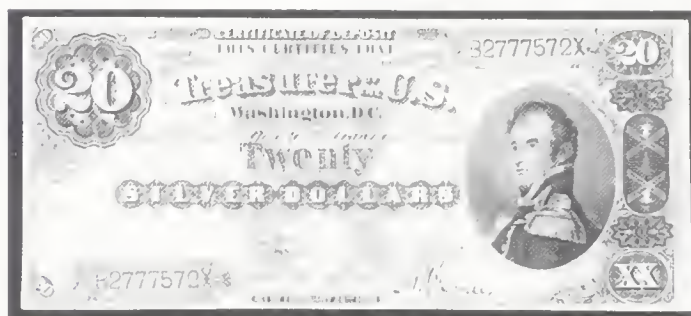

- 1334 **Fr. 288 \$10 1880 Superb Gem New.** This desirable Type Note has it all. The pristine uncirculated state of preservation means that all the delicate, extremely fine lines of the printing are 100% as sharp as they were in the 1800's. The note is framed by broad, even margins. The design on the back of these ten dollar notes leaves no room for the hobbyist (or the contemporary American who had just received his week's wages) to make a mistake as to what had been deposited in the Treasurer's Office to give this note its value. When Superb 1880 Tens are encountered, they are almost always Fr. 289. (7500-up)

- 1335 **Fr. 293 \$10 1886.** Original and absolutely free of handling. The oversize seal on this **Choice New Tombstone** has been a radiant red for over a hundred years. The inking is also excellent, complementing the extraordinary design of this early type, replete with texture from the thumbprint-like curtain behind the portrait to the tiny geometric shapes and barely detectable parallel lines. The back design of this early Silver type intrigues this cataloger, as the font which spells out "Silver Certificate" on the back of the note is somewhat anachronistic - perhaps this was the advent of bubble letters, which had their heyday around 1986 and are seen here nestled beneath typelaces which are typical of the 1886 vintage. This particular example falls just short of Gem, as the top margin comes too close to the design at the left (5000-up)

- 1336 **Fr. 296 \$109 1886 Choice Fine.** Magnificently solid, this Tombstone Ten is all that one could hope for for the grade. Although the notion is not likely to lead to a realization in excess of Gem money, the item's historical (if not its market) value may be considered augmented by its having circulated contemporarily in the 1800's. (750-up)
- 1337 **Fr. 299 \$10 1891 Fine.** Here is the opportunity to own a decent, circulated example of Large Size type United States currency that is over a century old for only... (325-up)
- 1338 **Fr. 302 \$10 1908 Fine.** Unmolested and solid for the grade. (300-up)
- 1339 **Fr. 304 \$10 1908 Very Fine.** A nice note, with excellent margins, good surfaces and bright colors. Tombstones in this grade always prove to be extremely popular. (600-up)
- 1340 **Fr. 304 \$10 1908 Very Fine.** A well-margined and strictly original example of this popular Tombstone type. (600-up)

- 1341 **Fr. 311 \$20 1880 Extra Fine.** Always a very popular design type, these Stephen Decatur \$20 Silvers create considerable bidder attention when they appear in the higher circulated grades. When this note was last on the market in June of 1998, it realized just a hair under \$6000, and we would anticipate a realization above that level now. (6500-up)

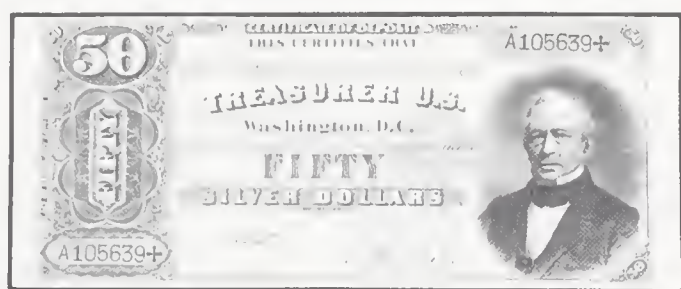

- 1342 **Fr. 321 \$20 1891 Gem New.** This beautiful high-end example has exceptional margins, gorgeous colors and a sharp, bold print quality. This type is not often found in top grade, and this pretty piece should satisfy the fussiest of collectors. (5500-up)

- 1343 **Fr. 322 \$20 1891 About Very Fine.** Decent margins and strong ink colors make this a desirable \$20 Silver Certificate. (1000-up)

\$50 1880 SILVER TIED FOR FINEST KNOWN

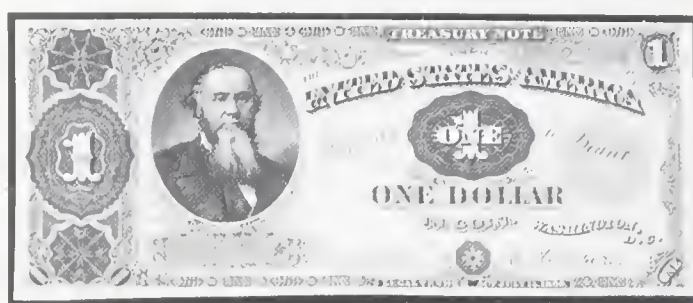

- 1344 **Fr. 329 \$50 1880 Choice Extra Fine.** This new piece to the census brings the total known up to 26. It is in contention with only one other for finest known; that piece was sold by us in January of 1994 - on a much weaker market - for just over \$17,000. The piece we offer tonight is beautifully centered, fully bright and without a hint of a defect or restoration. High-denomination early Silver Certificates always cause quite a stir when they reach the market, and we're sure that this lovely piece will see considerable bidding before the hammer falls. We will not be at all surprised if this rare and lovely note realizes... (25,000-up)

- 1346 **Fr. 348 \$1 1890 Very Fine +.** A lovely, well-margined, brightly colored, problem-free example of this Fancy Back Stanton Ace. (750-up)

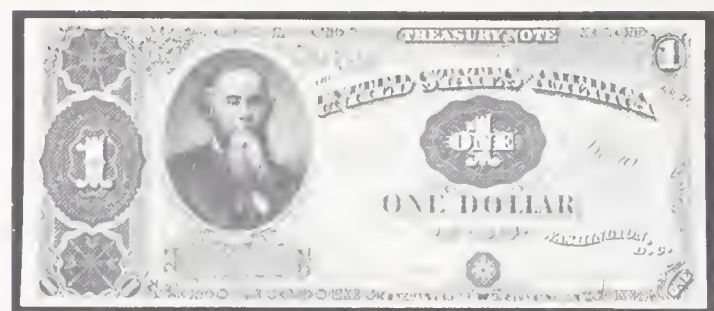

**If You Wish To Fax Your Bids

- 1347 **Fr. 349 \$1 1890 Very Choice New.** The top margin comes a bit close at the upper right both face and back, but this 1890 Stanton Ace is Superb in every other sense. It's beautifully bright, strictly original and loaded with eye appeal. The paper surfaces and the embossing effect are ideal. (2750-up)

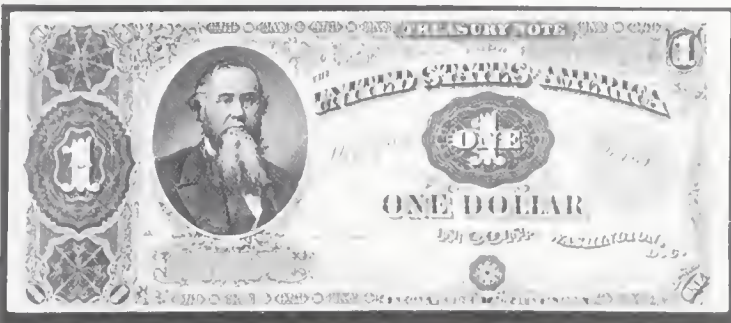

- 1348 **Fr. 349 \$1 1890 Choice New.** Lovely example of a fancy back treasury Ace with good color, pleasing margins and good overall eye appeal. (2500-up)
- 1349 **Fr. 349 \$1 1890 Very Good+.** There are a few minuscule edge tears. (200-up)

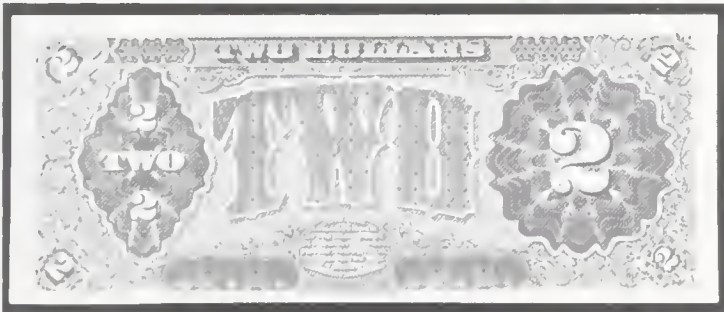

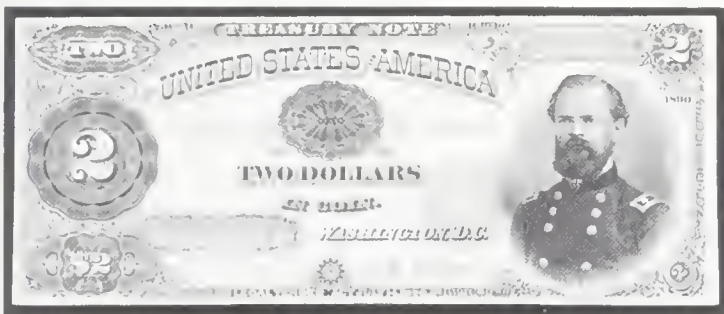

- 1350 **Fr. 351 \$1 1891 Superb Gem New.** Beautifully centered on both sides with plainly evident deep, original embossing, perfect colors and strong, sharp printing. A simply beautiful Stanton Ace. (1250-up)
- 1351 **Fr. 351 \$1 1891 Very Fine.** (175-up)

- 1352 **Fr. 352 \$1 1891 Gem New.** This is a beautiful former-century Treasury Note. The fine lines are fresh and look as if they were designed under a microscope, the embossing is deep and sharply etched and the paper nice and crackly (1100-up)

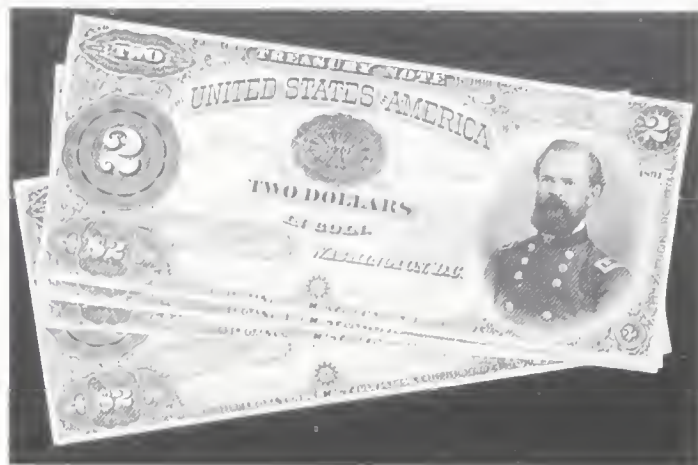

- 1353 **Fr. 352 \$1 1891 Choice New.** A well-margined, attractive example of this Open Back Treasury Ace. All the original embossing is easily seen. (725-up)
- 1354 **Fr. 352 \$1 1891 Very Fine.** Strictly original with good color remaining. (175-up)
- 1355 **Fr. 353 \$2 1890 Fine.** This unmolested, problem-free example of an 1890 Fancy Back Deuce is broadly margined and attractive for the grade. (600-up)

- 1356 **Fr. 355 \$2 1890 Gem New.** This is one of the nicest 1890 Deuces we've had in quite some time. It's well margined and beautifully bright, and it has deep, original embossing not only of the serial numbers and seal but of many of the design elements as well. In addition, the printing quality is razor sharp and the colors of the inks and paper are as bright as they could be. Opportunities to acquire 1890 Treasury Twos in this grade and with these technical merits are few and far between. (8000-up)

Single Digit Treasury Cut Sheet

- 1357 **Fr. 356 \$2 1891 Cut Sheet of Four Very Choice New.** All four notes from this magnificent single-digit cut sheet would be perfect Gems were it not for their somewhat close side margins. Low-number Treasury notes are very scarce, and this second sheet printed has its full colors and all its deep original embossing. Cut sheets of \$2 Treasury notes are very rare to begin with, and this single-digit cut sheet should attract the attention of any collector who wishes to add a centerpiece rarity to his collection. (4 pieces) (10,000-up)
- 1358 **Fr. 357 \$2 1891 Extra Fine.** A nice problem-free McPherson Deuce that is perfect for the grade. (650-up)

- 1359 **Fr. 357 \$2 1891 Courtesy Autograph Very Fine.** This nice-looking McPherson Deuce gives the appearance of a higher grade. The Morgan courtesy autograph is somewhat light, and the note appears as though it may have circulated after the application of the autograph. (500-up)

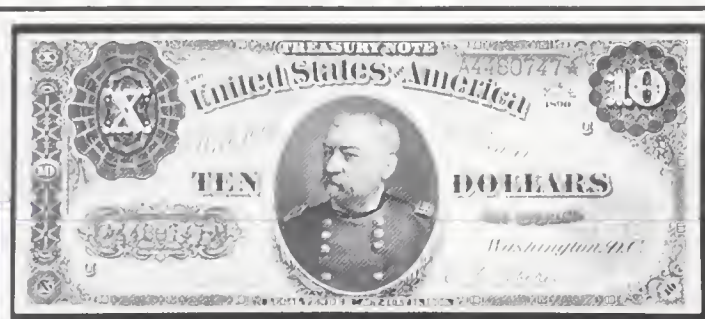

- 1360 **Fr. 361 \$5 1890 Gem New.** Cracking fresh and strictly original, this 1890 General Thomas Five is as bright as the moment it was pulled from the plate. The centering is excellent and the print quality is razor sharp, which is rather important on this note as its extraordinarily ornate engraving is considerably highlighted. (4000-up)

- 1361 **Fr. 363 \$5 1891 Gem New.** This General Thomas Five has perfect colors and excellent margins all around, and the back centering is equal to that of the face. (1750-up)
- 1362 **Fr. 363 \$5 1891 About New.** This Treasury Note is very well margined, bright and beautiful. It has the appearance of a Gem unless it's examined very closely. (600-up)

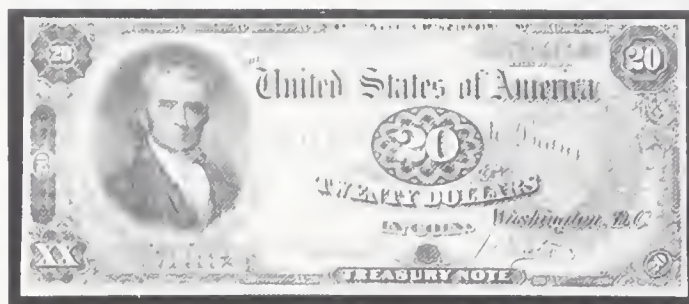

- 1363 **Fr. 366 \$10 1890 Extra Fine.** Well margined, bright and attractive. (1800-up)

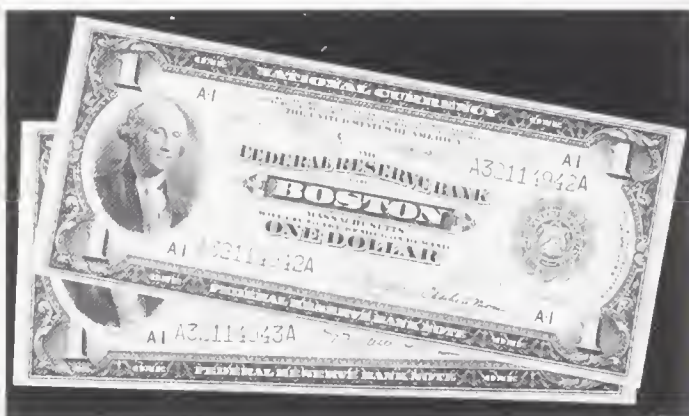

- 1364 **Fr. 368 \$10 1890 Very Choice New.** This beautiful Treasury note has magnificent embossing to go along with a great original crackle to the paper and a crystal-clear sharpness of inks. This particular Friedberg number would be the best choice to represent the type as the others could bring a slight premium. When early Type Notes possess a combination of a perfect state of preservation and an especially sharp inking, they have a certain "life" which must be seen in person. (4500-up)
- 1365 **Fr. 368 \$10 1890 Very Fine.** This General Sheridan Ten has the ornate back design peculiar to the 1890 series. The margins are better than those usually seen, and the overall appearance is quite nice. (1250-up)

- 1366 **Fr. 371 \$10 1891 Choice Extra Fine.** The bottom margin comes a bit close, but this is a very nice Treasury Ten in all other respects. (900-up)
- 1367 **Fr. 371 \$10 1891 Very Good.** Problem-free for the grade, with decent margins and better color than one would expect. (225-up)

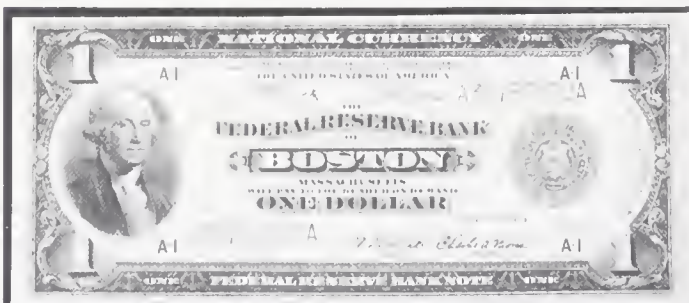

- 1368 **Fr. 372 \$20 1890 Very Good-Fine.** The surfaces are a bit close and the margins rather soft, but the colors remain quite strong and the overall appearance of this rare 1890 \$20 Treasury Note is quite good. (1750-up)

FEDERAL RESERVE BANK NOTES

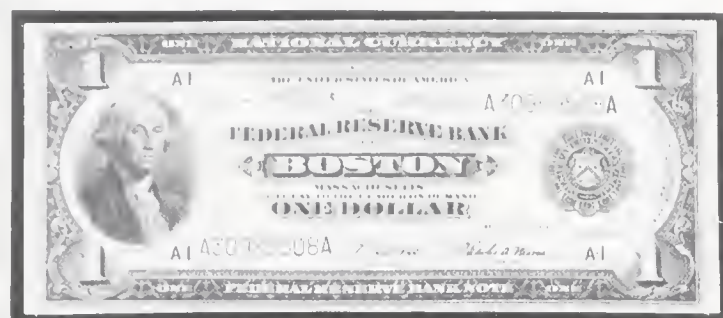

- 1369 **Fr. 710 \$1 1918 Consecutive Pair Gem New.** Both are strict, beautiful Gems with original paper surfaces and the embossing to put their money where their mouths are. (2 pieces) (500-up)

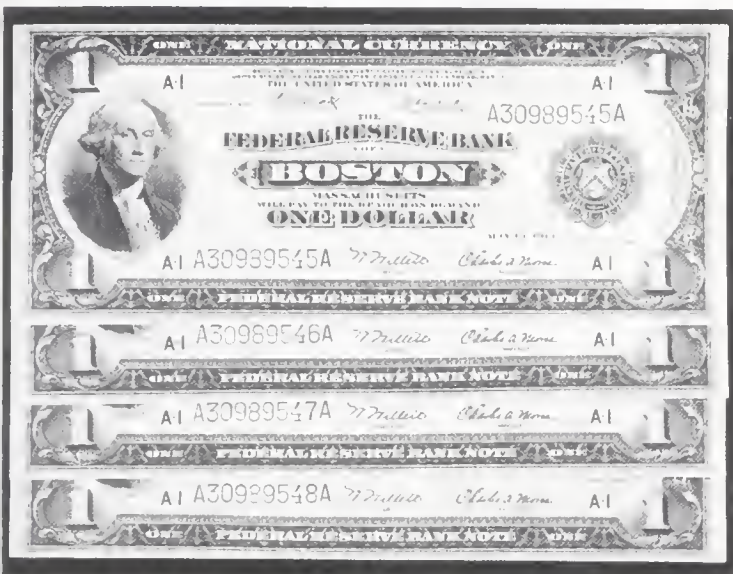

- 1370 **Fr. 710 \$1 1918 Gem New.** The note is purely uncirculated, and the inking, paper quality, margins and centering make the Gem package complete. (250-up)

- 1372 **Fr. 710 \$1 1918 Cut Sheet of Four Very Choice New.** Beautifully original and well margined, this cut sheet of Federal Reserve Bank Note Aces comes quite close to the full Gem grade. (4 pieces) (800-up)

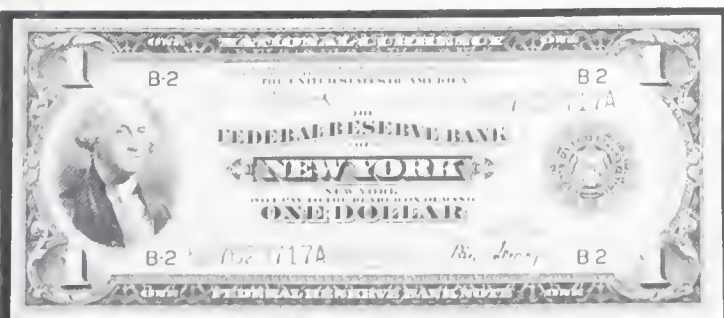

- 1373 **Fr. 712 \$1 1918 Gem New.** Fresh and original. (250-up)

- 1374 **Fr. 712 \$1 1918 Very Choice New.** The top margin gets just a little too close at the left to call the note Gem. (200-up)

- 1375 **Fr. 712 \$1 1918 Cut Sheet of Four Very Choice New.** (4 pieces) (800-up)

- 1376 **Fr. 712 \$1 1918 New.** Evidently the inking on this note was never particularly sharp. Nevertheless, it is still an historic example. (100-up)

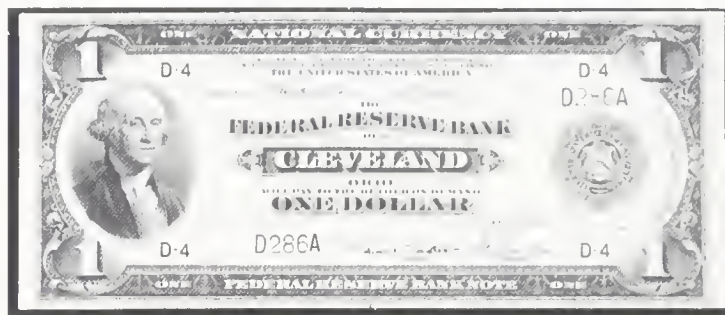

- 1377 **Fr. 712 \$1 1918 Cut Sheet of Four.** All four are beautiful Extra Fines with extremely deep embossing to attest to their originality. (4 pieces) (400-up)

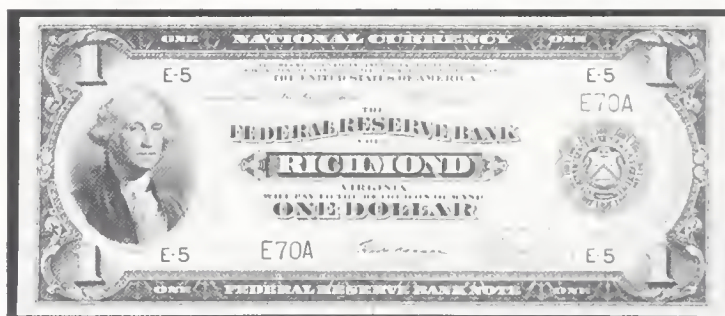

- 1378 **Fr. 713 \$1 1918 Gem New.** Sometimes everything comes together, as is the case on this New York Federal Reserve Bank Note. (250 up)

- 1379 **Fr. 717 \$1 1918 Star Note Extra Fine.** A new note to the Murray census, bringing the total now known up to fifteen. This well-margined, bright and clean Extra Fine is problem-free but for a rough spot on Washington's shirt. (250-up)

- 1380 **Fr. 718 \$1 1918 Gem New.** Very broadly margined. (250-up)

- 1381 **Fr. 721 \$1 1918 Superb Gem New.** This strictly original, well-embossed beauty is as perfect an example of a \$1 Federal Reserve Bank Note as any you will ever see. On top of its technical perfection, the note carries the added bonus of a two-digit serial number, E70A. (400-up)

- 1382 **Fr. 721 \$1 1918 Very Fine-Extra Fine.** The original embossing can be discerned with the right lighting. Three real folds and a little handling. (60-up)

- 1383 **Fr. 727 \$1 1918 Star Note Gem New.** Only fourteen Stars are listed in the Murray reference, and this is one of them. It's part of a run of nine uncirculated notes of this number, making Fr. 727 the easiest to obtain for the type in this grade. (800-up)

1383-N Eleven Kansas City \$1 FRBN's. Six are Fr. 738 and five are Fr. 739. A few are Choice due to centering but most are full Gems. (11 pieces) (2250-up)

1383-O Three Boston \$1 Federal Reserve Bank Notes. All are Fr. 710 and all are Gem New. (3 pieces) (750-up)

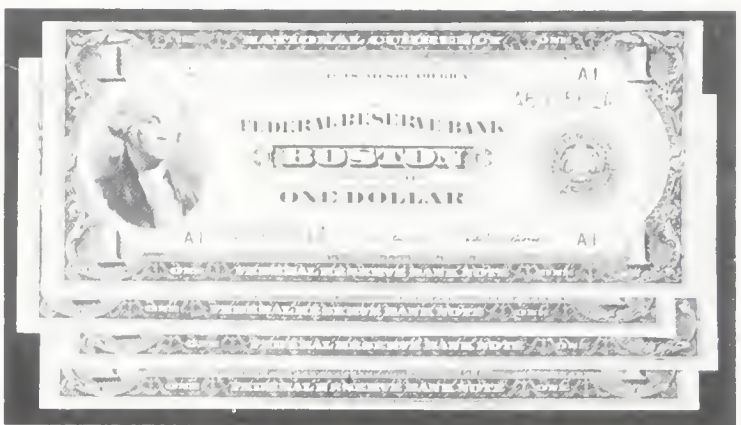

1383-P Fr. 708 \$1 1918. These four notes all share super paper quality, great color and the high-end eye appeal that is so often absent in Federal Reserve Bank Notes. Two of the notes are consecutive and the other two are near neighbors. One note is a Superb Gem and the other three are Very Choice New. (4 pieces) (750-up)

1383-Q Fr. 712 \$1 1918. Five notes from the same serial number run - two consecutive pairs and a neighbor note. All five notes are Superb Gem New, simply as nice as these can come. (5 pieces) (1500-up)

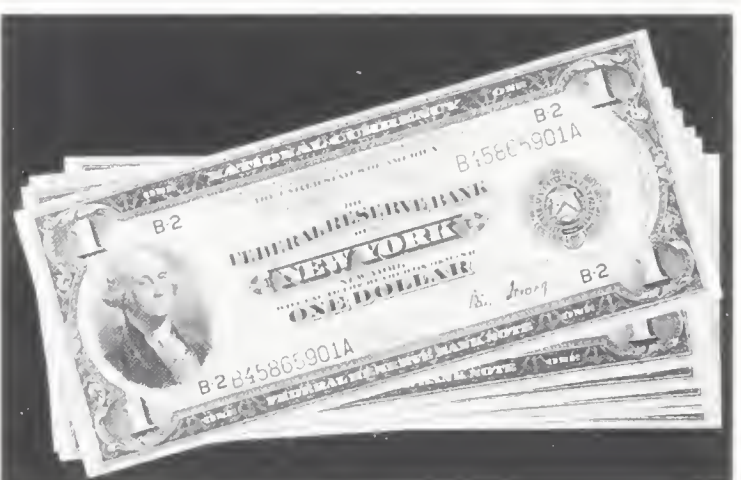

1383-R Fr. 729 \$1 1918 Gem New. Five consecutive notes, all with nice paper quality and excellent centering. (5 pieces) (1250-up)

1383-T Fr. 708 \$1 1918 Cut Sheet of Four Very Choice New. Cracking fresh and perfectly bright, this cut sheet contains one Superb Gem (the "D" position note) and three Very Choice notes due to centering. (4 pieces) (800-up)

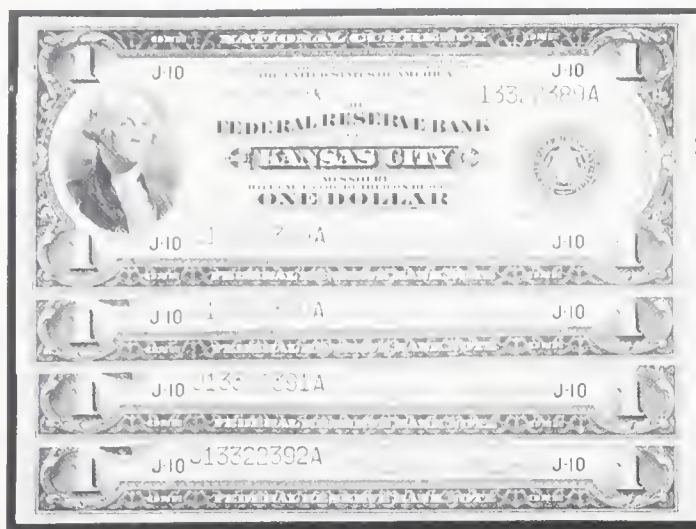

1383-U Fr. 712 \$1 1918 Cut Sheet of Four Choice New. The paper is a bit toned, but all four notes are strictly original. (4 pieces) (600-up)

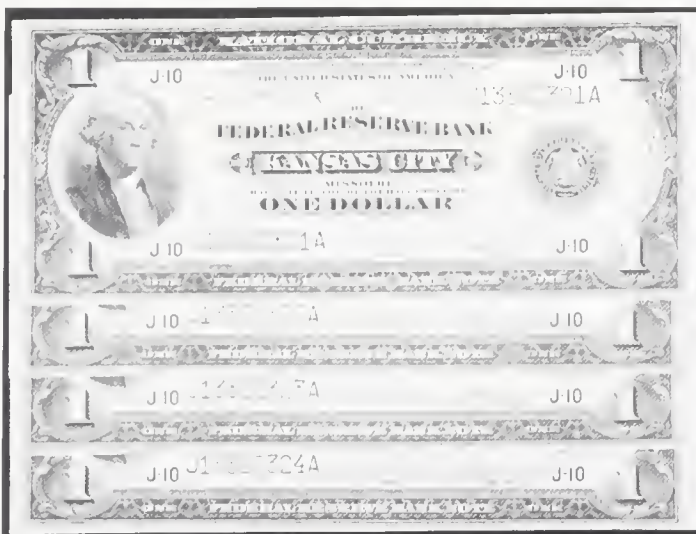

1383-V Fr. 712 \$1 1918. Seven beautifully bright, strictly original notes from the same pack of 100. All seven are perfect Gems. (7 pieces) (1650-up)

1383-WFr. 717 \$1 1918 Cut Sheet of Four Superb Gem New. As fine a cut sheet of FRBN's as we can recall. It's bright, fresh and deeply embossed with great margins on all four notes. (4 pieces) (1200-up)

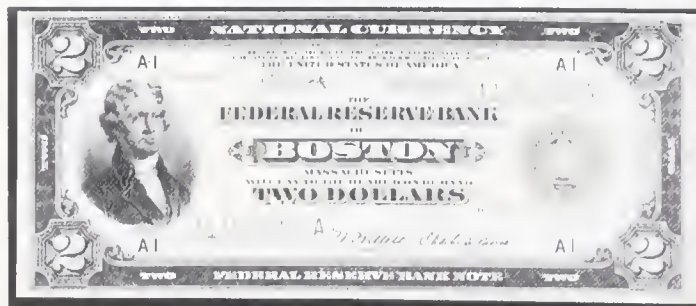

- 1384 **Fr. 738 \$1 1918 Cut Sheet of Four Very Choice New.** With full body to the paper, great inks and original embossing, it's a pity that the margins must prevent this cataloger from calling this the Gem cut sheet that it is in every other respect. (4 pieces) (800-up)

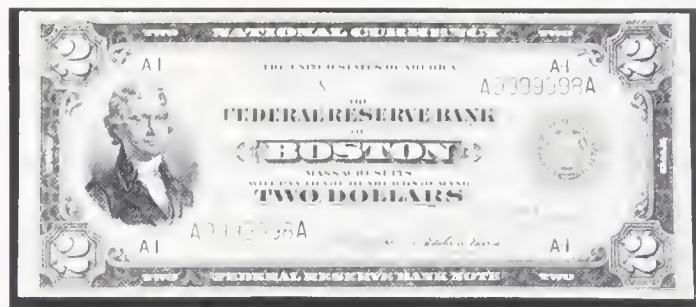

- 1385 **Fr. 738 \$1 1918 Cut Sheet of Four Very Choice New.** Again, the margins do not quite make the big grade. (4 pieces) (800-up)
- 1386 **Fr. 743 \$1 1918 About New.** This is a fine San Francisco for the collector who is seeking a new-at-a-glance type set but is not interested in spending Gem money. (90-up)
- 1387 **Fr. 747 \$2 1918 About New.** (500-up)

- 1388 **Fr. 749 \$2 1918 Gem New.** This embossing on this Battleship is so nice that it gives the note that extra-fresh look that many Type Note collectors seek. The inks are dark and clear, and the margins and back centering are Gem. (1000-up)

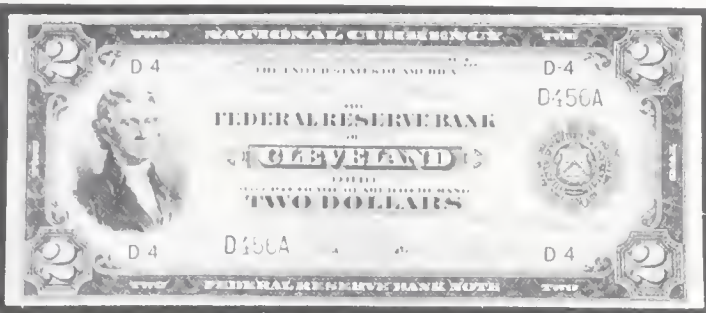

TWO DOLLARS
8A *W. Willett. Charles Morss* A-

- 1389 **Fr. 749 \$2 1918 Very Choice New.** Nice hand autographs of Willett and Morss above their printed signatures go along with the desirable serial number (the slightest possible aberration from a seven-digit solid) to make this an extra-special note. The originality is great, too. It's a shame the centering does quite not make Gem, with everything else this Battleship has to offer. (1500-up)
- 1390 **Fr. 749 \$2 1918 Very Fine.** (250-up)
- 1391 **Fr. 756 \$2 1918 Choice Extra Fine.** A clean, fresh, well embossed example that has seen no circulation at all - it simply has three storage folds. (400-up)

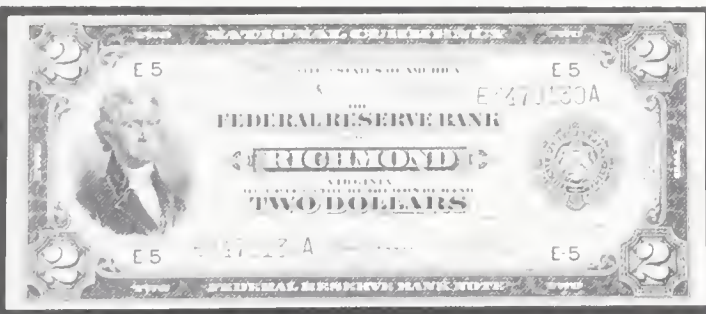

- 1392 **Fr. 757 \$2 1918 Gem New.** Despite the top edge's unfortunate proximity to the design at the left, it would be a disservice to this sparkling three-digit Battleship to grade it less than Gem. In fact, the note would be Superb were it not for this one factor. The original embossing is spectacular (1100-up)

- 1393 **Fr. 757 \$2 1918 Choice New.** This original and bright Battleship has not circulated, but the back centering is low. The three-digit serial number makes this a more valuable item. (900-up)
- 1394 **Fr. 757 \$2 1918 Extra Fine.** Well margined and rather attractive, this Battleship Deuce appears higher-grade than it actually is. (350-up)

- 1395 **Fr. 759 \$2 1918 Gem New.** Broadly margined with perfect centering on both sides and excellent eye appeal. A very desirable Battleship Deuce. (1000-up)

- 1396 **Fr. 761 \$2 1918 Gem New.** This lovely Battleship has excellent margins, terrific paper originality with deep, obvious embossing and tons of eye appeal. A premium Type note. (1000-up)
- 1397 **Fr. 776 \$2 1918 Fine.** Solid, solid, solid. What an excellent way to obtain such a popular historical piece at a moderate price. (200-up)
- 1398 **Fr. 776 \$2 1918.** This evenly circulated Very Good example has absolutely no tears or missing pieces, which often plague this grade. In other words, this is genuinely a premium note for this degree of circulation. (180-up)
- 1399 **Fr. 780 \$2 1918 Fine.** Original, evenly circulated material. (200-up)
- 1400 **Fr. 780 \$2 1918 Fine.** Another, perhaps a little brighter than the previous but with the same degree of wear. (200-up)

- 1401 **Fr. 783 \$5 1918 Very Fine.** (75-up)
- 1402 **Fr. 793 \$5 1915 Fine.** Three notes share a Friedberg number and a grade. (3 pieces) (175-up)
- 1403 **Fr. 795 \$5 1918 Very Fine-Extra Fine.** This bright and strictly original Five Dollar Federal Reserve Bank Note is one of the most difficult numbers of this series to locate. (200-up)
- 1404 **The Minneapolis Number.** Fr. 799 \$5 1918 Fine (two) and Very Fine. (3 pieces) (200-up)
- 1405 **Fr. 800 \$5 1915.** Four notes range in grade from Very Good to Fine. (4 pieces) (225-up)
- 1406 **Both Kansas City \$5 1918 Numbers.** Fr. 803 About Fine (two) and Fr. 804 Very Fine and Very Good. (225-up)
- 1407 **An About Fine \$5 1918 Pair.** Fr. 786 and 794, from Chicago and Cleveland respectively. Both notes are nice and solid for their level of circulation. (2 pieces) (110-up)
- 1408 **Fr. 807 \$5 1918 About New.** With great paper originality and huge margins, this pretty Dallas District Federal Reserve Bank Note is Superb but for its center fold. (300-up)
- 1409 **Fr. 812 \$10 1918 Very Fine.** A solid note, but the paper is somewhat soft and mottled. (350-up)

- 1410 **Fr. 813 \$10 1915 Very Good-Fine.** Nice strong printing and signatures. (200-up)

- 1411 **Fr. 817a \$10 1915 Superb Gem New.** One of the nicest, if not *the* nicest \$10 Federal Reserve Bank Note that we have seen. The margins are broad, the surfaces strictly original with all their embossing present and the colors are as perfect as they were the day the note was made. (2750-up)

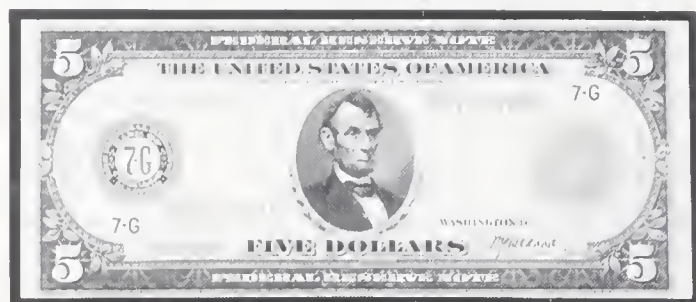

- 1412 **Fr. 827 \$20 1915 Choice Extra Fine.** Twenty Dollar Federal Reserve Bank Notes are, in our opinion, considerably underrated - and this one is a particularly nice example. It's totally original and problem-free. (1750-up)

FEDERAL RESERVE NOTES

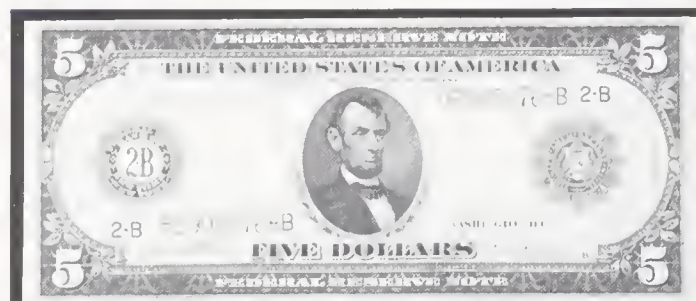

- 1413 **Fr. 833 \$5 1914 Red Seal About New.** The red color is somewhat faded on this otherwise rather nice Fed. (175-up)
- 1414 **Fr. 833 \$5 1914 Red Seal Fine.** Nothing but honest, even circulation on this Red Seal. (50-up)
- 1415 **Fr. 834 \$5 1914 Red Seal Very Choice New.** This note is as fresh and clean of paper and as bright and sharp of design as the day it was printed. Unfortunately, the bottom margin got cut a little too close at the left on that day. The embossing is superb. (500-up)

MAIL BIDDERS

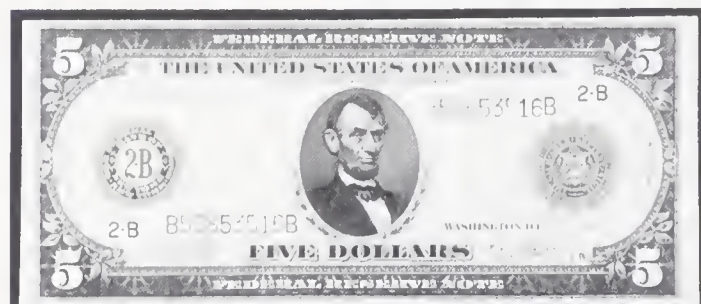

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.

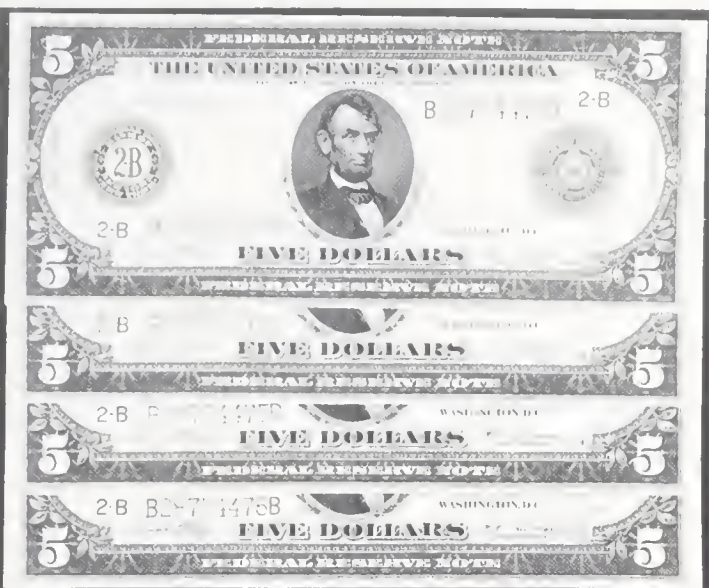

- 1416 **Fr. 838 \$5 1914 Red Seal Very Choice New.** With just a tad more margin at the lower left this bright and good looking Red Seal \$5 would be a flaming gem. (500-up)
- 1417 **Fr. 838 \$5 1914 Red Seal.** Three notes grade **Fine** and a fourth **Very Good**. (4 pieces) (175-up)
- 1418 **Two Fine Fr. 840 \$5 1914 Red Seals.** Both are fully **Fine**, with no problems and outstanding paper integrity for the grade. (2 pieces) (100-up)
- 1419 **Four Very Good-Fine Fr. 840's.** One has a repaired tear. (4 pieces) (150-up)
- 1420 **Two \$5 1914 Red Seals.** Fr. 834 **Very Good-Fine** and Fr. 837 **Fine+**. (2 pieces) (100-up)
- 1421 **Three \$5 1914 Red Seals.** Fr. 839, Fr. 841 **Fine** and Fr. 843 **Very Good**. (3 pieces) (150-up)
- 1422 **Fr. 847b \$5 1914 Choice New.** The bottom margin is too close, but nothing else precludes the **Gem** grade. (100-up)
- 1423 **Fr. 850 \$5 1914 Very Choice New.** The bottom dips a little too close at the right to legitimately call this note **Gem**. (110-up)

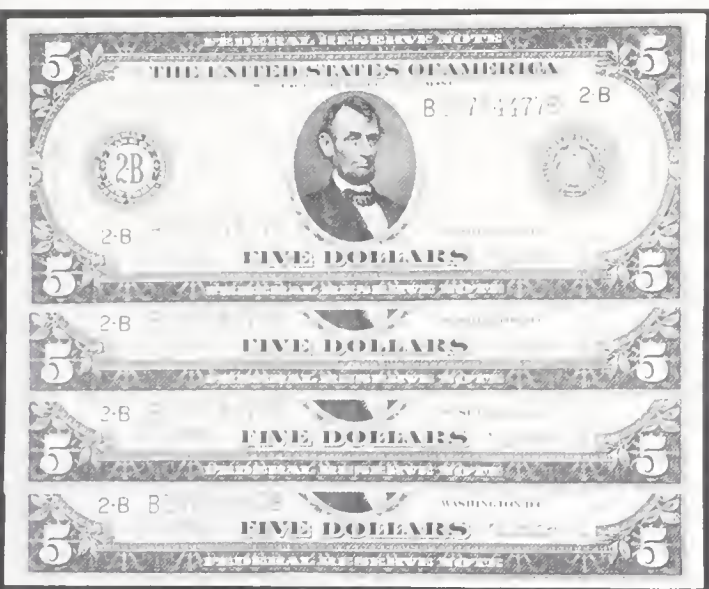

- 1424 **Fr. 851 \$5 1914 Gem New.** The original embossing effect is excellent. (175-up)

- 1425 **Fr. 851a \$5 1914 Gem New.** Bright, fresh, original and well margined. (175-up)

- 1426 Fr. 851a \$5 1914 Cut Sheet of Four. All four notes of this cut sheet have excellent centering and original embossing to attest to the fact that they are Gem New. (4 pieces) (600-up)

- 1427 Fr. 851a \$5 1914 Cut Sheet of Four Very Choice New. Identical to the above (except that the margins on two of the notes do not quite make Gem) and consecutive. (4 pieces) (500-up)

- 1428 Fr. 851a \$5 1914 Cut Sheet of Four Very Choice New. Three Gem New notes and a fourth with a less-than-adequate margin finish this consecutive group of twelve. (4 pieces) (500-up)
- 1429 Fr. 851a \$5 1914 Very Choice New. Bright and fully original. (125-up)

- 1430 Fr. 851a \$5 1914 Star Note Choice New. Fifty-one pieces are known for this number, but less than ten of those are uncirculated. This piece would grade Gem if the top margin were slightly broader. (400-up)
- 1431 Fr. 851a \$5 1914 Choice New. (100-up)
- 1432 Fr. 855 \$5 1914 Choice New. The margins are skimpy but they are present all the way around. (100-up)
- 1433 Fr. 855 \$5 1914 About Extra Fine. Perfectly original and Extra Fine in overall appearance. The note is crisp and clean, but not quite so from a technical standpoint as there are too many folds. (40-up)

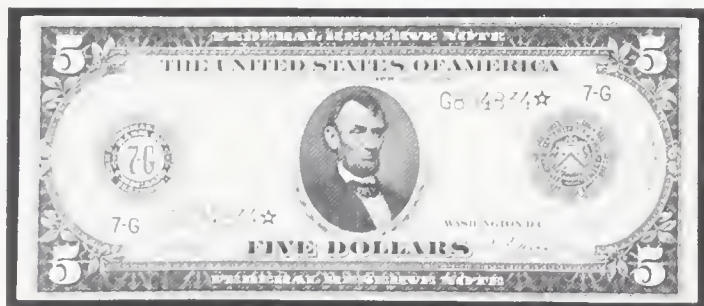

- 1434 Fr. 855a \$5 1914 Star Note Extra Fine-About New. This nice-looking, well-margined note is one of nineteen examples listed in the Murray Reference. (200-up)

- 1435 **Fr. 856 \$5 1914 Gem New.** A flawless Cleveland District Five. (175-up)

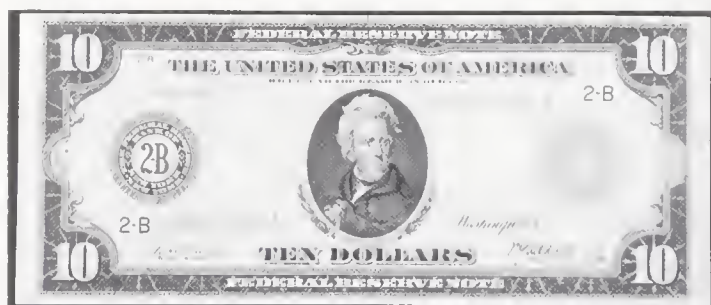

- 1436 **Fr. 859a \$5 1914 Star Note Choice New.** This pretty Star, which is one of seventeen known to Murray, would grade Gem if it had a bit more top margin. It's one of only three uncirculated examples known for this number. (450-up)
- 1437 **Fr. 859a \$5 1914 Choice Extra Fine.** Dated September 8, 1928 and courtesy autographed by Charles O. Wheeler. Genuine Wheeler signatures are challenging to locate; this is the first we've seen. (50-up)
- 1438 **Fr. 863 \$5 1914 Gem New.** Richmond is one of the tougher districts to encounter in high grade. (200-up)
- 1439 **Fr. 870 \$5 1914 Choice New.** (100-up)

- 1440 **Fr. 870 \$5 1914 Star Note Very Fine.** This well-margined, natural and clean Star is new to the census, bringing the total known up to seventeen. (200-up)
- 1441 **Fr. 871 \$5 1914 Choice New.** The margins are too tight for Gem but they do not touch the sharply inked design. (100-up)
- 1442 **Fr. 871a \$5 1914 Star Note Fine.** Thirty-four pieces are known for this number. (100-up)
- 1443 **Fr. 875b \$5 1914 Gem New.** This St. Louis note happened to receive a perfect contrast of inking, which would make it great for a type set of some kind. (175-up)
- 1444 **Fr. 878 \$5 1914 Gem New.** A nice bright Minneapolis Fed. (175-up)
- 1445 **Fr. 880 \$5 1914 Choice New.** The margins are a tad askew. (100-up)

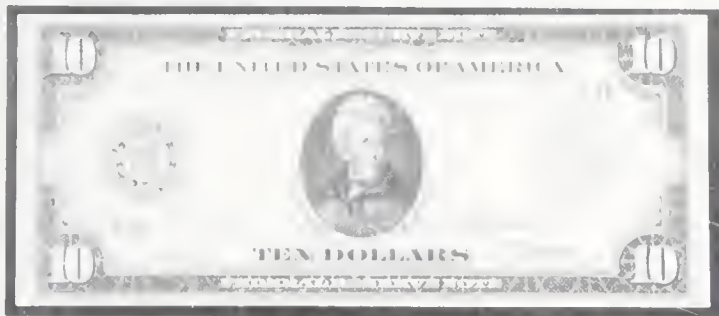

- 1446 **Fr. 883a \$5 1914 Star Note Very Fine.** This piece, one of ten known to Murray, has a repaired tear about 1" long beginning at the right edge of the note. That's this scarce Star's only problem. (200-up)
- 1447 **Fr. 891b \$5 1914 About New.** Excellent colors. (60-up)
- 1448 **Two Five Dollar 1914 Blue Seal Feds.** Fr. 862 Extra Fine and Fr. 868 About New. (2 pieces) (90-up)
- 1449 **Three \$5 1914 Blue Seals.** Fr. 859 Very Fine and Fr. 871b and Fr. 890 About Very Fine. (90-up)
- 1450 **\$5 1914 Red Seal and Blue Seal Very Fine.** Fr. 842 and Fr. 848, both with no pinholes or other problems. (2 pieces) (125-up)

- 1451 **Fr. 893 \$10 1914 Red Seal Gem New.** Well inked and bright, this Gem has its full original embossing. Full margins finish off the Gem package. (900-up)
- 1452 **Fr. 893 \$10 1914 Red Seal Fine.** No problems at all. (75-up)
- 1453 **Fr. 893 New York Red Seals.** Very Fine and Very Good (2 pieces) (150-up)

1454 **Fr. 899 \$10 1914 Red Seal Superb Gem New.** Broadly margined, bright and strictly original, this beautiful Red Seal Ten is one of the nicest examples of the type we've ever seen. Red Seals have been extremely popular recently, and we would expect quite a lot of competition for this gorgeous note. (1000-up)

1464 **Fr. 911 \$10 1914 Gem New.** Magnificent centering. (200-up)

1455 **Fr. 900 \$10 1914 Red Seals Very Good.** (4 pieces) (175-up)

1456 **Fr. 906 \$10 1914 About New.** (50-up)

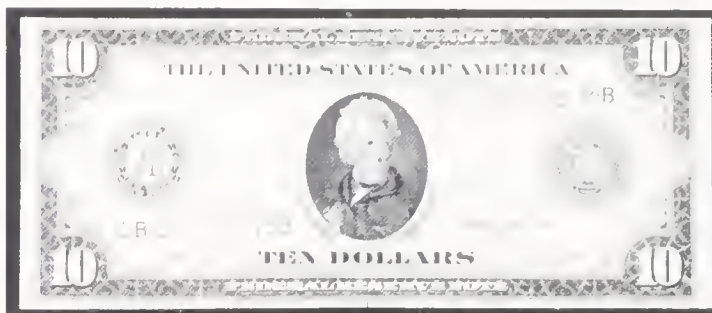

1457 **Fr. 910 \$10 1914 Gem New.** Original and bright. (200-up)

1458 **Fr. 910 \$10 1914 Gem New.** Another, identical to, and only two serial numbers away from, the previous. (200-up)

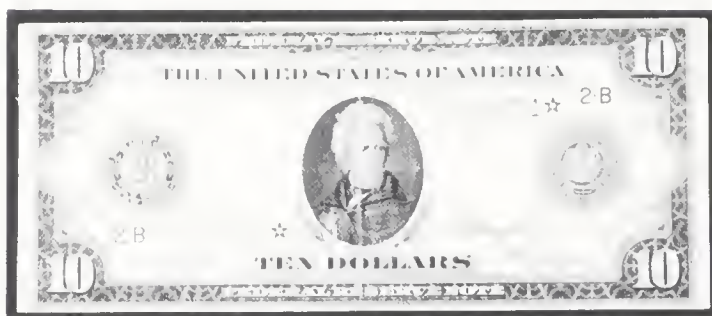

1459 **Fr. 910 \$10 1914 Very Choice New.** The top margin does not quite suffice for Gem. (125-up)

1460 **Fr. 910 \$10 1914 Choice New.** A Gem New York with less-than-Gem margins. Consecutive to the note offered above. (110-up)

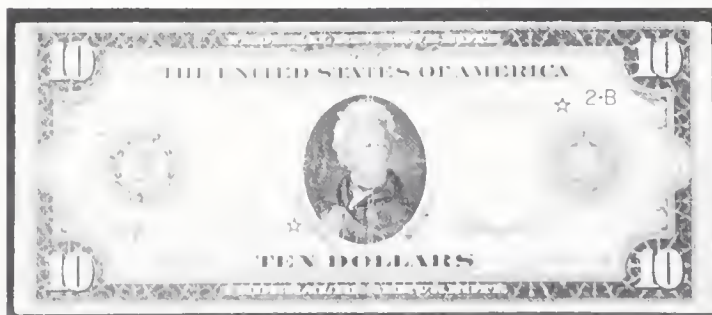

1461 **Fr. 910 \$10 1914.** One Extra Fine with a partial bank stamp on the back and one Very Fine. (2 pieces) (75-up)

1466 **Fr. 911a \$10 1914 Superb Gem New.** Huge margins, perfect color and absolutely original paper surfaces make this as fine an example of a \$10 Fed as any of us are ever likely to encounter. (250-up)

1467 **Fr. 911a \$10 1914 Star Note Very Fine.** The addition of this new note to the Murray census brings the count up to an even dozen. It's evenly circulated, strictly original and problem-free. (400-up)

1468 **Fr. 911a \$10 1914 Star Note Fine.** Yet another newly discovered piece, this one will bring the count to thirteen. The note is problem-free but for four small penned x's, one in each corner of the back. (200-up)

1462 **Fr. 911 \$10 1914 Cut Sheet of Four Gem New.** Four clean, original notes with not a sign of circulation. (4 pieces) (900-up)

1463 **Fr. 911 \$10 1914 Cut Sheet of Four Gem New.** A virtual duplicate of the cut sheet above. (4 pieces) (900-up)

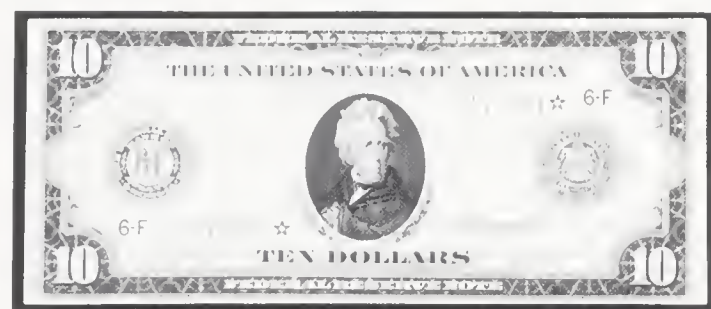

1469 **Fr. 911c \$10 1914 Star Note Fine-Very Fine.** This piece is one of the eight known to Murray. It's evenly circulated, with one small edge tear and a red bank stamp on the back. (300-up)

1470 **Fr. 915 \$10 1914 About New.** (50-up)

1471 **Fr. 919 \$10 1914 Very Choice New.** A bright would-be Gem does not have enough top margin at the left. (125-up)

1472 **Fr. 924 \$10 1914 Gem New.** Very deeply inked. (200-up)

1473 **Fr. 927a \$10 1914 Star Note Choice Extra Fine.** Prior to the discovery of this note, only one example of this number was known to exist, and that piece is in substantially lower grade. This lovely note is broadly margined, tully bright and strictly original. (2500-up)

1474 **Fr. 930 \$10 1914 Star Note Fine-Very Fine.** This is one of the 23 known examples listed in the Murray Star Note reference. (200-up)

1475 **Fr. 931b \$10 1914 Gem New.** Broadly margined and perfectly bright, this is one of the nicest "b" type \$10 Feds that we've seen. These are really far scarcer in this grade than their price would indicate. (250-up)

1476 **Fr. 931b \$10 1914 Choice New.** The top margin is close but does not touch the design of this original Chicago note. (125-up)

1477 **Fr. 934 \$10 1914 Gem New.** (200-up)

1478 **Fr. 940 \$10 1914 Gem New.** A nice, bright, original note. (200-up)

1479 **Fr. 940 \$10 1914 Very Fine.** The face looks excellent, so this note has to be graded Very Fine even though there is a little dirt on the back. (35-up)

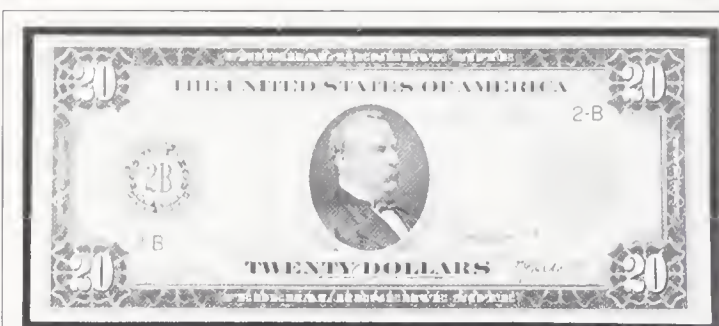

1480 **Fr. 951a \$10 1914 Star Note Fine.** This newly discovered San Francisco Star brings the total known number of pieces up to four. It's well margined and problem-free save for two short closed edge splits. Estimating rare Stars is problematic at best. We would expect this piece to realize right around... (600-up)

1481 **Fr. 951b \$10 1914 Very Choice New.** This San Francisco example misses Gem by a small margin, so to speak. (150-up)

1482 **Three Very Fine \$10 1914 Blue Seals.** Fr. 906, Fr. 919b and Fr. 937. (3 pieces) (100-up)

1483 **Fr. 952 \$20 1914 Red Seal Fine-Very Fine.** The reds are still vibrant and the face qualifies for Very Fine, but the back has a little too much soil. (175-up)

1484 **Fr. 953 \$20 1914 Red Seal Fine.** (100-up)

1485 **Fr. 953a \$20 1914 Red Seal Gem New.** This lovely Red Seal has broad, even margins and excellent color. Red Seals have been extremely popular recently, and well-margined, bright twenties are nearly impossible to locate. We would not be at all surprised to see this beauty realize . . . (2000-up)

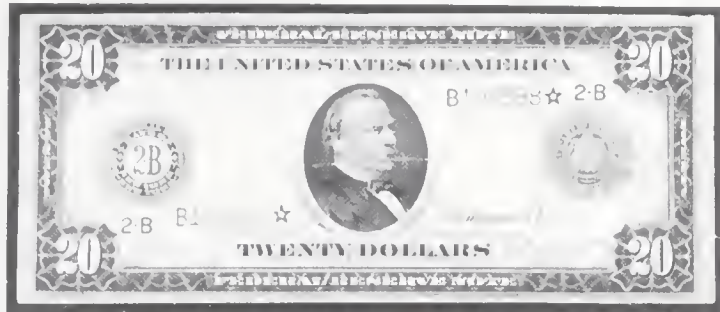

1486 **Fr. 955 \$20 1914 Red Seal Fine.** (100-up)

1487 **Fr. 958 \$20 1914 Red Seals Fine.** (2 pieces) (175-up)

1488 **Fr. 960 \$20 1914 Red Seal Very Good+.** A solid Minneapolis example. (100-up)

1489 **Three Circulated Fr. 960's.** One of these Minneapolis notes is **Fine** with some water damage and the other two are **Very Good** or perhaps a tad better as they are intact. (3 pieces) (200-up)

1490 **Fr. 963 \$20 1914 Red Seal Very Good+.** The paper, albeit soiled, is nice and bright for the grade. (100-up)

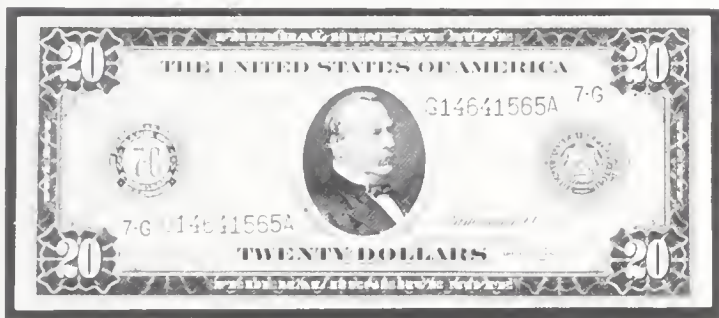

1491 **Fr. 970 \$20 1914 Star Note Fine.** This problem-free, evenly circulated \$20 Fed Star is one of the nine listed in Murray for this number. (250-up)

1492 **Fr. 973 \$20 1914 Choice New.** Nice big margins. (150-up)

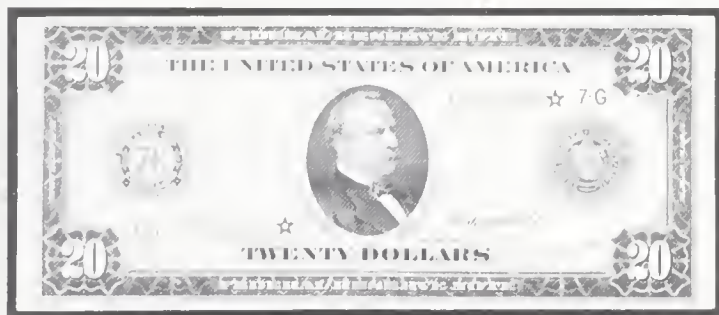

1493 **Fr. 973 \$20 1914 Choice New.** There are no folds, the colors are deep and the margins are good enough for Gem, but the paper is slightly toned. (150-up)

1494 **Fr. 982 \$20 1914 Choice New.** The face margins are not Gem and the ink was not applied with Gem sharpness. (150-up)

1495 **Fr. 986 \$20 1914 About New.** It's a shame that there are two discolored spots to the paper. (75-up)

1496 **Fr. 989 \$20 1914 Gem New.** A nice bright Chicago example. (275-up)

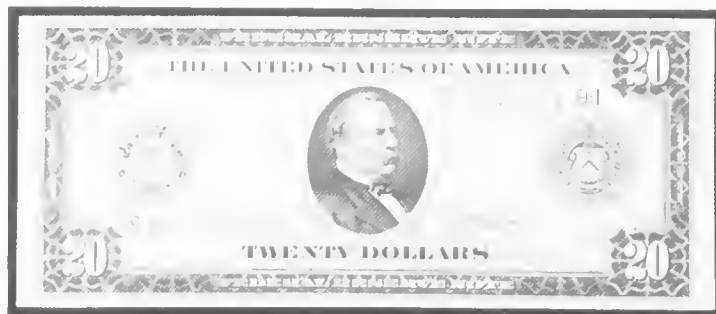

1497 **Fr. 990 \$20 1914 Star Note Very Fine.** This is one of the 21 listed in Murray. (250-up)

1498 **Fr. 992 \$20 1914 About New.** A nicely margined About New. (70-up)

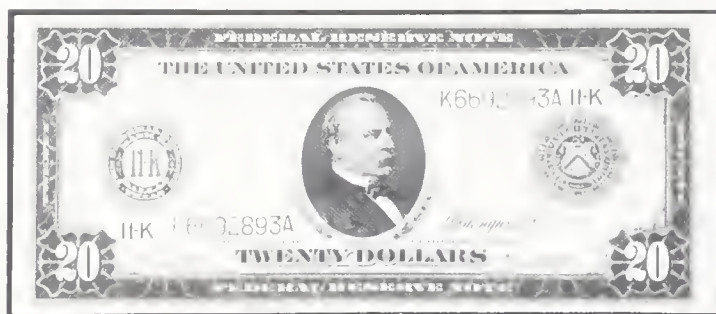

1499 **Fr. 998 \$20 1914 Gem New.** There is a beautiful sharpness to the inking. (275-up)

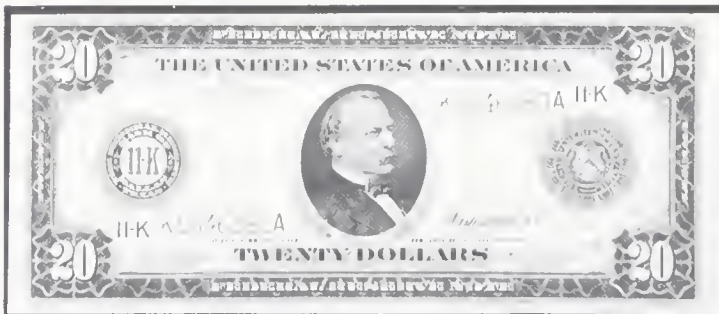

1500 **Fr. 999 \$20 1914 Gem New.** Dazzlingly fresh quality and very nice centering on this staple Fed type. (275-up)

1501 **Fr. 1000 \$20 1914 Gem New.** Nice margins and very bright color. (275-up)

1502 **Fr. 1004 \$20 1914 About New.** Very well margined. (75-up)

1503 **Fr. 1007 \$20 1914 Gem New.** The margins on this bright \$20 Fed are as broad as we've ever seen for the issue, giving the note unusual eye appeal. (275-up)

1504 **Fr. 1007 \$20 1914 Gem New.** Very nice centering and print clarity. (275-up)

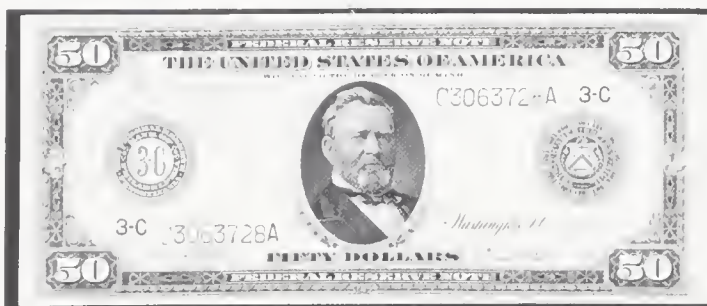

1505 **Fr. 1007 \$20 1914 Very Choice New.** Restrained from Gem by a barely madequate top border. (175-up)

1506 **Fr. 1011 \$20 1914 Superb Gem New.** This note has the kind of Superb paper quality that can be seen through the holder. (300-up)

1507 **Fr. 1016 \$50 1914 Red Seal Choice Very Fine.** A nice circulated Burke-McAdoo Red Seal Fifty. There is just a little soil on the back. (700-up)

1508 **Fr. 1035 \$50 1914 Superb Gem New.** As fine a \$50 Fed as we have ever had the privilege of seeing. The margins are excessively broad all the way around, the colors of the paper and inks are equal to what they were the moment the note was printed, and the full paper originality (including deep embossing) is present. (1750-up)

1509 **Fr. 1039 \$50 1914 Fine-Very Fine.** The face of the note is Very Fine but the back is too dirty. (150-up)

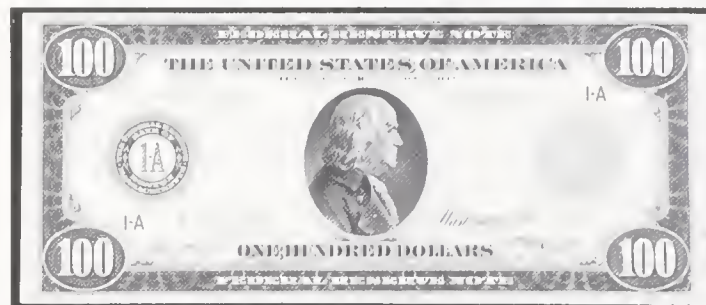

1510 **Fr. 1039a \$50 1914 Star Note Fine-Very Fine.** This is one of the ten examples known for this number, which is by far the most common \$50 Fed Star. Only 21 total examples are known for the forty-some different Friedberg numbers combined. (1000-up)

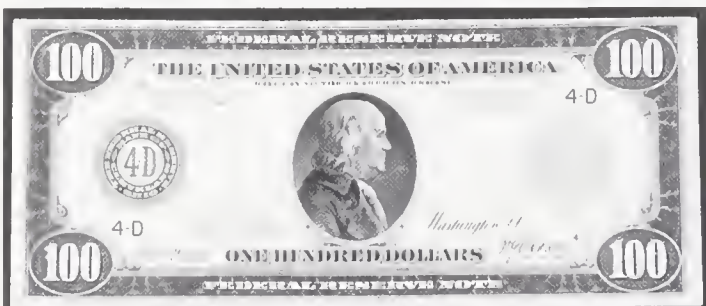

1511 **Fr. 1051 \$50 1914 Choice New.** The bottom margin comes a bit close at the left, but in all other respects this is a very nice example of a type that is difficult to locate in high grade. (1000-up)

Gem \$100 Red Seal

1512 **Fr. 1072 \$100 1914 Red Seal Gem New.** A great find for the Gem type note collector. The margins are large all around, and the back centering is excellent. The inks are fresh and the paper is crisp. The embossing of the serial numbers can be seen from the back, testifying to this Gem Red Seal's originality. The note actually looks as if no one has ever touched it. (6500-up)

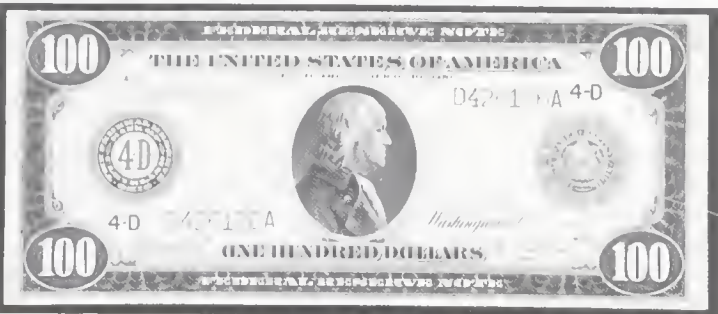

1513 **Fr. 1075 \$100 1914 Red Seal About New.** Very well margined and with excellent colors, this Cleveland Red Seal Hundred will likely attract considerable bidder attention. Only 20 or so Red Seal Hundreds from Cleveland are known, and only this note and three others grade AU or better. (1750-up)

1514 **Fr. 1077 \$100 1914 Red Seal About Very Fine.** This bright, well-centered Atlanta district Red Seal Hundred has excellent color and good eye appeal. (650-up)

1515 **Fr. 1091 \$100 1914 Choice Extra Fine.** Bright and clean. (450-up)

1516 **Fr. 1098 \$100 1914 Gem New.** Fresh and fully original, with its embossing effect wholly evident. This well-margined Cleveland hundred is likely to attract considerable bidder attention. (1500-up)

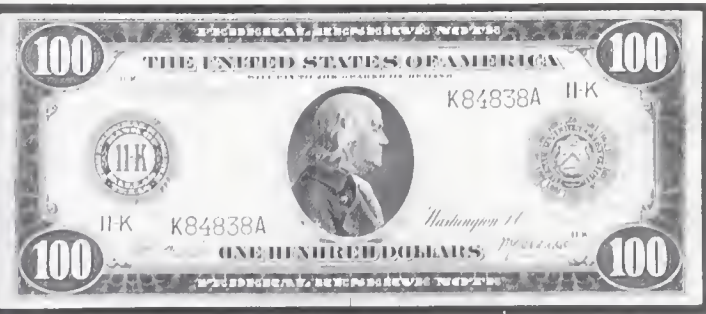

1517 **Fr. 1104 \$100 1914 Fine-Very Fine.** The paper has toned a bit; however, to its credit, the note is entirely whole and intact. (300-up)

1518 **Fr. 1120 \$100 1914 About Extra Fine.** There are three heavy vertical folds and one horizontal, but there are no other signs of circulation to speak of. (400-up)

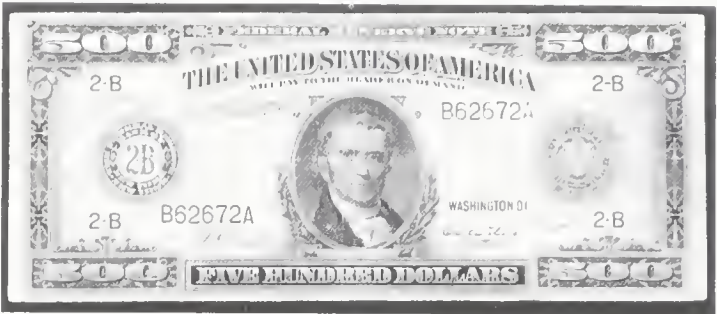

1519 **Fr. 1120 \$100 1914 About Extra Fine.** The embossing of this deeply inked hundred still leaves a stark impression (no pun intended). (400-up)

1520 **Fr. 1124 \$100 1914 Fine-Very Fine.** Absolutely 100% free of pinholes, edge tears and other such detractors that are often the bane of moderately circulated notes. (300-up)

- 1521 **Fr. 1124 \$100 1914 Fine.** There is a partial lilac-colored bank stamp on the face (275-up)
- 1522 **Fr. 1124 \$100 1914.** One is a wonderfully intact **Very Good** and the other a **Fine** with some moderate stains. (500-up)
- 1523 **Fr. 1130 \$100 1914 Very Fine.** This is the Burke-Houston note from the San Francisco District. (300-up)

1524 **Fr. 1132 \$500 1918 Fine.** A nice, problem-free example of a popular high-denomination type. (4000-up)

1525 **Fr. 1132 \$500 1918 Fine.** This well circulated \$500 has had some minor repairs at the edges, but they're very well done and difficult to see. High-denomination Large Size notes have been in tremendous demand over the past eighteen months, and we would expect this piece to reach or exceed... (3250-up)

GEM NEW 1918 \$1000

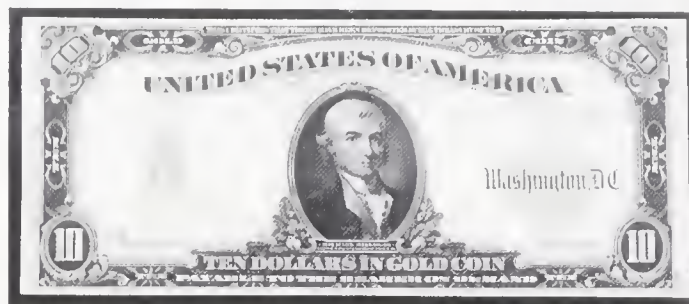

- 1526 **Fr. 1133 \$1000 1918 Gem New.** This beautiful note is one of a run of three that are alternately called AU and Gem whenever they appear. We have gone over this note extremely carefully and can find no reason on Earth to call it anything other than Gem New. The original embossing of the design is unquestionable, and the overall look and feel is just as the type should be. The colors are beautifully bright and the centering of both sides approaches perfection. We sold a comparable example last May that we called Very Choice - and estimated at \$20,000-up - for \$38,500. That note had been previously graded in a 1991 sale as "EF-AU with a couple of folds," which we pointed out in the description. It appears that finally, the new cadre of buyers have learned that careful examination *and making one's own decisions* is far wiser than relying on previous people's opinions, which 1) may well have been incorrect; or 2) may have been the result of an agenda rather than knowledge. We suggest careful examination of this note - or for that matter, any expensive note that one is considering purchasing - and we are confident that no knowledgeable bidder will disagree with our grade assessment. (25,000-up)

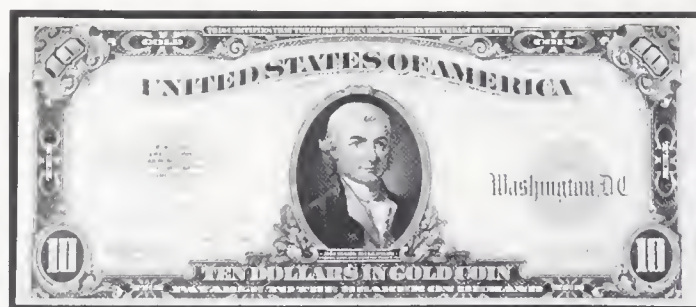

- 1527 **Fr. 1133 \$1000 1918 Fine.** The surfaces are a bit soft and the top margin is tight, but this well-circulated Large Thousand will still probably attract considerable interest. (4250-up)
- 1528 **Three 1914 Blue Seals, \$5 Fr. 871b About New, \$10 Fr. 924 Very Fine and \$50 Fr. 1004 About Very Fine.** (3 pieces) (250-up)

GOLD CERTIFICATES

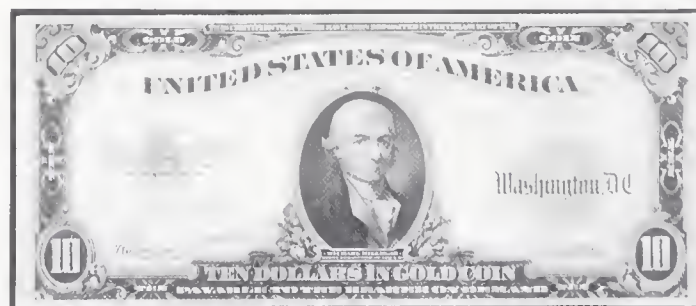

- 1529 **Fr. 1167 \$10 1907 Very Fine.** There are some bends to the paper and a light stain at the right of the face. (200-up)

- 1530 **Fr. 1171 \$10 1907 Gem New.** There is really nice embossing of the serial numbers and design elements on this note: an original, spectacularly well-inked Gem. The colors of the whimsical anti-counterfeiting fibers nearly complete the rainbow on this Gold issue. (1000-up)
- 1531 **Fr. 1171 \$10 1907 About New.** This well-margined beautifully bright ten creates the visual impact of a full Gem example. (225-up)
- 1532 **Fr. 1173 \$10 1922 Very Choice New.** This nice, natural Speelman-White example, with its dark clear inking and perfect paper quality, is a Gem except for the margins. (600-up)
- 1533 **Fr. 1173 \$10 1922 New.** Uncirculated, but with some wrinkles due to handling. (350-up)
- 1534 **Fr. 1173 \$10 1922 Choice About New.** Beautifully bright and strictly original. (325-up)
- 1535 **Fr. 1173 \$10 1922 Choice About New.** Bright, fresh and original. (325-up)

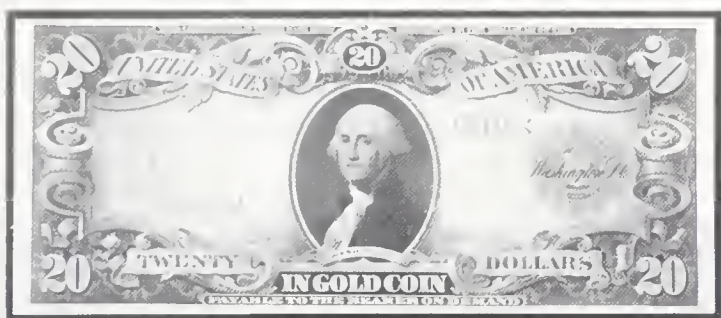

- 1536 **Fr. 1173 \$10 1922 About New.** The extreme sharpness of the printing gives the portrait that desirable lifelike effect. (300-up)
- 1537 **Fr. 1173 \$10 1922 About New.** One light fold away from Gem New. (300-up)

- 1538 **Fr. 1173 \$10 1922 Choice Extra Fine.** Fresh, well margined and fully original. (225-up)

- 1539 **Fr. 1173 \$10 1922 Extra Fine.** A bit closely trimmed at the bottom, but bright and strictly original. (200-up)
- 1540 **Fr. 1173 \$10 1922 Extra Fine.** A tiny repaired tear in the top margin is this nice, original note's only defect. (175-up)
- 1541 **Fr. 1173 \$10 1922 Very Fine-Extra Fine.** Three hard folds and a handful of other minor calling cards left by circulation. (150-up)
- 1542 **Fr. 1173 \$10 1922 Choice Very Fine.** Bright and strictly original. (125-up)
- 1543 **Fr. 1173 \$10 1922 Very Fine.** (100-up)
- 1544 **Fr. 1173 \$10 1922 Fine-Very Fine.** Problem-free and strictly original. (90-up)
- 1545 **Fr. 1173a \$10 1922 Choice Extra Fine.** This very well-margined, bright and strictly original example is the scarcer variety with the small serial numbers. (250-up)
- 1546 **Fr. 1178 \$20 1882 Very Fine.** Well margined all around, with excellent colors and no defects. (900-up)

Gem Technicolor Twenty

- 1547 **Fr. 1180 \$20 1905 Superb Gem New.** This Technicolor Twenty is broadly margined and beautifully bright. The colors of the paper and inks are nothing short of spectacular, and the eye appeal as well as the technical merits of this beauty are at the very top of their scale. There never seem to be enough high-end examples of this type to satisfy the wants of the active collector community. The original embossing is plainly evident, which adds a final touch of perfection and an affirmation of originality to this superlative note. (12,000-up)
- 1548 **Fr. 1180 \$20 1905 Fine.** Evenly circulated and quite attractive, with the ink colors of both the face and the back still strong and bright, the note's only flaw is a grouping of rust spots at the top center on both sides. They're rather minor on the face and a bit more extensive on the back. In the hands of a skilled restorer, the value of this nice Technicolor Twenty would increase considerably. (750-up)

- 1549 **Fr. 1182 \$20 1906 Fine.** Honest circulation only on this more-common number. (100-up)
- 1550 **Fr. 1186 \$20 1906 Extra Fine.** Unfortunately, the paper is soft. (300-up)

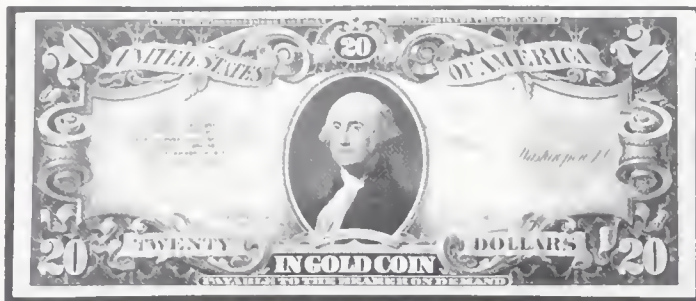

Superb Gem Fr. 1187 Cut Sheet

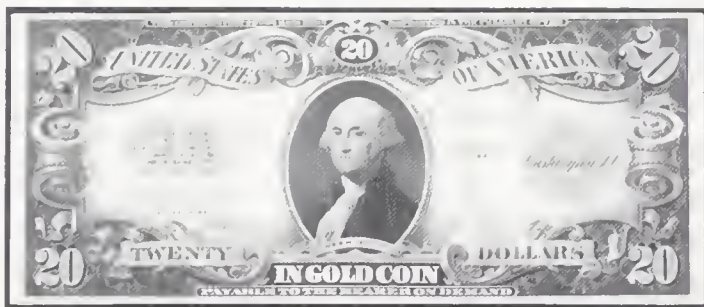

- 1551 **Fr. 1187 \$20 1922 Cut Sheet of Four Superb Gem New.** This utterly Superb cut sheet is comprised of four individual notes that would each be memorable on their own. The margins are unusually broad for the issue, and the centering of all notes is micrometer perfect on all four sides. Add to that the brightest colors of paper and inks that could possibly exist, purely original surfaces with deep embossing and bold, razor sharp printing quality. This outstanding cut sheet would enhance the most advanced of collections and is likely destined to bring a runaway price. (4 pieces) (7000-up)

- 1552 **Fr. 1187 \$20 1922 Gem New.** This is a fresh, clean, colorful Gem with original embossing and inks that are both deeply applied and pinpoint sharp. (1500-up)
- 1553 **Fr. 1187 \$20 1922 About New.** Bright, fresh and original, a Gem but for a center fold. (450-up)

- 1554 **Fr. 1187 \$20 1922 About New.** The embossing on this twenty looks, in places, as if it has been etched by a diamond. (450-up)
- 1555 **Fr. 1187 \$20 1922 Choice Extra Fine.** A beautifully margined, fully bright, strictly original Extra Fine. This is as nice an example for the grade as could exist. (300-up)
- 1556 **Fr. 1187 \$20 1922 Extra Fine.** A nice, colorful three-folds Extra Fine of this one-number issue. A Gold Note for type that won't make the collector compromise his budget. (250-up)
- 1557 **Fr. 1187 \$20 1922 Extra Fine.** (250-up)
- 1558 **Fr. 1187 \$20 1922 Extra Fine.** This very well-margined, essentially About New note is coated with some strange substance that has smeared the ink slightly on the face of the note. (200-up)

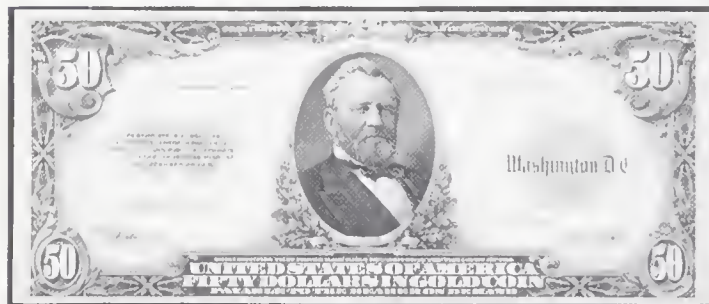

- 1559 **Fr. 1187 \$20 1922 Very Fine-Extra Fine.** The black ink is tremendously sharp, but the condition of the colors is commensurate with VF. (200-up)
- 1560 **Fr. 1187 \$20 1922 Choice Very Fine.** (200-up)
- 1561 **Fr. 1187 \$20 1922 Very Fine.** (175-up)
- 1562 **Fr. 1197 \$50 1882 Fine.** This circulated 1882 fifty is from the earliest run of the Gold Certificates, which the U.S. government guaranteed were redeemable for gold and which were to be in circulation for a half-century that would sire electricity, the automobile, the airplane... (700-up)

- 1563 **Fr. 1200 \$50 1922 Superb Gem New.** With its sharp printing, incredibly broad even margins, and perfectly bright colors, the eye appeal of this gold fifty is extraordinary. (4000-up)
- 1564 **Fr. 1200 \$50 1922 Fine+.** There are some pinholes and the back is a bit of a mess. (350-up)
- 1565 **Fr. 1200 \$50 1922 About Fine.** Wonderfully intact. The back is dirty, albeit evenly so, hence the "About" qualifier. (375-up)
- 1566 **Fr. 1200a \$50 1922 Choice Very Fine.** A nice, bright example of this popular type. (600-up)

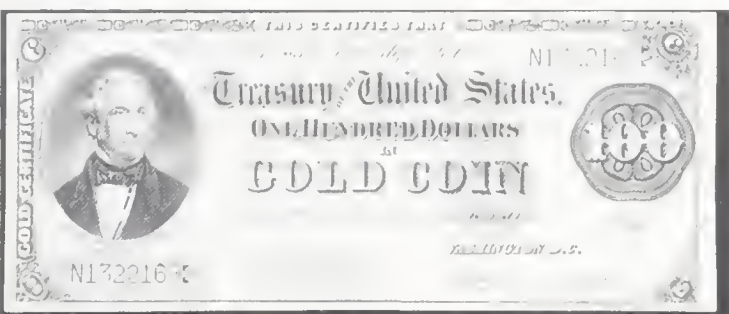

- 1567 **Small Serial Numbers Fr. 1200a \$50 1922 Very Fine-Extra Fine.** This is the tougher, more desirable variety, offered here in the middle of the grade range. (800-up)

1568 **Fr. 1207 \$100 1882 Gem New.** This newly discovered note brings the number of total known pieces up to thirteen, five of which are permanently impounded in government hands. Of the remaining eight, only one grades better than Very Fine, that being the Choice About New piece from the Cookson Collection which we sold for just over \$9000 in our Orlando sale last January. This piece has broad, even margins, impeccable colors and beautiful paper surfaces. It's the visual equal to that magnificent piece, but *this* piece has the technical grade to go along with the outstanding appearance. Seldom does a newly discovered note go right to the top of the census for grade, but this truly rare note does just that. (12,500-up)

1569 **Fr. 1215 \$100 1922 Choice About New.** Broadly margined, very bright and with the appearance of a perfect gem unless examined extremely closely. (2000-up)

1570 **Fr. 1215 \$100 1922 Extra Fine.** Extremely well margined, with bright paper and full ink colors both face and back. (1100-up)

1571 **Fr. 1215 \$100 1922.** The paper has begun to pick up dirt over the decades and the top margin is a little rough, but to this **About Very Fine** note's credit, the red, gold and orange are very vivid. (550-up)

1572 **Fr. 1215 \$100 1922 Very Good.** A high-end Very Good example of this common \$100 Gold number; ideal for type, though the back is a little dirty. (400-up)

1573 **Fr. 1225 \$10,000 1900 New.** This is a strictly uncirculated example of this popular canceled, unredeemable high-denomination Gold Note. The surfaces are fully original and the top half of the note is pristine. The bottom half, both face and back, is lightly aged and water stained. (1000-up)

1574 **Fr. 1225 \$10,000 1900 New.** A deeply embossed, absolutely uncirculated example of this unredeemable high-denomination Gold Note. It would be a perfect Gem but for some aging across the bottom. (1000-up)

- 1576 **Fr. 1225 \$10,000 1900 Extra Fine.** The note has eight hole cancels as well as a crosscut cancel, and the paper is somewhat aged. (600-up)

ARIZONA

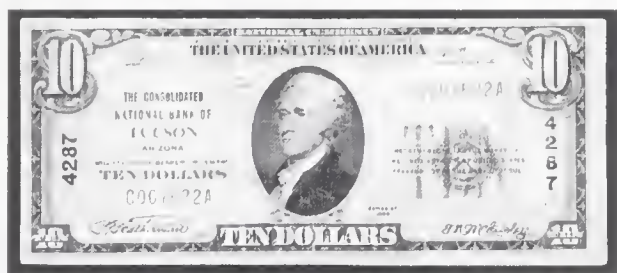

1593 Phoenix - \$10.00 1902 Fr. 628 The Phoenix NB Ch. # 4729

This is probably the single most difficult state to obtain in large size, as the small supply of these notes has long been exhausted by collectors wishing to complete state sets. **About Fine**, with clear signatures. (800-1400)

1594 Phoenix - \$10.00 1902 Fr. 628 The Phoenix NB Ch. # 4729

ARKANSAS

1597 Fort Smith - \$20.00 Ty. 2 The First NB Ch. # 1950

Very Fine. (75-100)

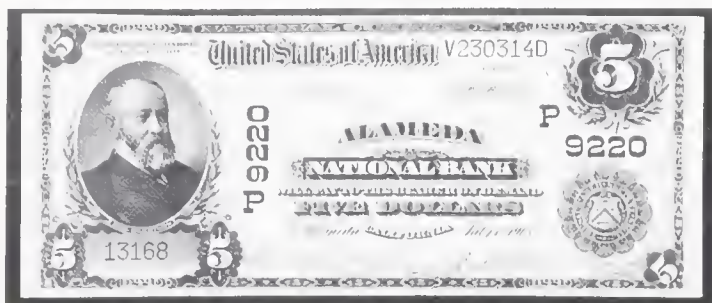

1598 Pine Bluff - \$10.00 1902 Fr. 632 The NB of Arkansas at Pine Bluff Ch. # 10768

An extremely scarce Pine Bluff bank with only a literal handful of large notes extant in the Kelly census, corroborated by our records indicating only six offerings from here of any kind, large or small, in over 50 years. Evenly circulated **About Fine**, with clear green signatures. (600-900)

CALIFORNIA

Selections From the William Litt Collection of California National Bank Notes

We are pleased to offer below selections from the extensive California collection of our friend and colleague Bill Litt. Bill has been a serious collector of California National Bank Notes since the late 1970's and we are honored to have been chosen by him to disperse the material offered here for your consideration.

1599 Alameda - \$5.00 1902 Fr. 600 Alameda NB Ch. # (P)9220

An extremely scarce bank with only five notes listed in the census, with this example the best by a huge margin. This bank was absent from both the Colver and Krakover collection offerings, with the last public offering of any kind from here coming on a 1987 fixed price list. **Extremely Fine.** (1250-1750)

1603 Alameda - \$5.00 Ty. 1 The Commercial NB Ch. # 11942

The companion piece in small size from the Litt collection, and again the finest of any recorded in the census. **Very Fine-Extremely Fine.** (250-450)

1604 Alameda - \$5.00 Ty. 2 The Commercial NB Ch. # 11942

Fine, the bottom margin trimmed a bit close. (150-250)

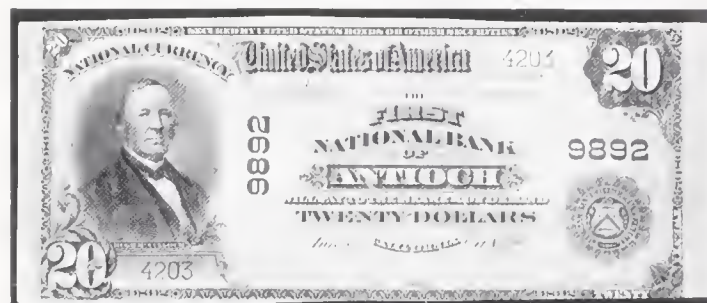

1600 Alameda - \$5.00 1902 Fr. 602 The Citizens NB Ch. # 10150

A **Fine-Very Fine** example. (200-400)

1601 Alameda - \$5.00 1902 The Citizens NB Ch. # (P)10150

Ex-Philip Krakover collection sale, lot 10. This is the variety with the regional letter. **Very Good.** (150-200)

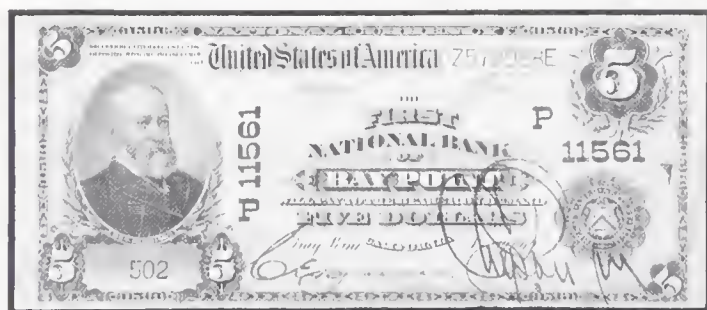

1605 Antioch - \$20.00 1902 Fr. 653 The First NB Ch. # 9892

A very rare Contra Costa County example, one of only five large notes recorded from here in the census. Don't expect very many more, as there was a mere \$540 outstanding in large notes from here in 1935. Nice **Fine**, ex-Krakover sale, lot 19. (1000-2000)

1602 Alameda - \$5.00 1902 Fr. 607 The Commercial NB Ch. # 11942

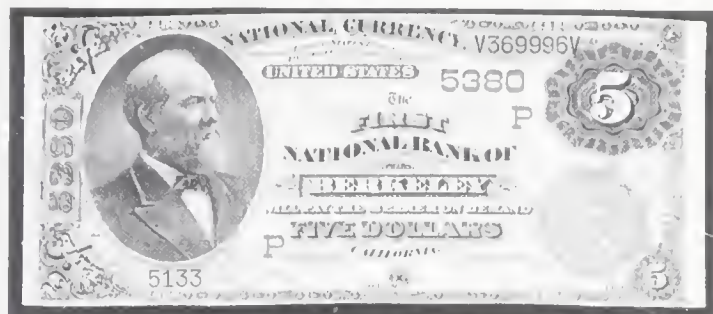

This example from the Litt collection is the finest of all large notes recorded in the census. **Very Fine-Extremely Fine.** (450-750)

1606 Bay Point - \$5.00 1902 Fr. 607 The First NB Ch. # (P)11561

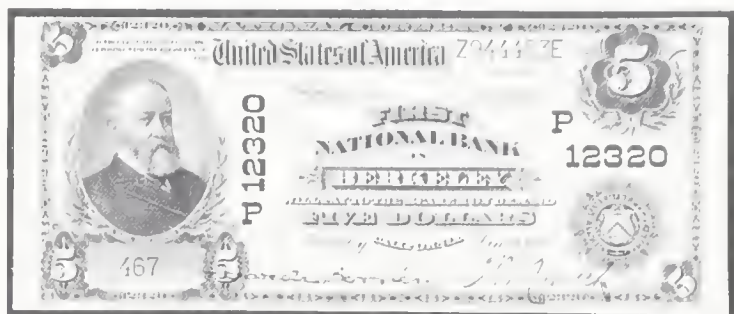

Only two notes are known from this bank, which issued large notes only and had but \$350 outstanding at its close in 1932. This is the Colver specimen, which brought \$4675 back in May. We see no reason whatever that this pen signed **Fine** rarity will not bring a similar amount in this auction appearance. (4000-6000)

1607 Berkeley - \$5.00 1882 Fr. 477 The First NB Ch. # (P)5380

Although 11 large notes are known from here, this is a very difficult bank to obtain, as there have been only five offerings of any kind from here at public sale in the past 50 years. Expect this attractive **Very Fine Brown** Back to see some spirited bidding before the hammer falls. (1500-3000)

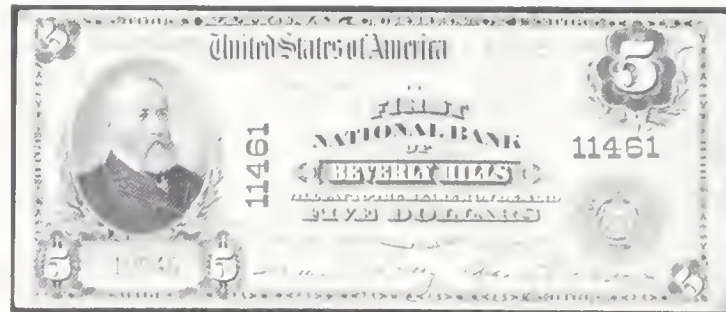

1610 Berkeley - \$5.00 1902 Fr. 609 First NB Ch. # (P)12320

A very high grade example from the last bank chartered in Berkeley to issue. This example, from the Litt holdings, is the first to come on the market since the considerably inferior Krakover specimen was sold in 1990. **Very Fine-Extremely Fine**, a lovely example which is the second finest known note from here. (800-1400)

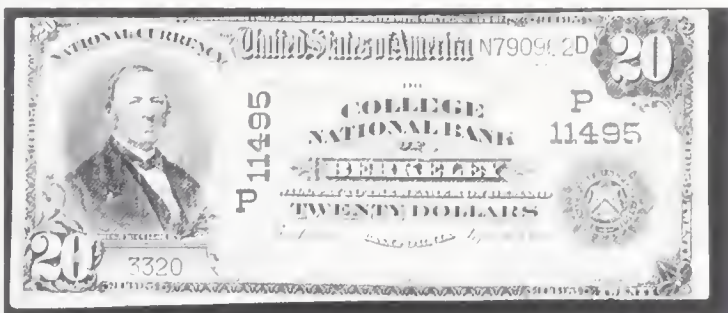

1608 Berkeley - \$10.00 1902 Date Back Fr. 617 Berkeley NB Ch. # (P)7849

Only four notes are known from this very rare Berkeley bank, which issued only Red Seals and Date Backs before the liquidators arrived in 1915. This **Very Good-Fine** example has clear signatures and comes to us from the Litt collection. (1500-2500)

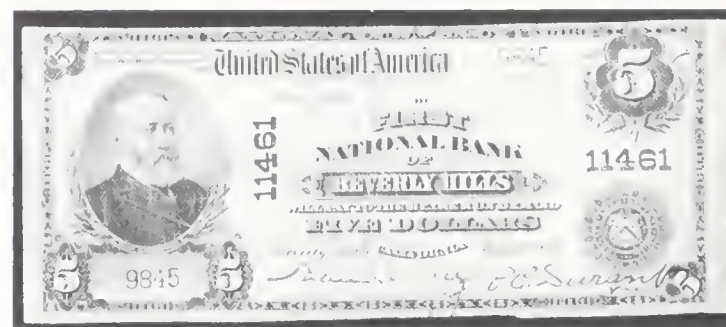

1611 Beverly Hills - \$5.00 1902 Fr. 606 The First NB Ch. # 11461

Not a terribly rare bank, but notes from here are always in demand. Pleasing **Fine-Very Fine** example from the Litt collection. (400-700)

1609 Berkeley - \$20.00 1902 Fr. 658 The College NB Ch. # (P)11495

Not quite so nice as the Colver example from this bank, which realized \$1430, but just as rare, as this bank has had but three appearances at public sale in over five decades. **Very Good-Fine**, with a few pinholes and a couple of minor margin splits. (750-1250)

1612 Beverly Hills - \$5.00 1902 Fr. 607 The First NB Ch. # 11461

The much scarcer early issue without the engraved officer's signatures. **Very Good+**. (250-450)

1613 Beverly Hills - \$5.00 Ty. 1 The First NB Ch. # 11461

Evenly circulated **Very Good-Fine**, with a small teller stamp. (200-400)

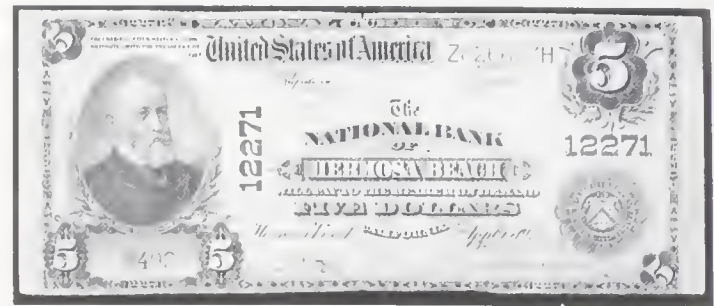

1614 Corona - \$10.00 Ty. 2 The First NB Ch. # 7867

A nice Type 2 example **Very Fine** (150-200)

1615 **Crockett** - \$5.00 1902 Fr. 606 **The First NB Ch. # (P)11326**

Despite his best instincts, our friend Bill Litt, like Charley Colver and others before him, was induced to buy one of these so-called "zombie" notes, one of a group of hideously vermin eaten notes taken from a wall in northern California. We offer this treasure, grading **Poor**, without a return privilege, and with the warning that if you buy this lot, you own it, as we don't ever want to see it again **Poor** (50-100)

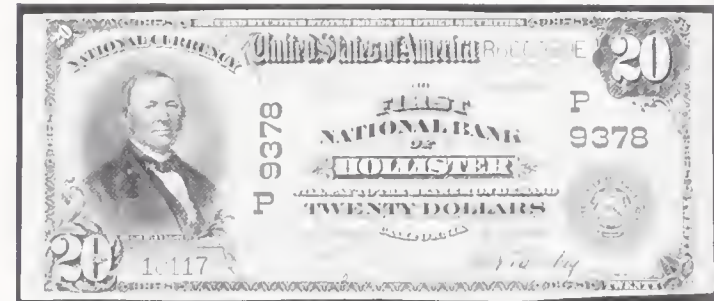

1619 **Hermosa Beach** - \$5.00 1902 Fr. 609 **The NB of Hermosa Beach Ch. # 12271**

This was the sole example Bill Litt could find from this avidly collected location. The Colver example, considerably higher grade, fetched \$3300. Expect this more than acceptable **Fine** specimen to see bidding reach or exceed... (1250-1750)

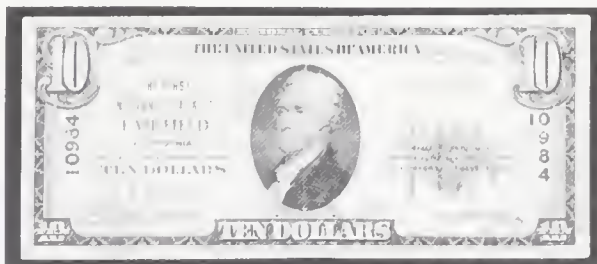

1616 **Dixon** - \$5.00 1902 Fr. 602 **The First NB Ch. # 10120**

An excessively rare Solano County bank in large size, with only two examples reported in the census. Of those two pieces, one grades "Poor," with pieces missing, and the other grades "Good." Although hardly a thing of beauty, this example may well be the finest of the now three specimens known in large size from here. With the last public offering of any kind coming in the 1990 Krakover sale, this may be the best available for years to come as well. Well circulated but intact **Very Good**, with some rust spots which really do not seriously detract. (1750-3250)

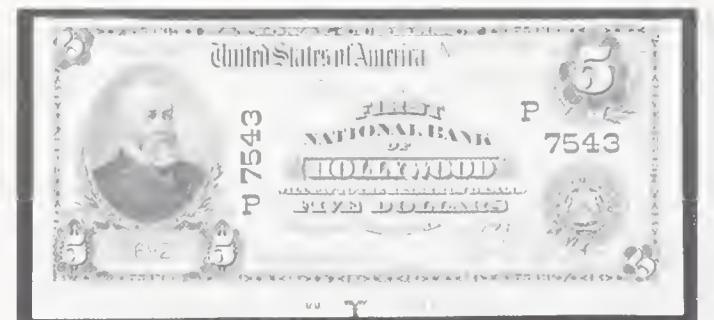

1620 **Hollister** - \$20.00 1902 Fr. 652 **The First NB Ch. # (P)9378**

A lovely note which is one of the treasures of the Litt offering. This was the sole issuing location in San Benito County, and was missing from both the Krakover and the Colver collections. In fact, our records indicate that there has only been one offering of any kind from this bank, an auction appearance almost a decade ago. Pen signed **Very Fine**, difficult to estimate but likely to see bidding reach or exceed.. (2750-4250)

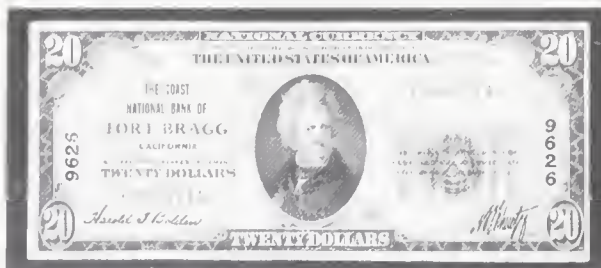

1617 **Fairfield** - \$10.00 Ty. 1 **The First NB Ch. # 10984**

Although chartered in 1917, this Solano County bank issued Series 1929 examples only. Eight pieces are listed in the census, with the Colver example, about a half a grade higher than this, realizing \$605. **Very Good-Fine**. (300-500)

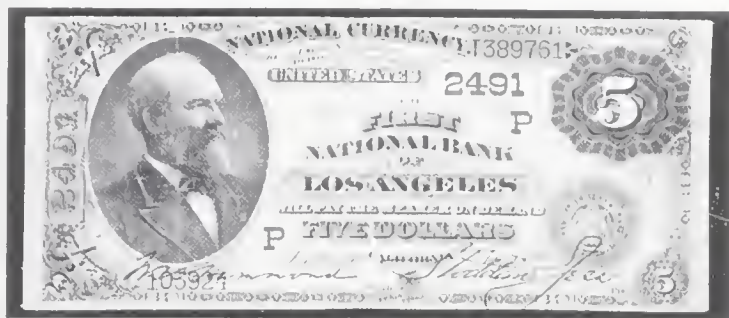

1621 **Hollywood** - \$5.00 1902 Fr. 598 **The First NB Ch. # (P)7543**

Another treasure from the Litt collection. Although the census lists six examples, the offering in the Colver sale represented the first appearance ever of any note from this bank at public sale. Charley's note was laminated, and still brought an amazing \$1650. The note we offer here is the polar opposite of Charley's. It is a spectacularly pretty note, pen signed and with blazing colors, and the bottom note of a sheet which has somehow retained its full bottom selvage. **Choice About Uncirculated**, impossible to estimate as the market simply has a mind of its own when it comes to great California notes, but our best guess is. (6000-9000)

1618 **Fort Bragg** - \$20.00 Ty. 1 **The Coast NB Ch. # 9626**

This scarce Mendocino County bank was represented by a high grade example in the Colver collection which brought \$1760. **Fine**, likely to bring less, but still in the range of (500-800)

- 1622 Los Angeles - \$5.00 1882 Value Back Fr. 574 The First NB Ch. # (P)2491

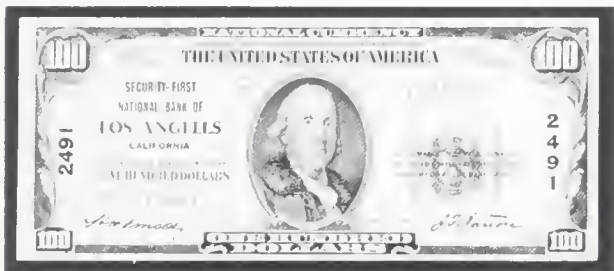

Evenly circulated example of this better type. **Fine**. (250-450)

- 1623 Los Angeles - \$20.00 1902 Fr. 659 The First NB Ch. # (P)2491

Pleasing **Very Fine** example with strong jet-black signatures. (150-200)

- 1624 Los Angeles - \$50.00 Ty. 1 Security-First NB Ch. # 2491

About Uncirculated but poorly trimmed, with the bottom margin intruding into the design. (125-175)

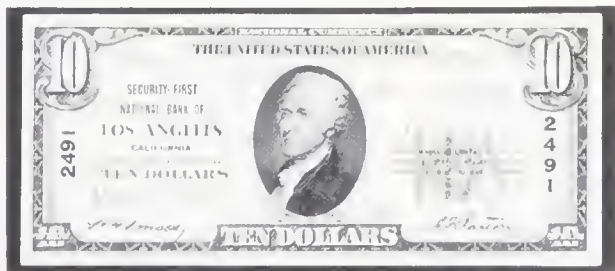

- 1625 Los Angeles - \$100.00 Ty. 1 Security-First NB Ch. # 2491

A nice high grade example of this scarcer denomination. **Extremely Fine-About Uncirculated**. (225-375)

- 1626 Los Angeles - \$100.00 Ty. 1 Security-First NB Ch. # 2491

Another nice example of this elusive denomination. **Very Fine-Extremely Fine**, cut just a bit tight at the top. (150-200)

- 1627 Los Angeles - \$10.00 Ty. 2 Security-First NB Ch. # 2491

Nicely centered **Crisp Uncirculated**, with just a bit too much handling for a higher grade. (125-175)

- 1628 Los Angeles - \$10.00 1902 Fr. 633 First NB Ch. # (P)2491 **Fine+**

\$5.00 Ty. 1, \$10.00 Ty. 1 Security First NB Ch. # 2491 **VG+**, **F-VF**

Three pieces. (120-160)

- 1629 Los Angeles - \$20.00 1902 Fr. 651 The Merchants NB Ch. # 3538 **Fine**

\$20.00 1902 Fr. 651 Merchants NT & SB Ch. # 3538 **Fine+**

A nice matched pair bearing both of the titles used for this bank's blue seal issue. (225-275)

- 1630 Los Angeles - \$50.00 1902 Fr. 683 The Citizens NB Ch. # 5927

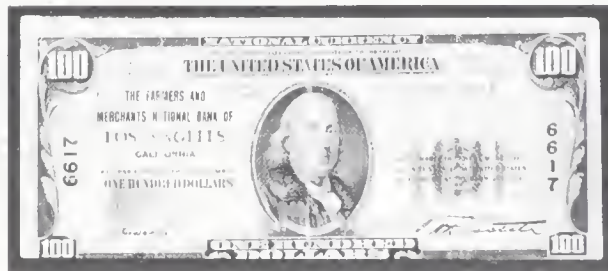

A rare note, as this is the only example of this denomination reported to date bearing the first title used by the bank. **Fine-Very Fine**, a bit close at the bottom (750-1250)

- 1631 Los Angeles - \$10.00 Ty. 1, \$10.00 Ty. 2, \$100.00 Ty. 1 Citizens NT & SB Ch. # 5927

Three pieces, grading **Fine+**, **Fine**, and **Very Good-Fine** respectively, the Type 2 somewhat scarcer. (200-250)

- 1632 Los Angeles - \$5.00 1902 Fr. 598 The Farmers & Merchants NB Ch. # 6617

Lightly circulated **Extremely Fine+**. (150-200)

- 1633 Los Angeles - \$100.00 Ty. 1 The Farmers & Merchants NB Ch. # 6617

Not beautiful, but very scarce, as only two other Series 1929 hundreds are listed in the census from here **Fine**, with a bit of writing and poorly cut. (225-325)

1634 Los Angeles - \$20.00 1902 Fr. 650 Commercial NB Ch. # 6864 Fine

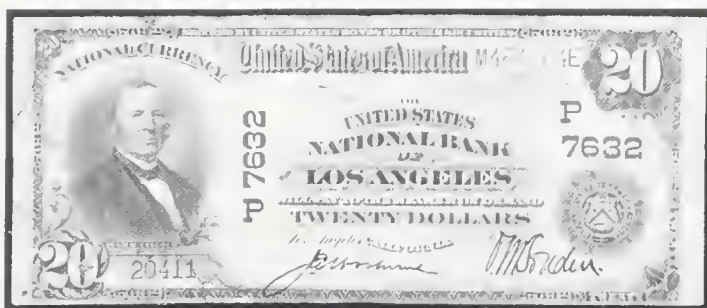

\$10.00 1902 Fr. 624 Commercial NT & SB Ch. # 6864 VG

1635 Los Angeles - \$5.00 1902 Fr. 598 The United States NB Ch. # (P)7632

1636 Los Angeles - \$20.00 1902 Fr. 650 The United States NB Ch. # (P)7632

Part of the Daryl Crotts collection of forbidden titles. **Very Good+**, from a bank which issued large notes only. (125-225)

1640 Los Angeles - \$5.00 1902 Fr. 609 The NB of Commerce Ch. # 12755

This is the finest of the nine large notes extant with this title. **Choice Extremely Fine**, ex-Colver collection lot 1878, where it brought \$660. (500-700)

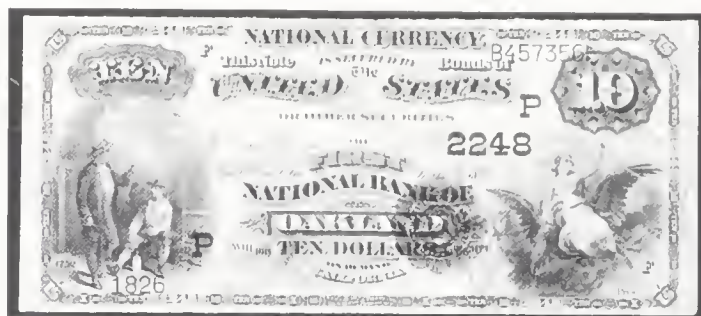

1644 Martinez - \$5.00 1902 Fr. 600 The First NB of Contra Costa County Ch. # (P)8692

Large notes only from this rare Contra Costa County bank, with only six notes listed in the census. There have been no offerings from here since 1991, when this ex-Krakover note was added to the Litt holdings. **Very Good** (900-1500)

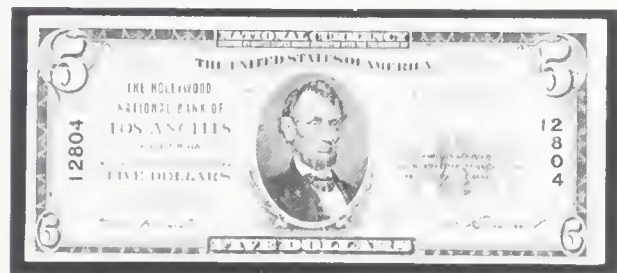

1641 Los Angeles - \$10.00 Ty. 1 The NB of Commerce Ch. # 12755

Type ones only in small size from this bank, with only three such examples reported to date. The Colver example, which was a hair lower grade than this piece from the Litt collection, brought \$660. Expect this **Very Fine** example to bring that or a bit more. (500-700)

1645 Oakland - \$10.00 1882 Date Back Fr. 542 The First NB Ch. # (P)2248

A very scarce Oakland type, with this example the sole \$10.00 Date Back recorded in the census. **About Fine**. (400-800)

1642 Los Angeles - \$5.00 Ty. 1 The Hollywood NB Ch. # 12804

Not a particularly rare bank, but always popular due to its distinctive nomenclature. **Fine**. (125-225)

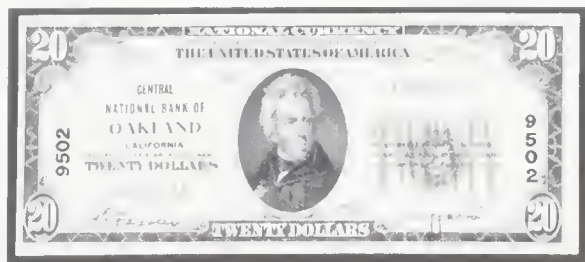

1647 Oakland - \$50.00 1902 Date Back Fr. 669 Central NB Ch. # (P)9502

A very handsome \$50.00 example. **Fine-Very Fine**, with a small penned "x" on the front and one tiny split at the top. (600-900)

Fine, cut close, **Fine**, **Fine+**.
 Three pieces. (200-300)

1649 **Oakland** - \$20.00 Ty. 1 Central NB Ch. # 9502

The nicest Series 1929 example reported from Oakland by a considerable margin. **Choice Crisp Uncirculated**. (175-275)

1650 **Oakland** - \$10.00 1902 Fr. 635 First NB Ch. # 12665

1651 **Oakland** - \$50.00 1902 Fr. 685 First NB Ch. # 12665

 Total five pieces (225-275)

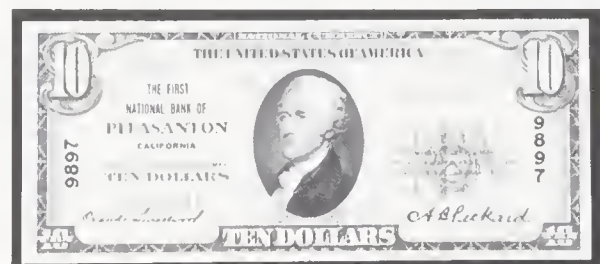

1654 **Paso Robles** - \$20.00 1902 Fr. 661 First NB Ch. # 12172

A very rare bank in large size, with a total of only five large examples reported to date, one with the first title and four with this title. This note has had some restoration, and has the appearance of a **Fine** example. Despite its problems, it's certainly rare enough to see bidding reach or exceed... (600-1000)

1655 **Pleasanton** - \$5.00 1902 Fr. 601 The First NB Ch. # 9897

This excessively rare note is one of two large examples known from this one bank community. Only \$930 was outstanding from here in large notes in 1935. This piece was the Colver specimen, where it brought a most respectable \$4675. Expect this nice **Fine** to bring that or more at this sale as well. (3500-5500)

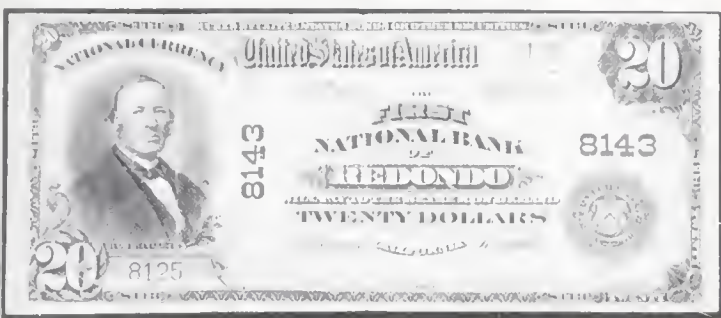

1656 **Pleasanton** - \$10.00 Ty. 1 The First NB Ch. # 9897

Here's a worthy companion to the large note from Pleasanton offered above. This is an absolutely lovely serial number 1 example, with huge margins, bright white paper, and perfect colors. There is one old sheet fold in the bottom margin, but to call this superb example anything less than **Gem Crisp Uncirculated** would be a total travesty. (1200-1800)

1657 Redondo - \$20.00 1902 Fr. 651 The First NB Ch. # 8143

Nice **Fine** example from this avidly collected community. (600-900)

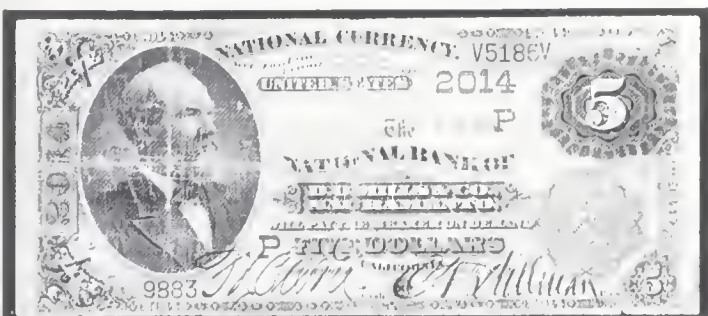

658 Richmond - \$10.00 1902 Fr. 635 First NB Ch. # 12341

This example from the Litt collection is as nice as any large note we've seen or heard of from this bank. Nice **Fine**, with sharp purple signatures. (500-800)

659 Richmond - \$20.00 Ty. 1 First NB Ch. # 12341

A far more typical example from this bank. **Fine**. (250-450)

660 Sacramento - \$5.00 1882 Fr. 472 The NB of D.O. Mills & Co. Ch. # (P)2014

A very scarce Brown Back from California's capital, as National Gold bank notes from this institution are actually far more numerous than Brown Backs. **Very Good**, with a few minor splits and petty holes. (450-850)

1661 Sacramento - \$5.00 1902 Dates Fr. 591, \$10.00 1902 Fr. 626 The California NB Ch. # (P)8504

Two pieces, the Date Back well circulated **Very Good**, the \$10.00 **Very Good-Fine**. (125-175)

1662 Sacramento - \$20.00 Ty. 1 (2) The California NB Ch. # 8504

Two pieces, the first a lovely **Extremely Fine-About Uncirculated**, the latter **Fine**. (150-200)

1663 Sacramento - \$5.00 1902 Fr. 602 The Capital NB Ch. # (P)10107

Pleasing **Fine+** example from this bank, which, although not rare, hardly ever comes in really high grade. (125-175)

1664 Sacramento - \$5.00 1902 Fr. 602 The Capital NB Ch. # 10107

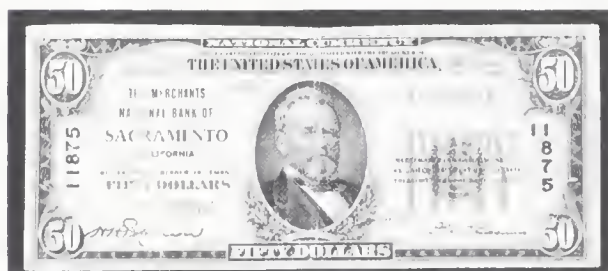

Variety without the regional letter, and almost a carbon copy of the example offered above. **Fine-Very Fine**. (125-175)

1665 Sacramento - \$50.00 1902 Fr. 683 The Merchants NB Ch. # 11875

A very scarce denomination from here, although this note is no thing of beauty. **Very Good**, with a few splits and some minor writing on the face, which really does not detract. Somewhat unusually, the cashier's signature is stamped upside down. (500-800)

1666 Sacramento - \$20.00 Ty. 1 (2) The Merchants NB Ch. # 11875

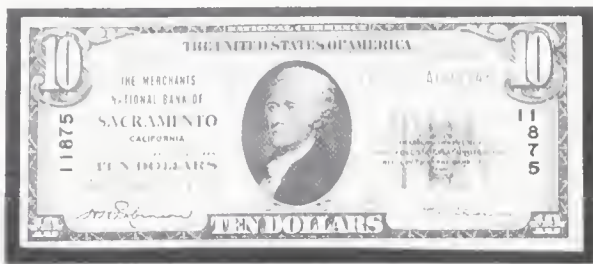

Two pieces, one with each of the two typefaces used on Series 1929 examples by this bank. **Fine, Very Good-Fine**. (200-250)

1667 Sacramento - \$50.00 Ty. 1 The Merchants NB Ch. # 11875

A very scarce denomination in small size from here, with the census listing only one example **Fine**, with a bit of ink on the left side. (250-450)

**DUPLICATES? CONSIGN THEM TO

1668 Sacramento - \$10.00 Ty. 2 The Merchants NB Ch. # 11875

Perhaps it is a statistical aberration, but the census lists 16 known small notes from this bank, only two of which are Type 2 examples. This is by a large margin the finer of the two. **Very Fine.** (175-350)

1671 San Francisco - \$5.00 Original National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

Evenly circulated **Very Good**, with no problems save for honest circulation, and retaining considerable brightness for the grade. (800-1000)

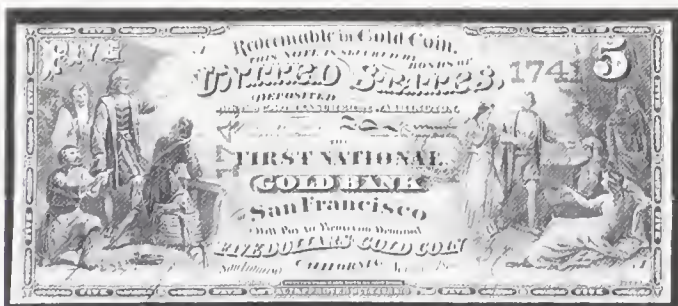

1669 San Diego - \$5.00 1902 Fr. 604 The United States NB Ch. # (P)10391

A much nicer large example than is usually seen from this most desirable San Diego bank. Nice **Fine++**, from the Crotts collection of forbidden titles. (600-1200)

1672 San Francisco - \$5.00 Original National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

Unusually bright, particularly on the face, but with several of the usual small repairs that accompany most of these notes. **Very Good.** (750-950)

1670 San Francisco - \$5.00 Original National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

An incredibly above-average National Gold Bank Note that is one of the very finest we have ever had the pleasure of handling. The colors and paper quality are just about as nice as these ever come, and the overall appearance is certain to please even the most discerning of collectors. Although this note was graded **Extremely Fine** the last time it was publicly offered, we are going to be conservative and call it **Very Fine-Extremely Fine**. Whatever the technical grade, however, few if any National Gold Bank Notes offered in the last decade even come close to the appeal of this lovely example. (4500-6500)

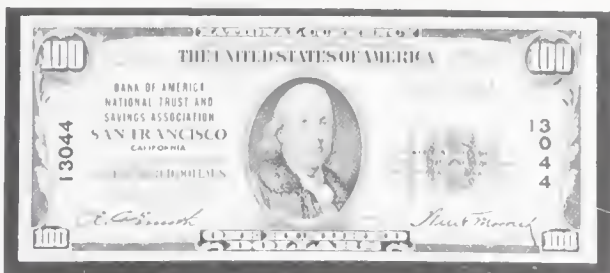

1673 San Francisco - \$20.00 1902 Date Back Fr. 645 The Bank of California NA Ch. # (P)9655

A beautiful example of this scarce type. Crackling fresh and fully embossed, a gem but for its close top margin. **Choice Crisp Uncirculated.** (350-550)

Small notes only from this bank. **Very Good.** (200-300)

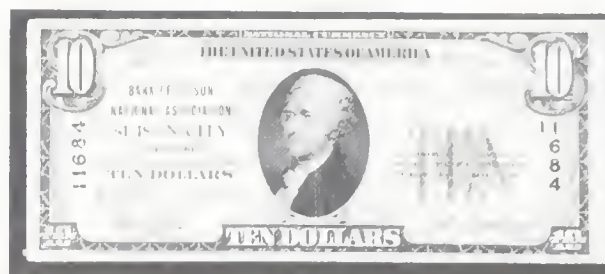

- 1676 San Leandro - \$20.00 Ty. 1 First NB Ch. # 13217

A bit nicer in grade than the \$10.00 and in fact virtually identical to the Colver example, which fetched \$385.00 in May. **Fine.** (250-450)

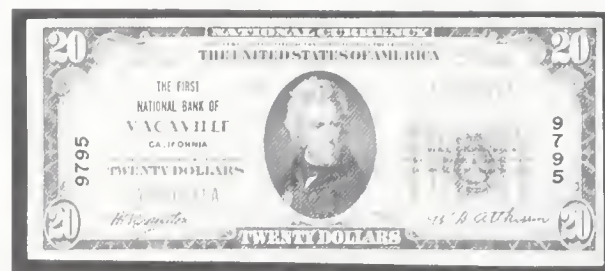

- 1677 Sebastopol - \$20.00 Ty. 1 The Sebastopol NB Ch. # 11161

At least a full grade better than the Colver example, which brought \$907.50. Expect the same or a bit more for this example from Bill Litt's collection. **Very Fine.** (800-1100)

- 1678 Suisun City - \$10.00 Ty. 2 Bank of Suisun N.A. Ch. # 11684

- 1679 Vacaville - \$20.00 Ty. 1 The First NB Ch. # 9795

The nicest of the few small notes from here in the census by at least a grade and a half. **Very Fine.** (600-900)

- 1680 Vallejo - \$5.00 1902 Fr. 600 The First NB Ch. # (P)9573

Cut quite poorly, but significantly better than the example from this bank which we sold in our last sale for \$605.00. **Very Fine.** (600-900)

- 1681 Vallejo - \$5.00 1902 Fr. 606 The Vallejo Commercial NB Ch. # (P)11206

Large notes only from this rare Solano County bank, with this either the second or third finest known. Our records indicate a total of only four offerings from this bank over the past 50-plus years, the last coming back in 1992. **Nice Fine+**, another good note from the Litt collection. (1000-1500)

1683 Wilmington - \$5.00 1902 Date Back Fr. 592 The First NB Ch. # (P)9515

The single note in the Colver sale, although a bit higher grade, brought \$3300. This piece, from the Litt collection, grades **Very Good**, with a couple of minor margin nicks at the top margin. Expect this example to bring... (1250-1750)

1690 South Norwalk - \$1.00 Original Fr. 380 The First NB Ch. # 502

A very scarce Fairfield County bank which issued First and Second Charters only before liquidating in 1901. The Kelly census reports only five examples known. Bright **Extremely Fine**, but there are some splits and some ink erosion at the signatures. (750-1250)

1692 Stamford - \$10.00 Ty. 1 The First-Stamford NB Ch. # 4

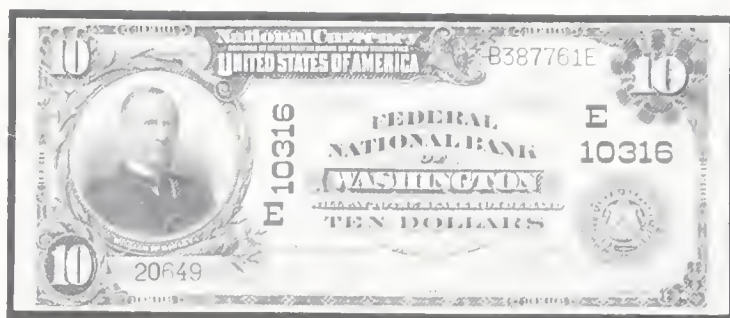

A hugely margined serial number 1 example that is certainly as nice as any small note which could exist from this popular low charter bank. Gem Crisp Uncirculated (700-1100)

1693 Willimantic - \$10.00 Ty. 2 The Windham NB Ch. # 1614

1698 Quitman - \$5.00 Ty. 1 Peoples-First NB Ch. # 7994

The second (and last) title used by this bank. **About Fine**. (150-200)

TERRITORY OF HAWAII

1699 Honolulu - \$10.00 1882 Date Back Fr. 545 The First NB of Hawaii at Honolulu Ch. # (P)5550

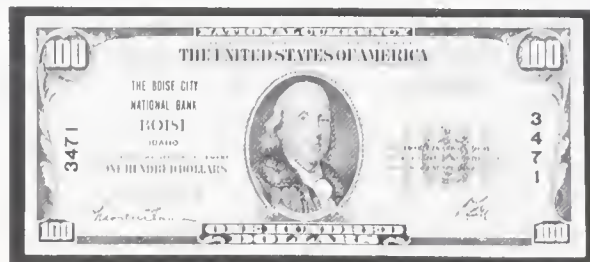

An early Hawaii Territory note that is much nicer than most we've seen from here. Pleasing **Fine-Very Fine**, an important example worthy of a strong bid. (1500-2500)

HAWAII

1700 Honolulu - \$5.00 Ty. 1 Bishop First NB Ch. # 5550

Very Good-Fine example of the only Territorial small size issue. (150-200)

IDAHO

1701 Boise - \$100.00 Ty. 1 The Boise City NB Ch. # 3471

1704 Aurora - \$50.00 Ty. 1 The Merchants NB Ch. # 3854

1707 Carmi - \$5.00 1902 Fr. 605 The First NB Ch # 4934

A nice large size example from this avidly collected community. **Fine**, with clear signatures. (200-300)

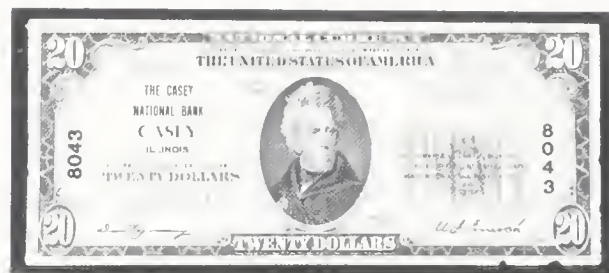

1708 Casey - \$10.00 Ty. 1 The First NB Ch. # 6026

A high grade example from this rather elusive Clark County location. **Very Fine-Extremely Fine** (150-250)

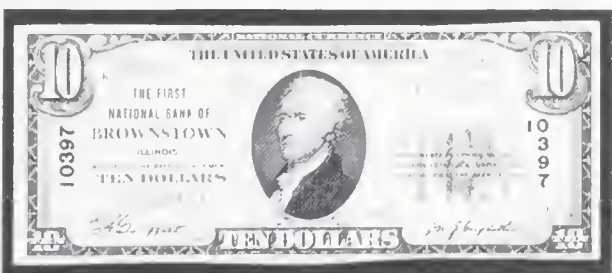

1705 Blue Mound - \$20.00 1902 Fr. 652 The First NB Ch. # (M)9530

We are now up to almost a quarter million entries in our database of Nationals offered at public sale since 1944, and of that number, there has not been one offering of any kind from this bank in that 50+ year period. This small bank in this one bank community issued large notes only before entering receivership in 1926. Nice **Very Fine**, a classic Illinois rarity which will no doubt be the object of spirited competition amongst this state's many serious collectors. (1250-2250)

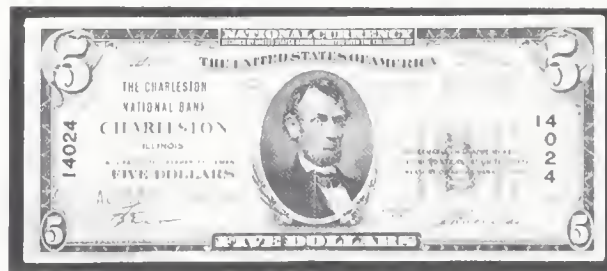

1709 Casey - \$20.00 Ty. 1 The Casey NB Ch. # 8043

Considerably the scarcer of the two available banks from this community (the third issuer from here being unreported). The Kelly census shows only four Series 1929 examples extant from here. **Very Fine**, with a couple of small chips out of the bottom margin. (250-450)

1706 Brownstown - \$10.00 Ty. 1 The First NB Ch. # 10397

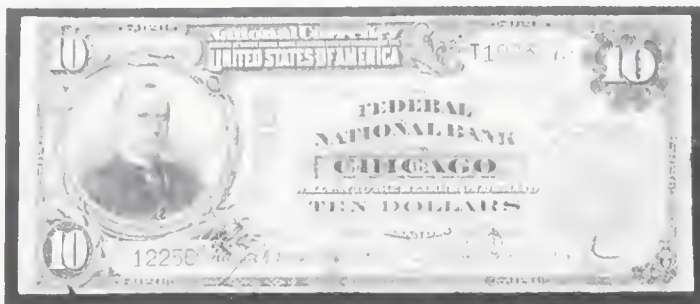

An excessively rare bank which was the only institution in this Fayette County community to issue. The census reports five small notes known (and four large), but our records of close to a quarter million offerings of nationals at public sale covering more than half a century indicate that this is the first public offering of any note from here either at auction or via a fixed price list. **Fine-Very Fine**, a great opportunity for some lucky collector to add a new town to his holdings. (500-1000)

1710 Charleston - \$5.00 Ty. 2 The Charleston NB Ch. # 14024

An exceedingly rare 14000 charter, with only four examples from here recorded in the Kelly census. This is the first we've had to offer in many years. **Fine+**. (450-850)

1711 Chicago - \$10.00 1902 Red Seal Fr. 614 The Federal National Bank Ch. # (M)7926

Red Seals only from this short-lived Chicago bank. The Kelly census shows only three examples reported from here, and our records agree, showing only one appearance at public sale since 1987. **Very Good**, from the Crofts collection of forbidden titles. (400-700)

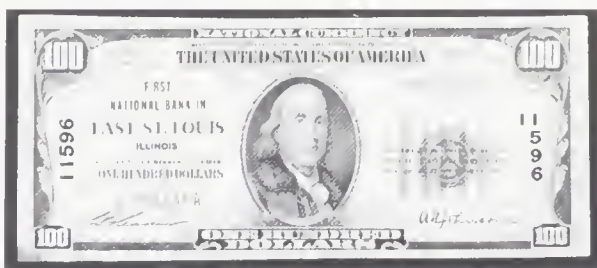

1715 Greenup - \$10.00 1902 Date Back Fr. 617 The Greenup NB Ch. # (M)8115

The first Date Back we've handled from this institution, which is quite scarce in large size, with a mere six such examples listed in the Kelly census. Pen signed **Very Fine**, trimmed just a touch close at the bottom left margin. (350-550)

1712 Chicago - \$5.00 1902 Fr. 606 The West Side NB Ch. # 11009

Gorgeous and fully original, but just a hair too close at the top to merit the gem designation. **Choice Crisp Uncirculated**. (250-450)

1713 East St. Louis - \$100.00 Ty. 1 First NB Ch. # 11596

High denominations only from this bank. **Very Fine+**, with a small ink stain in the bottom margin. (150-250)

1716 Hegewisch - \$5.00-5.00-5.00-5.00 1902 Fr. 600 The Interstate NB Ch. # 8605 Uncut Sheet

This is one of two \$5.00 uncut sheets reported from this small bank, which took its unusual title from its location on the Illinois-Indiana border. While the sheet has clearly seen its share of use, the notes are nice and relatively wear-free, save for the back of one. **Very Fine**. (1000-1500)

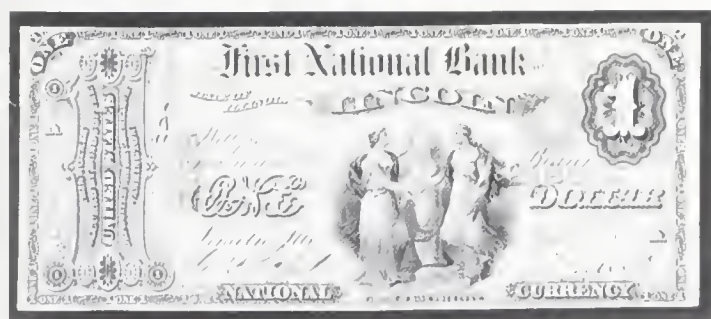

1714 Granite City - \$20.00 1920 Fr. 659 The First NB Ch. # 5433

Attractive large size example with two color signatures from this scarcer suburban St. Louis bank. **Pleasing Fine**. (200-300)

1717 Hegewisch - \$10.00-10.00-10.00-20.00 1902 Fr. 626 652
The Inter State NB Ch. # 8605 Uncut Sheet

This sheet has a bit more wear than the last, with a few holes between the notes. In contrast with the last sheet, all of the notes here are pen signed. **Fine.** (1000-1250)

1718 Lincoln - \$1.00 Original Fr. 382 The First NB Ch. # 2126

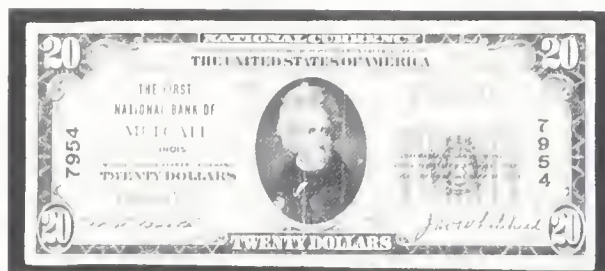

An extremely nice example of this popular type note, removed from the gem designation by the slightest evidence of handling and the close top margin. **Choice Crisp Uncirculated** (1250-1750)

1719 Litchfield - \$20.00 1902 Fr. 652 The First NB Ch. # (M)3962

Decent pen signed **About Fine** example from the earlier of Litchfield's two issuing banks. (125-225)

1720 Mazon - \$5.00 1902 Fr. 602 The First NB Ch. # (M)10186

A tougher bank with only six examples recorded in the Kelly census. **Very Good+**. (200-300)

1722 Monticello - \$10.00 1902 Fr. 620 The First NB Ch. # (M)4826

Evenly circulated, no-problems Date Back with pen signatures of the A. Cashier and V. President. **Fine.** (175-350)

1723 Nashville - \$10.00 Ty. 1 The Farmers & Merchants NB Ch. # 8221

Considerably the scarcer of Nashville's two issuing banks. **About Fine.** (100-150)

1724 Paris - \$10.00 1875 Fr. 416 The First NB Ch. # 1555

Possibly Unique Maine Brown Back

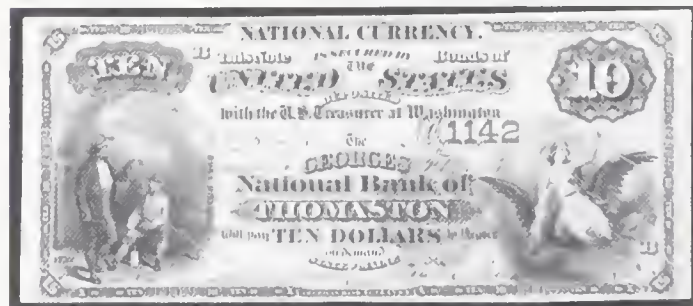

1779 Madison - \$10.00 1882 Fr. 485 The First NB Ch. # 4647

An incredible rarity from the Marblehead collection. This bank, the sole issuer in this obscure interior Maine community, issued Brown Backs only before liquidating in early 1907. The Kelly census shows one example extant, and our records disclose only one public offering of any kind from here, a fixed prize list appearance back in 1976. This is a beautiful note which would be highly desirable even if it weren't so rare, combining deep chocolate brown inks, bold pen signatures, and more than ample margins in one lovely package. **Choice Crisp Uncirculated**, a great Brown Back whose rarity and desirability make any estimate problematical in this current strong market for truly great items. 1781 Thomaston - \$20.00 1882 Fr. 494 The Georges NB Ch. # 1142

An absolute knockout of a note which is the finest \$20.00 Brown Back we've ever seen or heard of from the state of Maine. Broadly margined, vividly colored, and pen signed, this has all the attributes one would hope for in any note. **Gem Crisp Uncirculated**, likely to be a bargain at whatever price it realizes because its equal may well not exist. (2000-3000)

1782 Portland - \$20.00 1875 Fr. 431 The National Traders Bank Ch. # 1451

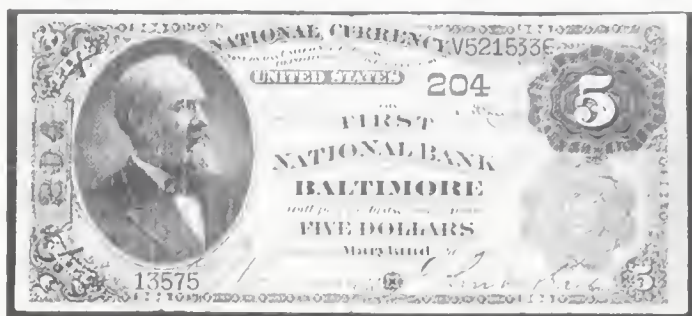

Evenly circulated blue end paper example of this very desirable type. Pleasing **Fine-Very Fine**, with good color and body for the grade. (900-1500)

1783 Portland - \$5.00 1902 Fr. 600 The Portland NB Ch. # 4128

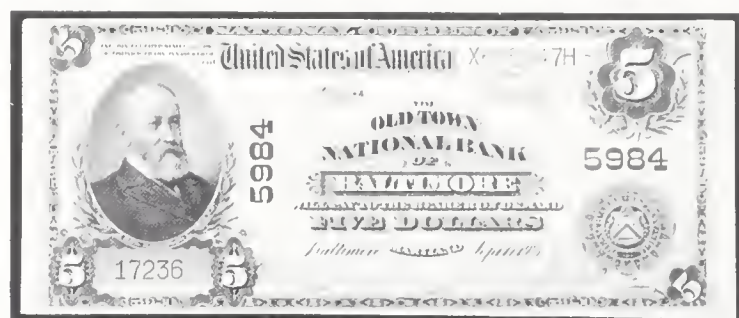

Perfectly margined and as bright as the day it was printed, with only the lightest of handling marks to remove it from the gem category. **Choice Crisp Uncirculated** (300-500)

MARYLAND

1784 Baltimore - \$5.00 1882 Fr. 466 The First NB Ch. # 204

A common enough bank, but very scarce in early notes, with this the only Brown Back we've handled from here. Pen signed **Fine+**. (400-700)

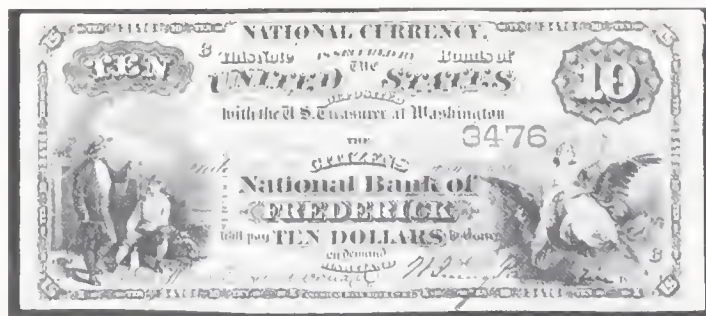

1785 Baltimore - \$5.00 1902 Fr. 608 The Old Town NB Ch. # 5984

A lovely example with full originality and deep embossing. **Choice Crisp Uncirculated**. (250-350)

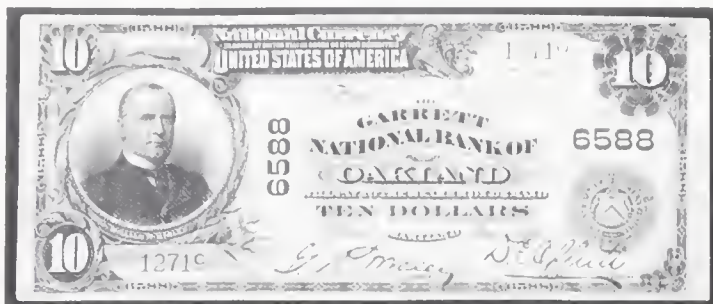

1786 Baltimore - \$10.00 1902 Fr. 634 The Old Town NB Ch. # 5984

1787 Frederick - \$10.00 1882 Fr. 482 The Citizens NB Ch. # 3476

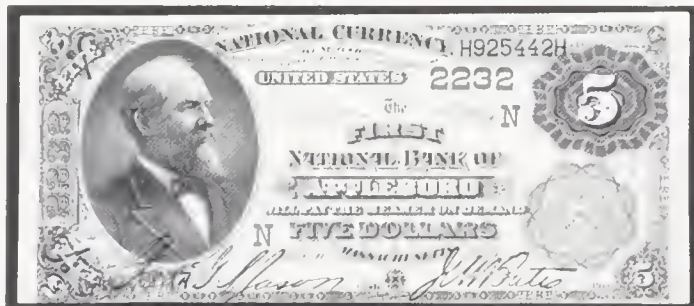

Earliest note we've ever seen from this scarcer Frederick bank. This handsome pen signed Brown Back is certain to please the collector fortunate enough to bring it home. Well margined **Fine-Very Fine**, with considerably more claim to the higher rather than the lower grade (900-1500)

1788 Oakland - \$10.00 1902 Fr. 624 The Garrett NB Ch. # 6588

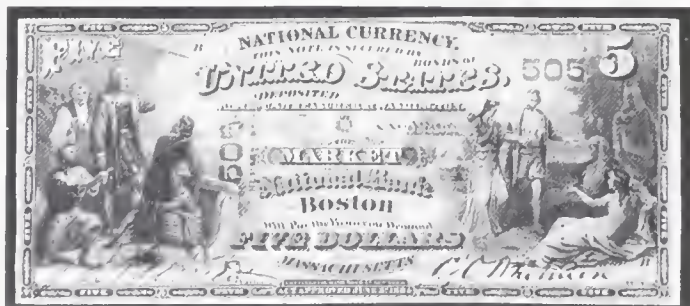

A very scarce bank in large size, missing in both the landmark Shank collection offering as well as the Maryland collection sold in Memphis this summer. This example is the nicest large note we've seen from here, grading a pleasing Very Fine, with some stray ink spots on the back mentioned only for the sake of total accuracy. Difficult to estimate, but with the demand for good notes from this state, likely to see bidding reach or exceed... (1000-1500)

MASSACHUSETTS

1789 Attleboro - \$5.00 1882 Fr. 474 The First NB Ch. # 2232

A very attractive pen signed Brown Back. Choice Crisp Uncirculated, cut close at the bottom margin. (600-900)

1790 Boston - \$5.00 1875 Fr. 401 The Market NB Ch. # 505

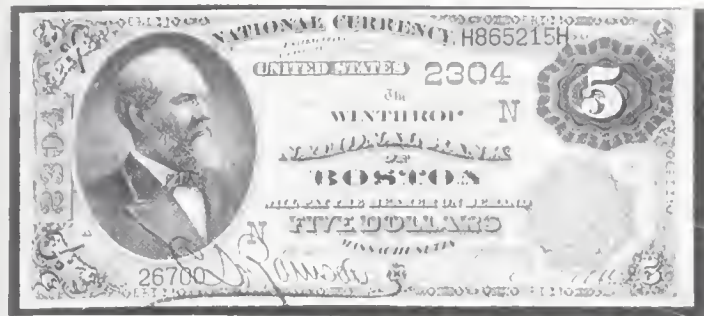

A stellar type example, with even margins, great colors, and sharp signatures. It is even from a star replacement plate, as the star symbol next to the plate letter signifies. Choice Crisp Uncirculated, far above average for this early type. (1000-1500)

1791 Boston - \$1-1-1-2 Series 1875 Fr. 384 391 The First Ward NB Ch. # 2112 Uncut Sheet

An incredibly vivid uncut sheet, with the appearance of an item which has been printed yesterday. There is a light horizontal fold through the sheet and folds into the notes which can only be seen upon close inspection, but in our combined 75+ years in this business, we have never had the opportunity to offer a more attractive First Charter sheet. This is a wonderfully rare item fit for the finest of collections. Extremely Fine+++. (8000-14000)

1793 Boston - \$10.00 1882 Date Back Fr. 545 The National Shawmut Bank Ch. # (N)5155

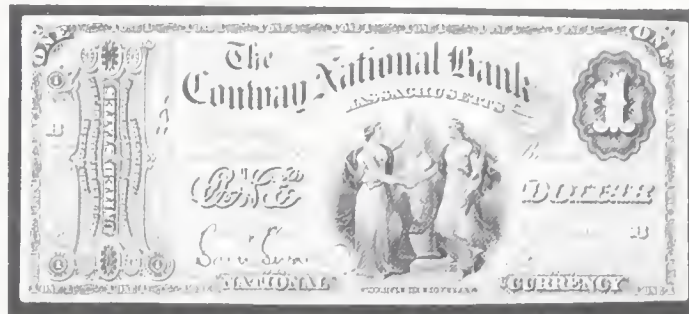

The margins are a bit tight, but the colors, signatures, and brightness of this better type note are all beyond reproach. **Extremely Fine-About Uncirculated**, with the look of an uncirculated example at first glance. (350-450)

1794 Boston - \$5.00 1902 Fr. 609 Federal NB Ch. # 12336

1795 Conway - \$1.00 Original Fr. 380 The Conway NB Ch. # 895

A long lived but very small Franklin County bank which was one of the most thinly capitalized in Massachusetts. Large notes from here are particularly rare, with the Kelly census listing three and the new Massachusetts census recording just two. This is the first we've ever had from here. **Bright Very Fine+**. (800-1200)

Gem Crisp Uncirculated. (80-120)

A high end example from this bank. **Extremely Fine+**, with clear signatures. (150-200)

1799 Gloucester - \$10.00 Ty. 2 Gloucester NB Ch # 13604

A Magnificent Collection of Haverhill Notes

1800 Haverhill - \$5.00 1875 Fr. 401 The First NB Ch. # 481

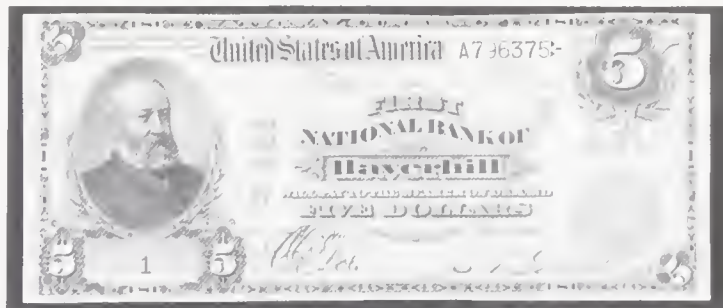

The first note in this set, which has been ensconced in the Marblehead collection for two decades. **Very Fine+**, with one small split at the top. A lovely blue end paper example with exceptional brightness for the grade. (500-900)

1801 Haverhill - \$5.00 1882 Fr. 467 The First NB Ch. # 481

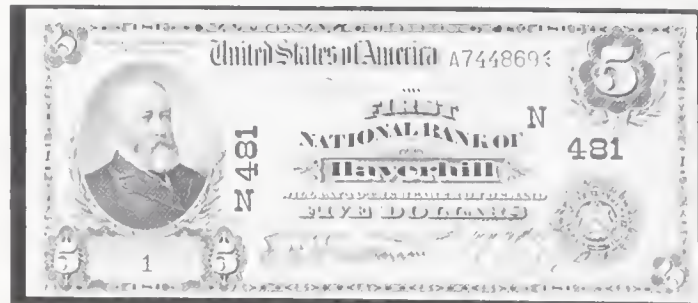

A beautiful Brown Back with a nice layout. There is one tiny age spot, but the note is flawlessly original and the embossing is evident across the entire note. **Gem Crisp Uncirculated** (800-1400)

Serial #1 Red Seal

1802 Haverhill - \$5.00 1902 Red Seal Fr. 587 The First NB Ch. # (N)481

The "A" plate \$5.00 Red Seal, the first Red Seal issued from here. This serial number 1 example is just beautiful, with sharp pen signatures, fully bright colors, and original embossing present throughout. With just a bit more top margin on the right it would be fully gem, but whatever the technical grade, this is one of the nicest serial number 1 Red Seals which will be available this year. **Choice Crisp Uncirculated** (3000-6000)

1803 Haverhill - \$5.00 1902 Date Back Fr. 590 The First NB Ch. # (N)481

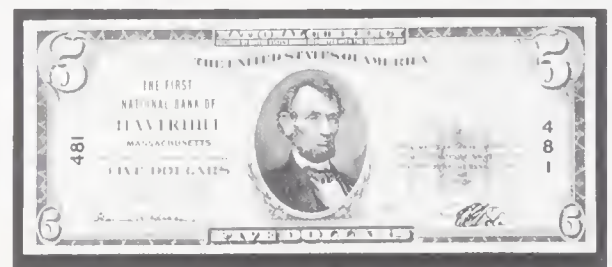

This serial number 1 Date Back is the perfect mate to the serial number 1 Red Seal offered above. There is a tiny bit of handling, but this perfectly original example is just too nice not to be called **Gem Crisp Uncirculated** (1000-1500)

1804 Haverhill - \$5.00 1902 Fr. 598 The First NB Ch. # 481

A lovely example just one tiny age spot in the margin from perfection. **Choice Crisp Uncirculated**. (250-450)

A Nice Run of Small Haverhill Nationals from the Marblehead Collection

1805 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481

Nicely margined **Gem Crisp Uncirculated** (125-175)

1806 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481

1807 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481

A consecutive pair from the same run, with just a touch too much handling to be called gem. **Choice Crisp Uncirculated**. (200-300)

1808 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481

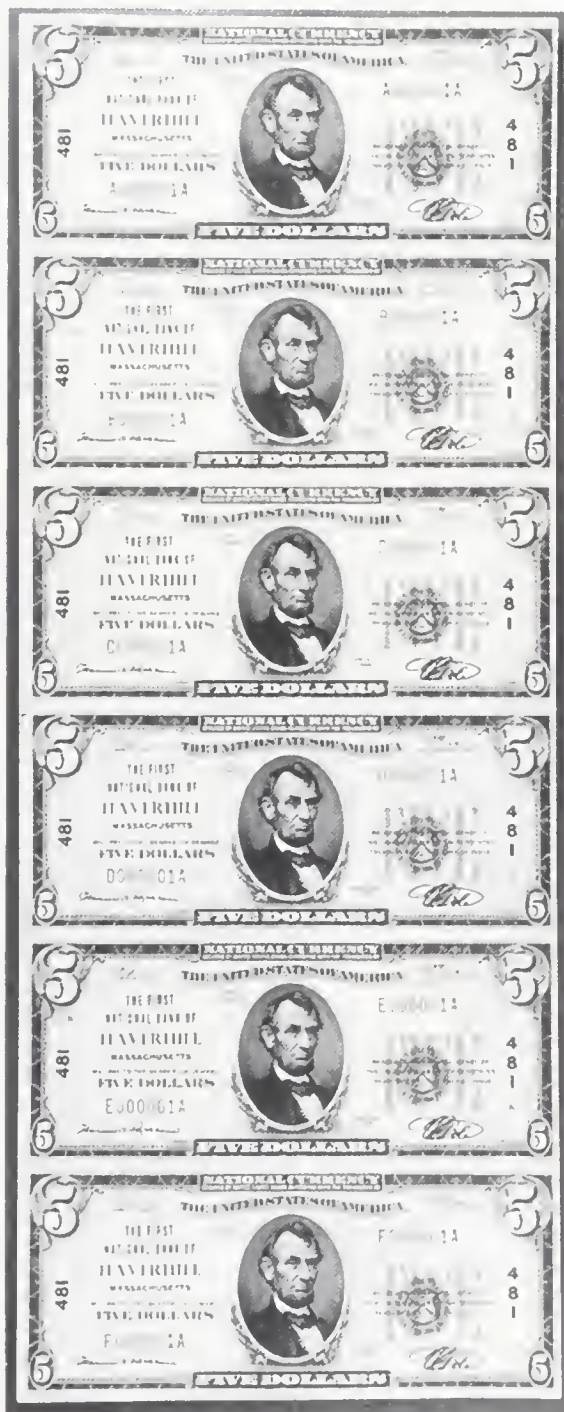

Choice Crisp Uncirculated (100-150)

1809 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481

A second lovely pair, gem but for a bit of handling.
Choice Crisp Uncirculated (200-300)

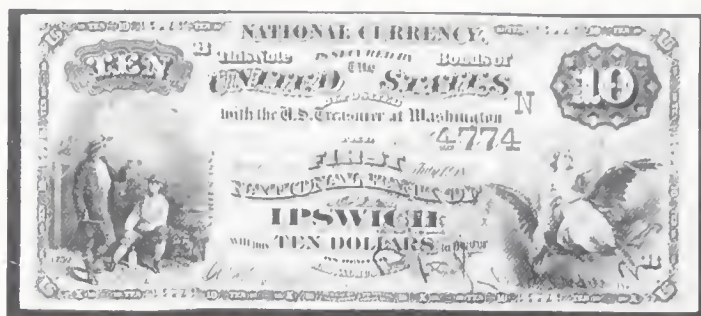

1810 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481

A dealer lot of five pieces, all Choice Crisp
Uncirculated, one with a tiny rust spot. (400-600)

1811 Haverhill - \$5.00 Ty. 1 The First NB Ch. # 481 Unent Sheet

This all serial number 1 sheet comes to us from the Marblehead collection. There are folds between the notes (which go into the design on a couple), but the overall appearance is very appealing. About
Uncirculated (2750-4250)

1812 Ipswich - \$10.00 1882 Fr. 485 The First NB Ch. # (N)4774

An extremely scarce bank in large size, with only three notes recorded in the Kelly census and three examples listed in the Massachusetts compilation. This is the only \$10.00 Brown Back extant, and may be the sole Brown Back of any denomination as well, as the other example in the census lacks any identifying serial number. Pen signed Fine-Very Fine. (500-900)

1813 Ipswich - \$10.00 1902 Fr. 628 The First NB Ch. # 4774

Pleasing blue seal from the Marblehead collection which has been off the market since 1981. Fine-Very Fine, with a tiny split and two pinholes. (200-400)

1815 Lancaster - \$1.00 Original Fr. 380 The Lancaster NB Ch. # 583

An excessively rare bank which was the sole issuer from this obscure Worcester County location. The bank issued First Charters and Brown Backs only before entering receivership early in 1886. The new Massachusetts census lists only two examples known from here, and, even more important, our records show that the last public offering of any note from here came over 20 years ago on a Hickman and Oakes 1976 fixed price list. **Very Fine**, with a couple of minuscule top margin splits, a note which would sell for at least \$2000 or more if it came from virtually any other state, but likely to be a bargain at... (1250-2250)

The Marblehead Collection

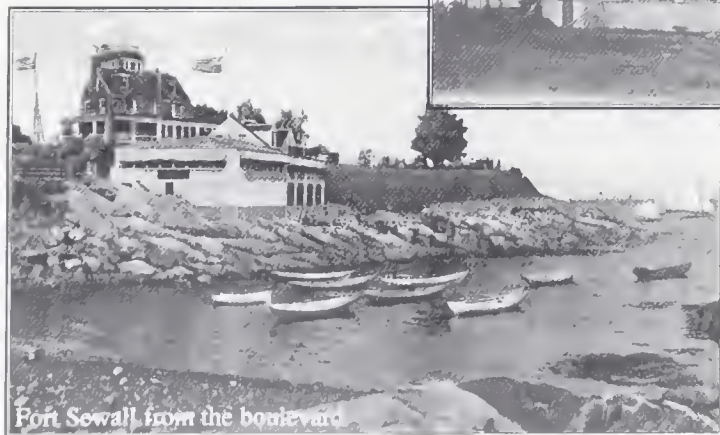

Nestled along the shores of the Atlantic just north of Boston, Marblehead is a community as rich in history as it is in natural beauty. Originally settled by fishermen and seafarers in the early 1600's, it came to play a pivotal role in both the American Revolution and the genesis of the American Navy. Revolutionary war hero General John Glover led an entire regiment of "Marbleheaders" into the war - a regiment which George Washington personally commended upon re-visiting the town in 1789. Fourteen years prior, General Washington had commissioned the schooner "Hannah" out of Marblehead's Harbor, allowing this town to lay claim to the title, "Birthplace of the American Navy."

The Marblehead National Bank was, in fact, housed in a mansion which had originally belonged to the colonial patriot Jeremiah Lee. Today, that same building serves as home to the esteemed Marblehead Historical Society. We are proud to present this magnificent collection which was

formed by a long time Marblehead resident. It's heavy in Marblehead National Bank Notes, as well as obsolete currency (lots 421-431) and historical documents (to be found in the miscellaneous section). Also from the collection is a very nice selection of Massachusetts, Maine and New Hampshire items. Our consignor has had years of pleasure forming this collection, and is pleased to be able to offer these notes to a new generation of collectors.

- 1819 Marblehead - \$1.00 Original Fr. 380 The National Grand Bank Ch. # 676

For over 25 years one dedicated collector has purchased, privately or at public sale, every note from both of Marblehead's two issuing banks that has become available. In that time span he has managed to acquire a grand total of 12 large notes from this bank. (Interestingly, the new Massachusetts census lists only three large examples by serial number.) This lovely FCP ace, bearing the blue treasury number, is one of only three First Charters our consignor could acquire in over two decades of searching. Well margined **Choice About Uncirculated**, an absolutely gorgeous example. (1200-1600)

- 1820 Marblehead - \$1.00 Original Fr. 380 The National Grand Bank Ch. # 676

A second very high grade FCP one, almost but not quite the equal of the note above. **Extremely Fine+**. (1000-1300)

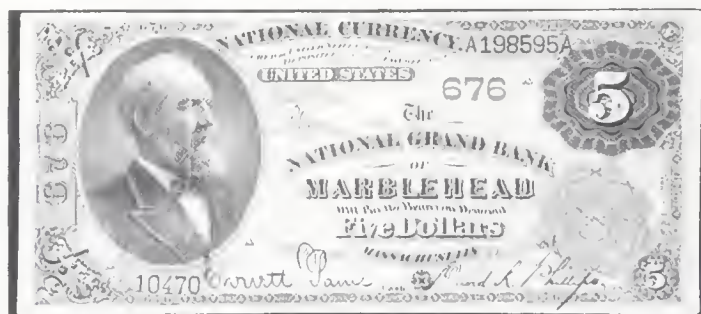

The National Grand Bank during the first charter period.

- 1821 Marblehead - \$1.00 Original Fr. 380 The National Grand Bank Ch. # 676

Low grade and with a large repaired tear, but the sole example our consignor could locate bearing the charter number. **Good**. (200-400)

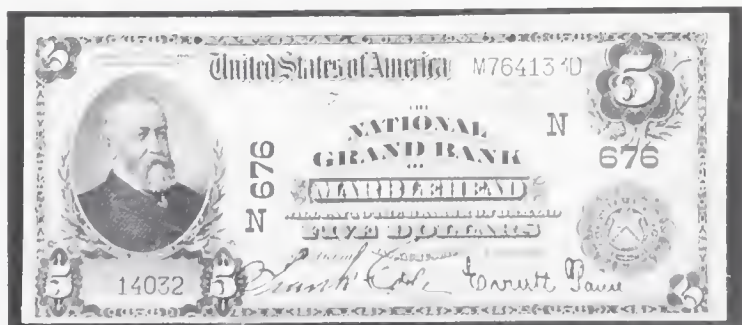

- 1822 Marblehead - \$5.00 1882 Fr. 467 The National Grand Bank Ch. # 676

By far the finer of the two Brown Backs our consignor could obtain from here. **Very Fine**, with a nice layout and sharp black signatures. (500-900)

- 1823 Marblehead - \$5.00 1882 Fr. 467 The National Grand Bank Ch. # (N)676

The variety with the regional letter. Well circulated **Very Good**, with a minor edge nick or two. (250-450)

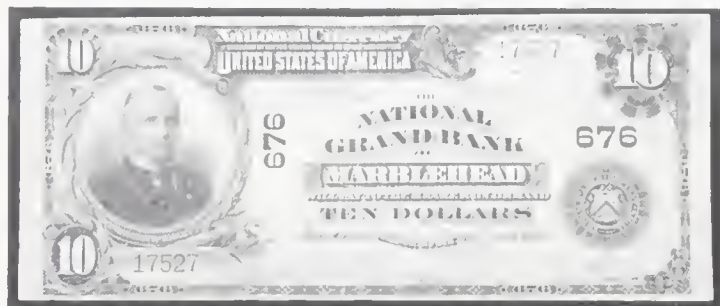

- 1824 Marblehead - \$5.00 1902 Fr. 598 The National Grand Bank Ch. # (N)676

The highest grade Third Charter our consignor could obtain in over 20 years of collecting. **Nice Very Fine** (250-450)

1825 **Marblehead** - \$5.00 1902 Fr. 598 **The National Grand Bank**
Ch. # 676

Decent **Fine** example lacking the regional letter.
(175-350)

Built in 1755. The Old Powderhouse still stands in Marblehead today.

1826 **Marblehead** - \$10.00 1902 Fr. 624 **The National Grand Bank** Ch. # 676

Pleasing **Fine+** example bearing the double serial numbers used at the end of the Third Charter period.
(225-450)

1827 **Marblehead** - \$10.00 1902 Fr. 624 **The National Grand Bank** Ch. # 676

Two examples of this denomination, the first **Fine**, the second **Very Good** with some pinholes. (350-450)

1828 **Marblehead** - \$20.00 1902 Fr. 650 **The National Grand Bank** Ch. # 676

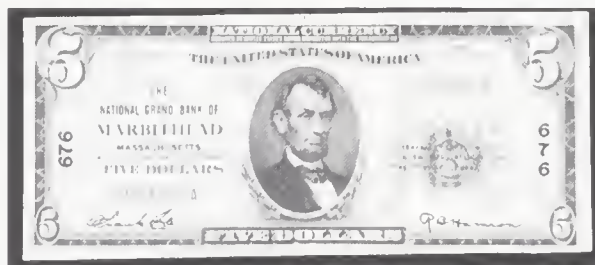

One of only two examples in the collection of this tougher denomination. This is the double serial number variety. **Fine**. (200-400)

1829 **Marblehead** - \$20.00 1902 Fr. 650 **The National Grand Bank** Ch. # 676

Evenly circulated **Very Good-Fine**. (175-350)

1830 **Marblehead** - \$5.00 Ty. 1
The National Grand Bank Ch. # 676

The nicest of the eight small size examples our consignors was able to find from here in over two decades of searching. **Very Fine**. (150-300)

1831 **Marblehead** - \$5.00 Ty. 1 **The National Grand Bank** Ch. # 676

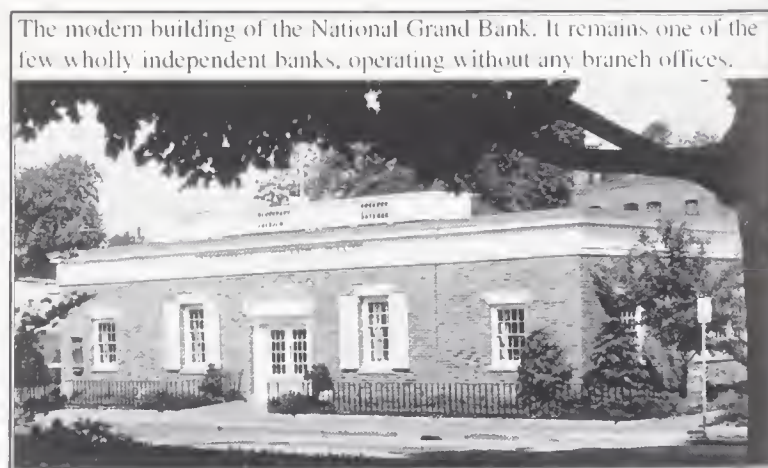

Evenly circulated **Fine+**. (125-250)

1832 **Marblehead** - \$10.00 Ty. 1 **The National Grand Bank** Ch. # 676

Fine. (125-250)

1833 **Marblehead** - \$10.00 Ty. 1 (3), \$20.00 Ty. 1 (2) **The National Grand Bank** Ch. # 676

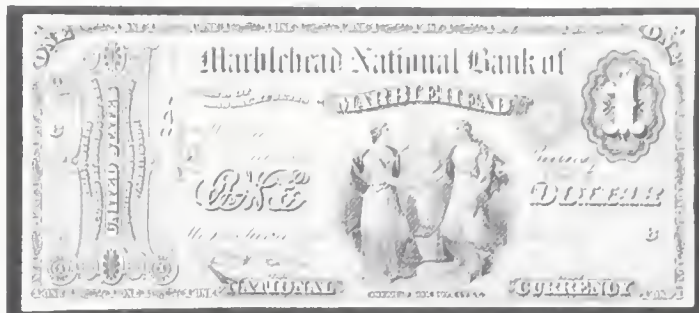

Five pieces, the three tens **Fine** (tear), **Fine**, **Very Good-Fine**, the two twenties both well circulated **Very Good** (400-600)

The modern building of the National Grand Bank. It remains one of the few wholly independent banks, operating without any branch offices.

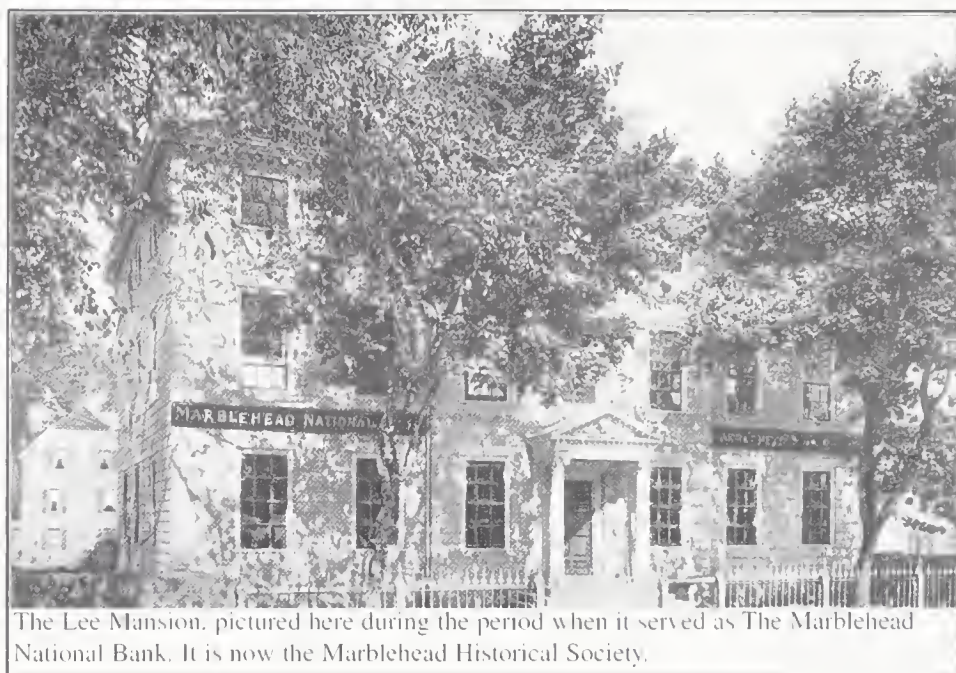

1834 Marblehead - \$1.00 Original Fr. 380 The Marblehead NB Ch. # 767

By far the rarer of the two Marblehead banks, as only First and Second charters were issued from here before the bank was liquidated in 1904. Both the Massachusetts and the Kelly censuses list only three notes, and our records indicate a mere four offerings of any kind from here over a 50 year period. Our consignor's single minded pursuit of every known Marblehead note allowed him to amass seven examples from this bank, including the wonderful number 1 First Charter five offered below. The ace offered here is as bright as the day it was printed, and represents a wonderful start to this outstanding offering. **Extremely Fine.** (1200-1600)

1835 Marblehead - \$1.00 Original Fr. 380 The Marblehead NB Ch. # 767

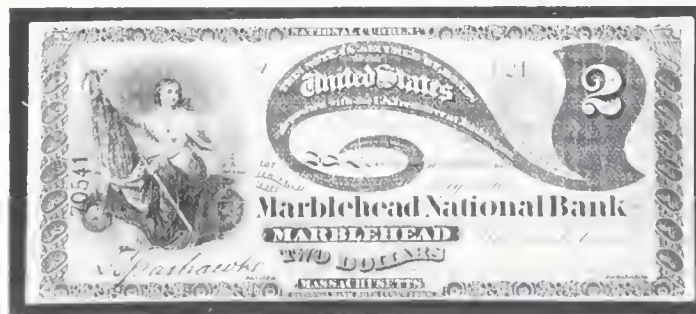

Considerably lower grade but scarce nevertheless. **Very Good**, the margins a bit ragged. (300-500)

The Lee Mansion, pictured here during the period when it served as The Marblehead National Bank. It is now the Marblehead Historical Society.

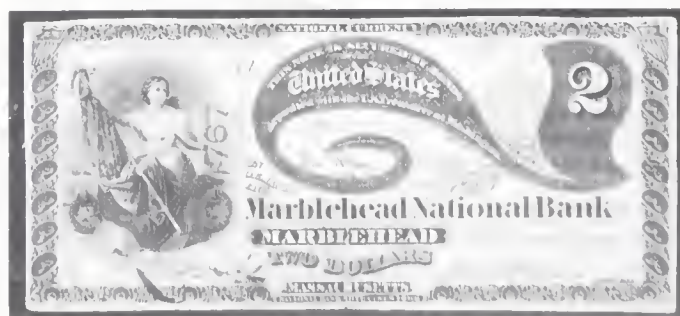

1836 Marblehead - \$2.00 Original Fr. 387 The Marblehead NB Ch. # 767

As one might expect, this was one of our consignor's proudest possessions, as Deuces from Marblehead have proved to be prohibitively rare. Nice **Fine**, with excellent colors and signatures and the blue Treasury number as well. (1500-2500)

1837 Marblehead - \$2.00 1875 Fr. 392 The Marblehead NB Ch. # 767

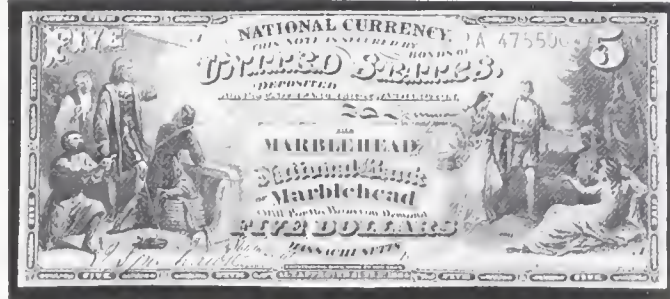

There are several repaired splits, but the note grades a bright **Fine-Very Fine** overall. Our consignor purchased this note in 1980 and it is to date the only reported Series 1875 example of any denomination known from either of Marblehead's banks. (1000-2000)

Excessively Rare Serial Number 1 Marblehead First Charter

1838 **Marblehead** - \$5.00 Original Fr. 397 **The Marblehead NB Ch. # 767**

From the "A" plate position and therefore the first \$5.00 example issued by the bank. This piece is certainly one of the highlights of the Marblehead collection, and will be one of the proudest possessions of the collector who now becomes its owner. Close examination shows that there is what appears to be an extra digit near the single number 1 of the serial number, and our consignor, being a careful purchaser, sought to make 100% certain of the note's authenticity as a serial number 1 example. An examination of the Registers of the Comptroller of the Currency provided by the National Archives shows that on March 25, 1865 the first 1,000 sheets were sent to this bank with serial numbers 1 through 1000 and Treasury numbers 475506 through 476505. A quick look at the Treasury number on this note gives the absolute proof that this is indeed a true serial number 1 example. **Very Fine.** (2000-4000)

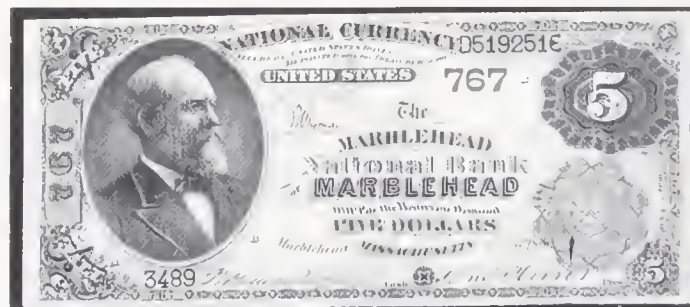

A view down one of Marblehead's old streets.

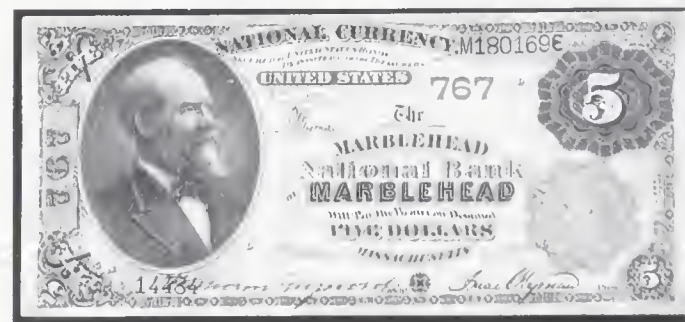

1839 **Marblehead** - \$5.00 1882 Fr. 467 **The Marblehead NB Ch. # 767**

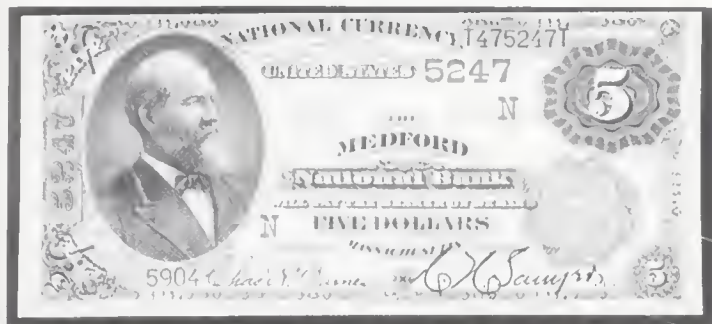

A very nice layout highlights this scarce \$5.00 Brown Back. Pen signed **Fine-Very Fine.** (600-1000)

1840 **Marblehead** - \$5.00 1882 Fr. 467 **The Marblehead NB Ch. # 767**

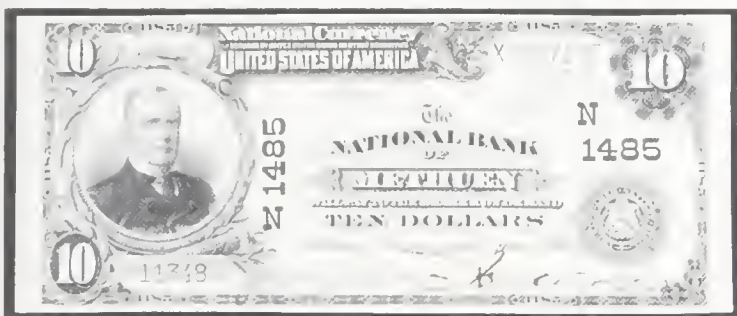

As nice or nicer than the example above in technical grade, but there is foxing present, especially at the top of the note. **Very Fine.** (500-900)

1841 Medford - \$5.00 1882 Fr. 477 The Medford NB Ch. # (N)5247

An excessively rare note from a bank which lasted but eight years and issued nothing but Brown Backs. Only two examples are known, with the second light years removed from this lovely note. (It grades "Good" and was sold in our November, 1992 sale.) Other than that one offering, there have been no appearances whatever of any note from here in over 50 years. **Choice Crisp Uncirculated**, just the slightest bit of foxing and a close top margin away from gem, and rare enough to bring... (1500-2500)

1842 Methuen - \$10.00 1902 Fr. 624 The NB of Methuen Ch. # (N)1485

A worthy mate for the lovely Brown Back above. This example is picture perfect, with bright white paper contrasting with two color pen signatures and more than ample margins on both top and bottom. It is a fully original gem which is nice as any blue seal we have ever seen offered from this state. **Gem Crisp Uncirculated**. (500-900)

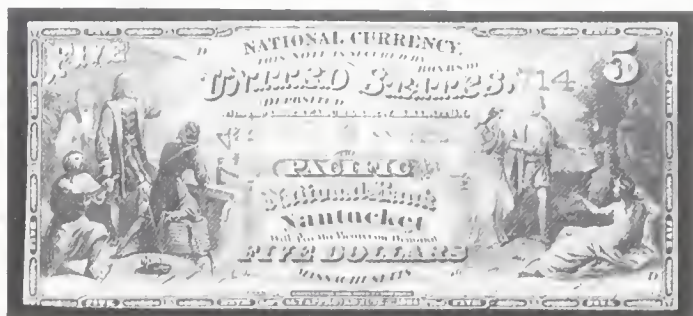

1843 Methuen - \$10.00 Ty. 1 The Methuen NB Ch. # 12800

A gorgeous note which, aside from one Type 2 twenty listed as CU, is head and shoulders above any other small example listed in the Massachusetts census from this bank. **About Uncirculated** (125-225)

A Small But Choice Run of Early Nantucket Notes

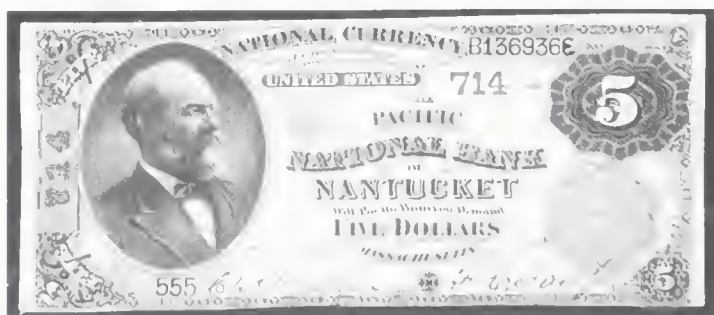

1844 Nantucket - \$5.00 1875 Fr. 401 The Pacific NB Ch. # 714

Trimmed a bit into the design in the early New England fashion, but nevertheless a vividly colored blue end paper example with only minimal evidence of circulation. This and the following three notes have been off the market as part of the Marblehead collection for just about a full generation. **Extremely Fine**. (600-1000)

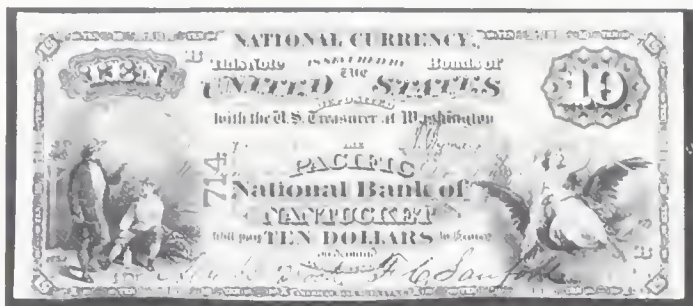

1845 Nantucket - \$20.00 Original Fr. 427 The Pacific NB Ch. # 714

Not only is this a lovely and significant example of this scarce type, it represents the sole First Charter twenty known from any of the issuing Cape Cod and Islands banks. While there are some well done restorations which must be mentioned, the overall appearance here is that of a note grading **Extremely Fine** or so. Pen signed **Very Fine**, and rare enough to see bidding reach or exceed... (1200-1700)

1846 Nantucket - \$5.00 1882 Fr. 467 The Pacific NB Ch. # 714

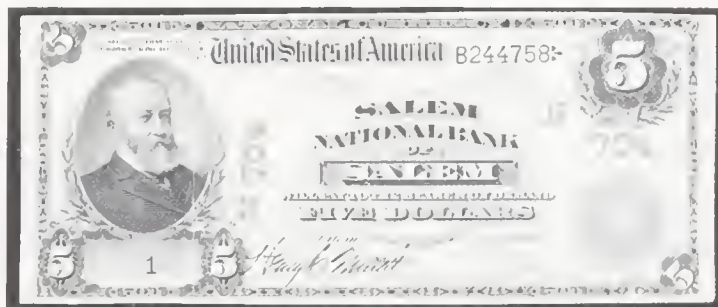

Bright **Very Fine+**, cut just a bit close at the bottom margin (400-800)

1847 Nantucket - \$10.00 1882 Fr. 480 The Pacific NB Ch. # 714

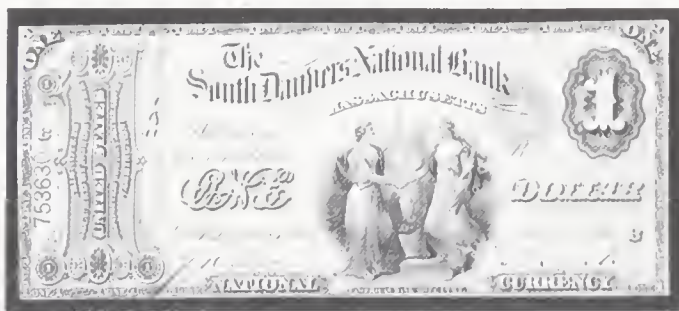

This is one of only two \$10.00 Brown Backs reported from here and it is a beauty, with great color and signatures. It would grade fully gem but for its lack of a bottom margin. Expect this rare **Crisp Uncirculated** example, bearing the very scarce first seal placement, to bring... (700-1200)

Number 1 Salem Red Seal

1848 Salem - \$5.00 1902 Red Seal Fr. 587 The Salem NB Ch. # (N)704

A most attractive serial number 1 Red Seal from this very rare bank. This is the "A" position note, indicating it is the first Red Seal issued from here. Only two other notes are reported, neither a Red Seal and neither a serial number 1. **Bright Extremely Fine.** (1250-2250)

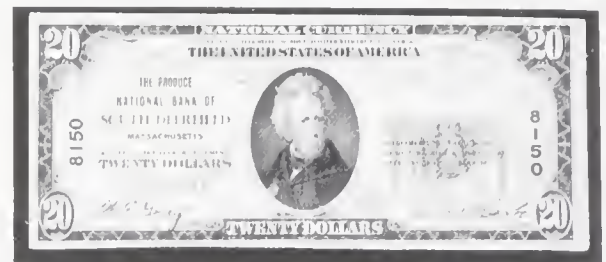

1849 South Danvers - \$1.00 Original Fr. 380 The South Danvers NB Ch. # 958

A very scarce bank which issued First and Second charters only before liquidating in 1900. **Extremely Fine**, with the blue Treasury numbers used only on the first few shipments made in 1863-1865. (450-850)

1850 South Deerfield - \$20.00 Ty. 1 The Produce NB Ch. # 8150

A very scarce note with a most unusual title. Both the Kelly and the new Massachusetts census list a mere five examples known in small size from here, with this piece likely the second highest grade specimen reported to date. **Fine-Very Fine.** (200-400)

1851 Springfield - \$5.00-5.00-5.00-5.00 1902 Fr. 606 The Chapin NB Ch. # 2435 Uncut Sheet

There are no folds whatever in this attractive uncut sheet, but the paper has lightly toned. **Choice Crisp Uncirculated.** (1400-1800)

1852 **Wakefield** - \$5.00 1882 Fr. 477 The Wakefield NB Ch. # (N)1455

An absolutely gorgeous note from this very rare bank. Perfectly centered between boardwalk margins on all four sides, the colors, paper quality and pen signatures are all as good as it gets. In addition, this is a very scarce bank as well, with our records showing only four offerings of any kind covering both issuing titles over a 50-year period, with the last coming back in 1993. Separated from the superb gem grade by one hard to detect center fold, this is a note that is certain to delight even the most fastidious collector. **Choice About Uncirculated.** (800-1300)

1853 **North Adams** - \$5.00 1902 Fr. 598 North Adams Ch. # 1210 VG

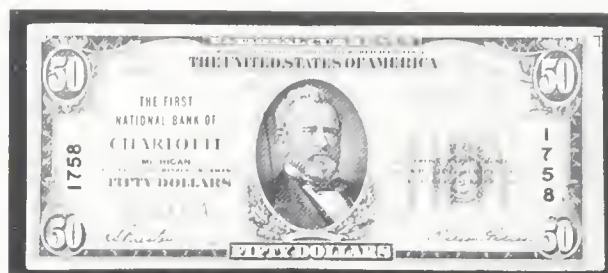

Quincy - \$5.00 1882 Fr. 467 National Mount Wollaston Bank Ch. # 517 VG, repairs

Total two pieces. (125-225)

1854 **Cassopolis** - \$10.00 1902 Fr. 626 The First NB Ch. # (M)1812

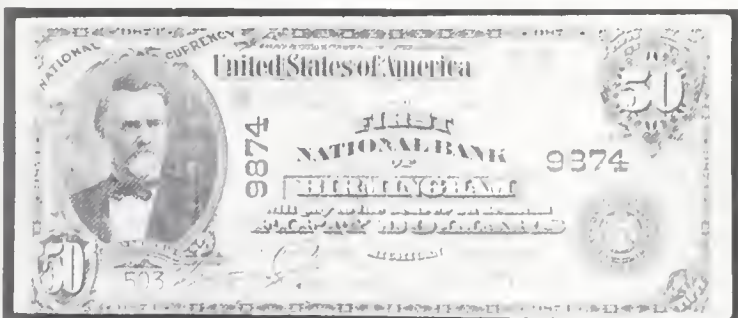

As nice a large note as we've seen from this bank. Boldly printed **Gem Crisp Uncirculated.** (300-500)

1855 **Charlotte** - \$50.00 Ty. 1 The First NB Ch. # 1758

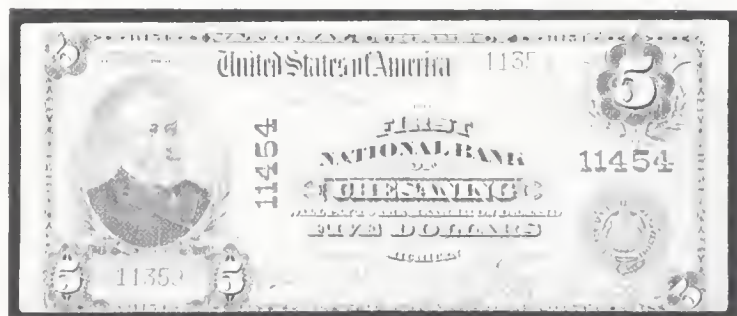

High denominations only in small size from this very scarce bank, with barely a handful of examples known to exist. **Very Fine**, with just a trace of light foxing at the right margin. (400-800)

MICHIGAN

1853A **Birmingham** - \$50.00 1902 Fr. 678 The First NB Ch. # 9874

An extremely rare large example from this much in demand Oakland County location. The Kelly census lists but three reported large examples from here, with this the first high denomination we've seen. **Fine** in appearance, although there are a few pinholes and a couple of minor rust spots. (600-1200)

1856 **Chesaning** - \$5.00 1902 Fr. 606 The First NB Ch. # 11454

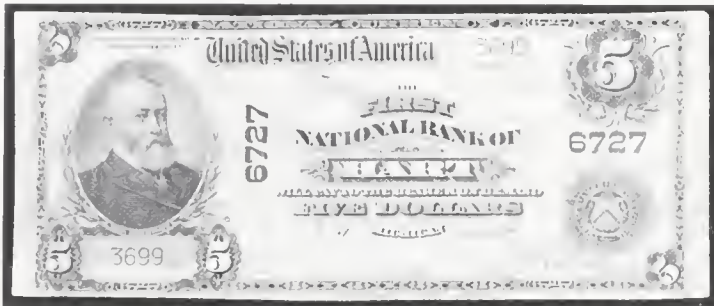

Only one bank issued from this small Saginaw County community, with that institution lasting but 10 years and issuing large notes only before its demise in late 1929. A mere two notes have been reported from here, and, even more important, our records show that it has been nearly a full generation since any example from Chesaning has been available for sale to the many collectors of this state's notes, with the last offering coming back on a June, 1977 fixed price list. Expect some stiff competition from the many collectors who choose not to wait another 32 years for the opportunity to add this town to their collection. **About Fine**, trimmed in at the bottom but with good clear signatures. 1857 Gladstone - \$20.00 1902 Fr. 658 The First NB Ch. # (M)10886

1858 Hart - \$5.00 1902 Fr. 598 The First NB Ch. # 6727

Evenly circulated Fine, with blue pen signatures. (200-300)

1859 Hartford - \$5.00 1902 Fr. 601 The Olney NB Ch. # 9854

We are pleased to offer below a lovely cut sheet from this scarce bank. Each note is fresh, with unusually vivid colors and ink brilliance. All are pen signed beauties, with old time quality seldom seen on today's market. Well margined **Gem Crisp Uncirculated** (600-900)

1860 Hartford - \$5.00 1902 Fr. 601 The Olney NB Ch. # 9854

The second note from this cut sheet. There is a bit more handling here, although the overall appearance is every bit as nice as the piece above, necessitating the grade of **Choice About Uncirculated**. (300-600)

1861 Hartford - \$5.00 1902 Fr. 601 The Olney NB Ch. # 9854

Perfectly margined and, as on the others, unusually bright **Choice About Uncirculated**. (300-600)

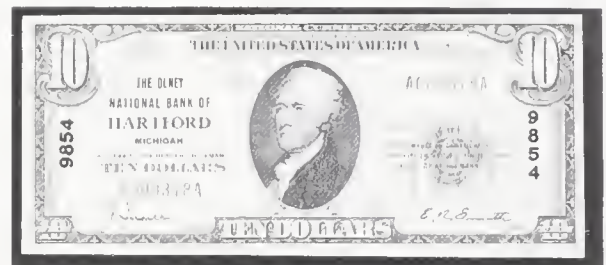

1862 Hartford - \$5.00 1902 Fr. 601 The Olney NB Ch. # 9854

The bottom note on the sheet, and just as pretty as the others. **Choice About Uncirculated**. (300-600)

1863 Hartford - \$5.00 Ty. 1 The Olney NB Ch. # 9854

Considerably scarcer in small size than large, although the Kelly census figure of four is somewhat suspect, as we have four small examples here. **Choice Crisp Uncirculated**. (300-500)

1864 Hartford - \$10.00 Ty. 1 The Olney NB Ch. # 9854

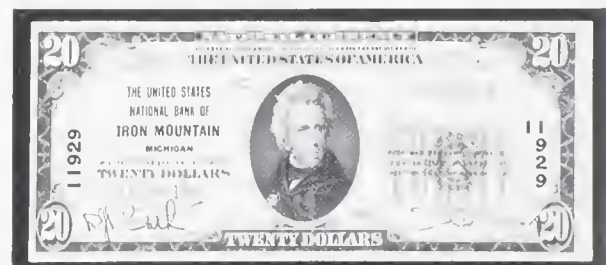

Beautifully centered, crackling fresh, and essentially perfect. **Gem Crisp Uncirculated**. (350-550)

1865 Hartford - \$20.00 Ty. 1 The Olney NB Ch. # 9854

A lovely example just a light center fold from new. **Choice About Uncirculated**. (200-300)

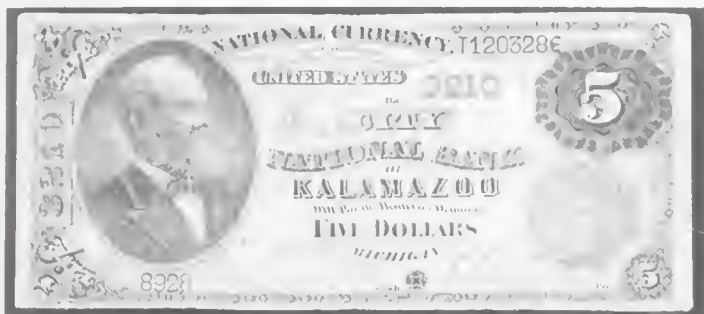

1866 Hartford - \$20.00 Ty. 1 The Olney NB Ch. # 9584

Consecutive to the last and just as pretty. **Choice About Uncirculated**. (200-300)

1867 Iron Mountain - \$20.00 Ty. 1 The United States NB Ch. # 11929

From the Crofts collection of forbidden titles. **About Uncirculated**, with a small margin split. (100-150)

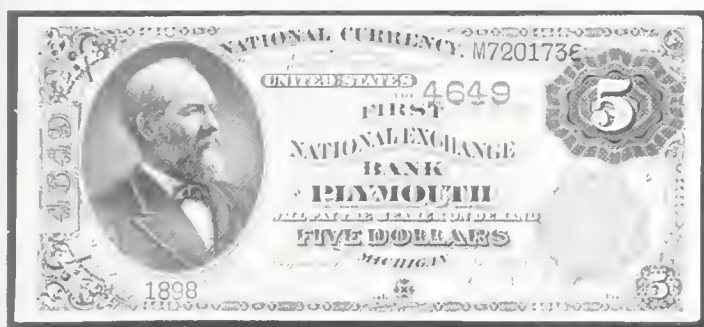

1868 Kalamazoo - \$5.00 1882 Fr. 467 The City NB Ch. # 3210

An excessively rare Kalamazoo bank which went out in 1910. Our records of almost 250,000 offerings of National Bank Notes spanning a more than 50 year period disclose only one prior offering of any note from here, with that coming over 25 years ago in a 1973 fixed price list. Pen signed **Fine**, a great note from an avidly collected state which is worthy of a premium bid. (1200-1800)

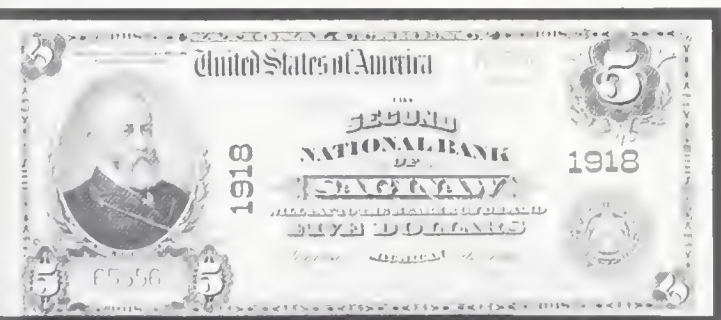

1869 Lapeer - \$10.00 Ty. 1 The First NB Ch. # 1731

The sole bank to issue in the Lapeer County seat. **Fine**. (125-175)

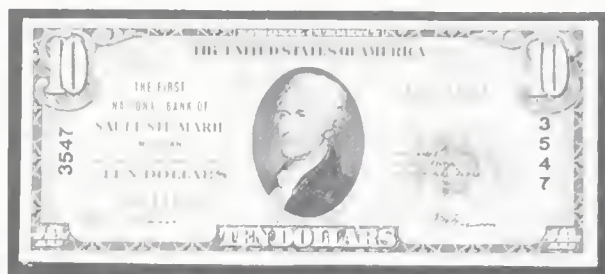

1870 Plymouth - \$5.00 1882 Fr. 472 The First National Exchange Bank Ch. # 4649

The corners are not perfectly square, but this lovely and fully original Brown Back has retained its original embossing, has bold pen signatures, great color clarity, and is set between four more than ample margins, all of which fully assure that this piece meets the gem standard. **Gem Crisp Uncirculated** (1100-1500)

1871 Saginaw - \$5.00 1902 Fr. 602 The Second NB Ch. # 1918

Bright and fully original, but the tight lower margin precludes a higher grade. **Choice Crisp Uncirculated** (250-450)

1872 Sault Ste Marie - \$10.00 Ty. 1 The First NB Ch. # 3547

A beautiful note which bears a neat triple decker name. **Gem Crisp Uncirculated**. (200-300)

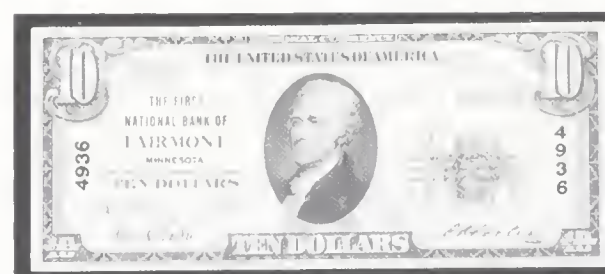

1873 Watervliet - \$20.00 Ty. 1 The First NB Ch. # 10498

As nice as any small size example we've seen or heard of from this scarce one bank town. **About Uncirculated**. (200-400)

MINNESOTA

1874 Emmons - \$5.00 Ty. 1 The First NB Ch. # 6784

1875 Fairmont - \$10.00 Ty. 2 The First NB Ch. # 4936

A barely handled Type 2 example. **About Uncirculated** (150-200)

A great ethnic title very rarely available from here, with this being the first such example we've had to offer. Nice **Fine**, with bold black pen signatures, a lot certain to attract considerable attention. (400-800)

1877 Minneapolis - \$5.00 1902 Fr. 606 The First & Security NB Ch. # (M)710

A short lived title used by this very big bank. Crisp **Uncirculated**, cut slightly into the design at the top left. (175-275)

1878 Minneapolis - \$10.00 1882 Fr. 487 The Swedish American NB Ch. # (M)4951

A rare note from one of the very toughest ethnically titled banks. This institution issued Brown Backs only before liquidating in 1908, and a total of only six such examples are recorded in the Kelly census. Well circulated but still quite decent **Very Good**, with a few missing chips from the upper right corner not really detracting at all. (400-800)

1879 South St. Paul - \$10.00 Ty. 1 Stock Yards NB Ch. # 6732

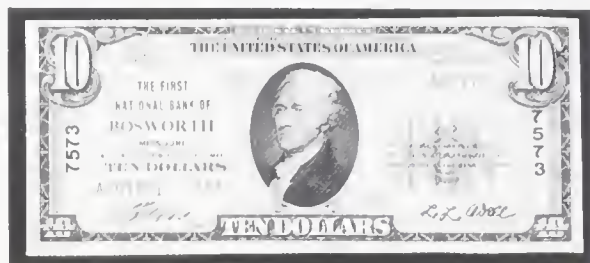

A nice occupational title. **About Fine**. (80-120)

An extremely scarce note from the only bank to issue in this Johnson County community. The Kelly census has recorded only three large examples extant from here. Nice **Fine-Very Fine**. (750-1250)

1883 Kansas City - \$10.00 1902 Date Back Fr. 619 The National Reserve Bank Ch. # (M)9677

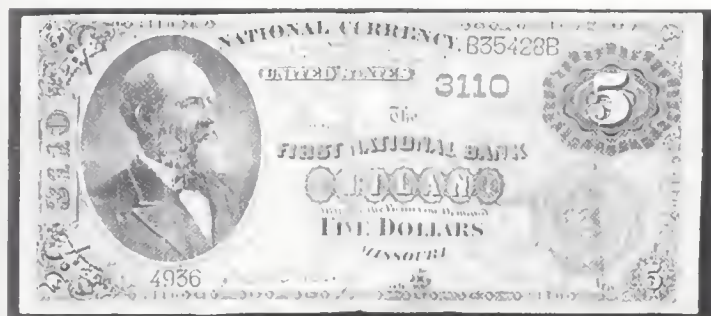

This forbidden title note comes from the Crotts collection. Although eight notes are reported from here, this is the best of the group. **Very Fine**, trimmed into the design at the bottom. (200-400)

1884 King City - \$5.00 1882 Fr. 471 The First NB Ch. # (M)4373

Brown Backs from here used to be easily available, but in recent years they have just dried up. **Extremely Fine**, with little trace of actual circulation. (400-700)

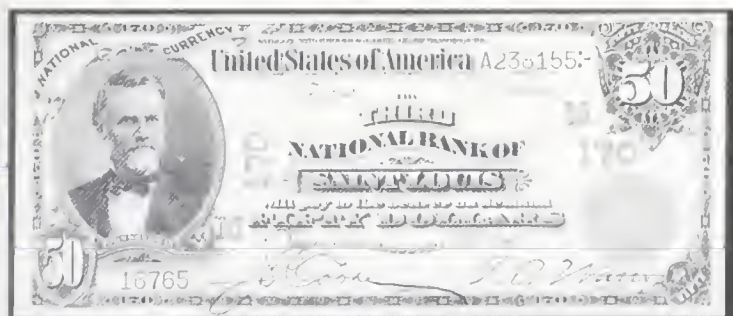

1885 Milan - \$5.00 1882 Fr. 467 The First NB Ch. # 3110

A great northern Missouri note in all respects. This was the sole bank here to issue, and only two examples are known. Our records show a mere two offerings of any kind from here over a 50 year period as well, with the last coming back in a 1983 auction, as even the landmark Missouri collection we sold back in 1990 lacked any example from this community. **Fine**, an item certain to have a place of honor in the collection it now enters. (1750-3500)

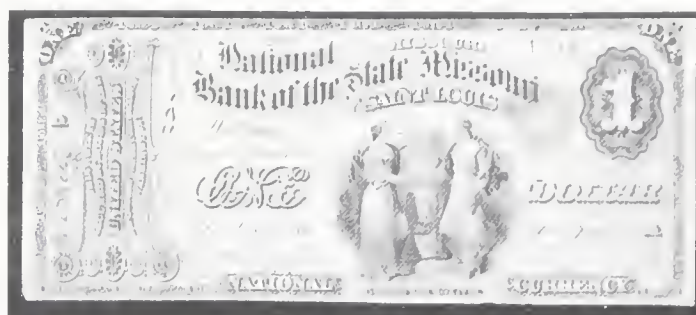

1885A Nevada - \$20.00 Ty. 2 The First NB Ch. # 3959

The scarcest type and denomination issued from here. This is serial number A000012 of 240 pieces issued. **Fine-Very Fine**. (125-250)

1886 St. Louis - \$50.00 1902 Red Seal Fr. 664 The Third NB Ch. # (M)170

A perfectly centered example of this just plain rare type, likely destined for a high end type collection. Only a literal handful of the known \$50.00 Red Seals even come close to this piece in grade, with most of that small number having been ensconced in major holdings for many years. Bright **Choice Crisp Uncirculated**, a note certain to see some spirited bidding before the hammer falls. (4000-8000)

1887 St. Louis - \$1.00 Original Fr. 380 The NB of the State of Missouri Ch. # 1665

A very scarce St. Louis bank which issued only First Charter examples before entering receivership in 1877. Although 14 notes are recorded in the Kelly census, most all have been closely held for years, as we have recorded a mere half dozen appearances at public sale of any type from here in over 50 years. **Fine**, with a minuscule paper pull and a tiny, marginally inked number, both visible only on the back. (700-1200)

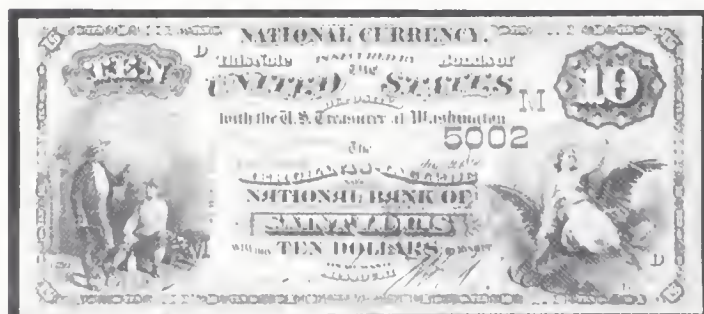

1888 St. Louis - \$5.00 1882 Fr. 474 The NB of Commerce Ch. # (M)4178

An evenly circulated Brown Back perfect for type. **Fine**. (150-200)

1889 St. Louis - \$10.00 1902 Date Back Fr. 593 The NB of Commerce Ch. # (M)4178

A nice \$5.00 Date Back for type. **Choice Crisp Uncirculated**, with some black ink flecks near the portrait. (250-350)

1890 St. Louis - \$10.00 1882 Fr. 487 The Merchants-Trade NB Ch. # (M)5002

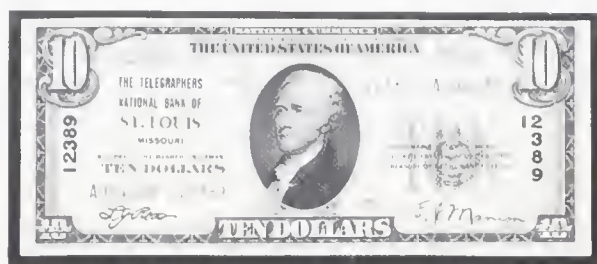

This **Fine Brown Back** makes a good example to cover this bank. (150-200)

1891 St. Louis - \$10.00 1882 Date Back Fr. 545 The State NB Ch. # (M)5172

Decent **Fine+** example of this better type. (150-250)

1892 St. Louis - \$10.00 1902 Red Seal Fr. 624 The Mechanics-American NB Ch. # (M)7715

Pen signed St. Louis Red Seal. **Very Good.** (175-325)

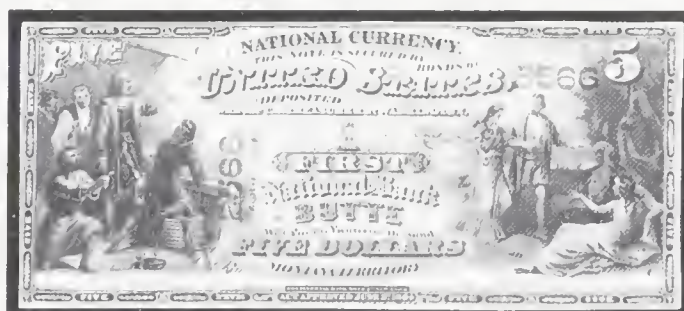

1893 St. Louis - \$10.00 Ty. 2 The Telegraphers NB Ch. # 12389

A nice occupational title which is not at all common in this grade. **Crisp Uncirculated** (150-250)

MONTANA TERRITORY

Choice Crisp Uncirculated 1875 \$5.00 Territorial

1894 Butte - \$5.00 1875 Fr. 405 The First NB Ch. # 2566

A simply spectacular Territorial note which is by a considerable margin the highest grade example from any Territory we've had to offer. It is fully original, vividly colored, and bears green pen signatures of pioneer Butte bankers Andrew J. Davis and A.J. Davis. Originally part of Phillip Krakover's collection, our consignor was lucky enough to obtain this in 1990, and it has been off the market since then. If you are looking for the ultimate Territorial, or you just wish to own the finest of the finest, this lovely note is one you should bring home. **Choice Crisp Uncirculated**, a wonderful item certain to bring a very strong price, likely in the range of... (25000-45000)

NEBRASKA

1895 Hayes Center - \$10.00 Ty. 1 The First NB Ch. # 8031

A tougher note from the only bank to issue from here. **Fine**, with a couple of small penciled numbers on the front (150-200)

1896 Nebraska City - \$10.00 1902 Fr. 624 The Otoe County NB Ch. # 1417

There is a light handling mark and the margin is a bit tight at the bottom left, but to call this fresh and original note anything less than **Gem Crisp Uncirculated** would be a real injustice. (300-400)

1897 Omaha - \$50.00 1902 Date Back Fr. 668 The Omaha NB Ch. # (W)1633

A lovely high denomination example with minimal traces of circulation. Fresh and with particularly vivid colors, this is an example which will fit perfectly into any high end collection. **Choice Extremely Fine.** (800-1100)

1898 Omaha - \$10.00 1902 Date Back Fr. 616 The United States NB Ch. # (W)2978

Fine forbidden title example from the Crotts collection. (125-175)

1899 Omaha - \$10.00 Ty. 1 The United States NB Ch. # 2978

From the Crotts collection. **Very Fine+**, with several pinholes. (40-60)

NEW HAMPSHIRE

1900 Bristol - \$20.00 1902 Fr. 658 The First NB Ch. # 5151

This was the only bank chartered in this small New Hampshire town, and, as one might expect, it is quite scarce, with a mere five large examples listed in the Kelly census. This specimen is the first we've ever handled **Fine.** (400-600)

1901 Concord - \$1.00-1.00-1.00-2.00 Original Series Fr. 380/387
The First NB Ch. # 318 Uncut Sheet

A wonderful and incredibly rare item from the Marblehead collection. This is the only First Charter sheet known from New Hampshire, and one of only two large size uncut sheets reported from the Granite State. Although the sheet is closely trimmed, it is still very bright, with a particularly vibrant red overprint. There are folds between the notes and through two of the \$1.00 examples. These early uncut sheets are finally being recognized for the extreme rarities that they are, and prices, while still very inexpensive compared to other equally rare numismatic items, have moved up in the past couple of years. Whatever this brings, it will likely prove a bargain, for when this sheet is sold, there simply are no more. **Extremely Fine.** (9000-14000)

1902 Concord - \$5.00 Ty. 2 The National State Capital Bank
Ch. # 758

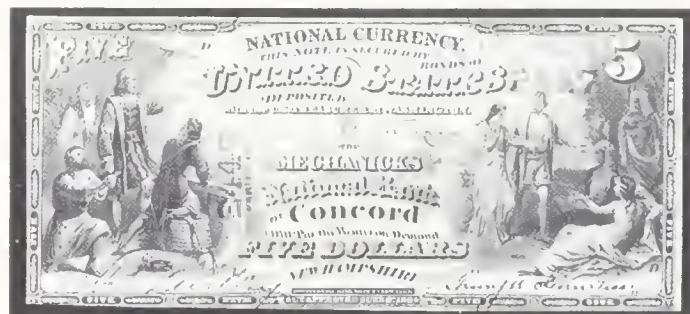

The first of three consecutive examples on this bank from the Marblehead collection. While the centering is a hair from perfect, the notes are crackling fresh and incredibly bright. If you have been searching for a lovely example from this elusive state capital, your search is now ended. **Gem Crisp Uncirculated.** (250-450)

1903 Concord - \$5.00 Ty. 2 The National State Capital Bank
Ch. # 758

Consecutive to the last and just as pretty. **Gem Crisp Uncirculated.** (250-450)

1904 Concord - \$5.00 Ty. 2 The National State Capital Bank
Ch. # 758

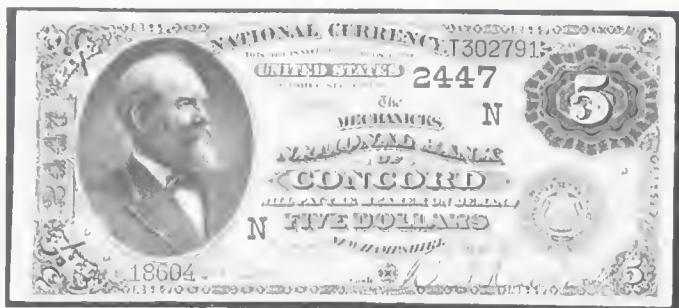

The last of these three notes, this just a hair too close at the right to qualify for the gem designation. **Choice Crisp Uncirculated.** (200-400)

1905 Concord - \$5.00 1875 Fr. 404 The Mechanicks NB Ch. # 2447

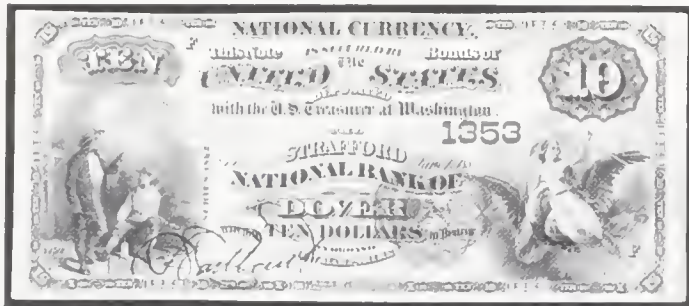

A beautiful First Charter example from this state capital bank which is the earliest note we've seen or heard of from here. Off the market for 20 years as part of the Marblehead collection, it represents the kind of old time quality so seldom available at any price today. Barely circulated **Extremely Fine**, with the color and appearance of a gem new note. (750-1250)

1906 Concord - \$5.00 1882 Value Back Fr. 574 The Mechanics NB Ch. # (N)2447

An extremely rare New Hampshire note, as Value Backs were issued in very limited quantities by only 10 banks in the entire state. This is the first such example we have had to offer in any of our sales, and in 30 years we have only had occasion to handle one other such example, with that being considerably lower grade. This piece has resided in the Marblehead collection for two decades, and it may be that long again before another opportunity to obtain this rare New Hampshire type offers itself. Well margined **Very Fine**. (1000-2000)

1907 Dover - \$10.00 1882 Fr. 482 The Strafford NB Ch. # 1353

An attractive Brown Back from this very scarce issuer, with the last offering of any kind from here coming over five years ago. Bright **Very Fine**, a good note from a very undervalued state. (400-800)

1908 Laconia - \$5.00 Ty. 1 The Lakeport NB Ch. # 4740

A very nice example of this scarcer Laconia note. **About Uncirculated**, with the couple of stray spots more than compensated for by low serial number F000004A. (250-450)

Excessively Rare New Hampshire \$100.00 Brown Back

1909 Manchester - \$100.00 1882 Fr. 520 The First NB Ch. # 1153

One of the Marblehead collections classic New England rarities. This is the first \$100.00 Brown Back we have ever seen offered from any of the relative handful of banks which issued this prohibitively scarce type in New Hampshire. Just as important, it is a beautiful note, with good margins, strong signatures, and great color. Expect a real battle to determine which lucky individual will get to return home with this excessively rare prize. **Extremely Fine**. (4000-8000)

Rare Plymouth Cut Sheet

1910 Plymouth - \$10.00 1902 Fr. 634 The Pemigewasset NB Ch. # 2587

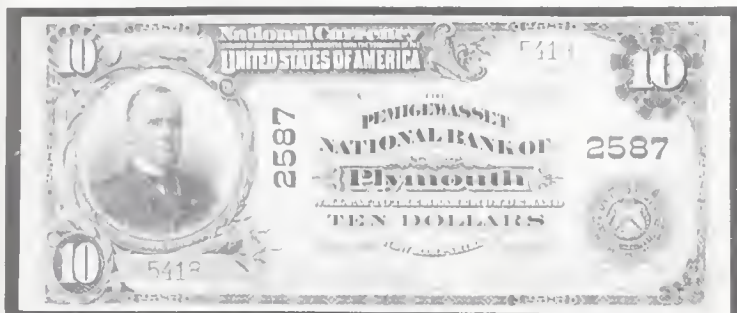

The "A" position note on this cut sheet, long part of the Marblehead collection. This is a very scarce bank in large size, with only a half dozen such examples recorded in the Kelly census. **Choice Crisp Uncirculated**, the top margin just a bit tight. (500-800)

1911 Plymouth - \$10.00 1902 Fr. 634 The Pemigewasset NB Ch. # 2587

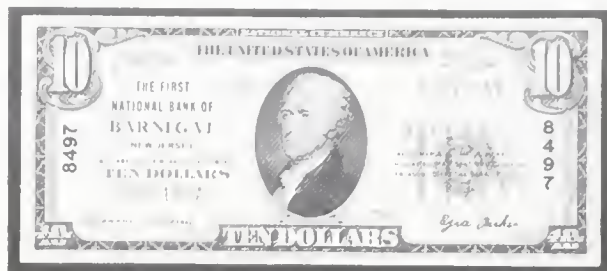

Even nicer than the example above as the margins are a touch broader at the top. **Choice Crisp Uncirculated** (600-900)

NEW JERSEY

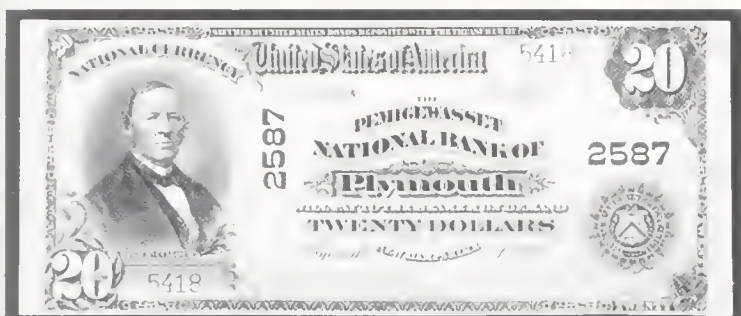

1912 Plymouth - \$10.00 1902 Fr. 634 The Pemigewasset NB Ch. # 2587

The "C" position note from this cut sheet, and just plain lovely. Bright Choice Crisp Uncirculated, a premium example. (600-900)

1915 Barnegat - \$10.00 Ty. 1 The First NB Ch # 8497

A nice grade note from the only bank to issue in this quaint Ocean County community. Despite a fairly plentiful population, this is by no means a common bank, as our records show the last offering of any kind from here came back in a 1990 public auction. **Very Fine+**, (200-300)

1913 Plymouth - \$20.00 1902 Fr. 660 The Pemigewasset NB Ch. # 2587

The bottom note on this cut sheet. While it clearly never circulated, it does have a couple of storage folds not shared with its sheet mates above. **Extremely Fine-About Uncirculated** (300-600)

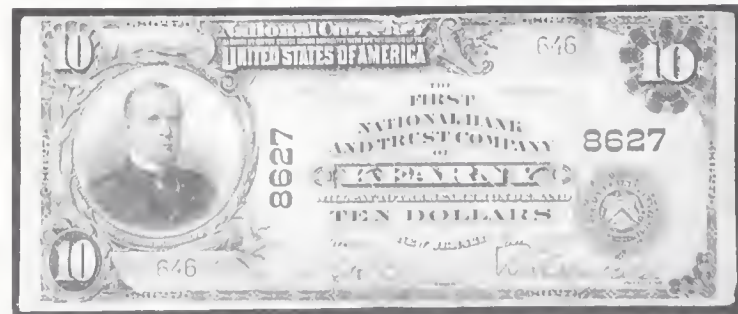

1916 Blirstown - \$20.00 Ty. 1 The First NB Ch. # 5621

A tough Warren County bank which is seldom offered. **Fine**, with a pinhole or two. (175-325)

1914 Woodville - \$10.00 1902 Fr. 632 The Woodville NB Ch. # 5092

A very scarce large size note from this one-bank town, with the Kelly census reporting only four such notes. **Very Good+**, with some stains toward the center. (250-450)

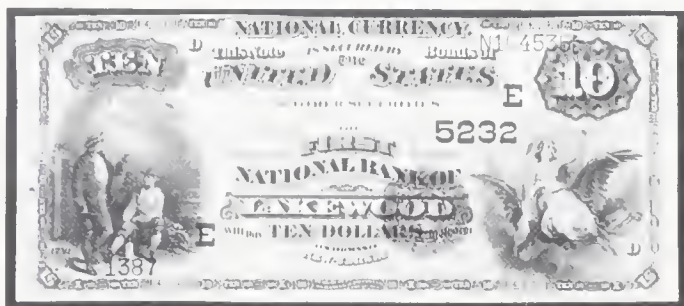

1916A Edgewater - \$10.00 1902 Fr. 626 The First NB Ch. # 8401

A very scarce bank which was the sole issuer in this Bergen County hamlet nestled in the cliffs below the looming spans of the George Washington Bridge. Virtually all of the known examples from here are very closely held, as our records indicate only two offerings from here of any kind at public sale, the last coming over five years ago. **Fine**, with good signatures. (450-850)

A very scarce note with this title, which was used for only five years at the tail end of the large size note issue. **Fine**, with a bit of soiling. (250-450)

OUR JANUARY 2000 SALE!

1918 Lakewood - \$10.00 1882 Date Back Fr. 545 The First NB Ch. # (E)5232

An excessively rare Ocean County note from a bank which issued Second Charter examples only before liquidating in 1919. Our records indicate a total of only two public offerings of any kind from here, with the last taking place almost 17 years ago when the Saffin collection was dispersed. Bright **Very Fine+**, with two pinholes in the left margin mentioned just for the sake of total accuracy, a great note likely to see some spirited bidding before the hammer falls. (1000-2000)

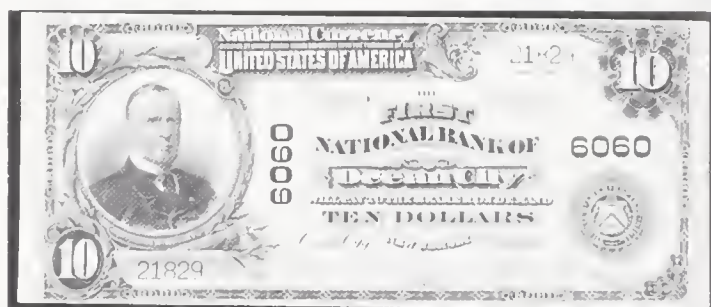

1921 Mount Holly - \$2.00 1875 Fr. 391 The Farmers NB of New Jersey Ch. # 1168

A most significant south Jersey Lazy Two for many reasons. Do not be deceived by the 10 examples from this rare bank said to exist in the census, as most all of that number have been tightly held for many years. In fact, our records show a total of only two offerings of any kind from here at public sale during the past 50 years, one in the 1982 Saffin sale and the second when this very note was last offered in 1990. Also of interest is the penned autograph of A.U. Wyman, who signs as "Treas. U.S. 1876/1883." **Very Good-Fine**, bright for the grade. (1000-2000)

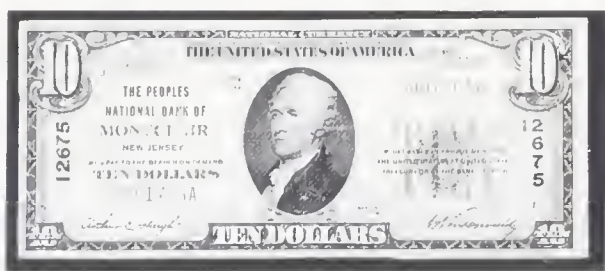

1919 Jersey City - \$10.00 1902 Fr. 624 The First NB Ch. # 374

Considerably higher grade than most all of the large notes we've seen from this bank. **About Uncirculated**, cut just a bit close at the top left. (150-250)

1922 Ocean City - \$10.00 1902 Fr. 634 The First NB Ch. # 6060

Delightfully fresh and bright, with the look of a new note at first appearance. **Extremely Fine+++**. (250-450)

1920 Montclair - \$10.00 Ty. 1 The Peoples NB Ch. # 12675

An excessively rare New Jersey bank which issued Series 1929 examples only and has just two such examples recorded in the census. More important, this is the first and only offering of any note from here at public sale, as our listings covering almost a quarter-of-a-million offerings over a 60 year period reveal that there has been no prior opportunity for collectors to ever obtain a note from here. **Fine**, with a few meaningless pinholes. (750-1250)

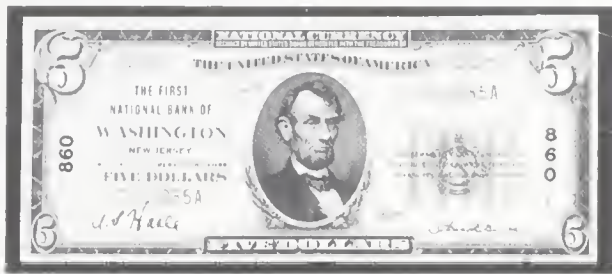

1923 Pedricktown - \$20.00 1902 Fr. 651 The First NB Ch. # 8007

An excessively rare south Jersey large note from a bank which had but \$980 outstanding in large out in 1935. Only three large notes are known from this obscure one bank location, and our records disclose that it has been almost 15 years since any note, large or small, has been available at public sale from here. Expect some serious competition before the hammer falls on this attractive pen signed **Fine** example. (1200-1800)

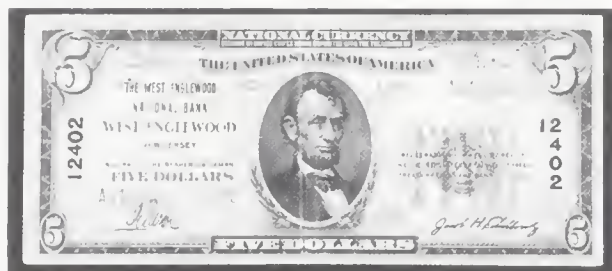

1924 Sussex - \$10.00 Ty. 2 The Farmers NB Ch. # 1221

Choice Crisp Uncirculated, with some handling and a slightly close bottom margin. (75-125)

1925 Washington - \$5.00 Ty. 1 The First NB Ch. # 860

Not a rare bank, but this example is a high grade replacement note, as inspection of both serial numbers will rapidly disclose. **Very Fine-Extremely Fine**, with one unimportant age spot in the bottom margin. (100-200)

1926 West Englewood - \$5.00 Ty. 2 The West Englewood NB Ch. # 12402

The only denomination issued by this scarce Bergen County bank, which was the sole issuer here. This bank is by no means easy to obtain, as our records indicate a total of only eight offerings from here of any kind, large or small, in over 50 years. **Very Fine**. (250-350)

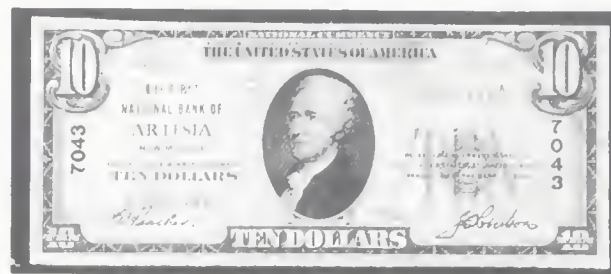

1927 West New York - \$10.00 Ty. 1 The First NB Ch. # 12064

A tougher New Jersey small size note with an always popular three decker name. **Fine**. (100-150)

NEW MEXICO

1928 Albuquerque - \$10.00 1902 Fr. 634 The First NB Ch. # 2614

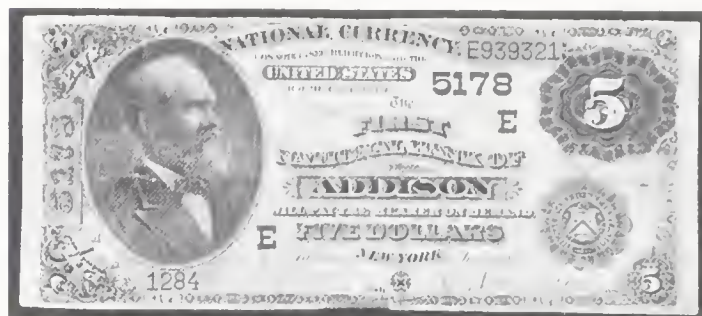

A more than acceptable large size Albuquerque note. **Fine**. (200-300)

1929 Artesia - \$10.00 Ty. 1 The First NB Ch. # 7043

Above average example from this always popular community. Nice **Fine-Very Fine**. (350-550)

NEW YORK

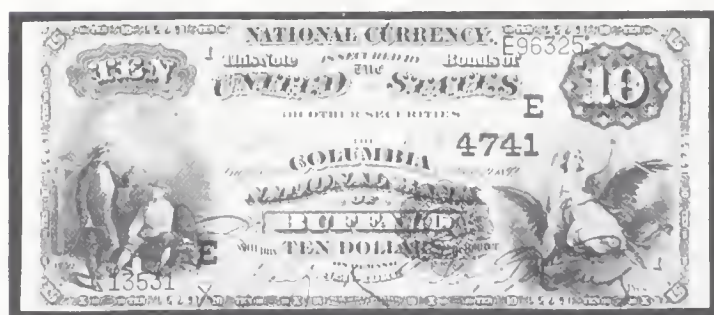

1930 Addison - \$5.00 1882 Date Back Fr. 537 The First NB Ch. # (E)5178

Evenly circulated pen signed example from this tougher Steuben County bank. **Very Good+**. (250-450)

1931 Bronxville - \$5.00 Ty. 1 The Gramatan NB & TC Ch. # 8240

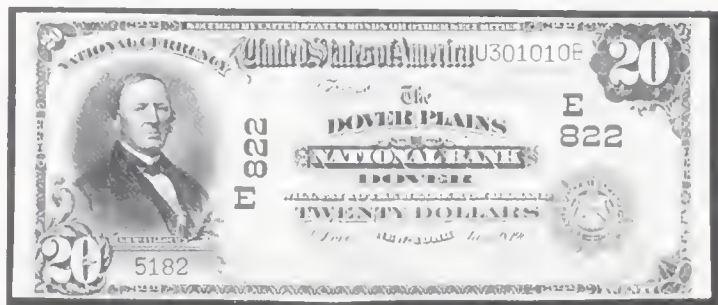

Always a popular Westchester County location. **Very Good-Fine**. (150-250)

1932 Buffalo - \$10.00 1882 Date Back Fr. 540 The Columbia NB Ch. # (E)4741

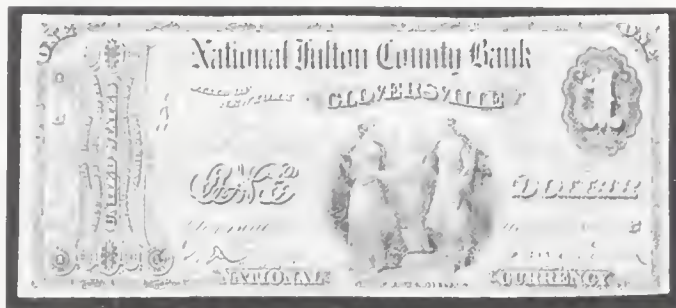

A very high grade example which is perfect for type. **Extremely Fine+**, trimmed just a bit close at the bottom margin. (350-450)

1932A Dover - \$20.00 1902 Fr. 650 The Dover Plains NB Ch. # (E)822

A very high grade example from this very scarce Dutchess County hamlet. Pen signed **Extremely Fine**, one of the nicest notes we've seen from this most elusive bank. (350-650)

1933 Gloversville - \$1.00 Original Fr. 380 The National Fulton County Bank Ch. # 1474

A very scarce bank which issued First Charters only before liquidating at the expiration of its charter in 1885. The bank is listed as "unreported" in the Kelly census, but we know of two others, the last of which we sold in 1998. That note, although a bit damaged, realized almost \$700. This unmolested **About Fine** example will likely bring somewhat more. (700-1000)

1934 Fredonia - \$10.00-10.00-10.00-20.00 Series 1902 Fr. 626-652 The NB of Fredonia Ch. # 9019 Uncut Sheet
A lovely uncut sheet with only the lightest evidence of handling. Fully margined and with great color, this would make a perfect example of a large size uncut sheet for any collection. **Choice About Uncirculated** (1750-2250)

Serial #1 Long Island Red Seal

1935 Huntington - \$5.00 1902 Red Seal Fr. 587 The First NB Ch. # (E)6587

The "A" position serial number 1 \$5.00 Red Seal — the very first note issued by this most desirable Suffolk County bank. This may well be the ultimate Long Island Red Seal available until we are well into the next millennium. **About Uncirculated**, difficult to estimate, but likely to see bidding reach well into the range of (5000-9000)

1936 Liberty - \$5.00 Ty. 1 The Sullivan County NB Ch. # 4925

Decent Fine-Very Fine example from this always in demand bank. (125-175)

1937 Little Falls - \$5.00 1882 Value Back Fr. 574 The National Herkimer County Bank Ch. # (E)2400

A much tougher type from here. Fine or a bit better, but the top right corner is a bit eroded, although it does not touch the design. (250-450)

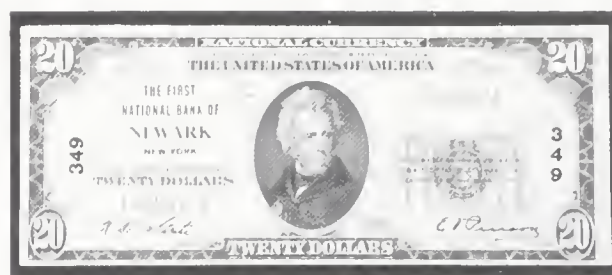

1939 Mount Kisco - \$5.00 1902 Fr. 606 The Mount Kisco NB Ch. # (F)5026

A simply beautiful Westchester County note which shows only the barest traces of circulation. It is just as nice, if not a touch nicer, than a similarly graded example which realized \$1870 in our January Orlando sale. Pen signed *Extremely Fine+*, a beauty worthy of the finest collection. (1250-2250)

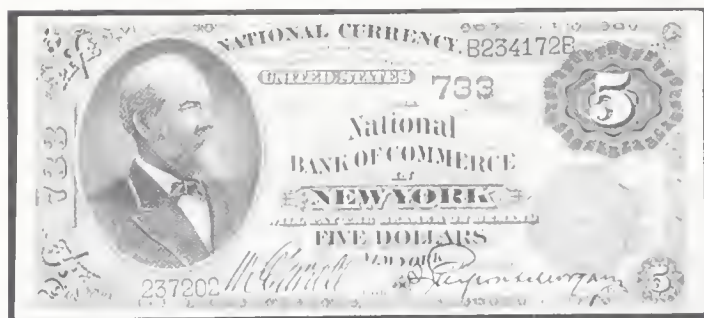

1938 Moravia - \$10.00-10.00-10.00-20.00 1902 Red Seal Fr. 613/639 The First NB Ch. # (E)99 Uncut Sheet

A magnificent Red Seal sheet. There are a couple of light folds between the notes, but the colors are fully bright and the notes themselves grade Choice to Gem New. The sheet has retained its full top and bottom selvage, with great colors and strong pen signatures. Red Seal sheets above the \$5.00 denomination are very rare, with even Grinnell not having a single example in his landmark holdings. *Uncirculated* (6000-10000)

1940 Newark - \$20.00 Ty. 1 The First NB Ch. # 349

Crisp Uncirculated, with just a bit of handling and close bottom margin. (125-225)

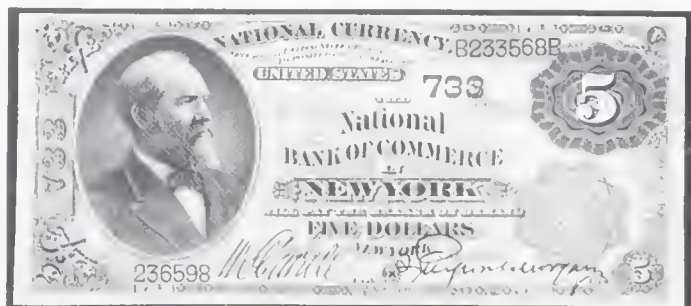

1941 New York City - \$5.00 1882 Fr. 467 The NB of Commerce Ch. # 733

A beautifully well margined and brightly colored example with the added bonus of the J. Pierpont Morgan signature as V. President. *Gem Crisp Uncirculated*, a perfect type example. (1000-1500)

**A 10% Buyer's Fee Will Be

1942 New York City - \$5.00 1882 Fr. 467 The NB of Commerce Ch. # 733

A very attractive, nicely embossed example with the J Pierpont Morgan signature. **Choice Crisp Uncirculated** (700-900)

1943 New York City - \$10.00 1882 Fr. 480 The NB of Commerce Ch. # 733

Well margined on both sides, and with great color, paper quality and originality. If you are searching for the ultimate example for your type or state set, you've found it here. **Gem Crisp Uncirculated**, as nice a \$10.00 Brown Back as you are ever likely to see. (1100-1500)

1944 New York City - \$20.00 1882 Fr. 494 The NB of Commerce Ch. # 733

Bright, well margined, and simply a well-nigh perfect type example. **Gem Crisp Uncirculated**. (1500-2200)

1945 New York City - \$5.00 1902 Date Back Fr. 590 NB of Commerce Ch. # (E)733

Crisp **About Uncirculated**, with just a bit too much handling precluding a higher grade. (175-225)

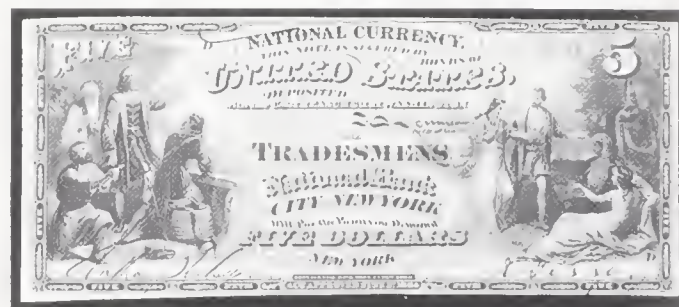

1946 New York City - \$5.00 1902 Fr. 598 The National Park Bank Ch. # 891

Attractive **Choice Crisp Uncirculated**, a good type example. (250-350)

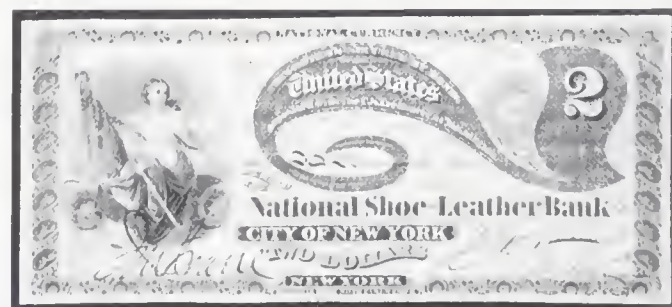

1947 New York City - \$10.00 1902 Fr. 624 The National Park Bank Ch. # (E)891

Bright **Extremely Fine**, with a handful of minuscule age spots. (75-125)

1948 New York City - \$5.00 Original Fr. 397 The Tradesmens NB Ch. # 905

An absolutely exceptional First Charter Original five which comes as close as any example of this type to gem status. (I might add that in 30 years in this business, your cataloguer has never seen a \$5.00 Original which could truly be called gem.) This example combines full originality with unusually bright colors and strong clear signatures. With just a hair more margin it would easily qualify as the finest example of its type we've ever seen. As it is, it's certainly in the top five, and likely in the top two or three. **Choice Crisp Uncirculated**. (1250-2250)

1949 New York City - \$2.00 Original Fr. 387 The National Shoe & Leather Bank Ch. # 917

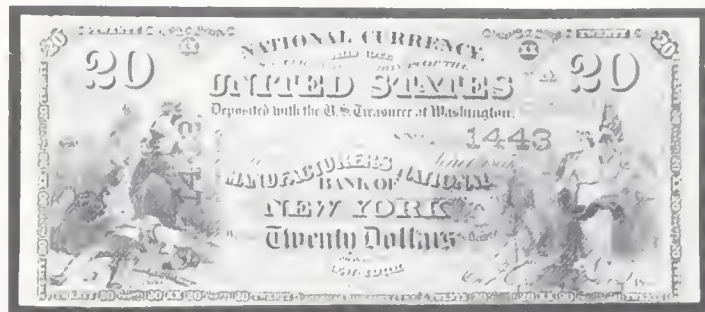

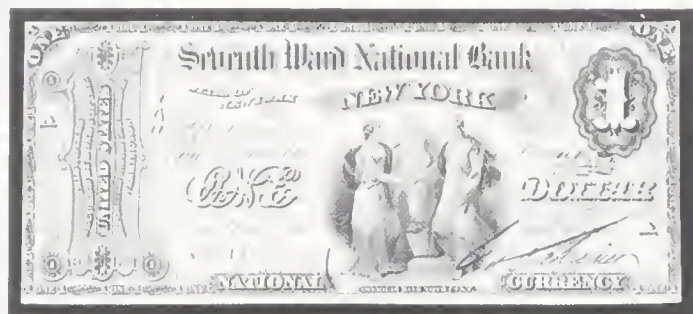

A very nice Lazy Deuce from this desirably titled institution. Bright **Fine+**, with unusually broad margins for this issue. (800-1200)

MAIL BIDDERS!

PLEASE REMEMBER TO SIGN YOUR BID SHEET, AND MAIL EARLY!

1950 New York City - \$5.00 1875 Fr. 404 The National Shoe & Leather Bank Ch. # 917

Considerably lower grade than the Deuce above, but likely to be considerably cheaper as well. Well circulated but intact **Good-Very Good**. (100-150)

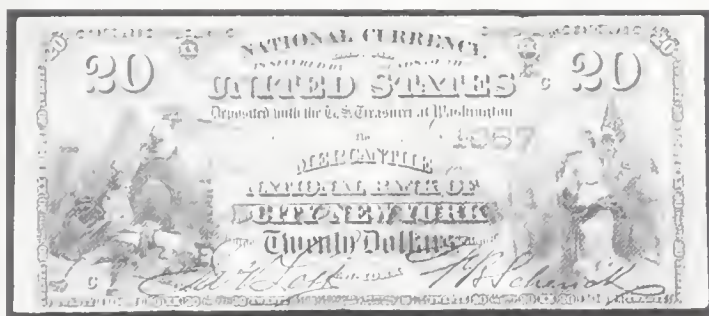

1954 New York City - \$20.00 1875 Fr. 431 The Manufacturers NB Ch. # 1443

A lovely note with one of the most vivid blue end paper hues we have ever encountered. This is a considerably scarcer New York City bank, but, even if it weren't, this piece would make a great representative example of this very scarce type. Pen signed **Fine-Very Fine**. (1100-1600)

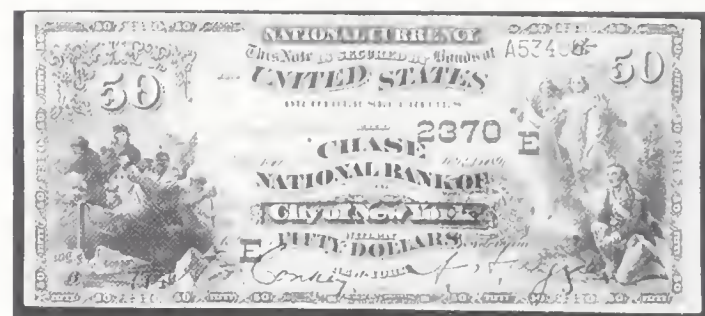

1951 New York City - \$1.00 Original Fr. 380 The Seventh Ward NB Ch. # 998

Trimmed closely on three sides with the typical New England close margins found on so many First Charter examples, but an attractive and high grade note which would make a fine addition to any type collection. **Extremely Fine**. (400-600)

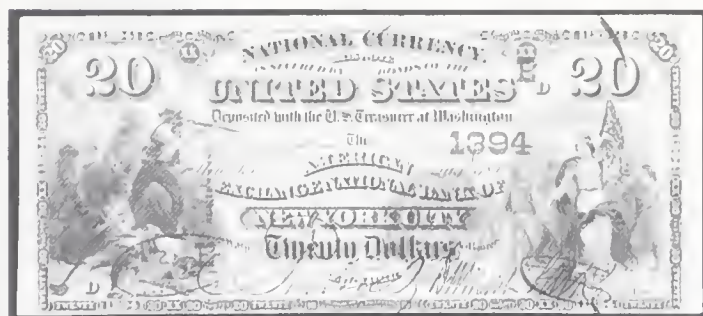

1952 New York City - \$20.00 1882 Fr. 494 The Mercantile NB Ch. # (E)1067

A decent evenly circulated Brown Back which is perfect for the grade. **Very Good-Fine**, with strong signatures. (150-250)

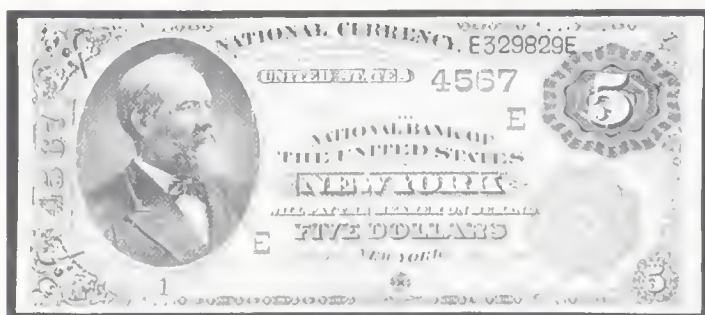

1955 New York City - \$50.00 1882 Date Back Fr. 561 The Chase NB Ch. # (E)2370

This type has always been difficult to obtain, but in the past few years these have simply disappeared from the market in all grades. This would make a nice example to fill the type in any set of circulated notes. **Fine**, with one pinhole and a couple of non-distracting age spots. (900-1200)

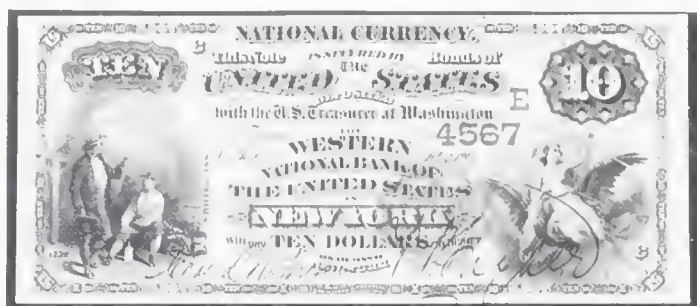

1953 New York City - \$20.00 1882 Fr. 501 The American Exchange NB Ch. # (E)1394

A high grade \$20.00 Brown Back. **About Uncirculated**, the bottom margin cut a bit close to the design. (500-700)

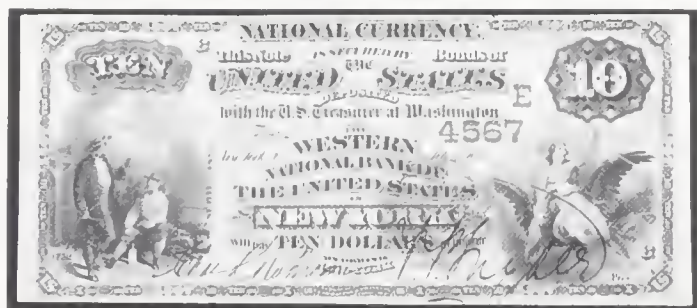

1956 New York City - \$5.00 1882 Fr. 477 The NB of the United States Ch. # (1)4567

A rare note from this short-lived bank, with a title which was only used for about eight months. Only three examples are known from here with this title, and this is the only serial number 1 note. **Very Fine**, from the forbidden title collection of Daryl Crotts. (1000-2000)

1957 New York City - \$10.00 1882 Fr. 490 The Western NB of the United States Ch. # (E)4567

The last title used here, which makes no sense whatever in geographical terms, and, in any case, did this bank no good as it liquidated only eight months after adopting it. Only three notes are reported with this title, and this lovely example as nice is as any we know of. Perfectly margined bright **Extremely Fine**, from the Crotts collection of forbidden titles. (700-1200)

1958 New York City - \$10.00 1882 Fr. 490 The Western NB of the United States Ch. # (E)4567

A second high grade example of this elusive note, also from the Crotts holdings. **Very Fine+++**. (550-850)

1959 New York City - \$10.00-10.00-10.00-10.00 1902 Fr. 627 The Harriman NB Ch. # (E)9955 Uncut Sheet

A rare combination to find in any uncut sheet. This is a nicely margined and bright example, with a few light folds between the notes. **About Uncirculated** (1500-2000)

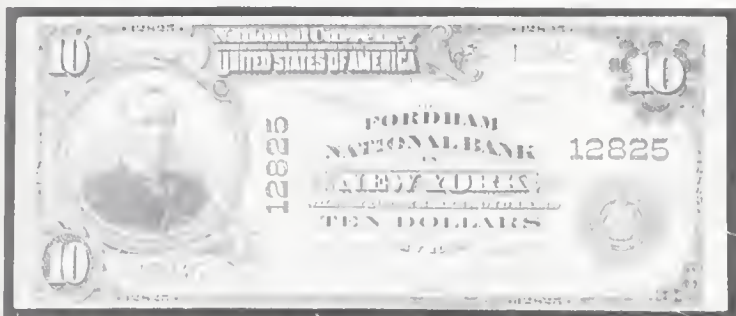

1960 New York City - \$10.00 1902 Fr. 632 The Public NB Ch. # (F)11034

Well centered **About Uncirculated**, with a pinhole. (150-200)

1961 New York City - \$10.00 1902 Fr. 632 The Public NB & TC Ch. # 11034

Bright and original, but trimmed into the design at the bottom right side. **Crisp Uncirculated** (150-250)

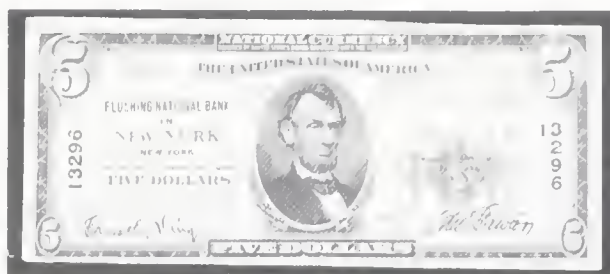

1962 New York City - \$10.00 1902 Fr. 635 The Fordham NB Ch. # 12825

Large notes only from this short-lived institution, one of only four banks chartered in The Bronx. **About Fine**. (200-400)

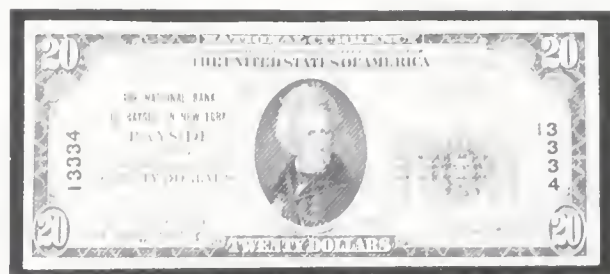

1963 New York City - \$10.00-10.00-10.00-20.00 Fr. 637/663 The Dunbar NB Ch # 13237 Uncut Sheet

A very significant uncut sheet from this Black operated bank. There is no evidence whatever of any handling on this lovely sheet, and not even a hint of a fold affecting the margins or any of the notes. The top and bottom selvage is full, and the double digit serial number helps considerably as well. This sheet is in all respects superior to the example in our last sale which had a fold through the top selvage and some handling and still realized \$2750.00. Expect this beautiful **Gem Crisp Uncirculated** item to realize... (2500-3500)

1964 New York City - \$5.00 Ty. 2 Flushing NB Ch. # 13296

Evenly circulated **Fine-Very Fine** example from this scarcer Queens bank. (175-325)

1965 New York City - \$20.00 Ty. 1 The NB of Bayside in New York Ch. # 13334

This Queens County bank is quite scarce with this title. The Kelly census records a mere seven such examples. **Fine-Very Fine**. (200-300)

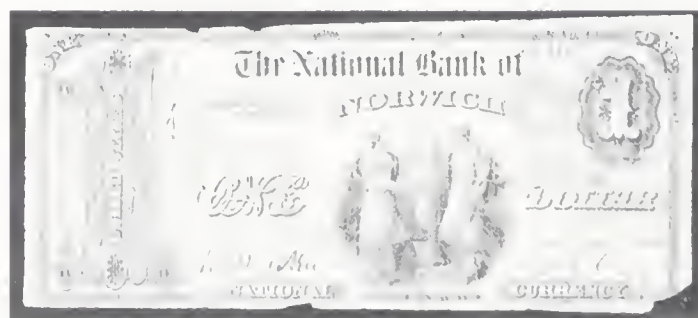

1966 New York City - \$10.00 1902 Red Seal Fr. 613 Gallatin NB Ch. # (E)1324 VG

\$5.00 1882 Fr. 476 Astor NB Ch. # (E)5112 VG

Two better New York City notes, both well circulated but quite intact. (200-300)

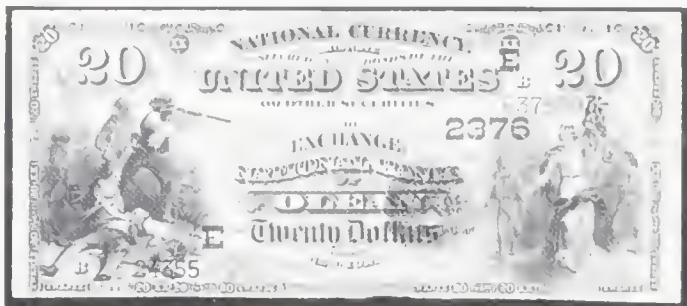

1967 Niagara Falls - \$5.00 1902 Fr. 609 NB of Niagara & TC Ch. # 12284

Large notes only from this institution. **Fine**, with a couple of small paper pulls on the reverse. (100-150)

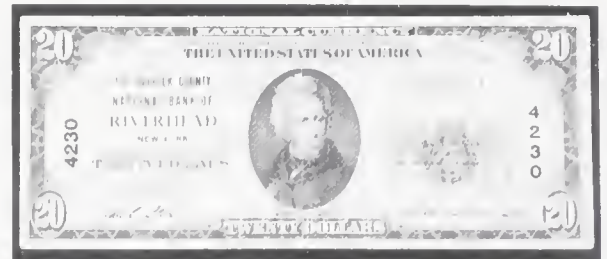

1968 Norwich - \$1.00 Original Fr. 380 The NB of Norwich Ch. # 1354

Not a rare bank, but First Charters from here are exceedingly scarce. **About Fine**, with a corner tip off (200-300)

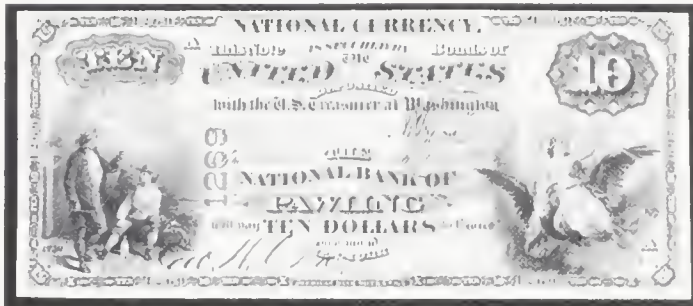

1969 Olean - \$20.00 1882 Date Back Fr. 554 The Exchange NB Ch. # (E)2376

A better type and denomination from this bank. **Fine**. (175-325)

1973 Riverhead - \$20.00 Ty. 1 The Suffolk County NB Ch. # 4230

One of the meier small size examples we've ever had to offer from the county seat of Long Island's Suffolk County. **Very Fine**. (450-750)

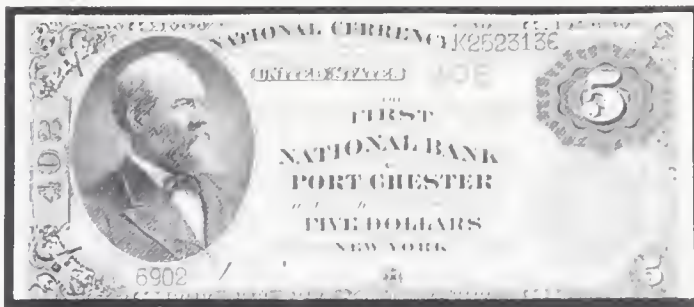

1970 Pawling - \$10.00 1882 Fr. 480 The NB of Pawling Ch. # 1269

A beautifully printed example of the much scarcer, first Brown Back type, which has the seal on the right and the charter number vertically on the left. Pen signed **Choice About Uncirculated**, a most attractive example from a well collected New York location. (1200-1600)

1974 Rochester - \$2.00 Original Fr. 387 The First NB Ch. # 527

Unique to our best knowledge, as both the census and our records agree that this is the only note known, with just one prior appearance at public sale on a June, 1977 fixed price list. The red overprint is somewhat sun faded, but the note itself grades **Fine**, with no other problems whatever. Difficult to estimate, but if rarity is any guide... (1200-1800)

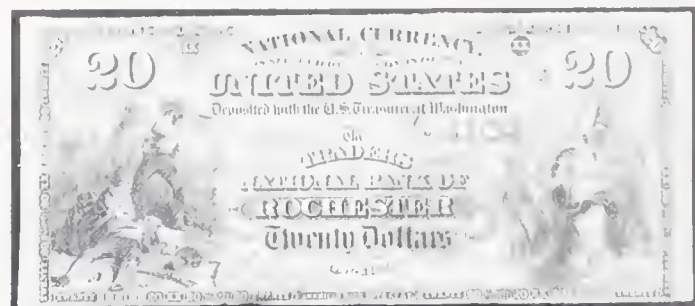

1971 Port Chester - \$5.00 1882 Fr. 466 The First NB Ch. # 402

Not a rare bank in general, but early notes from here are simply never available. Expect to see some serious competition for this Westchester County Brown Back. Attractive **Very Fine+**, the bottom margin trimmed a bit into the design. (750-1250)

1972 Port Chester - \$5.00 Ty. 1 The First NB & TC Ch. # 402
Evenly circulated **Fine-Very Fine**. (100-150)

1975 Rochester - \$10.00 1882 Fr. 481 The Traders NB Ch. # (E)1104

Decent in appearance from the face, but the back is quite mottled, giving an overall grade of **Very Good** (100-200)

1976 Rochester - \$20.00 1882 Fr. 494 The Traders NB Ch. # 1104

Evenly circulated **About Fine** Brown Back. (150-250)

1977 Rochester - \$10.00 1902 Red Seal Fr. 613 The Traders NB Ch. # (E)1104

Bright and attractive **Very Fine** Red Seal with good signatures, with one minuscule split in the bottom margin mentioned solely for the sake of accuracy. (200-400)

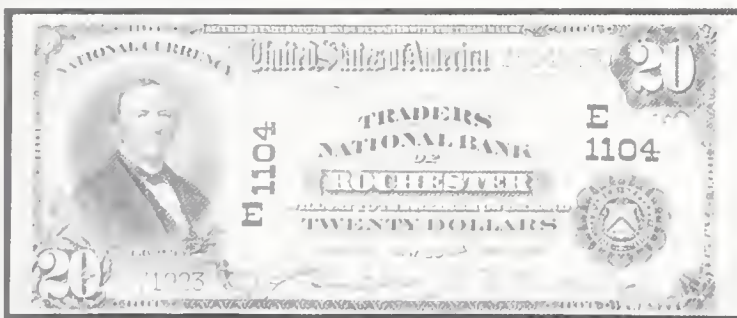

1978 Rochester - \$10.00 1902 Red Seal Fr. 613 The Traders NB Ch. # (F)1104

A second \$10.00 Red Seal, also quite nice but with a small age spot near the portrait. **Very Fine**. (175-325)

1979 Traders Trio

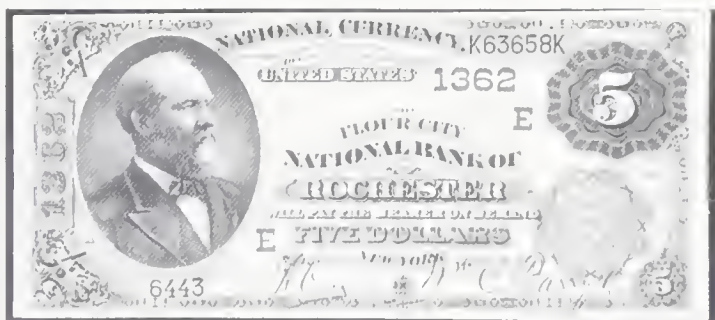

Rochester - \$10.00 1902 Date Back Fr. 616 (2), Fr. 624 The Traders NB Ch. # (F)1104

Three pieces, the two Date Backs **Very Fine** and **Fine-Very Fine** respectively, the plain back **Fine**. (175-200)

1980 Rochester - \$20.00 1902 Fr. 650 The Traders NB Ch. # (E)1104

Trimmed a bit tight across the bottom, but otherwise quite attractive, with strong signatures and only the slightest traces of circulation. **Extremely Fine-About Uncirculated** (125-225)

1981 Rochester - \$5.00 1882 Fr. 469 The Flour City NB Ch. # (E)1362

One of the great titles in Nationals graces this note, with the bank being quite scarce as well. Only seven notes are recorded in the Kelly census from here, with this example the first \$5.00 Brown Back we've had to handle. **Very Fine**, with an ink stain on the back not detracting at all. (350-550)

1982 Rochester - \$10.00 1882 Fr. 482 The Flour City NB Ch. # 1362

Pleasing **Fine-Very Fine** Brown Back with this desirable title. (300-500)

1983 Rochester - \$10.00 1902 Red Seal Fr. 613 The Flour City NB Ch. # (F)1362

The last type to be issued by this bank, and prohibitively scarce, as Red Seals were issued from here for only the six months between June and December of 1905, when the bank liquidated. The piece offered here as part of this Rochester collection represents the first such example we've seen. **Very Good-Fine**, exceptionally bright for the grade. (400-800)

1984 Rochester - \$2.00 Original Fr. 387 The Clarke NB Ch. # 1397

An exceedingly scarce note from this short lived bank, which issued only from 1865 through 1871. Three notes are recorded in the census, including this piece, which has been off the market for over 20 years. Well circulated but problem free **Very Good**. (900-1400)

1985 Rochester - \$5.00 1902 Date Back Fr. 592, \$5.00 1902 Fr. 600, \$10.00 1902 Date Back Fr. 618 Lincoln NB Ch. # (E)8026

1986 Rochester - \$5.00 1902 Fr. 599 The NB of Commerce Ch. # (E)8111

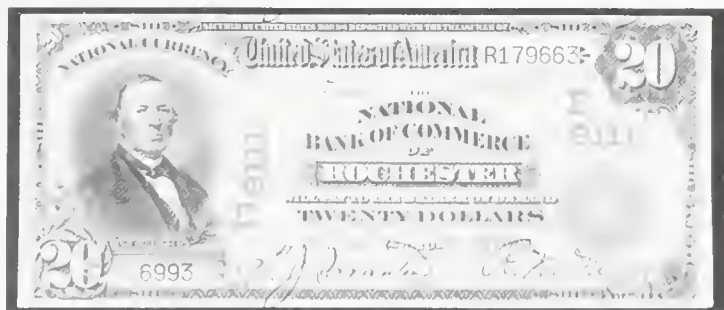

Crackling fresh and fully original, gem but for a minuscule handling mark and a closely trimmed bottom margin. **Choice Crisp Uncirculated.** (250-450)

1987 Rochester - \$10.00 1902 Red Seal Fr. 614 The NB of Commerce Ch. # (E)8111

No problems **Fine** Red Seal with good color and body for the grade. (150-250)

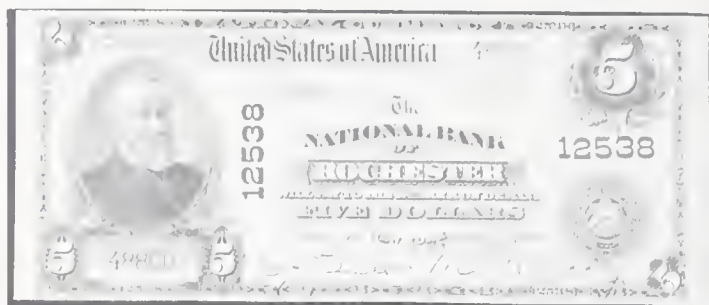

1988 Rochester - \$5.00, \$10.00 1902 Date Backs Fr. 591, 617 The NB of Commerce Ch. # (E)8111

Two Date Backs, the \$5.00 **Fine**, the \$10.00 **Very Fine+** but cut quite poorly. (100-140)

1989 Rochester - \$20.00 1902 Red Seal Fr. 640 The NB of Commerce Ch. # (E)8111

A spectacular type example which our consignor purchased 25 years ago from Bill Donlon. This is an exceptional \$20.00 Red Seal, with great colors, margins, and signatures. It is fully embossed and absolutely original in every respect. It is certainly the nicest \$20.00 Red Seal we've handled in recent years, with a level of quality that is so seldom found in today's offerings. **Gem Crisp Uncirculated** (1500-2500)

1990 Rochester - \$5.00 1902 Fr. 609 The NB of Rochester Ch. # 12538

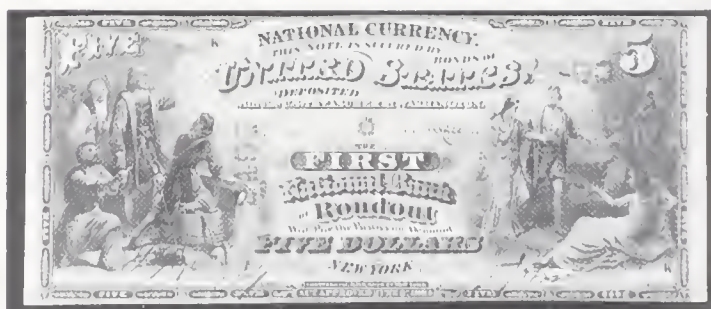

Another note purchased from Bill Donlon a quarter century ago. It is fully original and absolutely immaculate, with crackling fresh white paper, incredible colors, and letter-perfect centering on both front and back. **Superb Gem Crisp Uncirculated** (a grade we use here for Nationals about as often as confirmed unicorn sightings), a perfect note for the collector who wants and can afford the very best. (500-1000)

1991 Rochester - \$10.00 1902 Fr. 6353 The NB of Rochester Ch. # 12538

Bright **Very Fine-Extremely Fine.** (125-225)

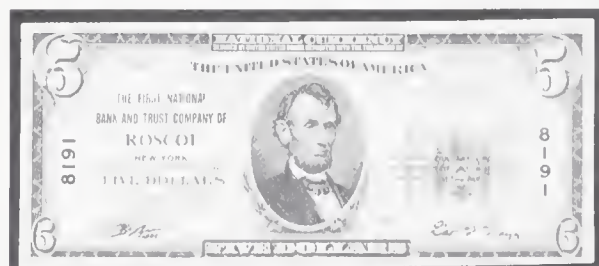

1992 Rochester - \$20.00 1902 Fr. 661 The NB of Rochester Ch. # 12538

Two pieces, the first **Very Fine-Extremely Fine** but cut considerably into the design at the bottom, the second **Fine** or a bit better. (150-250)

1993 Rondout - \$5.00 1875 Fr. 404 The First NB Ch. # 2493

A nice example of this elusive type which will fit nicely into any high end collection. **Very Fine-Extremely Fine.** (350-550)

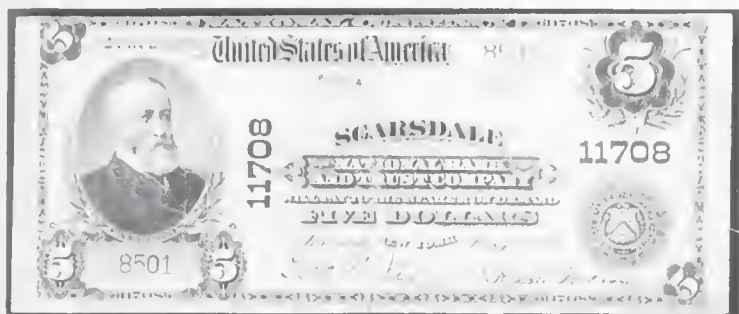

1994 Roscoe - \$5.00 Ty. 1 The First NB & TC Ch. # 8191

This is easily the highest grade small note we've ever encountered from here. **About Uncirculated** (200-300)

1996 Scarsdale - \$5.00 Ty. 2 Scarsdale NB & TC Ch. # 11708

A nice companion to the large example above. **Fine**. (175-325)

1997 Syracuse - \$5.00 Original Fr. 394 The First NB Ch. # 6

A scarce low charter bank which liquidated in 1918. This example is as early as any we know of from here, bearing the blue Treasury number and the plate date of Nov. 2, 1863. **Very Good**. (400-800)

A very high grade example from this desirable low charter bank. **Extremely Fine**. (200-400)

1999 Syracuse - \$1.00 Original Fr. 380 The Third NB Ch. # 159

A common enough bank, but this is the only First Charter one we've recorded from here. Well circulated **Very Good**, with a few margin chips out. (175-325)

2000 Syracuse - \$10.00, \$20.00 1902 (2) Fr. 624, 650 The Third NB Ch. # 159

2001 Syracuse - \$10.00 1882 Fr. 481 The Salt Springs NB Ch. # 1287

2002 Syracuse - \$10.00 1882 Fr. 481 The Salt Springs NB Ch. # 1287

2003 Syracuse - \$1.00 Original Fr. 380 The Syracuse NB Ch. # 1341

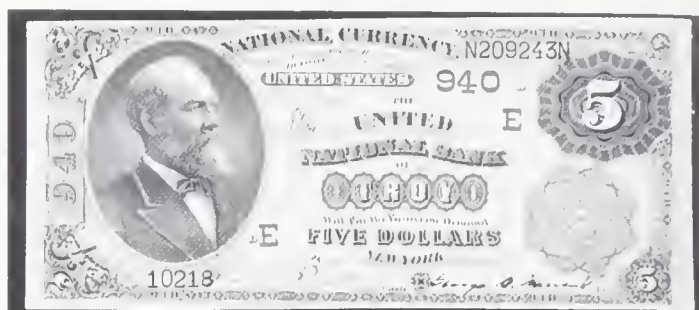

A beautiful example from this excessively rare Syracuse bank, which issued First Charters only before liquidating in 1876. 2007 Troy - \$5.00 1882 Fr. 467 The United NB Ch. # (E)940

A most eye-catching layout adorns this \$5.00 Brown Back. Pen signed **Extremely Fine**, with a small repaired tear at the top margin. (250-450)

2015 Troy - \$5.00 1882 Fr. 467 The Mutual NB Ch. # 992

The first and more ornate layout used on \$5.00 Brown Backs from here, Pen signed Fine. (200-300)

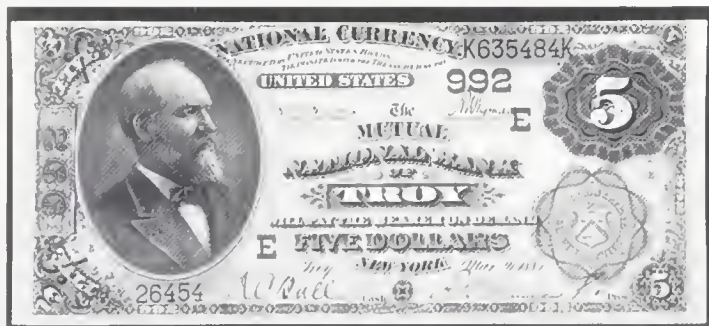

2012 Troy - \$5.00 1875 Fr. 401 The Mutual NB Ch. # 992

2013 Troy - \$5.00 1882 Fr. 467 The Mutual NB Ch. # (E)992

A beautiful \$5.00 Brown Back with the second title layout used here. But for the close top margin, this is a total gem. Choice Crisp Uncirculated. (700-1000)

An extremely rare note from one of the most thinly capitalized banks in the state. A total of only three large size notes are known from here -- no surprise considering the meager \$620 outstanding in large size from here in 1935. Pen signed Fine-Very Fine; a great note likely to see the hammer fall in the range of... (900-1400)

- 2021 Watervliet - \$10.00 1902 Fr. 624 The NB of Watervliet Ch. # (I)1265

2027 Wilmington - \$10.00 1902 Fr. 632 The Merchison NB Ch. # 5182

2030 Akron - \$10.00 1902 Fr. 627 The First-Second NB Ch. # (M)9953

This remains probably the toughest large city from which to obtain a National Bank Note, despite the eight banks chartered here. Interestingly, not one bank here lasted long enough to issue small size notes. This bright **Fine-Very Fine** example is from the Liechty collection. (400-700)

OHIO

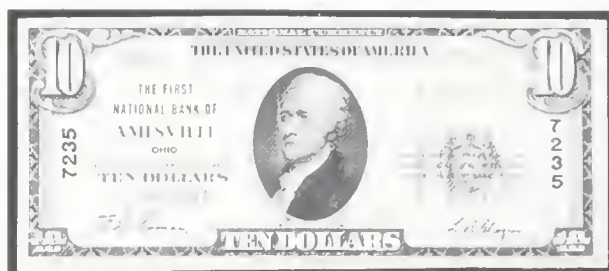

Some Selections From the Collection of Wayne Liechty

We are pleased to offer below a selection of both large and small notes from the collection of our long-time friend Wayne Liechty. In addition to putting together an award-winning collection of Fractional Currency, which we sold in January of 1994, Wayne has assembled an outstanding collection of Ohio Nationals, a portion of which we are privileged to offer below. Included is a complete set of Ohio's 13000 and 14000 charter banks, missing only the 13000 charter Orrville, which Wayne has elected to keep. Enjoy this offering, which represents the fruits of many years of patient collecting.

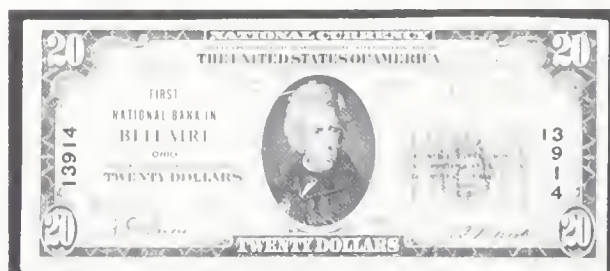

2028 Ada - \$10.00 1902 Fr. 633 The First NB Ch. # (M)5425

Tougher large note which is always in demand for its three letter town name. **Fine**, with nice two color signatures. (250-450)

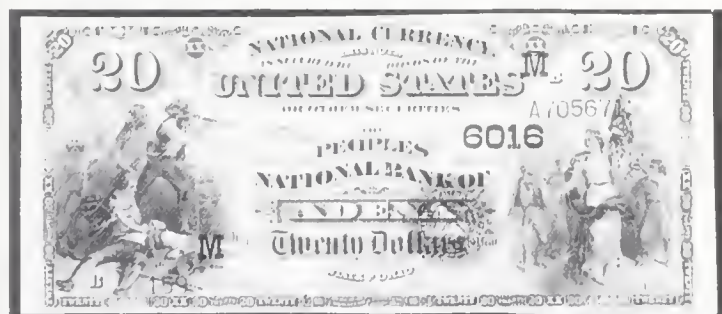

2031 Amesville - \$10.00 Ty. 1 The First NB Ch. # 7235

First Public Offering

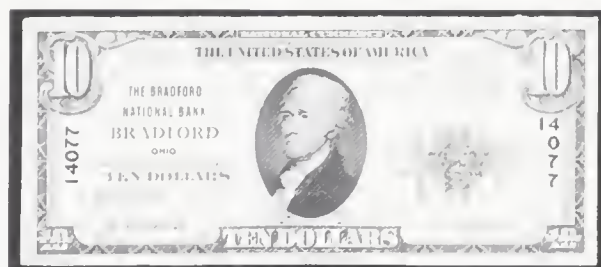

2034 Bethesda - \$10.00 Ty. 2 The Goshen NB Ch. # 14261

A great rarity from the Liechty collection, and the first time that any example from this 14000 charter bank has ever been available at public sale. This bank issued a mere \$15,000 worth of currency during the depths of the Depression, and the survival of any examples from here represents a mere stroke of good luck. **Fine.** (750-1250)

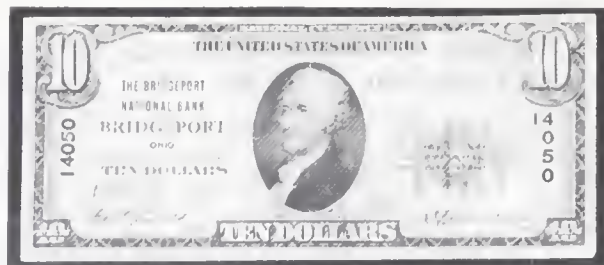

2035 Blanchester - \$10.00 Ty. 1 The First NB Ch. # 8588

Only denomination produced by the only bank to issue in this Clinton County hamlet. **Fine.** (150-250)

2037 Bridgeport - \$10.00 Ty. 2 The Bridgeport NB Ch. # 14050

Another excessively rare 14000 charter example from the Liechty collection. Only three notes are known from this bank, and, even more important for collectors trying to obtain one, the last (and only) public offering from here came over 20 years ago in a 1977 mail bid sale. **Fine** (700-1200)

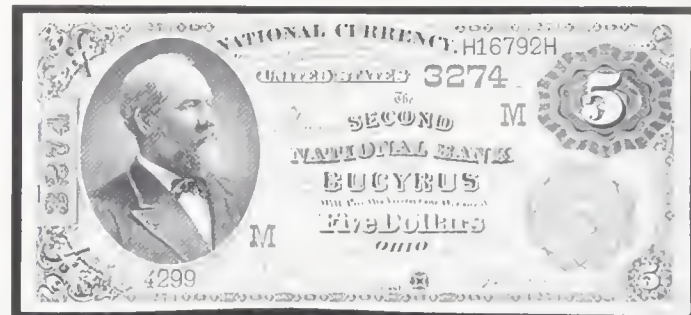

2038 Bryan - \$10.00 Ty. 2 The Citizens NB Ch. # 13740

Only type and denomination issued by this bank. **Fine-Very Fine.** (175-325)

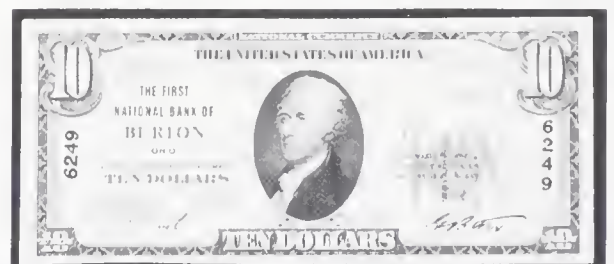

2039 Bryan - \$5.00 Ty. 2 The First NB Ch. # 13899

A bright and lovely example from this scarce high charter Bryan bank which is gem but for the lightest of center bends. **Choice Crisp Uncirculated**, from the Liechty collection. (250-450)

2044 Cambridge - \$20.00 Ty. 2 The Central NB Ch. # 13905

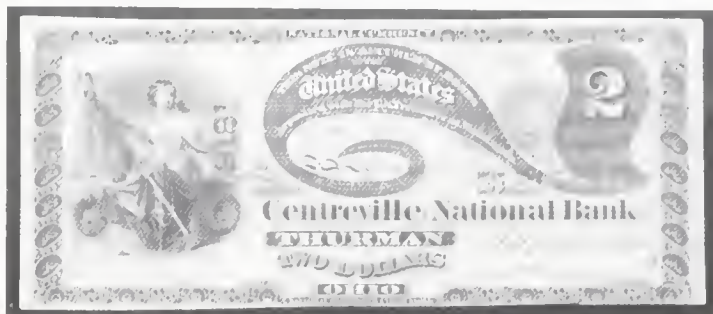

An excessively rare note. The Kelly census records only a single example from here, but we know of one other as well. This is the nicer of the two, and is the only example from this bank likely to become available anytime soon. **Extremely Fine**, a great high charter note from the Liechty collection. (600-1000)

2045 Carrollton - \$5.00 Ty. 2 The First NB Ch. # 13883

Six notes are reported in the census, but our records indicate a total of only four offerings from here during the past 50 years. **Very Fine**, scarce. (250-450)

First Public Offering in Fifty Years

2046 Centreville - \$2.00 Original Fr. 389 The Centreville NB of Thurnman Ch. # 2181

A wonderful Lazy Deuce from this very rare bank which issued First Charters and Brown Backs only before liquidating in 1901. Although a handful of notes are listed in the Ohio census, all must be closely held, as our records indicate a grand total of one public offering of any kind from here, with that coming in the 1946 Grinnell collection sale. **Very Fine**, one of the most significant notes in the Liechty collection. (2500-4500)

2057 Cleveland - \$20.00 1902 Date Back Fr. 642 The First NB Ch. # (M)7

Only four large notes are known from this rare one bank community, with this the sole Value Back in the group. 2107 Orrville - \$10.00 Ty. 1 The Orrville NB Ch. # 6362

This note is a perfect example of how deceptive population statistics can be in determining the ability of collectors to actually add notes to their collections. The census records five large and twelve small notes extant from this bank. Easy to find, right? What the census omits is the fact that virtually all of these notes are in the strongest hands possible — that of a dedicated collector who simply does not want to sell. The proof: Our records indicate that the last appearance of any note from this bank at auction or via a price list came in June of 1974 — a full quarter century ago. The moral: Take statistics regarding note populations with a large grain of salt. **Very Good+**, with a couple of minor edge splits, and rare enough in real life to see bidding reach or exceed... An excessively rare bank which issued a very small quantity of Red Seals only before departing in mid-1908 after three years in business. Three examples are recorded in the census, with our records indicating only one prior offering of any example from here in the past 50 years. 2122 Sidney - \$20.00 1902 Date Back Fr. 643 The Citizens NB Ch. # (M)7862

An extremely rare example from a bank which had one of the lowest issues of large notes in the state. Only three examples, including this one, are recorded in the census, and, with a minuscule \$330 outstanding from here in large at the bank's close in 1935, we wouldn't expect to see many more specimens emerge. Our records disclose no offerings from here of any kind, large or small, in almost 10 years. Pen signed **Fine**. (1200-1600)

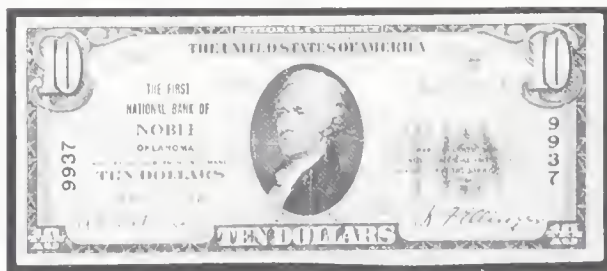

- 2148 Kaw City - \$20.00 1902 Fr. 656 NB of Kaw City Ch. # 10402

2156 **Eugene** - \$10.00 Ty. 1 The United States NB Ch. # 10345

A bit lower grade example, also from the Crofts collection. **Very Good-Fine**, with a bit of graffiti on the face. (150-250)

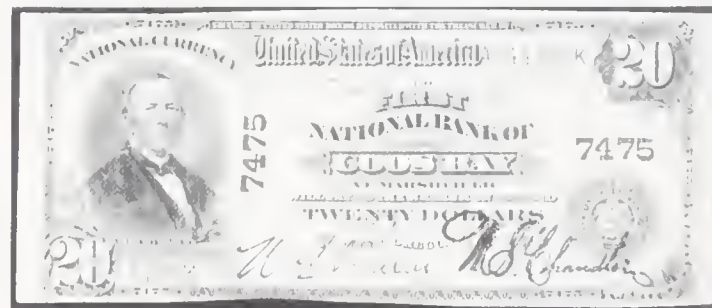

2157 **La Grande** - \$5.00 1902 Fr. 600 The United States NB Ch. # 9314

A well margined example of this scarce high denomination. **Fine+**, with no problems whatever. (550-750)

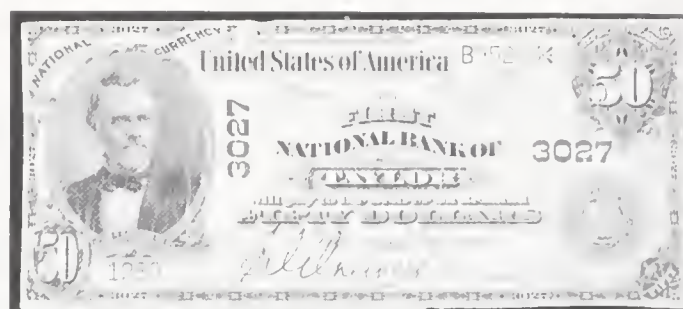

MAIL BIDDERS

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.

2259 **Shiner** - \$5.00 1882 Fr. 477 **The First NB** Ch. # (S)5628

It's been several years since we've had a Shiner Brown Back to offer in any of our sales, as these have just disappeared from the marketplace in recent years. This is a fresh and most appealing example, with great color, signatures, and originality. **Gem Crisp Uncirculated**, the only opportunity most collectors will ever have to obtain a Brown Back from the Lone Star state in anywhere near this grade. (1500-2500)

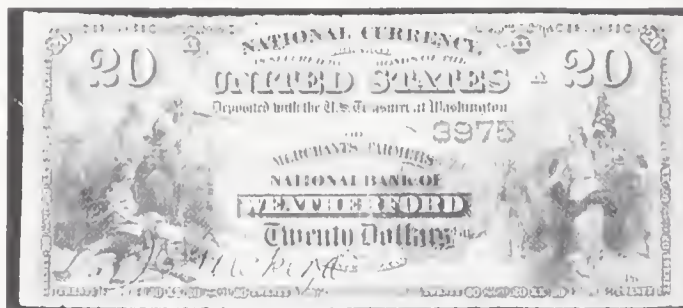

2260 **Taylor** - \$50.00 1902 Date Back Fr. 667 **The First NB** Ch. # 3027

A very scarce bank which issued high denomination examples only after 1902. Only four large notes of any kind are recorded from here in the Kelly census. Pen signed **Fine**, trimmed in a bit at the side margins and with a small, penned number above the title. (750-1150)

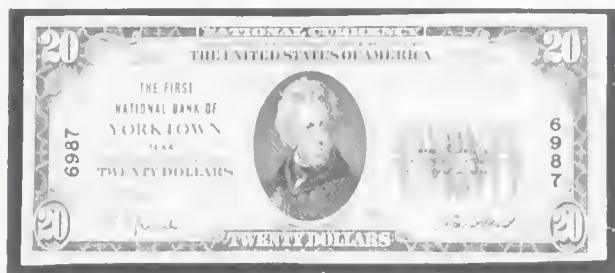

2261 **Temple** - \$10.00 1902 Fr. 624 **The City NB** Ch. # (S)6317

Well circulated but intact **Very Good** example from this tougher central Texas location. (250-450)

2262 **Weatherford** - \$20.00 1882 Fr. 497 **The Merchants & Farmers NB** Ch. # 3975

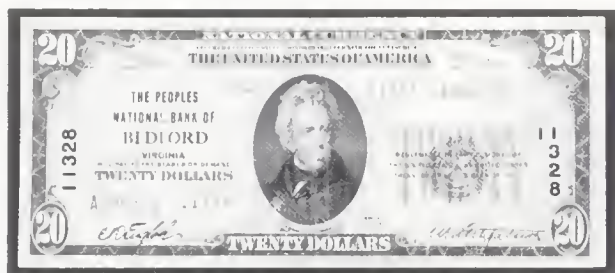

An excessively rare Texas Brown Back from a bank which issued Brown Backs only before liquidating in 1908. Only one example is recorded in the census, and even the great Irish and Iverson collections lacked any notes from this bank. Our records show only one offering from here in 50 years, with that coming when we sold the specimen formerly in the collection of Col. Charles Wingo several years ago. **Very Good**, with no problems other than honest circulation, a great note worthy of a strong bid. (1500-2500)

2263 Yorktown - \$20.00 Ty. 2 The First NB Ch. # 6987

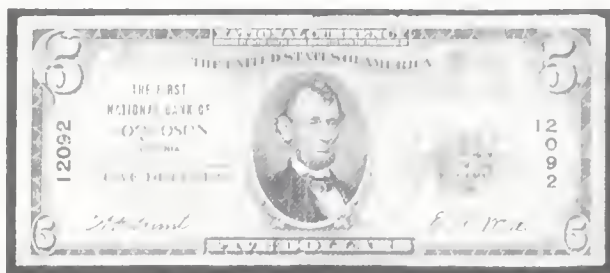

A very scarce note from the only bank in town to issue. This Type 2 twenty is the nicest note we've seen from here in many years. **Extremely Fine**. (400-600)

VIRGINIA

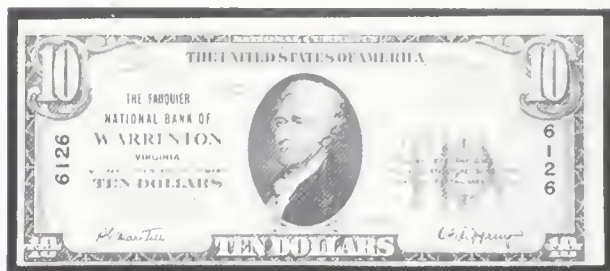

2264 Bedford - \$20.00 Ty. 2 The Peoples NB Ch. # 11328

A nice note which is the only Type 2 example we've seen from here. Bright **Fine-Very Fine**, with one inconsequential split. (200-300)

2266 Poquoson - \$5.00 Ty. 1 The First NB Ch. # 12092

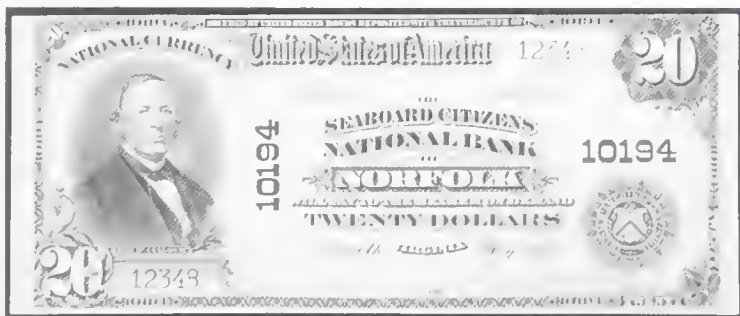

A low grade but exceptionally rare note. Two small (and two large) examples are listed in the census, and our records show a total of two appearances from here of any note during the past 50-plus years. **Fine** but stained, not super pretty but where can another be found at any price? (300-500)

2267 Warrenton - \$10.00 Ty. 1 The Fauquier NB Ch. # 6126

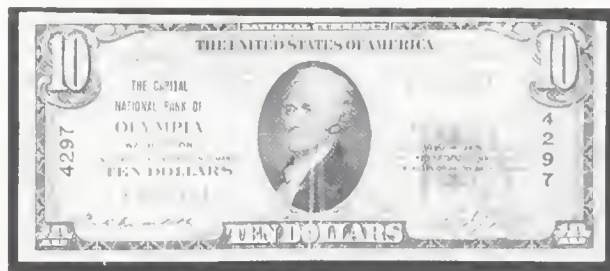

Pleasing **Fine-Very Fine** example from this affluent community in northern Virginia's hunt country. The bottom margin is a trifle close. (175-325)

WASHINGTON

2265 Norfolk - \$20.00 1902 Fr. 654 The Seaboard Citizens NB Ch. # 10194

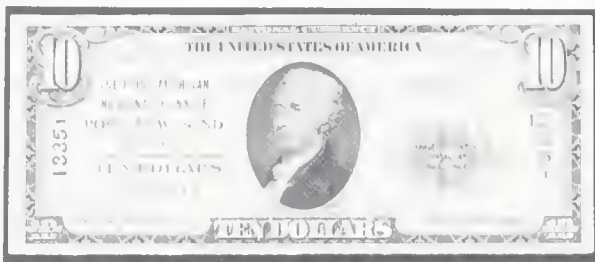

A touch of old time quality, as our consignor purchased this note back at the 1976 ANA auction. Bright and totally original, gem but for the close top margin. **Choice Crisp Uncirculated** (300-400)

2268 Olympia - \$10.00 Ty. 1 The Capital NB Ch. # 4297

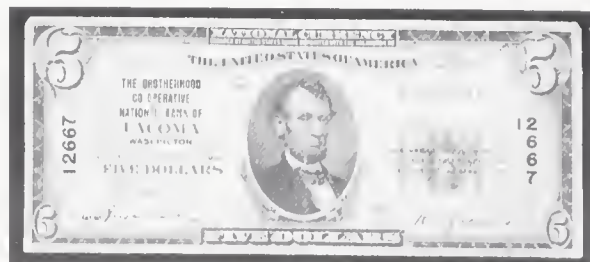

Although a fair number of notes are known from here, this has emerged as one of the most difficult to find state capitals, as this rather small bank was the sole issuer in Washington's capital city of Series 1929 examples. Pleasing **Fine**, trimmed just a bit close at the top right. (400-700)

CURRENCY AUCTIONS OF AMERICA, INC.
IS PLEASED TO ANNOUNCE
THAT OUR NEXT PUBLIC AUCTION
WILL TAKE PLACE
IN JANUARY OF 2000!

2269 Port Townsend - \$10.00 Ty. 1 First American NB Ch. # 13351

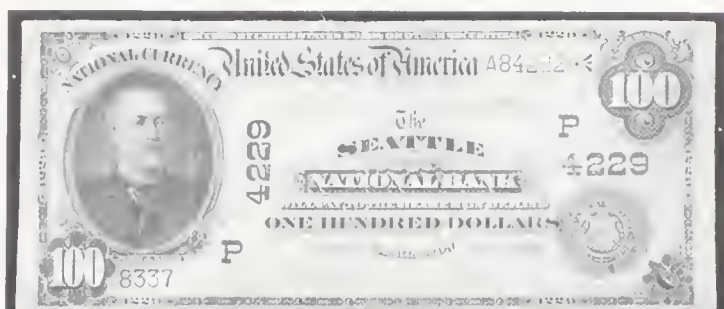

An extremely scarce bank in the only town to issue in Jefferson County. The Kelly census reports only four notes known from both titles this bank used, with our data showing a total of only three offerings from here during the past 50 years. **Very Fine**, likely to be of interest to a large number of this state's collectors. (500-900)

2272 Tacoma - \$5.00 Ty. 1 The Brotherhood Co-Operative NB Ch. # 12667

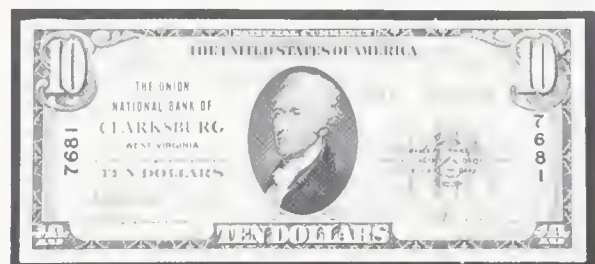

A very scarce note from this union organized bank. The Kelly census reports only five small examples known with this title, and a couple of those we've seen have been just awful in grade. This is not. **Fine**. (250-450)

WEST VIRGINIA

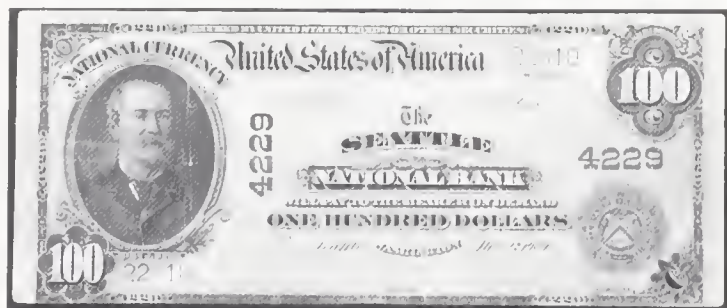

2270 Seattle - \$100.00 1902 Date Back Fr. 692 The Seattle NB Ch. # (P)4229

An always in demand denomination from here. **Very Good**. (300-500)

2273 Clarksburg - \$10.00 Ty. 2 The Union NB Ch. # 7681

The bottom note from the first sheet of Type 2 tens issued from here. **Gem Crisp Uncirculated**. (200-400)

2271 Seattle - \$100.00 1902 Fr. 701 The Seattle NB Ch. # 4229

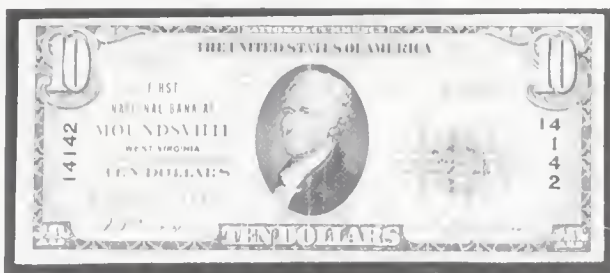

Nicer in grade than the Date Back above, but the bottom margin is trimmed somewhat tightly. **Fine+**. (350-550)

2274 Huntington - \$50.00 1902 Fr. 675 The First Huntington NB Ch. # 3106

This institution was the only bank in the entire state of West Virginia to issue Third Charter fifties and hundreds. It issued only plain backs, with a total emission of a mere 1814 sheets. This lovely example is the sole note of its kind we have ever handled, or, for that matter, ever seen offered for sale. It represents a true miracle of survival, and will no doubt be treasured for years by the West Virginia collector lucky enough to come home with this prize. Bright **Very Fine-Extremely Fine**, difficult to estimate, but if true rarity is any guide at all, expect to see a winning bid well into the range of... (2000-4000)

SUCCESSFUL BIDS.**

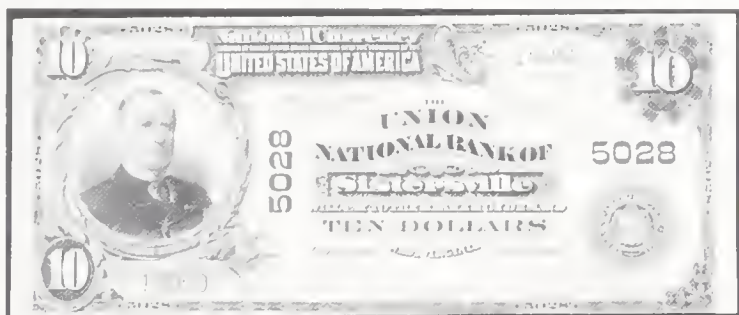

2275 Moundsville - \$10.00 Ty. 2 First NB Ch. # 14142

An excessively rare 14000 charter issue with only two such examples recorded to date in the Kelly census. Both are quite closely held, as our records of offerings at public sale disclose that this is the first opportunity ever for collectors to obtain any example from this bank via either auction or fixed price list. Nice **Fine-Very Fine**, closer to the higher grade than the lower. This could surprise, as the market for better West Virginia material has never been stronger. (800-1400)

2276 Sistersville - \$10.00 1902 Fr. 632 The Union NB Ch. # 5028

The first of three consecutive examples, each **Crisp Uncirculated** and each cut just into the design at the lower right side. (250-350)

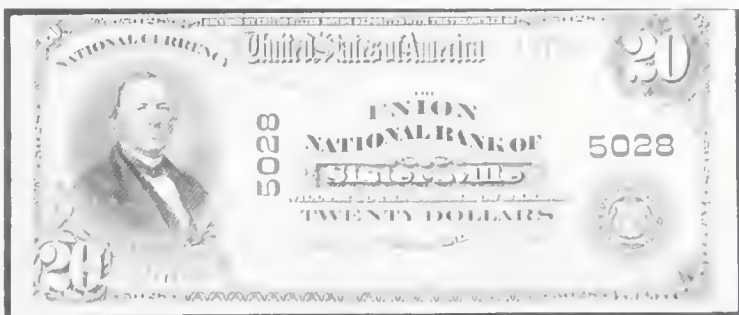

2277 Sistersville - \$10.00 1902 Fr. 632 The Union NB Ch. # 5028

A second example, crackling fresh and with clear purple signatures, just cut a bit close at the bottom right. **Crisp Uncirculated**. (250-350)

2278 Sistersville - \$10.00 1902 Fr. 632 The Union NB Ch. # 5028

The last of this trip of tens. **Crisp Uncirculated**. (250-350)

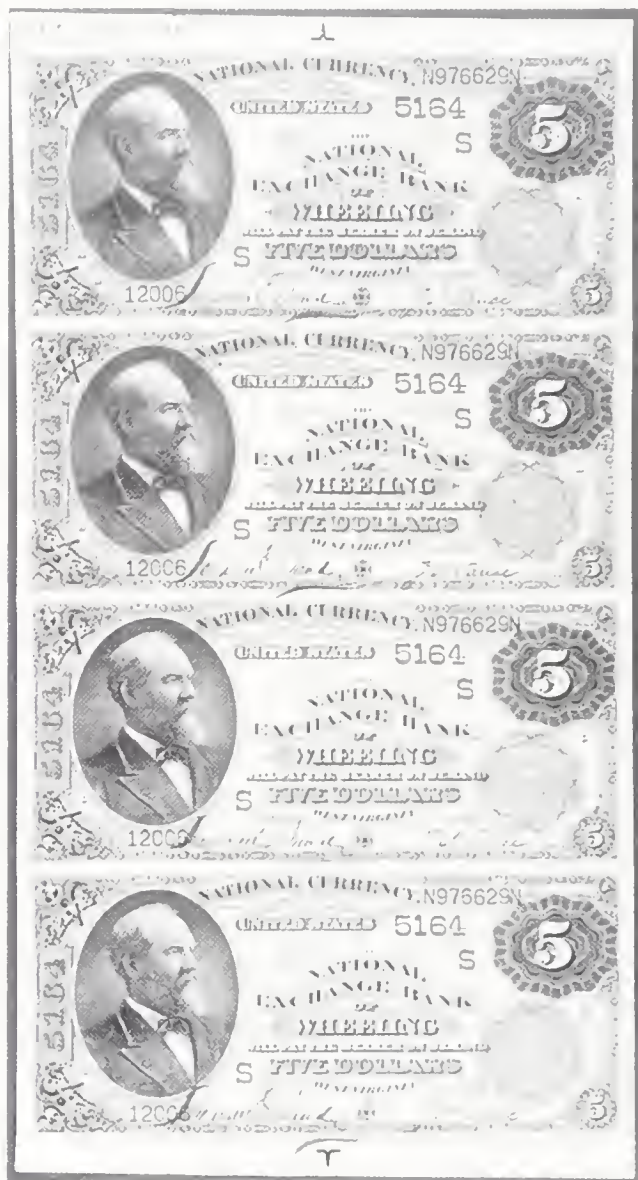

2279 Sistersville - \$20.00 1902 Fr. 658 The Union NB Ch. # 5028

Fresh and very pretty, but just a bit too close at the top to merit the gem grade **Choice Crisp Uncirculated** (300-500)

2280 Wellsburg - \$10.00 1902 Fr. 628 The Wellsburg NB Ch. # 1884

\$10.00 Ty. 1 The Wellsburg NB Ch. # 1884

Two pieces, the large a nice **Fine**, the small also **Fine** but trimmed very close at the bottom. (250-350)

2281 Wheeling - \$5.00-5.00-5.00-5.00 1882 Fr. 477 The National Exchange Bank Ch. # (S)5164 Uncut Sheet

One of only two Brown Back sheets known from this state, and one of fewer than 20 known from all states combined. It is a beautiful sheet, with great color, margins, and overall appearance. There are a few light folds between the notes, which, in an item such as this, are really of no consequence. **Choice About Uncirculated**, rare enough to see bids reach or exceed. (5000-9000)

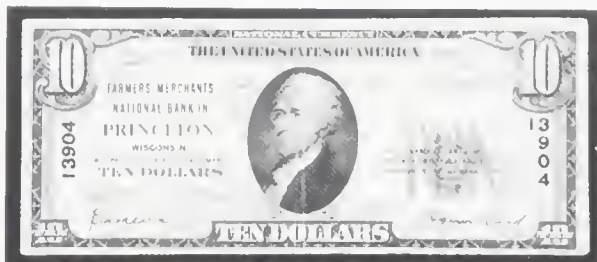

WISCONSIN

2282 Kenosha - \$10.00 Ty. 1 United States NB & TC Ch. # 12351

Very Fine, but with a small rust stain at the bottom. From the Crotts collection. (75-100)

- 2283 **Madison** - \$10.00, \$20.00 Ty. 1 The Commercial NB Ch. # 9153

Two state capital examples, the \$10.00 **Very Good+**, the \$20.00 **Fine** with an inked number on the face. (150-200)

- 2284 **Princeton** - \$10.00 Ty. 2 Farmers-Merchants NB Ch. # 13904

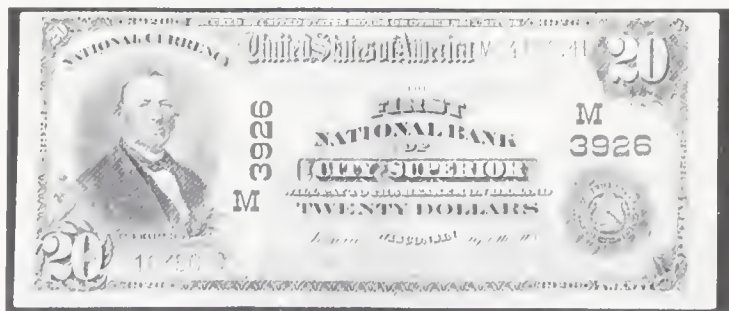

Evenly circulated **Fine** example from this tougher central Wisconsin community. (250-450)

- 2285 **Racine** - \$20.00 Ty. 2 First NB & TC Ch. # 457
Very Fine+, (40-50)

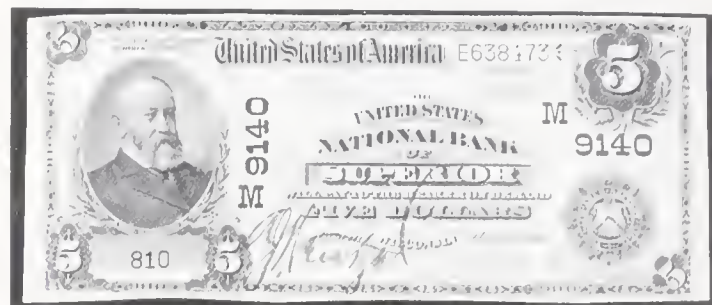

- 2286 **Rice Lake** - \$5.00 Ty. 1 The First NB Ch. # 6663

Always in demand because of its unique town name. **Fine**. (200-300)

- 2287 **Superior** - \$20.00 1902 Fr. 652 The First NB of the City of Superior Ch. # (M)3926

A most interesting title and tombstone arrangement by this bank. **Fine**, with a bit of staining, mostly on the back (150-250)

- 2288 **Superior** - \$5.00 1902 Date Back Fr. 592 The United States NB Ch. # (M)9140

An absolutely beautiful note that is easily the finest known of the four large notes extant from this forbidden title bank. Pen signed **Choice About Uncirculated**, from the Daryl Crotts collection. (800-1200)

- 2289 **Wausau** - \$5.00 Ty. 1 The First NB Ch. # 2820
Gem Crisp Uncirculated. (100-150)

- 2290 **Weyauwega** - \$10.00 1902 Fr. 624 The First NB Ch. # (M)7470

A high grade example from this most elusive location. This example is just as nice, if not a touch nicer than, the note from here which brought \$825 in our January, 1999 sale. **Bright Very Fine+**. (700-900)
